The copy filmed here has been reproduced thanks to the generosity of:

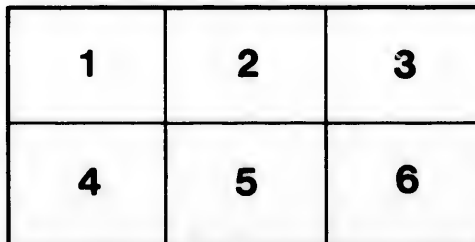

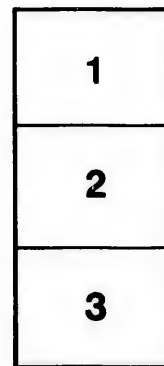

The Nova Scotia
Legislative Library

The images appearing here are the best quality possible considering the condition and legibility of the original copy and in keeping with the filming contract specifications.

Original copies in printed paper covers are filmed beginning with the front cover and ending on the last page with a printed or illustrated impression, or the back cover when appropriate. All other original copies are filmed beginning on the first page with a printed or illustrated impression, and ending on the last page with a printed or illustrated impression.

The last recorded frame on each microfiche shall contain the symbol \rightarrow (meaning "CONTINUED"), or the symbol ∇ (meaning "END"), whichever applies.

Maps, plates, charts, etc., may be filmed at different reduction ratios. Those too large to be entirely included in one exposure are filmed beginning in the upper left hand corner, left to right and top to bottom, as many frames as required. The following diagrams illustrate the method:

L'exemplaire filmé fut reproduit grâce à la générosité de:

The Nova Scotia
Legislative Library

Les images suivantes ont été reproduites avec le plus grand soin, compte tenu de la condition et de la netteté de l'exemplaire filmé, et en conformité avec les conditions du contrat de filmage.

Les exemplaires originaux dont la couverture en papier est imprimée sont filmés en commençant par le premier plat et en terminant soit par la dernière page qui comporte une empreinte d'impression ou d'illustration, soit par le second plat, selon le cas. Tous les autres exemplaires originaux sont filmés en commençant par la première page qui comporte une empreinte d'impression ou d'illustration et en terminant par la dernière page qui comporte une telle empreinte.

Un des symboles suivants apparaîtra sur la dernière image de chaque microfiche, selon le cas: le symbole \rightarrow signifie "A SUIVRE", le symbole ∇ signifie "FIN".

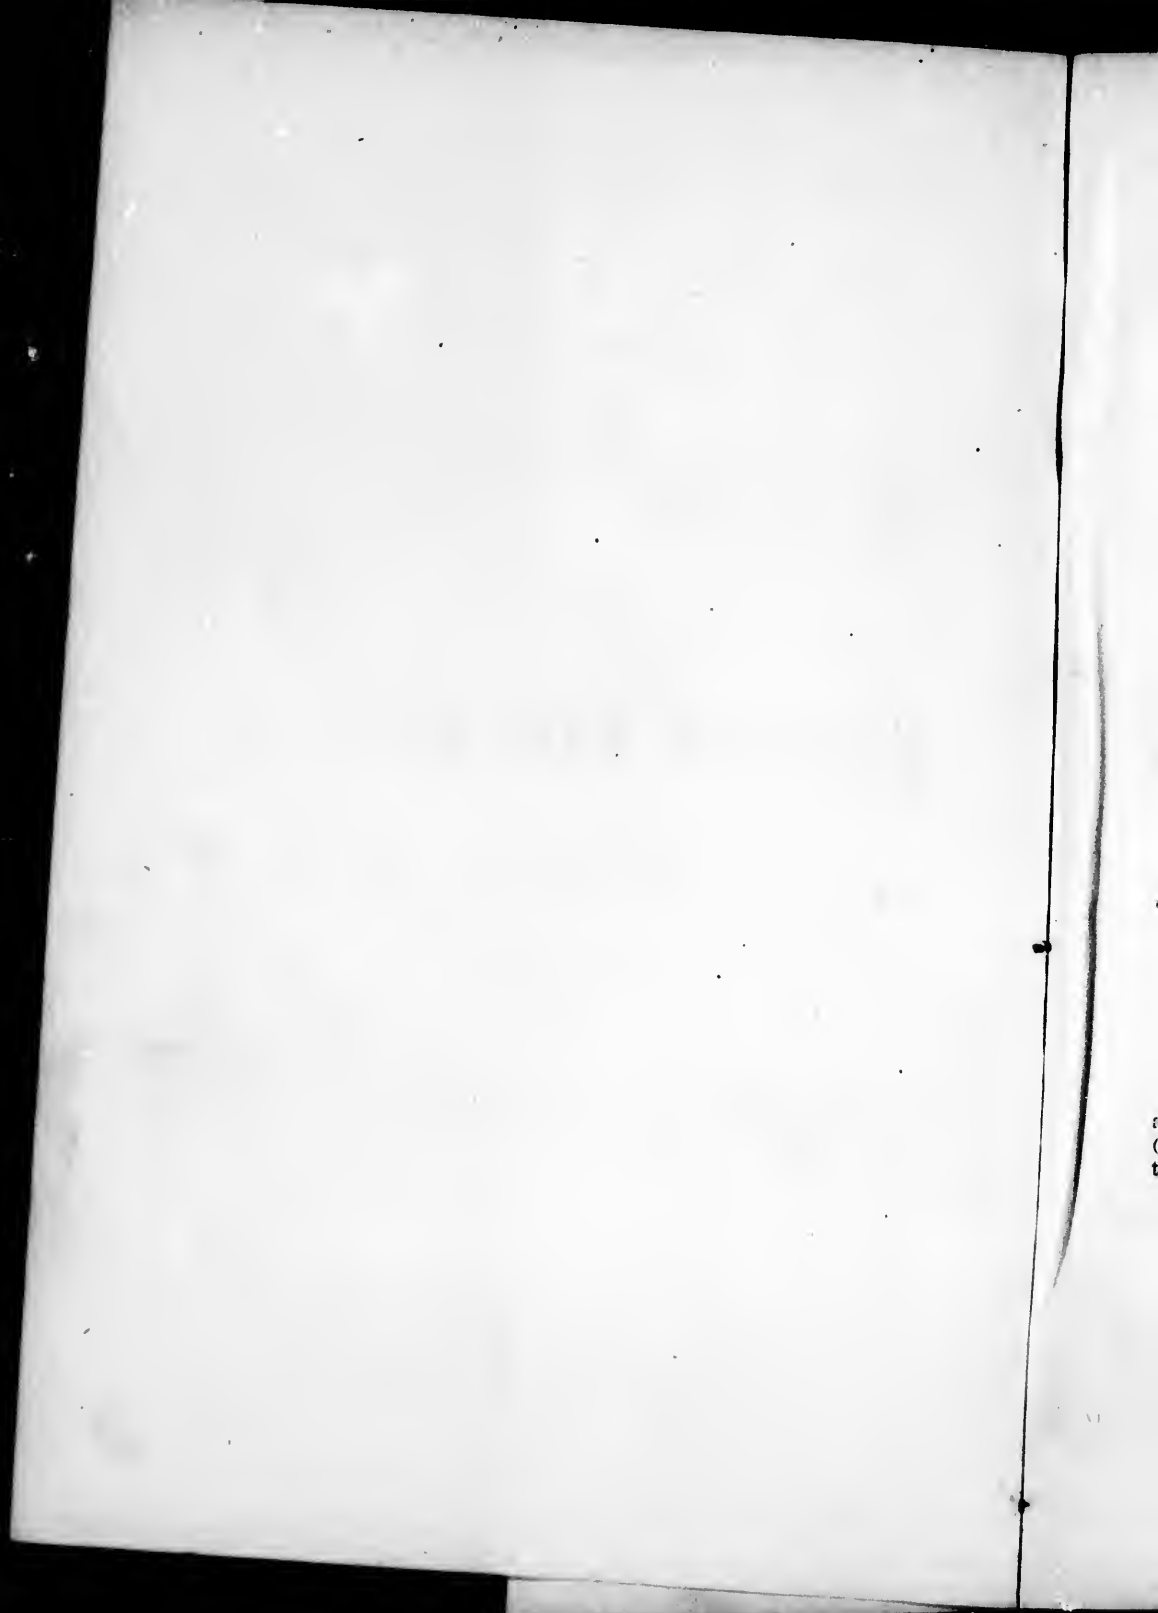

Les cartes, planches, tableaux, etc., peuvent être filmés à des taux de réduction différents. Lorsque le document est trop grand pour être reproduit en un seul cliché, il est filmé à partir de l'angle supérieur gauche, de gauche à droite, et de haut en bas, en prenant le nombre d'images nécessaire. Les diagrammes suivants illustrent la méthode.

RULES AND REGULATIONS

FOR THE USE OF THE

Citizens' Free Library.

1. The Library shall until further notice be open from 12, noon, until 6, p. m., every secular day; except Saturdays, (from 6.30 to 8.30, p. m.,) and such days as are regarded as holidays by the City Government, or when the committee may see fit to close it for cleaning or inspection.

2. The Library shall be free for the use of the citizens of Halifax, under the following regulations: All inhabitants of the city over the age of twenty-one, known to the Librarian as proper persons to enjoy its privileges, or so duly certified in writing by some responsible citizen.

3. Any minor over the age of fourteen depositing with the Librarian a written guarantee from their parents, or guardians, being themselves entitled to the privileges of the Library as above.

4. Any citizen entitled to the use of the Library can introduce a stranger who wishes either to consult books in the Library or take them to his lodgings to read; a book will be kept in which such citizen will be required to enter his own name and that of his friend, which entry will be held as a guarantee for the conduct of his friend and the safety of any book or books taken out of the Library on loan.

5. Or strangers visiting the city can have the use of the Library, on depositing with the Librarian a written guarantee from a responsible citizen, for the safety of any books loaned to them, or by depositing the value of the book or books, or of the set to which they belong (optional with the Managers of the Library); the money so deposited or guaranteed, to be returned when the books are returned uninjured.

6. Books must be asked for according to their designation in the Catalogue, which will be supplied by the Librarian at 25 cents each.

7. Any person entitled to the use of the Library whose name and place of residence has been duly recorded, can have books by sending to the Librarian in writing (with their proper signatures attached), the name of the book required, or the names of several to be selected from.

8. No person can take books from the shelves who is not employed in the service of the Library.

9. The time books may be kept, will be marked in them; also the amount of fine for each day over-kept, which will be strictly enforced; but the book may be renewed on application, provided it is not required by another applicant.

10. Any book, detained without renewal one week beyond the time limited by these regulations may be sent for by the Librarian at the expense of the person so detaining it, which, together with the fine incurred, must be paid before any further issue is made.

11. All losses or injuries to books shall be made good to the satisfaction of the Librarian, and any books after three months detention will be held to be lost, and no person owing a fine incurred as above can be entitled to the further use of the Library until such fines be paid or losses made good.

12. Encyclopædies, Dictionaries, bound Newspapers, or other books of reference, can only be used in the Library, except under special circumstances and conditions optional with the Managers of the Library. All books must be returned to the Library whenever required for inspection or otherwise, under a penalty of one dollar for each volume detained. Reasonable notice will always be given in such cases.

N. B.—Any talking or conversation that would interfere with the business of the Library or be unpleasant to others in waiting not allowed.

☞ As the Saturday evening is especially intended for the convenience of those who cannot well come during the week, it is requested that, to prevent overcrowding, all who can supply themselves during the other days of the week will do so.
