Did the laundress fail to show up?

Going out of town and leaving hubby behind?

Do you find warm weather washdays trying? Here, then, is a suggestion. Telephone our driver to call for your family bundle. You will be pleased with our service.

First we sort everything, the light from the colored, the cotton from the woolen, the very soiled from the cleaner clothes. Then we wash everything according to its needs by an easy, sousing, clothes-conserving method in many baths of fresh, clean soft water with pure soap. Then the clothes are dried in the pure air that leaves them sweet-smelling as you could wish.
