London: action teams

February 2013

# Problems: participation

# Problems: attitudes

A Venn diagram consisting of three overlapping circles. The top circle is dark red, the middle circle is dark green, and the right circle is maroon. The intersection of the top and middle circles contains a dark brown square with the word "Foundation". The intersection of the middle and right circles contains a light green square with the word "Chapters". The intersection of all three circles is empty.

A photograph of a volcanic eruption at sunset. A massive, dark plume of smoke and ash rises from a volcano on the horizon, illuminated from behind by the orange and yellow hues of the setting sun. The sky is filled with various shades of orange, yellow, and blue. In the foreground, the calm surface of a body of water reflects the warm colors of the sky.
