Op-23F14
Translation No. 389
1 November 1945

GOVERNMENT-GENERAL OF KOREA

A partial translation of material pertaining to the Government-General of KOREA contained in the Shokuin Roku (Personnel Record) issued 1 July 1943. Material translated comprises the organizational rules for the Government-General and a directory of all bureau, section, and office chiefs of the Government-General and subordinate agencies.

Japanese-English and English-Japanese glossaries of terms appearing in the translation are appended.

Government General of KOREA

Organization

(Imperial Edict No.354, September 1910.)

1. The Government General of KOREA shall have a Governor-General of KOREA. The Governor-General shall have jurisdiction over KOREA.
2. The Governor-General shall be of shinnin rank.
3. The Governor-General shall be in charge of all government affairs. He shall submit reports to the Throne and obtain Imperial sanction through the Premier in compliance with the instructions of the Minister of Home Affairs. The Governor-General shall be supervised by the Premier and the various Cabinet Ministers in matters where this is especially prescribed.
4. An Inspector-General of Political Affairs shall be assigned to the Government-General. The Inspector-General of Political Affairs shall be of shinnin rank. He shall assist the Governor-General in the administration of government affairs, and he shall supervise the functions of the various departments and bureaus.
5. The Governor-General's Secretariat and the following eight bureaus shall be established in the Government General.

General Affairs Bureau
Administrative Bureau
Bureau of Finance
Production Bureau
Agriculture and Forestry Bureau
Judicial Affairs Bureau
Educational Affairs Bureau
Police Affairs Bureau

6. The apportionment of duties among the Governor-General's Secretariat and the several bureaus shall be determined by the Governor-General.
7. The Government-General shall have the following officials.

8 Bureau Chiefs of chokunin rank.
2 full-time Private Secretaries of sonin rank.
37 full-time Secretaries of sonin rank.
26 full-time Administrators of sonin rank (2 of these may be of chokunin rank.)
2 full-time Investigation Officials of sonin rank.
18 full-time Commissioners of sonin rank.
1 full-time Ceremonial Official of sonin rank.
1 full-time Statistician of sonin rank.
1 full-time Forestry Administrator of sonin rank.
2 full-time Pedagogy Officials of sonin rank.
4 full-time School Inspection Officials of sonin rank.
6 full-time Editors of sonin rank.
1 full-time Bank Inspector of sonin rank.
67 full-time Technical Experts of sonin rank. (3 of these may be of chokunin rank.)
1 full-time Physical Education Official of sonin rank.
3 full-time Official Interpreters of sonin rank.
327 full-time Clerks of hannin rank.
1 full-time Assistant Ceremonial Official of hannin rank.
9 full-time Assistant Statisticians of hannin rank.
7 full-time Assistant Editors of hannin rank.
211 full-time Technicians of hannin rank.
1 full-time Elve-Interpreter of hannin rank.

CONFIDENTIAL

8. In addition to the officials listed in the preceding article, upon the presentation of a petition to the Emperor by the Governor-General of KOREA, higher officials of various related offices may be appointed by the Cabinet as Administrators of the General Affairs Bureau so that they may have charge of the functions of this Bureau.
9. A Geological Survey Center shall be established in the Production Bureau and shall be in charge of matters concerning geological investigations.
10. The position of Chief of the Geological Survey Center shall be filled by a Technical Expert of the Government General of KOREA.
11. An Office of Weights and Measures shall be established in the Production Bureau and shall be charged with the manufacture, sale, inspection and control of weighing and measuring instruments and meters and of other pertinent matters.
12. The position of Chief of the Office of Weights and Measures shall be filled by a Secretary or an Administrator of the Government General of KOREA.
