Refunds

REFUNDS, ADJUSTMENT OF FARE: In the event of any misunderstanding with Conductor as to proper fare or ticket privileges please pay charge requested, take a receipt and communicate with or call at Passenger Traffic Dept., 150 Causeway St. adjoining North Station, Boston 14, Mass. Conductors are not authorized to change rules, or charges.

UNUSED TICKETS or partly used tickets of Boston and Maine R.R. issue may be for redemption by the original purchaser mailed to Passenger Traffic Dept., Boston and Maine R.R., North Station, Boston 14, Mass.

NOMINAL SERVICE CHARGE is made for redeeming railroad tickets (except commutation) in accordance with tariff on file with the regulatory commissions. This charge ranges from 10c on tickets costing \$1.00 or less to a maximum of 25c on tickets costing \$1.15 or more.

A partially used one way or round trip ticket is redeemable at the difference between its cost and the fare applicable to the portion used plus above nominal service charge.

A charge is made when baggage is checked on a ticket not used for passage or when baggage has been carried beyond the point at which journey is discontinued.

Except as otherwise provided by tariff, the rides used on commutation tickets are charged for on the basis of the amounts which would be paid for other one way or commutation tickets to cover such service.

Wholly unused tickets may be redeemed within 30 days from issuing date at ticket office where purchased when presented by the original purchaser.

Baggage

SERVICE CHARGE of 25 cents on each piece of hand baggage and 50 cents on each trunk will be collected at the time of checking the baggage. Hand baggage includes duffel bags, suitcases, brief cases, gun cases, skis, etc. Trunk charges include also cases, crates, large boxes, baby carriages, invalid chairs, etc. The service charge does not include any other charges such as to cover excess valuation, weight, etc.

Checkable baggage consists of wearing apparel, toilet articles (except liquids) and similar personal effects for the passenger's use, comfort and convenience for the purpose of the journey. Liquids, fragile articles, etc., are not checkable baggage. Railroads will not be responsible for loss or damage to or caused by articles not properly checkable as baggage. Hand baggage in coaches and Pullmans is restricted to what can be conveniently placed in Pullman space or in coach baggage rack over passenger.

Be sure your baggage is clearly marked to show name and permanent address.

Passengers are urged to check baggage a day in advance or so that it may be forwarded on a preceding train, especially from stations that are closed during certain hours of the day, or closed on Saturdays, Sundays or holidays. Where station is closed, and passenger wishes to check baggage, it may be carried on the train and presented to train baggage master for checking to the transfer point or car or railroad where station checking facilities are available for rechecking to destination.

Any single piece may be checked not exceeding 300 lbs. in weight or 72 inches in greatest dimension nor exceeding \$2500 in value for any single shipment. Free allowance of 150 lbs. per adult ticket, subject to tariff regulations, is granted with \$100 maximum declaration (in writing on form prescribed), or extra value may be declared at low rate.

Baggage for stations where no agent is on duty (inquire on checking baggage) must be claimed at Baggage Car immediately on arrival at that station; otherwise it will be carried to first station where agent is on duty and will be held for further orders.

Every effort will be made to facilitate delivering baggage, but no guarantee can be given that it will be forwarded on same train carrying owner, nor can time of arrival at destination to which checked be guaranteed.

STORAGE will be charged on each piece of baggage inbound or outbound checked or unchecked remaining on hand over 24 hours.

TRANSFER IN BOSTON: The Armstrong Transfer Co. will transfer baggage to or from railroad stations, residences, hotels and docks. Charges vary from 80c up. Similar service available in other large cities.

INSURE YOUR BAGGAGE AND PERSONAL EFFECTS—A short-term policy of the St. Paul Fire & Marine Insurance Company, insuring all baggage taken on a trip, whether worn, carried or checked, may be purchased at principal stations on the Boston and Maine Railroad. The coverage is liberal and the rates are low. Minimum premium 25c. Ask Ticket Agents for particulars.

RED CAP BAGGAGE—A service charge of 25c per piece is made by this and most other railroads for handling hand baggage and other articles. This charge is collected by Red Cap porters at the time passengers offer their hand baggage or parcels for handling. Charge will apply each time service is performed.

RAILWAY EXPRESS SERVICE also available for nation-wide delivery service.

PETS accompanying passengers: Small dogs, cats or other small animals (not vicious, odoriferous or otherwise objectionable) when carried in closed basket or containers may be taken in railroad coaches, also in private room accommodations. Not more than two animals may be taken in any one room. The animals must be in suitable containers when taken to and from the rooms; however, dogs may be on leash and muzzled in lieu of in container. Dogs properly muzzled and provided with strong, securely fitting collar or harness on chain, or other strong leash, or enclosed in crates, will be checked in baggage service at tariff rates. The law requires any dog checked to a destination in Massachusetts from outside the state shall be accompanied by a health certificate approved by the live-stock official of the state of origin showing dog to be free from contagious diseases, and has not been exposed to rabies.
