NARBERTH, PA., THURSDAY, NOVEMBER 2, 1916

PRICE TWO CENTS

FIRST ENTERTAINMENT OF COMMUNITY CLUB BIG SUCCESS

The opening entertainment of the Community Club, Friday evening, October 27, was a success in every sense of the word. Most of those present pronounced it one of the best evenings they have spent in Narberth in a long while.

Mr. J. B. Chamberlain, secretary of the Civics and Equity League of Philadelphia, spoke interestingly on the present day social evils. The only criticism was that he did not speak sufficiently at length.

The Berna Concert Company scored an unqualified "hit." Mrs. Wetzel, a humorous reader of rare ability, was called upon to exercise her entire repertory. By introducing a touch of local color, she added charm to her work.

Madam Dalbities rendered a number of soprano solos most effectively and was roundly applauded for her excellent efforts.

Mrs. Scorer whistled several popular selections to the delight of all present.

The second meeting will be held in the school house on November 24. Mr. Irvin C. Williams, of the State Forestry Department, will give an illustrated lecture on "The Conservation of Our National Resources."

LOWER MERION HOLDS FIRST TEACHERS' INSTITUTE

Teachers Benefited by Helpful Advice of Advanced Educators—A Great Success.

Dr. S. C. Schmucker was the principal speaker at the first annual Teachers' Institute of Lower Merion township. All of the teachers were in attendance, and Superintendent of Township Schools S. E. Downs presided. The second session was held with an even larger attendance. The morning session was opened with prayer by Rev. Charles Walker Anschutz, pastor of St. Paul's Lutheran Church. Dr. Ambrose Suhrie, of the University of Pennsylvania, spoke on "Professional Literature for Teachers." Dr. S. C. Schmucker gave an instructive talk on "The Place of Nature Study in the Course," and Dr. Edwin E. Sparks, president of State College, gave "Confessions of a Schoolmaster."

Luncheon was served from 12 to 1 o'clock, and at 1.15 the session was resumed with Dr. Schmucker giving a talk on "The Real Purpose of Nature Study." Dr. Suhrie followed with an address on "The School Survey Movement," and Dr. Sparks spoke on "An Unknown Patriot."

At the evening session Dr. Sparks gave a lengthy and interesting address on "The Simple Virtues."

The superintendent, members of the Board of Education and the teaching staff of the township schools unanimously vote the local institute a great success.

Don't forget the base ball banquet to be given to the Champions.

Yolks of eggs should be beaten until a spoonful can be taken up clear from strings.

INTERESTING EVENTS

AT THE Y. M. C. A.

Official Meetings.

The regular monthly meeting of the Board of Managers will be held at the Y. M. C. A. next Thursday evening, November 2.

On Monday evening, November 6, the regular monthly meeting of the Board of Directors will be held. This will be an important meeting because of the annual meeting coming in December.

Week of Prayer.

The World's Committee of the Y. M. C. A. has set apart—November 12 to 18—to be observed as a week of prayer by the associations throughout the world. A conscientious observance of this event will be held at the Y. M. C. A. every evening from 7.30 to 8. Plan to attend these meetings. Further announcements later.

Another Appreciation.

Another of our friends contributed some nice big logs for the fire place this last week. If you want to see how the fellows appreciate an open fire drop in the lobby most any evening. We appreciate these kind of gifts.

That Victrola.

Well, we have put a notice in these columns several times—about that Victrola that is covered with dust. It would certainly be appreciated in the lobby and feeling convinced that there is such a Victrola in Narberth—we are continuing to advertise.

R. U. A. Member.

Are you a member of the Y. M. C. A.? If not, why not? Now is the time to join—we have something here that will interest you. Drop in and see us. Limited membership, \$2; full, \$5; sustaining, \$10 or over.

Boys' Game Room.

Here is the all important announcement, our opening night will be Friday, November 10.

The remodeling and additional equipment is rapidly getting this room in shape and there is no doubt but that this room will be the finest and most useful addition to our Boys' Department.

Don't forget the night, Friday, November 10, and we take this opportunity to extend an invitation to all those who have contributed so that this room has been made possible. We want the boys and their parents. Don't forget, bring your father or mother or both if possible. Don't forget the date book at the Y. M. C. A. Phone, Narberth 694-W. "Keep at Your Best."

This is the way to do it, physically. The tennis season is over. What

are you going to do now to keep in shape, physically? You have had an active season; think what it will mean to suddenly stop vigorous exercise and patiently wait till spring comes so you can get at tennis again. Feast and famine is not a good theory on any proposition, and particularly when it concerns one's health.

Here is one plan—think it over. Our Business Men's Gym Class meets every Friday night and will continue to do so till the next tennis season. Come one Friday night and get a sample, and if you don't have the time of your life you'll be an exception to those who have attended this feature. Just give us one trial—also, when the tennis sport starts you will have the privilege of making your headquarters here—with hot and cold showers always at your service—all this for \$5 per year. Start this week. Don't put it off.

For further information ask any of the following men: Gara, Cole, Henry, Nash, Trotter, Orr, Atherholt, Donnelly, Seymour, Harris, Ludovick, Shields, Cameron, Matthews or Hampton.

Night School.

Young man, why not put one or two nights a week to some real value? Had you thought of night school? (Continued on Fourth Page)

EDITORIAL.

Welcome, newcomers to Narberth!

Probably Narberth will have a real representative next week. Every one hopes "Flick" knocks a political home run.

November 7 will be history before Our Town makes its next appearance. Here's luck to the winner. It's going to be a hard job for any incumbent.

Do you read what "the Cub" writes in his column each week? Our Town feels itself fortunate, indeed, in having secured this \$10,000 protege for its staff. We are sure our progressiveness is appreciated by our readers, because of the abundance of expressions of appreciation this column receives. Get the habit—follow "the Cub." Read his paragraphs to cure indigestion.

This is the last issue of Our Town before the great election of November 7th. Attention has already been called in our columns to the importance of voting early, as the number of voters in our borough is now so large that there is danger of some being shut out by the closing of the polls, if too many leave it until the afternoon.

There has never been a time in the history of this country when it has been more important for every qualified citizen to exercise the right of franchise. It is a regrettable fact that many regard the privilege of voting lightly, and permit any excuse, however trivial, to interfere with what should be regarded as a sacred duty. When it is recalled that thousands of lives have been offered up for the sake of gaining this privilege, and that it is the very foundation stone of our republic, it is hardly conceivable that many actually throw away the opportunity, and that others basely sell their votes to the highest bidder.

We are facing a very grave crisis in the history of our country, and much depends on the result of this election. Whatever may be one's party affiliation, it is obligatory on him to vote according to his convictions. Mere talk, without a vote to back it up, is worse than useless. The importance of every vote was well illustrated at the recent nominating convention, when Mr. Fletcher

W. Stites won the nomination as candidate for membership in the Pennsylvania Legislature by only 15 votes; if only eight of those votes had gone to his opponent, the nomination would have been lost to Mr. Stites.

There are some who may refrain from voting, on the ground that they are in doubt as to the merits of the two leading candidates for the Presidency. There has been ample opportunity for obtaining information on every important point from the acts and speeches of the candidates, supplemented by thousands of documents sent out by their respective committees in charge of the campaign. To refrain from voting or maintain a neutral attitude for this reason is inexcusable. It is always noticeable that the smaller parties have very little trouble in getting out their vote; it is generally adherents of the larger and over-confident parties who are careless in this respect. Do not forget that the minority of to-day may become the majority of to-morrow. Once again, we urge every citizen to vote according to his convictions.

Some one said to me the other day: "I did not realize how very beautiful our park was until I saw it recently," and I have wondered ever since how many of us do appreciate its real beauty and if we have any pride in its existence.

Wouldn't it be fine if we could give expression to our appreciation by a gift of one or more Japanese cherry trees? Picture in your mind how Narbrook would look next spring with fifty or more of these beautiful trees in full bloom. Then we could say come and see Narberth in cherry blossom time. Who will give a tree?

VOTERS TAKE NOTICE.

To the Editor of "Our Town,"
Narberth has over seven hundred listed voters, and only one polling place, the fire house on Forrest avenue. In order to avoid being shut out at 7 o'clock P. M. on November 7th, when the polls close, the members of the election board request voters who can do so, to vote early in the day. The polls will be open just twelve hours, from 7 A. M. to 7 P. M. If every listed voter casts a ballot, it will require that a ballot be recorded every minute during the entire twelve hours.

Thomas C. Trotter, Jr.,
Judge of Election.

SUFFRAGE MONTHLY MEETING.
Miss Gertrude Wright, of Grayling avenue, will act as hostess to the members and friends of the Narberth branch of the Woman's Suffrage party on Friday, November 3rd, at 3 P. M. A cordial welcome to all.

ANNUAL MEETING OF NEEDLEWORK GUILD

The annual meeting of the Narberth Branch of Needlework Guild of America will be held on Wednesday afternoon, November 8th, at 2:30 o'clock, in the Narberth Presbyterian Church. The public is cordially invited to attend the meeting, at which Miss Sullivan, of the Juvenile Court, will be the principal speaker. The church will be open at 10 o'clock to receive garments and the directors' meeting and luncheon will be at 12:30. The Needlework Guild is a national organization. Its object is to collect and distribute new, plain, suitable garments to meet the great need of hospitals, homes and other charities.

The annual exhibition of two or more new articles of wearing apparel or household linen or a donation of money—no amount specified—constitutes membership. Last year the Narberth Branch collected eleven hundred and twenty-seven new garments, which were distributed among about twenty-five different hospitals and institutions. In addition to these garments a number of others were made and sent to the Red Cross. It is hoped that this year's number will exceed that of last year. New members and contributions will be greatly appreciated.

Narberth is fast becoming a business as well as a residential town. New ventures are frequent, the latest being a Talking Machine Shop in the Arcade. It will not be long before our residents will have no excuse for making their purchases in the city, as merchandise of all kinds will be on sale right here in the borough.

MAIN LINE BOWLING LEAGUE DEVELOPING

Wayne Champs Lead With Other Clubs in Keen Race

As the Main Line Bowling quintette comes in for the finish of the last match of the first round of the 1916-17 season it is only to find the Wayne champions again at the pace-making hurdle, the Champs having only dropped two games out of the twelve played and with Paoli Travelers (who are not yet rolling up to the league standard) for this week's attraction it is safe investment to place your coin on Wayne for the leaders when the finals of the first round are bowled this Friday evening.

The champions made a clean sweep of the match against the Narberth Rovers last Friday evening, only, however, copping the first game by a margin of eight pins.

Ardmore Y. M. C. A. is again the runner-up in the league, the same standing in which it finished last season. The Ardmoreites took advantage of the Paoli Travelers last week and placed three games on the right side of the percentage ledger, making their standing .666.

Narberth Y. M. C. A., under Bob Savill's captaincy, had quite a tussle with Dave Ramsey's Rosemont Men's Club quintet, and by some sensational rolling managed to come through with two out of three, Rosemont leading the Borough Y. M. C. A. quintet by one game; the boroughites have an even break to date for .500. The Narberth Rovers, under Irv. Ward, follow the Y. M. C. A., and Geo. Mathias' Paoli Travelers, who have been unable to get going in the proper stride, are holding down the basement, groaning under the burden of eleven games lost and but one won.

League statistics show Ralph Walt as the chief knight of the alleys, with an average to date of 170. Savill and Durnell come merrily along with an average of 164, and Bill Humphries follows close with 163. Savill holds high single with 537 pins.

LOCAL BOWLING LEAGUE

Much interest has been centered around the "Local Bowling League." Last Monday evening the Essex team took three straight from the Narbrook team.

Smith, rolling lead off man for the Essex team, rolled high score of the evening with 197, and this score also stands high for the league. The previous high score was held by George Fleck with 196, with Smith's score is one pin better.

The games between Savill's plugs and Ludly's Southside team resulted in three wins for the Plugs.

Foot Ball Notes.
The foot ball team will practice Wednesday evening, 8 o'clock, at Y. M. C. A.

That ten-second man, Markle, runs well with the ball.

The entire team displayed grit and nerve, going into a fairly hard game without practice.

We are entering the second season without having our goal line crossed.

Kerwood and Parsons fit in nicely.

Our backfield is some class and it will take a good team to stop them.

One of the Sansom players said "he didn't expect to play a ton of rock." His opponent was G. Markle.

Bill Durnell got off some good passes, which were faultlessly handled by Dickie.

That flash Turner is so fast, he is continually running into players.

REPORTER CUB'S LETTER

To the Editor of Our Town:
Verdun has nothing on Narberth. Fort Barrie, at Essex and Price avenues, is just as impregnable. It should be called Fort Barrie. Instead of barbed wire entanglements there are some very thorny rose bushes that seem to reach out and nip you as you travel along the sidewalk. Our Home Defense Friends might get a useful hint from this.

These are also the guessing days—guessing whether the ashes will be collected this year or next.

Pud Rose contracted for a suit of clothes. The contractor, after a tour of Pud's vicinity, made what he considered a liberal estimate of the necessary amount of cloth to drape Pud's ample proportions. Unfortunately he underestimated and now regrets he didn't employ a surveyor.

In my capacity as reporter for your paper it was necessary for me to visit the Philadelphia roof gardens quite frequently during the past summer. The number of Narberthians whom I met on these little trips was amazingly large, and as I have a fondness for statistics I kept track of their names and the number of times I had seen them. Very likely you will be glad to print this list. Here it is—(deleted by the censor).

Have you ever noticed the rather tired but game looking little machine that stands out in the front of the Y. M. C. A., or Elm Hall, every evening? This faithful little creature has traveled further than any other three cars in Narberth. It's "Swan Neck" Savill's Hupp-Go-Cart. The little thing seems almost human, only it works harder and kicks less than any human being I know. No charge for the ad, Bob.

During the morning worship last Sunday the four little infants of Mr. and Mrs. Bradley, Mr. and Mrs. Buckelew and Mr. and Mrs. Hoffman were baptised, and Mr. W. J. Peebles and Mr. S. W. Foster were re-installed as ruling elders. Also a Presbyterian Home Circle was formed, consisting of all families who observe in the home daily family worship. By actual count there were 796 present at this meeting.

Haverford Avenue.
Now that Wynnewood avenue has been put into permanent condition by the laying of a concrete roadbed, our borough officials should take prompt action in preparing Haverford avenue for similar treatment. It would be a waste of money to build a macadam road.

If adjustments are necessary with owners of abutting properties in order to facilitate putting in order one of the main approaches to the centre of our borough, why, then, delay further—lets "adjust" and get busy. The taxpayers want action.

Haverford avenue needs sidewalks and gutters as well as a permanent roadbed, and it's one of the few streets that has been allowed to go without proper sidewalks.

POST OFFICE NOTES.

Xmas parcels should be mailed early. They may be marked "Not to be opened till Xmas" or other such inscription.

It is predicted that on account of the great prosperity in our country the Xmas parcels post business will be unusually heavy and those who delay their mailings may be disappointed in that they may not arrive as expected.

HALLOWEEN PARTY.

Mr. and Mrs. R. D. Thomas, of Price avenue, gave a Halloween party last Saturday evening. Those present were: Mr. and Mrs. J. H. Lyberger, Mr. and Mrs. G. Fenno, Mr. and Mrs. W. A. Stewart, Mr. and Mrs. J. H. Richards, Mr. and Mrs. H. C. Pierce, Mr. and Mrs. Hambley, Dr. and Mrs. Harry Marx, and Dr. and Mrs. W. M. Cameron.

A STUDY OF SOUTH AMERICAN COUNTRIES.

Mrs. Samuel Foster, of Merion avenue, is conducting a class on South American Countries, which started Monday afternoon, October 30th, at three o'clock at the residence of Mrs. John Van Ness, 102 Hampton avenue. The next meeting will be at the residence of Mrs. Kennedy Duff, 204 Woodside avenue, next Monday afternoon, November 6th, at 3 o'clock, at which all the women of Narberth are cordially invited to attend.

MAIN LINE CHAMPIONS TO ATTEND CHURCH IN BODY

A unique service is being arranged for next Sunday evening in the Presbyterian Church when the Narberth Champs will attend the meeting in a body. Rev. John Van Ness will deliver a sermon on the theme, "A Safe Hit, and a Home Run." An address of welcome will be tendered the boys and the response will be made by Mr. Fletcher W. Stites. Special music will be rendered by a male quartet formed from the base ball contingent and also by the church choir. Concerning this meeting Mr. Van Ness made the following announcement last Sunday: "Come early if you want a front seat. Come still earlier if you prefer a back seat." The meeting will begin promptly at 8 o'clock.

FIRESIDE.
(Continued from First Page)

engaged before the building is completed.

Mr. Herman Bubb, of Essex avenue, is to direct the old (yet new) fashioned concert to be given by Ladies' Aid of the Baptist Church, in the near future. Mr. Bubb has had wide experience and his efforts should be productive of a merry evening for all who attend.

Mr. and Mrs. Edwin P. Dold entertained at bridge and dancing Saturday evening, when their guests were Mr. and Mrs. Andrew Greene, Mr. and Mrs. Guyon Grey, Mr. and Mrs. Thomas Henderson, Mr. and Mrs. William J. Henderson, Mr. and Mrs. Carl B. Metzgar.

At the very brilliant reception given to delegates to the Convention of Women's Club, on Monday evening, at the Philomusian Club house, were: Mrs. William Curtis Pollock, Jr., Mrs. Edward S. Taylor, Mrs. C. P. Fowler, Mrs. William M. Cameron, Mrs. Carroll Downes and Mrs. C. T. Moore.

Among those seen at the State Federation of Pennsylvania Women were: Mrs. W. M. Cameron, Mrs. Carroll Downes, Mrs. Charles Churchill, Mrs. W. Curtis Pollock, Jr., Mrs. C. P. Fowler, Mrs. Edward Cockrill, Mrs. Edward S. Taylor, Mrs. Edward Muschamp, Mrs. W. A. Cole and Mrs. C. T. Moore.

Mr. Frank Johnson, of Mill road, found a case on Wynnewood avenue recently which had been lost out of a passing automobile. It contained about \$2500 worth of jewelry. Mr. Johnson quickly restored the case and contents to the owner, whose name was on some of the contents. Such honesty and promptness should be recognized in a proper manner.

The October meeting of the Woman's Missionary Circle of the Church of the Evangel, proved very interesting to the forty or more women that attended. The speaker, Mrs. John L. Dearing, of Yokohama, Japan, gave an informal, yet most interesting talk on her work in the Orient. Mrs. T. Noel Butler preceded Mrs. Dearing with a vocal solo. At the conclusion of the program tea was served by Mrs. James P. Rowbotham and Miss Laura Hopper.

On Friday evening, October 27th, a miscellaneous shower was given in honor of Miss Marion Brill at the home of Miss Maizie J. Simpson. The guests included Miss Marion Brill, Miss Bertha Piggott, Miss Florence Stong, Miss Edna Stong, Miss Mary Mathias, Miss Bertha Brill, Miss Dorothy Brill, Miss Sadie A. Chadwick, Miss Cecelia Knutzen, Mrs. W. Arthur Cole, Mrs. T. Noll Butler, Mrs. William Carr, Mrs. George Brill, Mrs. M. M. Chadwick, Mrs. Sadie J. Frederick and Mrs. James C. Simpson.

The Narberth Fortnightly Club held the first meeting of the season Friday afternoon, when Miss Cornelia Woodie, of Stoneleigh Court, West Philadelphia, was hostess. As South America is to be the subject of the winter's study, a map talk on South America and a paper on Venezuela were given by Miss Anna MacKeag. After a discussion by the members tea was served to those present, who included Miss Bird Roberts, Mrs. A. Lincoln Jacoby, Mrs. A. Perry Redifer, Mrs. Frederick H. Harjes, Jr., Miss Anna MacKeag, Mrs. Allan S. Woodie, Mrs. Walter B. Smith, Mrs.

**SCHOOL EDITOR'S
WEEKLY NEWS ITEMS**

Without halting, without rest,
Lifting better up to best.

Monday morning brought to our
school many new pupils and old
ones who have not been here this
term. The auditorium reminded the
writer of commencement night. All
seating and standing room seemed to
be taken and everybody seemed
happy.

The enrollment is now about four
hundred and ten.

No loafing for the honest student
these fine autumn days. The morn-
ing after institute found us reciting
on "double headers." "Notice has also
been served" for fully prepared recita-
tions Wednesday (following Hallowe'en).
Poor me! But it is all
right; no one is kicking; we all know
what is before us.

Something new for Narberth High.
Book bags and homemade covers for
all new and good books. It didn't
take much effort to get this sensible
thing a-going. The big boys and
girls followed the principal's sugges-
tion at once, and, of course, example
counts; soon "everybody was doing
it."

We enjoyed the ten-minute talk
this morning on Hallowe'en. It was
instructive and interesting, especially
following the long silence as a re-
sponse to Mr. Melchior's request for
a volunteer to give a minute's talk
on the origin of Hallowe'en.

In concluding Mr. Melchior wishes
us all a jolly good time this even-
ing, but with the hope that Narberth
might wake up to-morrow to find no
wanton destruction of property as a
result of thoughtless boys and girls,
and that all might say, "Narberth
boys and girls are made of the right
kind of stuff." Hallowe'en affords a
strong temptation to children to for-
get the laws of good citizenship, but
we know all of our boys and girls
will be true blue.

Again it becomes our pleasure to
welcome to our midst the new boys
and girls. We hope they and their
parents may find our school life
pleasant and full of opportunities.

Don't forget the base ball banquet
to be given to the Champions.

The above is a new department, and in
order that it shall be of the largest use
to the community the list should contain
the name of every professional man, trades-
man, mechanic, shopkeeper, etc., who does
or can in any way serve his fellow-town-
men.
As it is difficult for those contributing
their time and efforts to the production of
"Our Town" to personally either know or
interview all such, it would be most help-
ful if those not now found in the printed
list would send in a memo of their name, ad-
dress, phone number and business or pro-
fession, for listing. This will cost as follows:
10 cents each issue for 2 lines; 5 cents for
each additional line.
