Dedication.

TO THE HON. DANIEL MACAULEY,

Mayor of the City of Indianapolis :

The Publishers take the liberty of dedicating to you the Fourth Volume of EDWARDS' ANNUAL CITY DIRECTORY of the City of Indianapolis. Not only as a tribute to your private worth, but as a token of the esteem in which you are held by all who so highly appreciate your exertions, both in time of peace and that of war. As a public benefactor and a civilian your example is well worthy of imitation. Your unrelenting efforts in behalf of the City's good, (in the position of Mayor,) and the high esteem in which you are held by the citizens of Indianapolis, eminently entitle you to the small consideration here bestowed by the publishers of this work.

READ WHAT THE PRESS SAY OF IT:

It presents such a variety and such taste of selections as should make it a favorite everywhere.—*Eagle, Union City, Ind.*

The workmanship is excellent, and the contents are worthy of so neat a setting.—*Commercial, Indianapolis, Ind.*

Try it you who love the West and the way she does things.—*Register, Eaton, Ohio.*

We are very much pleased with the Western Fireside, and wish it abundant success. It looks healthy and its typography will compare favorably with any of the Eastern monthlies. The selections evince considerable taste, while the original articles are all enjoyable.—*National Union, Cincinnati, O.*

The mechanical part is unexceptionable, being neatly gotten up and nicely printed, a feature in itself that will commend it to the favor of all persons of taste. The contents are varied and interesting, and adapted to the use and information of its locality, touching on almost all subjects, such as general literature, agriculture, health, education, temperance, &c. Each number contains twenty large three column pages of reading matter, and is offered at the low price of \$1.00 per year.—*Volunteer, Shelbyville, Indiana.*

INTRODUCTORY.

—o—

OFFICE OF THE CHARLESS PUBLISHING CO., }
ST. LOUIS, JUNE 15th, 1869. }

In presenting this the fourth volume of Edwards' Annual City Directory of Indianapolis to the patrons of the same, we cannot refrain from tendering our thanks for the liberal manner in which they have seconded our efforts in the prosecution of our labors, believing that they will be appreciated and the correctness of our work readily perceived by all who are daily obliged to refer to its pages; as the continual reference by most of our citizens to a work of this nature necessitates correctness and precision; its usefulness and value is readily felt by all business men, more especially as they have for the past year been misguided by a "*skimmed publication.*"

In view of this fact we subject our pages to the closest scrutiny, admitting the fact, however, that slight imperfections will unavoidably appear, though the greatest human forethought and precaution may have been exercised. For such slight imperfections we ask the indulgence of a most generous people.

The information has been collected with great care by Reporters who thoroughly understand their business, and no expense nor pains has been spared to give the citizens of Indianapolis a Directory useful as a business guide, and one that will reflect credit upon our beautiful and prosperous city, and at the same time, reflecting great credit upon its publishers for its mechanical execution.

In this connection we deem it proper to state that it is the intent on the part of the publishers, to make an annual publication hereafter, trusting that each succeeding volume will be attended with less difficulties, and that we may be able to merit the approbation of the patronizing public.

In conclusion, we most heartily return our thanks for the favors and kindness shown us by our friends and patrons.

We are most respectfully yours,

CHARLESS PUBLISHING CO.,

Publishers.

JAS. C. FERGUSON, President.

J. BRAINERD, Secretary.

 *From the Chicago Daily Tribune.*

Edwards' Directory combines all the qualities needed in a work of this kind, and has the entire confidence of the business men of all classes. The highest testimonials have been bestowed upon it. It has been pronounced "unsurpassed for beauty and correctness;" "**THE STANDARD BOOK OF THE CITY**;" "an indispensable requisite to every business office;" "highly appreciated by the business community and travelers generally;" an institution in the West, and its annual visit always welcome," &c., &c.

Resolution of the City Council of Indianapolis.

Be it Resolved, That the CITY COUNCIL of Indianapolis, feeling the want, and knowing the value of such a work to their fellow-citizens, and appreciating the enterprise of Mr. Edwards in issuing the Indianapolis Directory for the last two years in a manner creditable to the city and himself, and that we recommend our citizens to give their support to Edwards' Directory, thus securing the annual publication of a standard work.

JOHN CAVEN, Mayor.

CYRUS S. BUTTERFIELD, City Clerk.

 *From the Chicago Evening Journal.*

As Edwards' Directories have been pronounced the best **EVER PUBLISHED IN CHICAGO**, and as they have been **THOROUGHLY TESTED BY ALL CLASSES OF CITIZENS**, we can fully rely upon the forthcoming work as being in every particular correct and reliable.

Merchants' Exchange Resolution of St. Louis.

WHEREAS, The merchants, manufacturers and business men of St. Louis regard the publication of an annual Directory of our city a great convenience and a business necessity, and that our fellow citizen, Mr. Richard Edwards, has for many years issued such a work as has shown from time to time our growth and the greatness of St. Louis; be it

RESOLVED, That the Union Merchants' Exchange of St. Louis appreciate the enterprise and public spirit of Mr. Edwards, in permanently establishing a standard annual Directory of the city, and that we recommend our fellow citizens to give such annual encouragement, by subscription and otherwise, as will enable him to issue such a Directory as will be justly entitled the Model Directory of the West, and that the Secretary be instructed to forward a copy of the Directory, with the compliments of the President and Directors of the Exchange, to the various Exchange Rooms and Board of Trade Rooms of the large cities of the country.

GEO. H. MORGAN, Secretary.

 Hundreds such Resolutions and Editorials could be added from the various Cities for which we publish.

TO MY FRIENDS AND THE PUBLIC:

Having been frequently solicited by friends and patrons, during the last twelve years, to issue in my publications a good likeness of myself, and presuming it will gratify the curious, with an eye to business, I present the above as a faithful representation engraved from a photograph. As a business policy, and believing in advertising, I am in hopes the presentation of the likeness will not be without its good effect. Having studied and labored for over fifteen years in making the publication of city directories a business, I am proud to say that I have accomplished what thousands have attempted and failed. As there are always unprincipled persons ready to use the reputation of others, I hope the above likeness will aid in protecting my friends and the public against bogus adventurers, and also against the numerous irresponsible persons, who are constantly soliciting patronage to Bogus Directories and other advertising mediums, some of them having represented themselves as MR. EDWARDS, others as his agent, thereby enabling them to collect money, and impose upon the public. I would caution all persons against subscribing or paying any money to any person who does not show his responsibility and authority for whom he is acting.
