## "Wear-Ever" Aluminum Cooking Utensils

This progressive company uses "Wear-Ever" cooking utensils because bright, silver-like "Wear-Ever" is so clean and sanitary, and because exhaustive tests proved that "Wear-Ever" effects a distinct saving in operating costs.

The "Wear-Ever" utensils on these ships are the same as those used in many hotels, restaurants, clubs and public in-

stitutions and require no tinning. They are made of the same metal and with the same thorough workmanship as the "Wear-Ever" utensils that are used in hundreds of thousands of homes, the only difference being in the greater thickness of metal.

On the basis of years of service, "Wear-Ever" utensils are the most economical you can buy.
