A list of the Contents of this Work may be had gratis.

In Churches where Choral Service is performed, a great want has been felt of additional Services, of an easy character, and in a true Church style, for the Canticles and Hymns. It has been found that the Services contained in the collections of Boyce and Arnold do not afford a sufficient variety for daily use. It is, however, known to Church Musicians and Antiquaries, that many good Services by our best masters exist in MS., in various Cathedral and Collegiate Collections. It is, therefore, proposed to publish some of these in a cheap form, for the benefit of all choirs.

They will appear in a series—one Number every Month—so as to complete 12 whole Services in a year.

Subscription, about 70s. per Annum. The Work will be commenced as soon as 100 Subscribers are received.

It is intended that the following shall appear in the early Numbers:—

Tomkins, in C major; Farrant, in D minor; Kelway, in G minor; Child, in A minor; Creyghton, in —; Rogers, in F; Kempton, in B flat.

*** The Work will be printed in the same size and style as Novello's reprint of Boyce's Collection, in Score.
