HENRY F. MILLER LYRIC GRAND PIANO

This dainty instrument meets the demand for a grand piano of appropriate size for the modern drawing room. Its *volume* of tone is just right for medium-sized rooms, and the characteristic *tone-quality* of the larger grands is fully sustained. Also unlike the Upright piano the Lyric Grand, with its graceful lines, adapts itself to any position in the room, always showing its great artistic beauty to advantage wherever it is placed.

Card Etiquette.

The significance of a card is always considered by well bred men and women and its fitness to the occasion is an expression of its owner's individuality, in fact the card is the beginning and the end of etiquette—the introduction and the farewell.

A written name should never be used, unless the bearer's formal cards are beyond reach.

Ladies' visiting cards should be nearly square, fine in texture, flexible and of a soft white. Changes in form of course occur, but these are the characteristics for those who respect good form.

It is imperative that Mrs. or Miss should be placed before the name upon the engraved card.

It is proper to use the husband's complete name. Initials are seldom seen.

During a young girl's first season in society, her name is engraved upon her mother's card. If she is the oldest unmarried daughter, she is appended as Miss Smith—otherwise her full name is given with the prefix of Miss.

When two daughters enter society together, it is proper for them to be mentioned upon their mother's card together, thus,

MRS. JAMES SMITH.

THE MISSES SMITH.

Afternoon tea cards are sent a week or ten days in advance of the date upon them.

To send a card without calling signifies inability to call in person.

Acceptances or regrets should be sent as soon as possible after receiving invitations.

"Party Calls" should be made within one week after date of the party.

Invitations in your own city can be sent either by mail or messenger, as preferred.

The visiting cards of gentlemen are shorter and slightly narrower than those at present used by ladies. "Mr." should be prefixed to the name.

Any lady wishing to inform her friends of the presence of a lady visiting her family, should enclose her visitor's card with her own, in the same envelope.

When cards of introduction are given, the name of its bearer should be written above that of the giver, prefixed by the word "Introducing" and

the card placed in an envelope addressed to the person to whom the introduction is made.

An invitation to dine should be answered on the day received.

It is always courteous to acknowledge the receipt of an "At Home" card.

A visiting card should always be left when attending an "At Home".

Any invitation requesting your presence, requires an answer.

CARD ETIQUETTE FOR CHURCH WEDDINGS.

When attendance to a church wedding is impossible, cards must be sent in an envelope directed to those from whom the invitation comes.

If present at the church, it is polite to send a card or cards to those who invite.

CARD ETIQUETTE IN WASHINGTON.

Questions are asked concerning the requirements that the official element demands in Washington, and some knowledge of the etiquette of that city is necessary.

The President has absolute precedence. He receives visits—returns none.

He is addressed as Mr. President.

His receptions are open to all.

Upon entrance you give your name to an usher, and are announced. You are then introduced to the President and members of the Presidential family.

It is proper to leave your card before your departure from the "White House."

Any invitation extended by the President is equivalent to a command.

There was a question as to who should pay the first visit—the Cabinet officer or the Senator.

Many yield this point to the Senator. The families of Senators are in Washington for a short time, while the residence of the Cabinet is fixed.

The wives of United States Senators will hereafter call upon the wives of Foreign *Ambassadors*, while the wives of Foreign *Ministers* will make the first call upon the wives of Senators.

In all Society, official or otherwise, the clergy take a signal position, and should always be accorded the place of honor, when present.

CARDS FOR BALLS.

Note sheets are used for private balls, and the engraved invitation is in the same form as for any evening party.

Cards of ceremony must be left within a week.

If a lady is "at home" on a certain day, cards must be left on that day and no other.

Exceptional occasions, of course, require exceptional cards; for such there can be no fixed rules.

INFANTS' CARDS.

It is a pleasing custom to send a small card announcing the birth of a child.

The full name is on the card, also the date of its birth in the lower left hand corner.

It is enclosed with its parents' card, to which it is daintily ribboned.

A visit of acknowledgement is usual. If not possible a card is sent, with "Congratulations" written upon the upper left hand corner.

BEDDING DE LUXE

AT PAINE'S

In these days of strenuous living, with so much high tension and speed, the only way to prolong your life is by affording yourself proper rest.

The comfort of Paine Bedding is not an accident. It is the logical result of absolute regularity of construction and the perfection of materials.

We use the choicest long South American horse hair, and its natural elasticity lifts it above any product that has ever been used in the manufacture of Bedding. Unlike other substances it cannot absorb dampness and never will become odorous. We guarantee the process by which its hygienic condition is assured.

Our bedding workroom, which is a model of sanitary arrangement, is open to visitors from 8 to 5 o'clock daily.

LACES AND
DRAPERIES
AT

PAINE'S

How can we show you the inner workings of our Drapery Department in any clearer way than by stating here one simple fact:

Not one-half of our orders in this department today come to us through the clerks in our warerooms!

Now what does this mean? Just this: More than half of our Drapery salesmen are absent from the office during the day answering the calls and requests from customers all over the city and suburbs, who are taking advantage of our offer to send an expert free of charge to view the premises, submit his ideas, show his samples of all fabrics, and quote the lowest estimate of cost.

And we do this service on even the smallest order.

It involves no expense whatever to you, and no obligation to purchase. We plan not only draperies and hangings, but ceiling decoration, wall treatment, and floor coverings. Our draperies, wall papers and rugs are selected in combinations, thus making an artistic arrangement of color absolutely assured throughout the whole apartment.

Our Drapery department has been greatly enlarged, and we are showing today the latest popular successes of the Paris and London shops.

IT'S A QUESTION OF A

 MAN'S OWN CHOICE

Every man must choose the cigar that suits him. Every dealer carries some choice cigars; the important thing is to find the exact kind that you like best. Probably the largest assortment of the cigars that you are considering is carried by Estabrook & Eaton. They are always glad to show their extensive stock.

Instructions to Persons Holding Box Keys.

1. Never open the box or touch the hook except in case of fire.

3. Be REASONABLY SURE there is a fire before giving an alarm.
4. Be sure your box is locked before leaving it.

BROWN S. FLANDERS.

Superintendent.

HENRY S. RUSSELL,

Fire Commissioner.

SEPTEMBER 2, 1904.

DIRECTIONS.

Go to the nearest box to the fire.

A sign over each box gives location of keys.

Open the box—pull the hook all the way down *once* and let go.

Wait *one full minute* for the sound of bells.

Listen for the working of the machinery in box. If you do not hear it pull again.

If then you hear no sound, go to the next nearest box. Repeat the same there, but do not touch any other box if the nearest one gives the alarm. If it be a keyless door, turn handle to right and open door; *when open*, pull hook as in other boxes.

After giving the alarm remain a while, *if possible*, by the box, so as to direct the fire men to the fire.

SECOND ALARM—No person will give alarms for the same fire (after the first alarm has been given), *without an order from the Chief*, or the officer in command, and the person so ordered will be *sure to go to the same box* from which the first alarm was given, and report same to the Chief. If, *however*, a fire breaks out while another is burning in a different section of the city, a *second* alarm can be given by a Police Officer without waiting for an order from a Department Official.

Sub Stations marked with an asterisk (*) are International Money Order Offices.

Domestic Mail Matter intended for delivery through the Stations, should bear the name of the station, with the name of the State (Mass.) added.

Foreign Mail Matter intended for delivery through the Stations should bear the name of the Stations and the words "Boston, Mass."

Letters can be registered at any of the above Stations.

Avoid addressing letters "Boston Highlands," "Highlands," "B. H. District," "City," or Old or New Wards, Boston; but as above.

Never send money or any other article of value through the mail, except either by means of a money order or in a registered letter. All classes of mail matter can be registered.

It is desirable that letters be addressed to street and number when known, and by providing letter boxes at places of business and private residences, much delay in the delivery of mail matter may be saved.

To insure a letter being forwarded in the mails, it must have not less than one full rate in postage stamps affixed.

All complaints should be made in writing, and envelopes of missent or delayed letters should be sent to the Postmaster.

U. S. WEATHER BUREAU.

Explanation of Cautionary and Storm Signals.

A RED FLAG with a BLACK CENTRE, either on the Lakes or seaboard, indicates that the storm is expected to be severe.

The pennant displayed with the flags indicate the direction of the wind; red, easterly winds (from northeast to south); white, westerly (from southwest to north). The pennant above the flag indicates that the wind is expected to blow from northerly quadrants; below, from southerly quadrants.

By night a red light will indicate easterly winds and a white light above a red light will indicate westerly winds.

The system of weather, temperature and rain signals displayed throughout the country is distinct from the cautionary and storm signals, the latter being principally for the information of the maritime interests and are displayed at the principal ports of the Great Lakes and on the Atlantic, Pacific and Gulf coasts.

Boston office, rooms 149 to 154 P. O. Building; open to public from 9 A. M. to 4 P. M.; visitors cordially invited. Telephone, No. 491 Main and Back Bay 1788; service 9 A. M. to 5 P. M. and 8 to 10 P. M.

J. W. SMITH, *District Forecaster.*

HURRICANE WARNINGS.

For the purpose of giving warning of the approach of tropical hurricanes (and also those extremely severe and dangerous storms which sometimes pass across the Lake region and North Atlantic coasts,) the Weather Bureau has adopted a special signal called the hurricane signal, consisting of two red flags with black centres displayed one above the other. (No distinctive night signal will be used). This signal will be displayed at all Weather Bureau offices and wind signal display stations on the Atlantic and Gulf coasts and the Great Lakes and also at numerous other points at sea and lake ports and along the coasts mentioned.

Chief of Weather Bureau.
