City of Now Orleans vs. D. C. Lake

POURSE DISTRICT COURT.

正記(工具)(でも変異器に終し THE PERSON gothe privilege of Annual Adve

OFFICE 83 CHARTRES ST.

THE DAILY BEE. TUESDAY MORNING, MAY W. 1884. Subsectificant by the West.

The carries of the has are authorised to another subscriptions by the week, at the

We have have whelly amused at the inde-atigable appeals of the Richmond Enquire-o the aid-line Whigs to jets the Demokratik narty. The yesteran organ of Virginia De-mocracy waxes poetical in its praises of fit

the ephemaral period of their existence. They her gairy tenugh but are cut down in a Lay. Perhaps the Esquirer, after all, had a sky aligion, in this pissage, to the brief duration of the public ide of these sudden converts to democratic faith; regarding their as butterfield, book to the eye and isynously backing in the corolla of every heavy-laden bad, but doomed, by the stern flat of mattre, to surrender life and beauty sed pleasure algiest before they resifies the wondroom exceptions to flat the stern flat of their transformation. If such was the latent meaning of the Enquirer, its seeming Sastery covered a mortal sting. These newly made, mostly varnished, patent Deducrate, who have just emerged from the obscure and meless condition of old line Whigs; are destined to bear their bushing honors but for a scanon. Soon will key be politically defunct, redeced to nementify, an infinited. Desuccracy likes the treason, but hates the traitors.

The Enquirer, nevertheless, undertakes to reason to take on incorruptibility" that they shallnot be forgathen in the distribution of oftice. With the Bullimore Patreet, we say that it marks as

By Tolograph.

the Ratinore Paries, we say that it marks an are at Republican journalism, when honest regiment is bodyly thrust aside, and open bribery substituted in its stead. If there be now, calling themselves Whigs, who are willing to describe the rectar from pytry substituted in the stead. If there be now, calling themselves Whigs, who are willing to describe their principles, in the hope of taking Demouratic "nectar from pytry toushing flower." let thom make the experience, and the substance of the Business of the Business and threats, and the substance is apposed—besides the faculty of ohard graph their color, they can her on air, they will be seen they next allows will observate the faculty of the purpose of the substance of Pueble. No government that respectivities the water like the property of the decree relutive to the colorisation property. General the faculty of the property of the pulper of the decree relutive to the colorisation property. General the faculty of the property of the property

PASS CHRISTIAN HOTEL.—It will be seen by the advertusement of Mesarz. Giscr & James, that this fine establishment, theroughly reported and regionated, will be pened for the reception of visitors on the 18th June next. The names of the gentlemen who will conduct it are a sufficient guarantee of the style in a nich the Hutel will be kept.

Very Valuance Broam Playmatron.—N. Venic will this DAY sell, as public auction, at 11 o'clock, in the Rosands of the St. Lours Hotel, all that very desirable Singar Plantation situated in the Passish of St. Julia the late Mrs. J. J. Haydel. Together with the late Mrs. J. J. Haydel. Together with the hate mrs. The action of the provenents thereon. The soil is very rich, and the pince is essentially known as "The family labor the profine. The fear of these discourses is the severet of their resistance, then thus to be compelled to extend the profine. The fear of these discourses in the severe and independent of the world subster have consented to my described by the present on the light of the confidence of money. Pive of the clergy is the constructed and imprisoned. The Ecclesiastic authority clarms them, but Tractions refuse to give them up, declaring they have reduced authority clarms them, but Tractions among the clergy by the degree of intervention in the revenues of the charch. They dead the prying eyes of the multitude, the late Mrs. J. J. Haydel. Together with the hate Mrs. J. J. Haydel and the profine. The fear of these discourse is the severed with the manner of the profine. The fear of these discourse is the severed with the manner of the profine.
