THE BOWER SHOP OPENS

A new establishment has opened on San Fernando Road. It is called "The Bower Shop," and its aim is to give the people of this community a high-class service in cleaning, pressing, and sewing ladies' and gentlemen's clothes. A delivery service will be maintained, and, for the convenience of its patrons, a small stock of notions, laces, etc., will be kept.

The shop is in charge of Mrs. G. B. Bower, who has been a resident of this section for some time, and who has quite a number of friends who speak very highly of her work.

GLENDALE QUOTA \$528.40

For the purpose of raising \$200,000 in Southern California, which is the local quota of \$200,000,000 in the United States, the American Committee for Devastated France began a campaign this week which will last during the first three weeks of April. The clubs and societies of women are interested in the movement. The money is to be spent to buy household utensils, chickens, pigs, rabbits, farming tools, and seeds for the returning peasants in the Department of the Aisne, which was swept over several times by the armies. The peasants are now returning with nothing with which to start life again.

The campaign is being conducted in Tropic by Prof. Geo. U. Moyses.

CELEBRATION OF GREAT VICTORY

Annual Pageant at Redlands This Year Will Feature World Peace Movement

The greatest victory the world has ever known will be celebrated in Redlands on the nights of April 11 and 12 when the Pageant, "Son of the Red Lands," will be staged. Mrs. Lillian Burkhart Goldsmith will again

be in charge and the Pageant that has been written for this year has been divided into four parts, calling for 400 persons, over 100 principals, 16 horses and hundreds of magnificent costumes. The lighting effects this year will far surpass anything ever attempted before.

The first part will be "The Legend of the Arrowhead" telling the story of the white child brought to the healing waters of the wonderful springs under the point of the great Arrowhead on the San Bernardino mountains. The second will be "The Dawn of History" with a big Spanish festival in full swing, the dancers and the arrival of United States soldiers. The third part will be "Before the War" of '61 with the Southern dances and the last will be "The Dawn of the Brotherhood of Man" and the dance of the Bacchantes will be a feature of this. Mrs. Henry Fisher has taken charge of the dances.

The Pageant will be given at the municipal amphitheatre, which will seat 5000 persons.

The Clothing Drive made by the Red Cross was continued for another week, and the local Red Cross branch is still receiving old and discarded clothing at its salvage headquarters, corner of San Fernando and Central Avenue. The Red Cross workers request that where it is possible you will bring your clothing to the headquarters, as this saves them much time.

TROPICO SECTION GROWING

This section is showing the effects of returning prosperity, no less than five business houses having been opened up in the last thirty days, viz. the Pacific Garage, the Jennings Blacksmith Shop, the Bower Shop, Baer's Home Made Cocoarooms, and a new bakery which opened up April 1st in the north room of the Davenport building.

The regular monthly meeting of the High School P.T. A. will be held Monday evening, April 7, at 8 o'clock, in the Cafeteria.

See the Goods Before You Buy

The one sure way of knowing just what you will get for your money is to go right into a local store and pick it out. When you buy from pictures and descriptions you cannot *see* the actual value until it is too late to decide you do not want it.

Our local dealers would not think of demanding the full price before showing goods. Yet that is what is required when you buy by mail.

Why don't you deal in known values and get real bargains? Why don't you see what you're getting *before* you pay for it?

WILL ASK BOND ISSUE

Another meeting of the Greater Glendale Development Association was held at the Intermediate School Tuesday evening. Chief among the matters discussed was the proposition of the new park, and a report was made by the committee previously appointed, in regard to the probable cost of the improvement. It has been estimated that the cost of securing the desired land will be in the neighborhood of \$95,000.00, and the improvements to be made, \$100,000.00 more. It was therefore decided to proceed with the necessary preparations for the calling of a bond election within the next thirty days, asking for bonds to the amount of \$200,000.00. A bond election for water improvement will probably be held at the same time.

FATHERS' NIGHT

The postponed "Fathers' Night" was held Thursday evening at the K. P. Hall, and was one of the most successful social events of the season.

The meeting was opened with the salute to the flag, and the singing of America, by the entire assembly. A very interesting program was carried out, among which our reporter noted and enjoyed the following:

Dance, Dorothy Dutton.

Address, Dr. H. R. Harrower.

Solo, Miss Gladys Martin.

Spanish Dance, Miss Doris Cook.

Indian club drill, W. C. Wattles, Miss Gladys Martin, accompanist.

Address, Superintendent White.

Song, Male quartette.

Closing with the Star Spangled Banner, after which, refreshments closed a most entertaining event.

HIGH SCHOOL ATHLETICS

At the league Track meet held at Occidental College last Saturday, the team from Citrus Union High School at Azsua surprised everybody else by romping away with nearly all the points. Glendale succeeded in getting only fourth place in the meet. The local boys won second place in the competitive drill of High School Cadets, Covina winning first.

A post-season basketball game with San Fernando last week gave the Glendale boys an overwhelming victory, and the local team has sent a challenge to an Oakland team for a battle for the state title.

A practice baseball game with Hollywood on Wednesday, resulted in a victory of 10 to 6 in favor of the Hollywood boys. This is in no way to the discredit of the local boys, however, as they had only begun practice, while their opponents had been at it for about three weeks. Another significant fact is that all Hollywood's scores were made in one inning, and without a hit, two Glendale pitchers proving wild in that inning.

The Tropico Presbyterian Church has changed its meeting time on Sunday. The Young People's meeting is now held at 7:00 o'clock, and the preaching at 8:00 o'clock. This time is one-half hour later than the old time.

Mrs. Linkletter and two children are visiting with her mother, Mrs. Lorena Cramer, of Acacia Avenue.

A party of local Elks motored to Santa Barbara Tuesday evening, to visit the lodge there and to have a part in the installation exercises.

Roy Hinchcliff has bought the building and lot at 123 South Glendale Avenue, where the Bull's Eye Garage has been located and has restored the old name of Glendale Auto and Machine Co.

QUOTA REACHED

Early this week the quota of this city of \$1,300 for the Salvation Army in their Home Service campaign, was reached and passed. The committee in charge of the work went after the affair in earnest, and made short work of it. About six hundred individual contributors took part in this work.

TELEGRAPH RATES RAISED

Mr. Downing, local manager of the Western Union Telegraph Company, informs us that beginning April 1, the rates on all telegrams, night messages, day letters and night letters have been advanced 20 per cent, and the war tax has been raised to 10 cents where the rate is over 50 cents. On messages of 50 cents or less the tax remains 5 cents.

ORGANIZATION FORMED

A large number of the men of Glendale and vicinity, who have returned from the service of our country, met last Tuesday evening at the Elks building to form an organization. At a meeting held at the same place a week previously, it had been decided to form a local organization only, for the present, and with that purpose in mind, the League of American Defenders was organized. It is the purpose of the boys to affiliate their society later with some organization of national or international scope.

A committee, consisting of J. F. McBryde, Captain Weisenheimer, W. B. Kelly, Howard McGillis and R. E. Barr, was appointed to prepare a constitution and by-laws, to be presented at the next meeting. Other committees were appointed to look after the matter of securing a permanent meeting place, and also to help to secure employment for returning soldiers and sailors.

Dues were fixed temporarily at \$1.00 a year, and Thursday evening named as regular time for meetings.

Frank Motsch and wife are now at home to their friends in one of the apartments of the Davenport Block.

The young people of the First Baptist Church held a very enjoyable "hard times" party in the social hall of the church last Tuesday evening.

AT THE PALACE GRAND

The Palace Grand Theatre today is offering its patrons one of the biggest attractions of the year, Mary Pickford in "Captain Kidd, Jr." This is her very latest, and it is a most interesting and amusing comedy adventure picture. There will be the usual matinee at 2:30, and the evening shows at 7:00 and 9:00.

For tomorrow, Sunday, April 6, a big double program is scheduled. A leading feature is Bryant Washburn in the startling story "Venus in the East," which was recently published in the Saturday Evening Post. This is a comedy drama that strikes the right spot. "Captured by Cannibals," the second and final part of Martin Johnson's Cannibals of the South Seas, will complete the program. It is even more thrilling and amazing than the first part, which was shown here a few weeks ago. Matinee at 2:30. Evening shows at 7:00 and 9:00 o'clock.

For Monday, a different and most unusual Western comedy is promised. This is "Roped," featuring Harry Carey. It is the story of a man who was bigger than his worst misfortune. Pathe News of world events will be shown also. Matinee at 2:30. Evening shows at 7:15 and 9:00.

On Tuesday comes a mile-a-minute comedy featuring dashing George Walsh, entitled, "I'll Say So." This is a story of fast action and lots of excitement. Harold Lloyd (Lonesome Luke) will appear in a comedy, "Going, Going, Gone." Matinee at 2:30. Evening shows at 7:15 and 9:00.
