

Meeting report 3

Attendees

- Thomas Craessaerts
- Thomas Dewit
- Thijs Kestens
- Tim Theunissen
- Sarah van der Want

Absentees

- Stijn van Damme

Topics

- Evaluation of solar panel values
- Brainstorming about mechanics and design
- Updating wikipage

Progress

We sat together to discuss whether we should redo the measurements of our solar panel. After, we brainstormed about the mechanics and the design of our SSV. We also discussed how to make sure our SSV will go a straight ahead. Everyone had to come up with some ideas and the next meeting we would discuss them.
