

**INFORMACIÓN IMPORTANTE:
POLÍTICA DE SOPORTE PARA
SAP BUSINESS OBJECTS**

Estimado Cliente de SAP Business Objects,

Desde [Nova Praxis Soluciones](#), consultoría especializada en Business Intelligence y Authorized Resellers de SAP para SAP Analytic Solutions, le hacemos llegar información sobre la política de Soporte de SAP para las diferentes versiones de Business Objects y de cara a informar sobre la **actualización de su plataforma**.

Le informamos que para SAP Business Objects BI platform, XI 3.0 y otras herramientas, el Mantenimiento completo (*Mainstream Maintenance*) **expira en 2013**, quedando disponible un Mantenimiento Prioritario (*priority-one support*) limitado a servicios de soporte correctivo de la licencia. Si tiene instalada alguna de estas versiones, alertamos que **sería conveniente la migración** para que su plataforma de BI no quede obsoleta.

Desde Nova Praxis le comunicamos que puede contar con nosotros para abordar cualquier tema de infraestructura (migración, instalación, soporte y/o mantenimiento).

Si ya es Cliente nuestro, contacte con su Gerente de Proyectos o persona de contacto en Nova Praxis. Si aún no es cliente de Nova Praxis, pero está interesado en conocer sobre nuestros Servicios de Migración y Soporte, solicite más información a atencioncliente@nova-praxis.com
