

## A COMMUNITY AFFAIR OF UNUSUAL INTEREST

Dr. Levi P. Mengel will deliver his lecture on "Egypt, Its Monuments and Antiquities," in the High School Auditorium, Friday evening, January 28th, at 8.15 sharp.

Dr. Mengel is one of the best scientists in this country. He was sent out with the Perry Expedition by the Academy of Natural Sciences in 1891.

It will be an opportunity for the Narberth public to enjoy a most delightful and profitable evening.

No charge for admission—no collection. Do not miss this treat.

## BIRD CONSERVATION

Narberth has had a flower show and exploited the flowers, but who has thought of the birds? When one thinks of the open country, flowers and trees, naturally one's thoughts include the birds. A few nature-loving individuals have placed houses and boxes in the trees about their homes to tempt the more timid of the birds to stay in this vicinity. What a pity there are not more of the native song birds hereabouts. To be sure we have robins, blackbirds, flickers and grackles, for the vast armies of sparrows have not been able to frighten away these sturdy birds. It is the martins, the wrens, the catbirds, the finches, the woodpeckers, the larks, the various native song sparrows, who need protection and housing facilities. What a reward for our trouble or the small expense of a birdhouse, if only a few of these little creatures stay with us during the summer months. There is another phase, namely, that in protecting insectivorous birds, who devour countless bugs, caterpillars and slugs, we are, in the end, benefiting the florist, gardeners and farmers, to whom the insects are such a pest.

Along about the first of March countless birds are seen migrating, passing right through our very borough. Some few stop here, selecting woody spots to settle and raise their little families. However, unlike man, the female birds do the actual nest building, while Father Bird perches nearby (occasionally bringing hair, string and straw to Mrs. Bird), meanwhile singing his best notes apparently to lighten her labors. Possibly, if there were more of the little birdhouses about, we could induce a greater number of these feathered home-hunters to stay and set up housekeeping right in our very midst.

This has interested more than myself, and I would be glad of any suggestion that would awaken interest in this most interesting matter. I have several names of those who would help me, which we will publish later.

Mrs. Edward C. Stokes,  
112 Essex avenue,  
Narberth, Pa.

## DRAWING THE JURORS.

Sheriff Louis A. Nagle, who, with Jury Commissioners Walter Jenkins and Francis Fryer, and the court's aid, completed the task of placing 1100 names of voters of the county into the 1916 jury wheel, recently drew from that list the names of the 72 men who are to be the first to do duty this year. These men, in the list of which are quite a number of new names, are called to do duty during the special week of Civil Court to be held during the week beginning Monday, February 14.

Among the names drawn are the following from Lower Merion: Peter C. Hess, Luther C. Parsons, Elwood A. Claypoole, Wm. T. Haines and T. Williams Roberts.

Dr. Levi P. Mengel will deliver his lecture on "Egypt, Its Monuments and Antiquities," in the High School Auditorium, Friday evening, January 28th, at 8.15 sharp.

Dr. Mengel is one of the best scientists in this country. He was sent out with the Perry Expedition by the Academy of Natural Sciences in 1891.

It will be an opportunity for the Narberth public to enjoy a most delightful and profitable evening.

## THERE IS HOPE!

The following concise and highly satisfactory answer from the Post Office Department at Washington, which has been received by a Narberth citizen in response to a letter setting forth the inadequate facilities of the post office of this borough and petitioning the department for a larger and more up-to-date building, will be received with vital interest by every resident of Narberth. It is self-explanatory:

Washington, Jan. 20, 1916.  
Mr. F. Canfel, Narberth, Pa.  
Sir:

In answer to your letter of the 17th instant, which the Postmaster General has referred to me, in regard to the post office at Narberth, I wish to inform you that an inspector has recently been detailed to investigate the matter of leasing suitable quarters for the office. Your communication will be forwarded to the inspector.

Respectfully,  
Daniel C. Roper,  
First Assist. Postmaster General.

## COMMUNITY CLUB.

The attendance at the Community Club teas the last few weeks has been very gratifying to the club members. You will always find a charming hostess who will introduce you to the ladies you have not yet had the pleasure of meeting.

It is requested that every member of the club make a special effort to secure one or more new members this year, as we want every lady in Narberth to be a member. Show us you have the community spirit, get busy and join right away.

Everybody is talking about the fine "gym" class the Community Club has this year. If you are enrolled, come around next Wednesday morning at 10.30, and see Manager Dothard.

Mrs. David Stickney, the chairman of the Membership Committee, will be glad to receive the 1916 dues from all the old as well as the new members of the club. Send your one dollar Williams to Mrs. Stickney this week, either by mail or express to her house or the club rooms.

## NARBERTH WOMEN ORGANIZE PERMANENT SUFFRAGE SOCIETY

Narberth women who are actively interested in the women's suffrage movement held a meeting Tuesday morning, at the home of Mrs. Edwin C. Town, and after organizing a permanent local branch of the Woman's Suffrage Party, elected the following officers for the ensuing year:

President, Mrs. E. A. Muschamp; vice-president, Mrs. Walter I. Dothard; secretary, Mrs. Charles Verna; treasurer, Mrs. W. H. Pugh.

Regular meetings will be held on the first Friday of each month, from 3 P. M. to 5 P. M., and all Narberth women will be welcomed. The next meeting will be held on Friday, February 4, at 24 Woodside avenue.

## POSTMASTER HAWS SAYS

It is just as well to get accustomed to having your mail addressed to your box number as you are likely to have the same box number in the new post office, when it is provided, as you now have. This will be done at least in so far as it is possible.

By having your mail directed to your post office box number you may save delays in receiving mail.

## NARBERTH SENIOR TEAM WINS BIG GAME

Defeat Rivals, West Phila. H. S. Alumni, 26-22 — Lardie Davis Star

Before one of the largest crowds of the season Narberth put it over on the West Philly team, composed of former stars, with apparent ease.

While the score does not indicate it so much, it was not until the closing of the game that the visitors did their scoring. Shields, the visitors' forward, was the high score for them with twelve points, while Lardie Davis, of Lower Merion High School fame, scored eighteen of his team's points.

A bright feature of the game, from one standpoint of view, was the fact that the usual roughness attached to basket ball games was lacking, which made it much more interesting.

The outcome of the game was very much in doubt, owing to three of Narberth's regulars being absent. Walter Humphreys is out of the game for a short time on account of a fall from a ladder; Allan Kirk is slightly under the weather, and Gene Davis has not fully recovered from his foot ball injuries. Outside of this—"the team is all right."

Next week will bring the strong team from Strawbridge & Clothier's Athletic Association, which promises to be the big game. Narberth expects to present the strongest line-up they have, and hope to administer a defeat to their guests. The Strawbridge & Clothier team has as their captain Connell, the former Peddie Institute all-around athlete, who needs no introduction to the schoolboy athletes.

## COUNTY OFFICES ARE CROWDED.

Plans Being Made to Relieve the Congestion.

The interior of the Court House at Norristown is to be remodelled.

It is proposed to make such changes as will make it possible for the transcribers for the recorder of deeds and for the county commissioners to be on the first floor instead of in the basement.

To bring this about the commissioners' transcribers will move into the two small offices which were formerly used as the meeting place for the commissioners, in the west corner of the building, and the recorder's transcribers will occupy the room now used by the sheriff.

The sheriff will be moved over to the coroner's office, and the coroner will be satisfied with what is now the sheriff's office.

The bringing of the transcribers from the basement will not only be beneficial to their health, but will also make their books more easily accessible, when needed.

There is at present a door between the recorder's and sheriff's offices, but it has never been used.

Because of the cramped condition of other offices it will be only a question of time when other enlargements will be necessary.

The county commissioners now have as their offices the large room to the left of the hallway at the Swede street entrance to the building.

Ever since the county superintendent of schools has had an office in the court house the prothonotary has not had a private office since the room that he was supposed to have has been occupied by the superintendent, whose quarters are now cramped.

One of the county officials stated that he would not be surprised to see the superintendent installed in quarters outside of the building, at the expense of the county.

## ADJUDICATIONS.

## PAY CASH FARES.

Commuters on the Main Line of the Pennsylvania Railroad are creating such a situation through the demand for duplex tickets that some action probably may be taken to improve the condition. A duplex ticket is given when a passenger pays a cash fare on the train and is redeemable for ten cents. Since the increase in rates of suburban fares many passengers fail to buy tickets, especially because many of the stations on the Main Line are on the side of the railroad opposite the inbound tracks. It used to be to the advantage of the passenger, from a money-saving point of view, to buy a ticket at the station. One conductor, who has been about six weeks on a suburban train, says he has issued at least 5800 duplex tickets in that time and on one mid-day trip handled sixty cash fares.

## CONCERNING NARBROOK.

The houses in Narbrook Park will mostly include a suitable garage of an up-to-date character which, with the other attractions, will make these properties most desirable.

Persons who desire to locate permanently would do well to examine the plans and go over the layout if they want to settle down in a Beauty Spot, properly protected by restrictions. David Knickerbacker Boyd is the supervising architect of the project, and all buildings will be of a harmonious character.

## BIRTHDAY PARTY.

Mrs. Frank McKelvey, of 220 Hampden avenue, gave her daughter, Catharine McKelvey, and Miss Eleanor Burgess a small birthday party on Wednesday evening. The table decorations were red. Miss Jennie Maguire played the piano, while the children sang, which made the evening very pleasant. The guests were Miss Jennie Maguire, Miss Mary Maguire, Miss Elenor Burgess, Miss Catharine Burgess, Miss Mary Seyton, Miss Reta Funk, Miss Edith Maguire, Master William Funk, Master William Burgess, Master George Maguire, Master George Burgess, Master Francis McKelvey.

## "MOVIE NIGHT" AT MERION.

First Film Performance Was Given at Schoolhouse.

Wednesday evening was "movie night" at Merion. The Merion Civic Association sent out invitations for the first moving picture performance which was given at the Merion Country Day Schoolhouse, for the grown-ups of the community on that night.

The Merion Civic Association is planning to give these "evening movies" for the older people of the community about once a week during the winter. Only the best and newest films will be shown. The first performance on Wednesday night was free, but on the following "movie nights" an admission fee will be charged to help defray expenses.

Saturday morning moving pictures for children at Merion were inaugurated last week.

## EUCHERE FOR ST. MARGARET'S CHURCH.

On Friday evening, January 21, a number of the residents of our town were entertained at a euchre given for the benefit of St. Margaret's Church by Miss Agnes Small, Miss Ruth Diamond, Miss Florence Miesen, Miss Harriet Pevery, Miss Elizabeth Southerland and Miss Mary Lacey.

These young ladies worked with unceasing energy in order to make their first social event a financial success.

From the excellent attendance and interest shown, it appears that their labors will be well rewarded.

## THE BOOK OF BOOKS

Dr. Munhall To Give Peerless Lecture in Methodist Church

Concerning Dr. Munhall's lecture on "The Book of Books," the late Bishop Charles C. McCabe said: "In all my wide experience in lecture and platform work, this is the greatest lecture I ever heard on that subject."

The Cincinnati Times-Star recently made this significant statement: "Clasping to his heart a great Bible and lifting one hand on high, Dr. Munhall, in a voice that thrilled with emotion, cried aloud: 'Go on thy way, thou message from the skies; dispel earth's gloom and save from Satan's power the sons and daughters of men! God pity any man who seeks to criticize thee!' And the great company arose with one accord and sang: 'How Firm a Foundation.' Never before in the history of the Alliance has there been a more impressive scene."

These are but a few of the commendations expressed in the papers wherever the evangelist has been heard. No wonder the secretary of Princeton University, last February, after Dr. Munhall had spoken to the students of the University, said: "The lecture was received here, as everywhere, with great appreciation."

A lecture bureau offered him the sum of \$10,000 and expenses, if he would deliver the same lecture 150 nights for them. Dr. Munhall declined this offer, because he felt it would not be making the proper use of his talents, as he looked at matters.

The Men's Bible Class of the Methodist Church has arranged for the service, and cordially invite friends and strangers in the community to the service Sunday evening, February 6.

### COMMUNICATIONS

To the Editor of Our Town:

Like all houses who believe in service, we appreciate criticism, and it is our aim to afford our patrons not only the best productions of the largest and most reputable producers, but to see that our theatre embodies all the features of good taste and comfort that go toward making it "The House of Refinement."

During the present season of variable weather, it has taxed us to the utmost to keep the theatre heated in a way that best safeguards the health of all, and, realizing our deficiencies, have taken steps which we believe will effectively remedy the trouble, and it now gives us pleasure to assure those who have patronized us that in the future they will find our house as well heated as their own homes, and we hope to be favored with the continued patronage of all.  
Albert H. Weston,  
Lessee and Manager.

To the Editor of Our Town:

We were reduced to tears at the sympathy of some humane friends, who pleaded with the authorities through your paper for the betterment of Dudley avenue, above Stuart avenue. We are literally mud-bathed in every direction, and when we return to our homes, after necessary errands, for mail, as well as the staff of life, our feet are like gum boot canoes, fresh from the marches. By contributing your pleas and tears to one deplorable situation you will have the everlasting gratitude of yours in affliction.  
A Resident.

### MERION CLUB SEEKS NATIONAL TOURNEY

Amateur Golf Event May Come to Main Line Links

A special from Chicago of January 11 says representatives of nearly all the golf associations in the United States are gathering here to attend one or both of the two biggest winter events on the game's program. On Friday night delegates to the annual meeting of the United States Golf Association, the national organization, will assemble to elect officers and appoint places and dates for the annual championships it conducts, and the Western Golf Association holds its annual election Saturday night.

It is expected that the officers nominated by committees appointed for that purpose will be elected with small, if any, opposition. Frank L. Woodward, of Denver, renominated for president, leads the ticket named for the national body, with Howard W. Perrin, Merion Cricket Club, first vice-president; John Reid, Jr., St. Andrew's Golf Club, second vice-president; Horace F. Whitney, Nassau Country Club, secretary; Frederick S. Wheeler, Apawamic Club, treasurer, the officers, and W. Lewis Crosby, Brae Burn Club; Walter S. Smith, Onwentsia Club; Dr. Walter S. Harban, Columbia Country Club, and John

S. Sweeney, Country Club of Detroit, executive committee. In the nominations for officers all at present hold the positions except Mr. Wheeler, Percy R. Pyne, of Princeton, having declined renomination. A new nominating committee named includes Milton Dargan, Atlanta; William E. Stauffer, New Orleans; Albert R. Fish, National Links; George H. Walker, St. Louis, and Henry H. Wilder, Boston.

For the national amateur championship event bids have been received from the Merion Cricket Club, Philadelphia; Nassau County Club, Glen Cove, New York, and the Piping Rock Club, Locust Valley, New York.

For the national open meet offers were made by the Minikahda Club, Minneapolis; Country Club, of Detroit; Englewood Country Club, Englewood, N. J., and the Kent Country Club, Grand Rapids, Mich.

For the women's national championship bids were sent by the New Haven Country Club, the Greenwich, Conn., Country Club, the Belmont Springs Country Club, of Waverly, Mass., and the Baltusrol Golf Club, of Baltusrol, N. J.

## JACK LAPP GOES TO THE WHITE SOX

Main Line Product, Member of Wonderful Mack Machine, is Sent to Chicago Americans

One of the sensations of the present season, so far as local base ball circles are concerned, came with the announcement during the past week that "Jack" Lapp, the nifty back-stop of the Philadelphia Athletics of the American League, had been let go to the Chicago White Sox, by the tall tactician, Connie Mack.

Lapp was purely a Main Line product, both in person and in base ball career, having been born at Frazer, Pa., and entering into ballroom with the Berwyn Club of the Main Line League, where he developed so fast into a reliable catcher that minor leaguers soon gave him a berth and he played with Chester, Syracuse and Hazleton, when the Mack scouts, signed him up. He was let out, with a string on, to the International League, but with the sudden death of Doc Powers was just as suddenly recalled, in fact coming into town on a Saturday, after an all night train ride from Buffalo and catching both games in a double header, his remarkable stick work enabling the Macks to cop both the games.

At the time of the world's series with Chicago Cubs, they had settled the fact that they would run the bases wild, but in the opening game Lapp caught, he turned back all who made the attempt and it soon kept them close to the sacks.

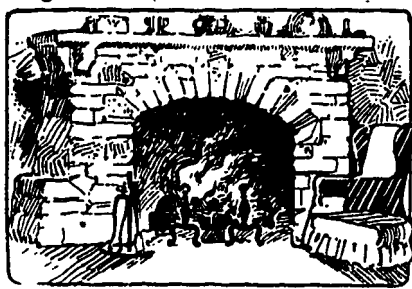

His stick work and steady work behind the bat with the big mit and mask, as the battery mate of "Iron man" John Coombs gave him an enviable reputation, and while he slumped some in 1913, it was attributed to the fact that he was struck in the throat by a foul tip, while on the Southern training trip which injured his bronchial cords and caused him to go under medical treatment all season. However, last season he again did heroic and steady work and his release to Chicago is hard to account for, but on the reason Mack gives, to build up an entirely new team.

Lapp's consistent work, both behind the plate and at the plate, had considerable to do with the landing of the championships copped by Mack. It is with the best wishes of the Main Line fans, who made the trip to the gates of Shibe Park, on many a summer afternoon, that Lapp goes to the American Leaguers of the Windy City. He will not be without friends there, for he will find his old team mate, Murphy, another Main Liner, playing with the Ardmore team, when they copped the Main Line pennant; also the invincible second sacker, Eddie Collins, both of whom went to the Sox last season.

A change, just at this period of the career of a ball player, often has a wonderful effect, and Jack may be right up to the rest of the top-notchers this season.

The next is what will Connie do this year? He claims it will be a new team, built entirely around Stuff McInnes and Strunk. They said before he had a "White Elephant" now it looks like a Zeppelin without its rudder.

"The Scribe."

### THE NARBERTH JUNIORS (N. A. C.)

There has been more or less confusion in the minds of many of our people that there were two separate and distinct basket ball teams in Narberth, it being difficult to distinguish one from the other, as they both used the same title, namely, Narberth Athletic Club. So that this confusion would no longer exist, it was decided that in the future the senior organization be referred to as the Narberth Athletic Club, and the younger element as the Narberth Juniors.

The latter played a game with the St. Stephen's Club on Saturday night and defeated the visitors by a score of 27 to 17. The game was hotly contested throughout, and all credit must be given the team as a whole, not to any one individual. Our star forward, Leslie Smith, was struck on the nose and injured that member so that he will be out of the game for some time. His absence from the game will be felt. The line-up: Narberth Juniors. St. Stephen's Winne..... forward ..... Jeary Smith..... forward ..... McMenamin Downes..... centre ..... Clarke Jefferies..... guard ..... Humberger McCarter..... guard ..... Shepherd Substitutions—McCarter for Smith, Redifer for McCarter, Odell for Downes, Downes for Odell. Field goals—Winne, 6; Smith, 1; Downes, 2; Jefferies, 2; McCarter, 1; Jeary, 1; McMenamin, 2; Clarke, 1. Foul goals—Jefferies, 3; McMenamin, 7. Referee—Eshelman.

St. Paul's, on Saturday night, 8 o'clock sharp. Come and see a good game. The Narberth Juniors are glad to see you there, and we are sure you will be glad to be there.

### DISTRICT SUFFRAGE MEETING FRIDAY.

An important meeting of the members of the various woman suffrage societies of the First Legislative District will be held in the Community Room, Y. M. C. A. Building, this Friday afternoon, at 3 o'clock. Mrs. Gehmann, of Cynwyd, will preside. All women who are interested in suffrage are asked to attend.

Prayer and praise service 8 o'clock Wednesday evening. Subject, "Is the World Any Better Because You Are Passing This Way?" Our service will be helpful to you.

The meeting last Sunday evening brought rich blessing and genuine inspiration to all who were in attendance. The splendid music, the simple statement of a remarkable transformation of life, the resolute and honest purpose, the faithful devotion to the interest of exalting the cause of Christ, all combined to offer a formidable witness against the evildoer, and to call the unbeliever to repentance. It was the common expression that we have held no service for a long time that has resulted in such profound conviction, such a strong correction to indifference, and that will bear fruit for greater devotion to righteousness and truth. They furnished nine convincing sermons. We wish Gospel Team No. 1 of the Pennsylvania Railroad Y. M. C. A. Godspeed in their noble mission of proclaiming what the Lord is able to accomplish in the life that is consecrated to His service. There is certainly in the fifty-one services they have held and in their upright lives a refutation to the idle remarks that Billy Sunday's work is gone and his converts do not stick. There is much to the contrary if people will only open their eyes to see it.

##### MERION MEETING HOUSE.

Merion Meeting House is opened for worship every First-day at 10.30 A. M. Visitors are cordially welcome. A registry book is kept for visitors. All are asked to register their names.

##### TO DISTRIBUTE DOG TAX.

Assessor Obligated to Collect Taxes When Plates Are Given.

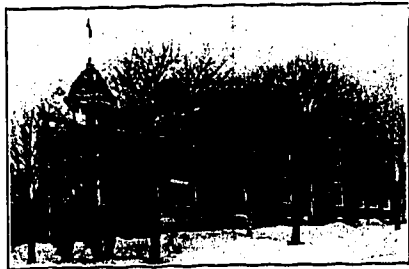

For the purpose of carrying out the provisions of the new law whereby the assessors of the various districts of the county are to levy and collect the dog tax and distribute the tags for the canines so recorded, the County Commissioners have secured 8000 metal tags and the same number of receipts, duly numbered, which are now being apportioned to the various districts of the county.

The assessors began their work on Monday, when they started on their annual trip through all the highways and byways of the territory comprising their bailiwick to make a proper return of all property subject to taxation for State, county and municipal purposes. They will then be obliged to call at every home to which it is known that a dog belongs, collect the amount required by law, and give in return not only a proper receipt, but also a metal tag.

Dr. Levi P. Mengel will deliver his lecture on "Egypt, Its Monuments and Antiquities," in the High School Auditorium, Friday evening, January 28th, at 8.15 sharp.

Dr. Mengel is one of the best scientists in this country. He was sent out with the Peary Expedition by the Academy of Natural Sciences in 1891.

It will be an opportunity for the Narberth public to enjoy a most delightful and profitable evening.

### SCHOOL EDITOR'S WEEKLY NEWS ITEMS

School Motto:

Without halting, without rest,  
Lifting better up to best.

#### Coming!

Next Friday evening (28th) an illustrated lecture will be given at the school house. Dr. Mengle, who was a member of Peary's expedition to the North Pole, will give his famous lecture on ancient Egypt. Mr. Mengle has traveled extensively and is an especially interesting speaker. The admission will be free and we hope for a large audience, as this is to be a community affair. We know that this lecture will be interesting. Will you be present?

The teachers and pupils are especially grateful to the janitor for keeping the rooms comfortable during the zero weather. The building was kept warm from early morning until the last teacher had departed at night.

#### Concert.

The Glee and Mandolin Clubs of Haverford College will give a concert in the auditorium of the Narberth High School under the auspices of the Class of 1916, Saturday evening, February 5, at 8 o'clock. The program will consist largely of classical selections. There will be violin, mandolin, cello and vocal solos in connection with the entertainment. The admission will be thirty-five cents for school children and children under twelve years of age, and fifty cents for adults. A concert of this type has never before been given in Narberth and we have every reason to believe that it will be an unrivaled success. Let everyone come and spend a profitable and enjoyable evening.

On Tuesday, January 25th, the girls' basket ball team played the Abington High School girls. Watch for an account of the game in next week's paper.

Visiting teachers are with us almost daily. Nine of them spent some day or part of days with us last week. We are glad as students to see that our school is attracting teachers from other districts.

One of the most exciting games of basket ball was played last Friday by Narberth H. S. and Lower Merion second team, of which the former won by the score of 28 to 15. At the end of the first half the score was 8 to 8; then in the beginning of the second half Lower Merion gained three more points, making it 11 to 8. Then by fine team work Narberth scored seven straight field goals, and they had all the spectators on their feet yelling. The line-up was as follows:

Narberth. Lower Merion 2nd.  
Downes .....forward .....Winters  
McCarter .....forward .....Simpson  
Durbin .....center .....Benson  
Redifer .....guard .....Rickenbach  
Harsch .....guard .....Swing  
Field goals: Durbin 6, Harsch 2, McCarter 2, Downes 1, Winters 1, Simpson 1, Benson 1, Swing 1. Foul goals: Durbin 6, Benson 7. Referees: Davis and Hoffman.

This week we play our old rivals, Ambler High School. Last year we split even with them. So we expect a very good game on Friday afternoon at 3.15. All come out.

Last Tuesday the girls' basket ball team defeated the Cynwyd team by the score of 27 to 17. Good work, say we.

Men's Meeting.

Did you follow the crowd Sunday afternoon? If you did, all right, but if you didn't, then read this and reserve February 27th.

Nearly one hundred and fifty men gathered at the Narberth Theatre Sunday afternoon and listened to the Hon. W. H. Berry speak on that timely and interesting subject of "War, What For?"

At four o'clock the theatre was comfortably filled and the meeting started. With Mr. F. W. Stites leading the singing and Mr. Godfrey at the piano, the men surely made the place ring with some of Sunday's popular hymns for men.

The special attraction in the preliminary exercise was the music. The Glee Club Quartette, composed of Messrs. Witherow, Climenon, Dennis and Rudolph, was fine. Mr. McKee presided at the piano. Messrs. Rudolph and Witherow sang a duet entitled "Watchman, What of the Night?" which caused unusual comment.

Mr. Berry did himself the usual credit by holding the men with unusual ability for over an hour on an interesting and instructive discussion. This meeting was a big success and we feel certain it is only a sample of what is possible. We are going to have another big meeting February 27th. We hope to have Dr. F. H. Green, of the West Chester State Normal School. Dr. Green is always a popular speaker with men. Reserve the date, February 27th.

**Pool Tournament.**

Our much-talked-of pool tournament for doubles is about to start. This promises to be even more interesting than the single tournament which was finished a couple of weeks ago.

If you are interested in this, see Secretary Hampton or J. G. Foote immediately.

Following are the teams entered at present:

Messrs. H. Humphreys, W. Jeffries.

Messrs. B. Dickie, D. Lacey.

Messrs. F. Winne, L. Davis.

Messrs. E. Dickie, W. Humphreys.

Messrs. R. Jones, B. Gilmore.

Messrs. I. Ward, J. G. Foote.

**Boys.**

Don't forget that gym class at 10 A. M. Saturday. You ought to see the bunch play volley ball. Come in and have a good time, too.

Our Boy Scout Troop under the direction of Mr. W. A. Cole, is steadily increasing. They meet every Friday night and will soon have enough members to be in evidence in our little borough.

The vocational meetings for boys will soon be announced. Watch the bulletin board.

Once a week members of the Women's Committee of the Merion Civic Association gather at the home of one of their number to sew for the Emergency Aid. Tuesday morning they met at the home of Mrs. S. Earl Haines, in Heath road, and from 10 A. M. until noon made their needles fly in aid of war sufferers in Europe. There were ninety-three women in the committee of the Civic Association. Last winter they met once a week to sew for the Emergency Aid. This year they are preparing bandages and surgical dressings to be sent to war hospitals in Europe.

The Main Line branch of the Emergency Aid also held its weekly meeting Tuesday at the Merion Cricket Club at Haverford. Mrs. Chariton Yarnall is president of the branch. The women are preparing bandages and other supplies to send to the war countries, and this week they completed 1835 articles.

For the average normal child perhaps the most important and yet the least expensive of his requirements is a liberal supply of 20 Mule Team Powdered Boric.

If you will stop and think a minute, you will recall that nearly all eye waters are made of boric and that the physician and nurse use boric extensively as an antiseptic.

The important thing is to get our absolutely pure, high grade 20 Mule Team Powdered Boric. Use it instead of talcum.

Dust his tender little body with 20 Mule Team Powdered Boric wherever there is a tendency to chafe.

Use a solution of 20 Mule Team Powdered Boric in washing all the natural cavities of the body.
