This catalogue of Alumni and Students was prepared and published by the Association of the Alumni of Rutgers College, under the direction of the Registrar of the College, assisted by Mr. William Booth Roll, '05, and is intended to serve as the possible basis for an annual issue and as a means for keeping in closer touch with the sons of the College.

It is earnestly requested that corrections of any sort, especially in addresses, be communicated to the Registrar promptly.

The prefixed * indicates death.

This line ————— following the list of the alumni of the several classes indicates that the students whose names follow after it pursued special or short courses of study with these classes, but did not receive the Bachelor's degree.
