## The Maynard Collection.

---

Mr. MAYNARD was a well-known and highly esteemed art collector, whose taste and whose success in selecting good specimens of famous artists was proverbial. His kindness of heart and liberality of disposition made him the friend and patron of struggling artists in this country. Wherever he saw evidences of genius, he was prompt to acknowledge it, and assist them by liberal commissions. He was ever foremost in the recognition of talent among foreign artists also, and in his collection are admirable specimens of many men who have, since he purchased their pictures, acquired great distinction. Among these are examples of Zamacois, of Ruiperez, of Lambinet, of Schreyer, of Brion, besides excellent specimens of Diaz, Corot, Troyon, Daubigny, and others whose reputations were at the highest at the time of Mr. MAYNARD'S purchases. This gentleman was also a steady friend and admirer of George Inness, of whom the collection contains some very notable works. The collection is, in a word, a gratifying instance of sound artistic taste and appreciation on the part of a very accomplished gentleman.

The Sale is under the direction of Messrs. M. Knoedler & Co., successors to Goupil & Co., 170 Fifth Avenue, who will execute orders to purchase free of charge.
