Summary of examination of: Mr. Gerhardus DE LANG  
Occupation : Police Officer Att. to NIFIS  
Address : No.3 Engelschekerkweg, Batavia.

Duly sworn states, I am 56 years of age, of Dutch nationality and born in Malang, Java.

I am at present residing Engelschekerkweg no. 3 Batavia, Java.

In October 1944 I was transferred with other high Dutch officials to Baros no. 5 camp, Tjinabi and remained there until July 1945 when I was removed to hospital.

Treatment at this camp was very bad indeed and we received very little food.

When patients were very ill they were removed to hospitals.

About 1500 or 1600 deaths occurred at the Tjinabi camps due to malnutrition, stomach complaints and lack of medicines. The medicines were kept by the Japanese who refused to issue them until after the Japanese capitulation.

I do not know the names of any of the Japanese camp staff at Baros or the other camps at Tjinabi, but consider they were all responsible for the deaths which occurred.

I certify that I duly translated the above summary to the witness in his own language, prior to his signature which appears above.
