JULY FOURTH WAS A GREAT DAY

Weather Was Ideal—Narberth Spirit in Evidence—New Flag For Fire House—Base Ball Drew Banner Crowd—Wonderful Display in Evening

"A perfect day" was the phrase on the lips of every Narberthite and of every guest of a Narberthite who was fortunate enough to enjoy the full program of events in celebration of the Nation's birthday planned by the local citizen's committee. The program was carried out in every detail as published in previous issues of Our Town. And not in the memory of the oldest inhabitant has the weatherman been so generous with fair skies, sunshine and cool breezes as he was on the Fourth.

The famous words "by the people, for the people" were crowded with new meaning on Tuesday; for Narberth's truly democratic observance of the Fourth was the result of that kind of co-operative effort which has come to be characterized as "The Narberth Spirit," which means that our citizens push and pull—together—for the benefit of all. The civic consciousness of Narberth was demonstrated on the Fourth in a program which represented nearly every local interest.

The general fund (over \$500) was collected by a citizens' committee under the energetic leadership of E. P. Dold. The women of the borough contributed their mites to a fund collected by the Women's Community Club of the Y. M. C. A., under the leadership of Mrs. W. M. Cameron, for the purpose of purchasing the silk flag and standard and mountings which they presented to the Narberth Fire Co., that they might be suitably equipped for dress parades.

Each of these funds had a surplus which was turned over to the Holiday House, a worthy charity which is largely a Narberth institution.

Then there were individual contributions from "unknown" individuals of a new flag for the fire house staff as well as of a new iron staff and a flag for the base ball field.

After the flag raising at the fire house at 9 A. M., with a short address by Fletcher W. Stites, the parade was formed and started over the previously published line of march, ending at the ball park ready for the morning contest between West Philadelphia and Narberth Main Line League teams. (Full details of base ball games will be covered in the Sporting News columns.)

Narberth's institutions were well represented in the parade. Headed by the Main Line Band, the school children, guided by Principal William T. Melchier, came next in line. The Boy Scouts, commanded by Scoutmaster W. Arthur Cole and Assistant Scoutmaster Henry Howes, Jr., made an excellent appearance and showed the result of their special training. The scouts acted as escort to the Fire Co., whose volunteer members, proudly following their new silk flag, marched in front of their modern motor apparatus (two pieces) which have been secured by volunteer contributions through the leadership of the company's enthusiastic chief, Charles V. Noel. Members of the base ball team of the Y. M. C. A. (Main Line League) were in autos a long line of which, gaily bedecked, were headed by Charles Humphreys, president of Council.

After winning two exciting base ball games—one from our old rivals, Dun & Co.—by like scores, 4 to 3, with afternoon attendance over 2000, about 2500 persons came back again to witness the fireworks display in the evening.

And right here let us pause to write congratulations to the committee directly responsible for this part of the program. It was the biggest value in fireworks for the money expended (about \$300) the writer has ever seen burned up. There were no pieces that would not work, and there were some that worked so wonderfully that they warmed the cockles of the hearts of grown-ups while at the same time they amused the youngsters. And the precautions against fire and accident taken by Chief Noel were beyond criticism. The members of the Fire Company were assisted in their policing by the Boy Scouts under the direction of Paul Braden, leader of Kangaroo Patrol, and the boys also were prepared to give first aid to any who might be injured.

When the set piece, "Goodnight," had finally burned out—at about 9.15 P. M.—the spectators gave a prolonged cheer and then began leisurely to walk to their homes, enthusiastically discussing the events of the great neighborhood party which had ended "the perfect day" in "The Year 'Round Home Town."

MAGAZINES

Local Y. M. C. A. Will Forward Them to Soldiers and Sailors.

The Young Men's Christian Association of Narberth makes an appeal to the people of the community for old magazines and periodicals. An urgent request has been received from the Army and Navy Department of the International Committee for these magazines in order that they might be sent to our soldiers in Mexico, Alaska and the Philippines. The department writes that they are having a great difficulty in obtaining a sufficient supply of old magazines to meet the needs of our soldiers serving in out-of-the-way places. Wholesome literature has a wonderful preventive value for these men.

The following is a letter written by a secretary "somewhere in Mexico":

"This is my third day from Columbus and the dust is so thick that you cannot see twenty feet in front while on the ride. I have visited to date three encampments, and everywhere there is a cry for reading matter. All along the line I was met with open arms, it being the first time in two months that there had been reading matter or stationery available. The reading matter and stationery which we have supplied will be big factors in keeping the boys in touch with the outside world and counteract very materially the feeling of disgust and discontent that is evident among the men with whom I have talked."

A number of Y. M. C. A. secretaries have been assigned to the troops in Mexico, and every magazine received will be sent directly to them for personal distribution. There is a personal message given with every magazine handed to the men.

Magazines may be sent to the Narberth Y. M. C. A. and Secretary Hampton will see that they are forwarded to headquarters.

The building is open any day from 9 A. M. to 10 P. M., except on Sunday.

This same appeal was made in last week's issue and nearly a hundred magazines were brought to the Y. M. C. A.

Don't let them accumulate around the home. Here's your chance to help "the boys." Please be prompt.

UNION TWILIGHT SERVICES

One hundred and seventy people enjoyed the first of a series of Union Twilight services on the Justice lawn, North Narberth avenue, last Sunday evening.

Roy Griffith, who has presided at the organ for several of these series of meetings is with us again. We are also very fortunate to have the singing led by Mr. F. W. Stites, who has the ability of making everybody sing. This year, Mr. Wagoner, of Philadelphia, is our cornetist, and Mr. Shryock, of Narberth, is contributing his services with the flute. Needless to say these instruments add much to the musical side of the services.

Last Sunday evening, Rev. Chris G. Koppel, pastor of the Narberth Methodist Church, gave the address, and special music was furnished by a quintette consisting of Messrs. F. W. Stites, D. T. Ward, Earl Smith, Earl Dickie and Allan Kirk.

Next Sunday evening the address will be given by Rev. E. L. Swift, pastor Narberth Baptist Church. In case of rain the service will be held in the Presbyterian Church. Don't miss these meetings; you will enjoy them, they are inspiring.

The Union prayer meetings are as follows:

July 5—Methodist Church. Leader, Presbyterian.

July 12—Baptist Church. Leader, Methodist.

July 19—Presbyterian Church. Leader, Baptist.

UNCLAIMED LETTERS AT NARBERTH POST OFFICE.

PRIZES FOR BEST KEPT YARDS

Every Home of Narberth Should be Interested in This Progressive and Unique Movement—Many Flowers Show Care and Tasty Arrangement—Cups on Exhibition

One of the members of the committee on prizes for best kept yards has made a general survey of the situation, realizing the great difficulty in placing the prizes, as nearly all of the yards in Narberth could be called well-kept and attractive.

At this time, the climbing roses are very pleasing, notably on Mr. Harris' fence on Price avenue as well as Wayne avenue. Here, the effect is produced by a planting of crimson and white climbing roses, and probably the roses Excelsa and White Dorothy Perkins; at Mrs. Shand's "Douglas Gardens" on Price avenue, pink Dorothy Perkins produce a bewildering display. Mr. Beatty, of Price avenue, and Mr. Kramer, of Forest and Essex avenues, seem to favor Dorothy Perkins and Lady Gay. The single American Pillar rose has also been seen at its best this year. On Montgomery avenue, the Garden Nurseries have a drive about 600 feet long lined at intervals of 10 feet with climbing roses, trained with telegraph poles and 12 foot cedar posts. The Garden Nurseries have utilized this row as a sample row in order to test out the value of the various varieties. The old favorite crimson Rambler does not compare well with the rest. All of the newer varieties are apparently superior. There can be seen among other climbing roses the following: Tausendschoen, Christine Wright, Dorothy Perkins, Lady Gay, Excelsa, White Dorothy Perkins, Hiawatha, American Pillar, Crimson Rambler, Columbia, and a lot of other varieties.

A great many of the porches in our town are beautified by climbing roses and the effect is very charming. On Iona avenue are some very effective plantings.

Most of the prize cups have been bought and some of them have been placed on exhibition in the windows of Narberth's three drug stores. In the window of Wm. Fieldler, druggist, is seen the trophy cup for best yard 20 to 60 foot front. In the window of Mr. Howard's drug store is displayed the trophy cup for the best kept yard 60 to 100 foot on one street. In Mr. Housekeeper's drug store is displayed the trophy cup for the best yard 100 foot or more frontage on one street. These trophies are to be won twice to become the property of the winner. It is not necessary that they should be won twice in succession. The name of the winner will be inscribed on the cup.

The yards will be judged several times during the season in order to give each amateur gardener an opportunity. Some have expended their efforts on climbing roses, others on flowering shrubs, again others on herbaceous borders filled with valuable perennial flowering plants, and again others have put their efforts into geraniums, cannas and similar perishable plants. It will be no easy matter for the judges to place the awards, but they will do their best and no doubt everybody will be pleased.

For district No. 6 bounded by Woodbine avenue, Narberth and Montgomery avenue are some special prizes to be won twice. For the best kept and most attractive corner lot there is a special grand prize; also first prize trophy cup for the best kept yard in that district, and a second prize trophy cup for the second best premises in that district. As district No. 6 includes a great many small houses, some of which are built in solid rows, a few special prizes have been provided for these smaller fronts, 20 foot or less frontage. For small yards in district No. 6, 20 foot wide or less, first prize \$5; second prize, \$3, and third prize, \$2. A special grand prize is also being offered for the most attractive and best kept premises in all Narberth. This will be a solid silver cup and has to be won twice in succession.

Full particulars in our next issue.

MORNING GAME

Mayer and J. Robinson in Pitchers' Battle, in Which Mayer Has Better of Duel—Keeps Hits Scattered

In One of the Most Fiercy Games of the Season, Narberth Defeated Bob Black's Warriors 4-3—Narberth Scores Two in First.

Narberth scored two runs in the first inning after Bell was out. Wallace singled, Stites was passed and Fleck doubled to left.

West Philadelphia came back in the third inning and scored one when Pasquello singled and scored on J. Robinson's long double. That ended the scoring until the seventh inning, when Narberth scored two more when Mayer singled and scored on Bell's triple to center. Bell was out at the plate on Wallace's fielder's choice. Wallace advanced to second on Stites' out and scored on Panzullo's error on Fleck's hit.

West Philadelphia Scores Two in Ninth.

To start the ninth inning, Overholzer singled and stole second, after which J. Robinson flied out to Simpson. Glocker then doubled, scoring

AFTERNOON GAME

Ensinger and Mayer Pitch Narberth to Victory—Narberth Scores Four Runs in 7th—Deegan Pitches Great Ball

In one of the best, if not the best game ever played on the Narberth field, the boroughites, managed by Frederick H. Walzer, defeated Fred. Cloughley's troopers by the score of 4-3.

It was not until the seventh inning that the champions got to Deegan, and then they scored three runs, tying the score and in the same inning scored one more putting them one ahead.

This Tells the Tale.

Simpson out, short to first. Mayer, who started to pitch in the seventh inning, received a base on balls. Bell was safe on H. Barnitz's error, Mayer also being safe. Richard H. (Dick) Wallace then doubled; not to be outdone, our own Walter Huhphries, who was two strikes, also doubled. Vernon Fleck then singled, during which time four runs had scored, giving us one to the good.

Koons then hit into a double play. Deegan and Ensinger started to

THANKS TO NARBERTH WOMEN.

That the women of Narberth have lots of civic conscience and that they are proud of and loyal to our fire company, was demonstrated this week by the enthusiastic and thorough manner which with they planned and carried out the silk flag episode of our Fourth of July celebration. Fire companies of other towns carried beautiful silk flags when they paraded. Our own fire company should have one too.

The flag is a beauty, and was gracefully presented by Mr. Fletcher Stites. About \$57.00 was contributed. The flag cost \$35. The remaining \$22 will be given to "Holiday House," a most worthy object.

Mrs. W. M. Cameron, chairman of the Woman's Community Club, extends thanks, through "Our Town," for the very efficient help given by the following named women, and says that she is proud of her fellow-members. She extends sincere thanks also to all the Narberth members who contributed so generously: Mrs. E. P. Dold, Mrs. J. G. Foote, Mrs. James Donnelly, Mrs. I. F. Hepler, Mrs. Arthur Holme, Mrs. Carroll Downes, Mrs. F. J. Wisse, Mrs. W. K. Ridge, Miss Maude Wipf, Miss E. Zentmayer, Mrs. A. W. Ward.

AN INVITATION.

An invitation is extended to the women of Narberth to hear Mrs. J. Owen Phillips give a talk at the Y. M. C. A. community room next Friday afternoon at 3 o'clock. Bring your babies and sewing and spend a pleasant afternoon.

E. Verna, Secretary, Woman's Suffrage Party.

GOOD REPORTS FROM CAMP BRUMBAUGH.

Several people in Narberth have received letters with an American flag and the big heading—

ON THE WAY TO MEXICO
Camp Brumbaugh,
Mount Gretna, Penna.

The letters are from the Narberth boys in the First Regiment, N. G. P. They are Clarence Humphries, Leon Schwartz, James McQuiston and John McQuiston.

Clarence Humphries has been promoted to sergeant. Three cheers for Clarence.

Narberth wishes them all the very best of luck.

IMPORTANT MEETING.

The next monthly meeting of the Narberth Branch of the Women's Suffrage Party will be held, 3 P. M. Friday, July 7th, at the Community Club rooms, Y. M. C. A. Building. A most interesting program has been prepared and the principal speaker will be Mrs. J. Owen Phillips, formerly of London, England, but now of Philadelphia. Mrs. Phillips has chosen as her subject, "Some Important Principles Underlying the Woman's Suffrage Movement," which will be of great interest to all, and it is hoped that every resident of Narberth will accept the cordial invitation of the Woman's Suffrage Party and attend the meeting. The ability of Mrs. Phillips as a speaker and lecturer is well known to all of us, and to hear her speak on Woman's Suffrage will, we are sure, be a great pleasure.

Mrs. C. P. Fowler,
Mrs. E. H. Cockrill,
Publicity Committee.

visited his aunt, Mrs. M. Smith, of Dudley avenue, last week. Mr. Lloyd was in Philadelphia attending the Convention of Advertising Men. He is actively associated in the advertisement work on the Pacific coast, and was during the past year president of the Pacific Coast Advertising Men's Association, which is the Pacific Coast Division of the Associated Advertising Clubs of the World. MEETING OF THE CIVIC ASSOCIATION

The meeting of the Civic Association, called especially to consider the subject of the Carnegie Library, was unable to take any definite action, owing to the fact that Mr. Carroll Downes was unexpectedly called to New York. In the absence of the precise data which Mr. Downes alone is in position to furnish, there could not even be much discussion of the project in a general way. There were, however, two significant facts, namely, the attendance, outside of the directors of the Civic Association who were present, was very small, and, in the short general discussion which took place, a number opposed the project. A canvass of the directors of the association also developed the fact that there is quite a decided opposition to the plan of locating the library, if it is obtained, in Narbrook Park, on the ground that there is not sufficient room in the space reserved for public use, and that it would not be sanctioned under the terms of the agreement with purchasers of lots.

A suggestion was made that the best solution of the problem would be to secure the lot adjoining the Y.

"All Ready for Camp."

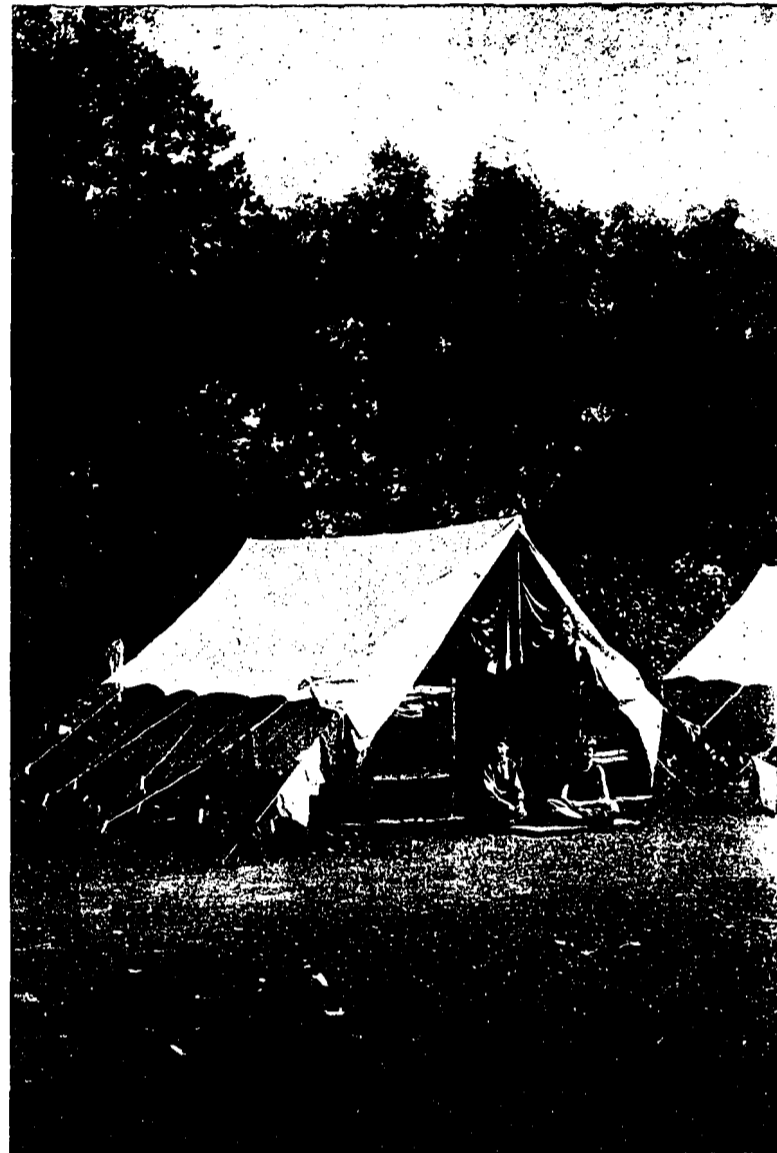

Only four more days till our boys leave for "Camp Tohickon," with bag and baggage.

Next Monday is the day set for the Narberth party to leave and those twelve or fifteen boys can hardly wait till the time comes.

The following boys are already

signed up: Baird Caldwell, Edward Morgan, Carl Metzgar, Richard Odierne, Edward Odell, Richard Compton, Francis Wipf, Randolph Mullen, Herbert McCarter and Joseph Snyder.

How about your boy? If you want him to go, get in touch with Secretary Hampton immediately. Do it now.

CAMP "TO HICKON"

"CAMP TOHICKON"

The following item concerning the life of Tohickon will doubtless be of considerable interest:

As far as possible, the small group idea or family unit is the standard for classification. Each tent accommodates seven boys and an adult leader and this same grouping is carried throughout the round of daily activities. In the dining room they sit at their separate table and are served as a family by their leader. This arrangement enables the grouping of boys of like age and secures a close supervision, as well as helpful influences through contacts with picked men of strong personality. Parents need not fear to place their sons under Tohickon influence, for the camp

ideal is constructive, and every effort is made to secure men who will uphold this ideal. With few exceptions, they are recruited from the schools and colleges near Philadelphia.

The disciplining of the camp is not too strict, but does insist upon the observance of a few regulations that are for the camper's safety and enjoyment. Every boy is expected to act as a gentleman and is on his honor. The use of tobacco in all forms is absolutely forbidden at Camp Tohickon.

The following Narberth boys are already signed up for part of the season: Carl Metzgar, Ned Morgan, Baird Caldwell, Richard Compton, Richard Odierne, Herbert Krell, Edward Odell and Francis Wipf. We are adding to this list daily. How about your boy?

M. C. A. Building, on which a stable is now located through the co-operation of the Y. M. C. A. directors, and connect the library building directly with the Y. M. C. A., thereby securing economy of heating and administration. It was also suggested that the long-desired swimming pool could be located in the basement of the library building. If this plan were feasible, it would doubtless afford a very satisfactory solution of the matter. The statement was made, however, that usually, if not invariably, Carnegie library buildings were entirely separate from any other structure.

Mr. Downes is expected to appear before Council at its meeting on next Monday evening, July 10, at which time he will submit detailed figures of estimated cost of maintenance, and the amount of additional taxation required to meet it, which, it is said, is very small.
