Survey Due

3rd Special Survey No.1 due 8,32.

Boiler Survey due 11,32.

Screwshaft Survey due 10,32.

A proposal to carry out the Special Survey within the year of grace was agreed to in September last after the vessel had been generally examined by the Hull Surveyors.

No reply has been received until now to inquiries in regard to the Boiler and Screwshaft Surveys.

The Owner's Agent now writes that the steamer has just been sold to Breakers in Italy for delivery in July and that it is the Owner's intention to fix her for a voyage from the Danube to the U.K./Continent, thence for a coal cargo to Italy. He adds that in view of the vessel having  
P.T.O.

"PSARA".

-2-

been sold the Owner does not wish to incur any expenditure,  
and in the circumstances desires to run the steamer until the  
end of July without carrying out the Boiler and Screwshaft  
Surveys.

*Submitted that if the vessel is  
to continue in service until  
July an examination of  
the Boilers should be made now*
