Supplementary Provisions:

(Date of enforcement)

1 This Office Ordinance shall come into force as from the day of enforcement (July 1, 1951) of the Law for Partial Amendment to the Immovables Registration Law (Law No. 150 of 1951; hereinafter to be referred to as "the Law").

(Renewal of the Registration Book)

2 The date by which the renewal of the Land Registration Book and the Building Registration Book in accordance with the provision of paragraph 2 of the Supplementary Provisions of the Law is to be completed shall be fixed by the Attorney-General with respect to each Registry.

3 The renewal referred to in the preceding paragraph shall mean the binding of those registration forms, which compose the Registration Book prepared in accordance with the provisions effective prior to the amendment provided for in the Law and this Office Ordinance (hereinafter to be referred to as "the Old Registration Book") and which contain registrations remaining valid, into the Registration Book (hereinafter to be referred to as "the New Registration Book") set up in accordance with the provisions amended by the Law and this Office Ordinance.

4 In case the renewal referred to in paragraph 2 has been effected, the registration forms bound up in accordance with the provision of the preceding paragraph shall be regarded as registration forms made up pursuant to the provisions amended by the Law and this Office Ordinance. An indication of a registration number which is made prior to the renewal in a registration form of an immovable in order to refer to the registration form of another immovable shall have the same effect, for the purpose of identification of the registration form of the land or the building concerned, as an indication of a lot-number or house-number of the land or building registered in the registration form bearing the said registration number.

5 In registration forms bound in accordance with the provision of paragraph 3, the "number of sheets" space and "land's lot-number, house-number" space shall be provided after Form No. 3 appended to the Detailed Regulations for the Enforcement of the Immovables Registration Law (hereinafter to be referred to as "the Detailed Regulations").

6 The provision of Article 4 of the Detailed Regulations shall not apply to the registration forms bound in accordance with the provision of paragraph 3.

7 When, in the case of paragraph 3, there is an entry of a Joint-Parties' Name Book effected in respect of registration which is still valid, a Joint-Parties' Name Card shall be prepared on the basis of the said entry, after the example mentioned in Articles 52 to 54 inclusive of the Detailed Regulations.

8 When, in the case of paragraph 3, there are closed registration forms among those composing the Old Registration Book, they shall be bound into a Closed Registration Book.

(Transitional Provisions pending the Completion of renewal of the Registration Book)

9 During the period pending the completion of the renewal prescribed by paragraph 2, provisions effective hitherto shall still apply with respect to registration effected by the Registry concerned; provided that the same shall not apply with respect to the provisions of Articles 11, 14 (exclusive of the part of paragraph 1 other than items enumerated), 25 to 28 inclusive and 27-(5) of the Detailed Regulations.

10 The provision of the preceding paragraph shall not preclude the application of provisions of Article 15 paragraph 2, Articles 42 and 43 of the Detailed Regulations as amended.

11 In preparing, in the case falling under the principal clause of paragraph 9, a Land Registration Book or a Building Registration Book in accordance with the provision of Article 1 of the Detailed Regulations unamended, the form of the registration forms may be made according to the Form No. 3 appended to the Detailed Regulations as amended. In this case, registration number space shall be provided for in the form composing the "Caption" part, after the Form No. 1 appended to the Detailed Regulations unamended.

(Transitional provisions of Receipt Book, Etc.)

12 The Receipt Book prepared in accordance with the old provisions shall be regarded as the Receipt Book of registration matters prepared pursuant to the revised provisions, provided that the same shall not apply with respect to the Receipt Book of the Other Matters referred to in the proviso to Article 11 paragraph 1 of the Detailed Regulations, unamended.

13 The list of immovables furnished as a joint-security prepared according to former provisions shall be regarded as the list of immovables furnished as a joint-security in accordance with the revised provisions.

14 The copy of the Registration Book to be prepared after the completion of the renewal provided for in paragraph 2 shall be made according to the form identical with the registration form of the Registration Book concerned. However, this shall not preclude from using a form identical with the registration form in pursuance of the Detailed Regulations as amended, even in the case of preparation of a copy in respect of the registered matters entered in the old registration form.

(Transitional provisions for cases of transfer of jurisdiction from one Registry to another)

15 When, in case the New Registration Book is used, the transfer of copies of Registration Books and their accessary documents have been received in accordance with Article 9 paragraph 2 of the Immovables Registration Law, before its amendment by the Law, provisions of Article 67 of the same Law before its amendment by the Law and Article 15 of the Detailed Regulations, unamended, or the provision of Article 72 paragraph 1 of the same Law before its amendment by the Law shall apply. However, the registration number and the former registration number need not be entered in accordance with the provision of Article 67 paragraph 2 of the same Law before its amendment by the Law.

16 When, in case the Old Registration Book is used, the transfer of copies of Registration Books and their accessary documents have been received in accordance with the provision of Article 9 of the Immovables Registration Law as amended, the registration forms received by transfer shall be regarded as the copy of the Registration Book received by transfer in accordance with the provision of Article 9 paragraph 2 of the same Law, unamended. In this case, the former registration number need not be entered in accordance with the provision of Article 67 paragraph 2 of the same Law before its amendment by the Law, notwithstanding the provision of paragraph 4 of the Supplementary Provisions of the Law.

(The former Books)

17 The Seal-Impression Book may be given up, subject to the sanction of the Attorney-General.

18 The Seal-Impression Certificate File Book shall be preserved in accordance with precedents, even after the enforcement of this Office Ordinance.

Attorney-General's Office Ordinance No. 111

June 29, 1951

In accordance with the provision of Article 164 of the Immovables Registration Law (Law No. 24 of 1899), the Regulations for Superficies Registration Index Book shall be established as follows:

Attorney-General
OHASHI Takeo

Regulations for Superficies Registration Index Book

Article 1. The registration office keeping land registration book of a specific town, village or 'Oaza' thereof may keep a superficies registration index book.

Article 2. The town, village or 'Oaza' thereof mentioned in the preceding Article shall be specified by the Attorney-General at the request of the chief of Legal Affairs Bureau or District Legal Affairs Bureau.

Supplementary Provisions:

1 This Office Ordinance shall come into force as from the day of enforcement (July 1, 1951) of the Law for Partial Amendments to the Immovables Registration Law, etc. (Law No. 150 of 1951).

2 The Ordinance concerning Land Registration Book of a specific town, village or 'Oaza' thereof (Ministry of Justice Ordinance No. 17 of 1906; hereinafter referred to as "the old Ordinance") shall be abolished. However, pending completion of repreparation of the land registration book under paragraph 2 of the Supplementary Provisions of the Law for Partial Amendments to the Immovables Registration Law, etc., the provisions of the old Ordinance shall continue to be valid with regard to the registration carried out by the registration office concerned.

3 The town, village or 'Oaza' thereof specified under the provision of Article 1 paragraph 2 of the old Ordinance shall be regarded as the town, village or 'Oaza' thereof specified under the provision of Article 2 of this Office Ordinance, and the superficies index book under the provision of the old Ordinance shall be regarded as the superficies index book under the provision of this Office Ordinance.

Ministry of Transportation Notification No. 155

June 29, 1951

In accordance with the provision of Article 3 of the Private Railway Operating Rules (Ministry of Transportation Ordinance No. 99 of 1950), the Standard of Handling Pilot Tablets shall be established as follows:

Minister of Transportation
YAMAZAKI Takeshi

Standard of Handling Pilot Tablets

Article 1. The standard concerning the handling of pilot tablets in accordance with the provisions of Article 144, Article 149 and Article 156 of the Private Railway Operating Rules (Ministry of Transportation Ordinance No. 99 of 1950) shall be as provided for by this Notification.

Article 2. On a pilot tablet, there shall be registered the names of stations, car stops or signal stations at both ends of a section where it operates (hereinafter referred to as "tablet-operating section") (in case a block section has been divided, the name of one end station, car stop or signal station and that of one end point) as well as its number, the date of issue and the name of the issuer.

Article 3. The kind and form of pilot tablets shall be as follows:

Kind		Form
Classification	Ground Color	
First class	Light yellow	No. Pilot Tablet Issued on (Date) (Station) Between & (Station) (Signed) Name of Issuer
Second class	Light red	ditto
Third class	Light blue	ditto
Fourth class	Light green	ditto

Remarks:

1. The paper to be employed shall be millboard and the shape shall be of a circle one hundred millimeters in diameter.
2. The ground color shall be given to both sides and the characters be written in black on either side.

Article 4. A pilot tablet shall be put in a carrier for delivery.

Article 5. A pilot tablet shall be issued by the train master or an operation adjuster appointed by him (hereinafter referred to as "train master").

2 When it is necessary to use a pilot tablet, the station members in charge of blocking at both ends of the tablet-operating section (in case a block section has been divided, the station members in charge of blocking at both ends of that block section) shall consult with each other, and later either of them shall call on the train master to issue the pilot tablet.

3 When a train master deems it necessary, he shall issue a pilot tablet called for as stated in the preceding paragraph, put on record items described on it, and, after notifying them to the station members in charge of blocking at both ends of the tablet-operating section, shall have a qualified person carry it with him.

Article 6. The station members in charge of blocking at both ends of a tablet-operating section shall, when having received a pilot tablet as stipulated in the preceding Article, respectively, identify each other as to the kind, number and the date of issue of the pilot tablet and the number of a train giving rise to the use thereof, and put those items on record. In this case, in a section where the pilot system or the pilot and time interval method is adopted, such identification shall be made through a pilot.

Article 7. A pilot tablet shall be put to use together with a pilot's arm-badge.

Article 8. No pilot tablet shall be reissued unless it has been lost and has become unable to stand use because of breakage, deface, etc.

2 In case there is called for the reissure mentioned in the preceding paragraph, the provision of Article 5 paragraph 2 shall apply mutatis mutandis.

Article 9. In a tablet-operating section, no pilot tablet shall be switched to a pilot unless any instruction is given by the train master.

Article 10. The issue of a ticket in accordance with a pilot tablet shall be conducted by the station member in charge of blocking.

Article 11. When it is intended to discontinue the use of a pilot tablet, the station members in charge of blocking at both, ends of the

tablet-operating section shall conduct it, after ascertaining the arrival of the train and making communication each other, upon receipt of an instruction of the train master.

Article 12. The first train operating in a section where use of a pilot tablet has been discontinued shall depart from the station, car stop or signal station where the said pilot tablet has been received in the last turn, unless otherwise falling under one of the following items:

(1) When there have been unified tablet-operating sections between three or more stations, car stops or signal stations adjoining one another or between two adjoining stations, car stops or signal stations and one or more intermediate point, or when a tablet-operating section has been divided;

(2) When double track operation is resumed in a double-track section where signal track operation has been carried out temporarily.

Article 13. The station member in charge of blocking who has received in the last turn a pilot tablet put out of use on account of damage, deface the discontinuance of its use, and so forth shall denote thereon that it is out of use and return it promptly to the train master.

Ministry of Postal Services Notification No. 223

June 29, 1951

In accordance with the provisions of Article 3 of the Mail Regulation (Ministry of Communications Ordinance No. 34 of 1947) and Article 5 of the Foreign Mail Regulations (Ministry of Postal Services Ordinance No. 13 of 1950), the small type communication date-stamp in accordance with the Ministry of Postal Services Notification No. 191 of May, 1951 shall be used as follows:
