An Act to amend the Act of the last Session of Parliament, Chapter One hundred and twenty, for the better Local Management of the Metropolis. [29th July 1856.]

18 & 19 Vict. c. 120.

‘ WHEREAS it is expedient to amend the Act of the last Session of Parliament, Chapter One hundred and twenty, “for the better Local Management of the Metropolis,” as herein-after mentioned:’ Be it therefore enacted by the Queen’s most Excellent Majesty, by and with the Advice and Consent of the Lords Spiritual and Temporal, and Commons, in this present Parliament assembled, and by the Authority of the same, as follows:

Church Rates where made in open Vestry before passing of the Act 18 & 19 Vict. c. 120. to continue to be so made.

I. Where at the Time of the passing of the said Act the Power of making Church Rates or Rates of the Nature of Church Rates in any Parish was vested in any open Vestry, or in any Meeting in the Nature of an open Vestry Meeting, or in any Meeting of the Parishioners, Inhabitants, or Ratepayers generally, or of such of the Parishioners, Inhabitants, or Ratepayers as were rated at or above any specified Amount or Value (whether such Vestry or Meeting were holden for the Parish at large or for any Liberty or other District therein), such Power shall not be deemed to have become vested in the Vestry constituted in such Parish under the said Act, but shall be exercised as if the said Act had not been passed: Provided always, that this Act shall not affect any such Rate made before the passing thereof by any such Vestry as last aforesaid.

Nothing in this Act or in 18 & 19 Vict. c. 120. to affect Ecclesiastical Districts.

II. Nothing in the said Act or this Act shall affect or be deemed to have affected any Power of electing or appointing Churchwardens or making Church Rates, or other Power which, at the Time of the passing of the said Act, was vested in any such open Vestry or Meeting as aforesaid, or any elected or other Vestry, where such Vestry or Meeting acts exclusively for any District (by whatever Denomination distinguished) created for Ecclesiastical Purposes only.

Other Powers of Vestries and like Meetings declared to have been transferred to Vestries under Act 18 & 19 Vict. c. 120., except Powers transferred to District Boards.

III. Save as herein-before otherwise provided, all the Duties, Powers, and Privileges (including such as relate to the Affairs of the Church, or the Management or Relief of the Poor, or the Administration of any Money or other Property applicable to the Relief of the Poor,) which might have been performed or exercised by any open or elected or other Vestry or any such Meeting as aforesaid in any Parish, under any Local Act or otherwise, at the Time of the passing of the said Act of the last Session, shall be deemed to have become transferred to and vested in the Vestry constituted by such last-mentioned Act; except so far as any such Duties, Powers, or Privileges may in the Case of a Parish included in any District mentioned in Schedule (B.) to the said Act be vested by Section Ninety thereof in the Board of Works of such District: Provided that all Duties and Powers relating to the Affairs of the Church, or the Management or Relief of the Poor, or the Administration of any Money or other Property applicable to the Relief of the Poor, which at the Time of the passing of the said Act were vested in or might be exercised by any Guardians, Governors, Trustees, or Commissioners, or any Body other than any open or elected or other Vestry, or any such Meeting as herein-before mentioned, shall continue vested in and be exercised by such Guardians, Governors, Trustees, or Commissioners or other Body as aforesaid.

Occupiers may claim to be rated.

IV. It shall be lawful for any Person occupying any Tenement within any Parish to claim to be rated to the Relief of the Poor in respect thereof in the Rate for the Time being, and in all Rates to be thereafter made in respect of such Tenement, whether the Landlord be or be not liable to be rated to the Relief of the Poor in respect thereof; and upon such Occupier so claiming, by Notice in Writing left at the Office or Place of Residence of the Overseers of the Poor of the Parish, or One of them, and actually paying or tendering at such Office or Place of Residence the full Amount of the last made Rate then payable in respect of such Premises, such Overseers are hereby required to put the Name of such Occupier on the Rate for the Time being, and also, without further Claim, to put his Name upon every subsequent Rate made during the Time such Occupier continues in the Occupation of the same Premises; and in case the said Overseers neglect or refuse so to do, such Occupier shall nevertheless, for the Purposes of the said Act, be deemed to have been rated to the said Rate in respect of such Premises from the Period at which the Rate for the Time being in respect of which he so claimed to be rated as aforesaid was made, and thenceforth so long as he continues in the Occupation of the same Premises: Provided always, that every Person so claiming as aforesaid shall in respect of every Rate for the Relief of the Poor made after such Claim as aforesaid, while he continues to occupy the same Premises, be liable to the same Extent and in the same Manner as if his Name had been put on such Rate.

V. Provided

*Metropolis Local Management Act Amendment.*

V. Provided also, That in Cases where, by any Composition with the Landlord, a less Sum is payable than the full Amount of Rate which, except for such Composition, would be due in respect of the same Premises, the Occupier claiming to be rated shall not be bound to pay or tender more than the Amount then payable under such Composition: Provided also, that where, by virtue of any Act of Parliament, the Landlord is liable to the Payment of the Rate for the Relief of the Poor in respect of any Premises occupied by his Tenant, nothing herein contained shall be deemed to vary or discharge the Liability of such Landlord; but in case the Tenant who has been rated for such Premises in consequence of any such Claim as aforesaid make default in the Payment of the Rate for the Relief of the Poor payable in respect thereof, such Landlord shall be and remain liable for the Payment thereof, in the same Manner as if he alone had been rated in respect of the Premises so occupied by his Tenant.

Compositions not to be disturbed, and Landlord's Liability not to be affected.

VI. Any Occupier who under this Act is rated or deemed to be rated to the Relief of the Poor in any Parish, and has been so rated or deemed to be rated for One Year next before any Election of Vestrymen or Auditors under the said Act, shall be entitled to vote in such Election, and shall for the Purposes of the said Act be deemed a Ratepayer of such Parish, and be entitled to act as such, provided all Parochial Rates, Taxes, and Assessments, save and except Church Rates, due in respect of the same Premises at the Time of his so voting or acting, except such as have been made or become due within Six Months immediately preceding such voting or acting, have been paid; but such Occupier shall not be deemed to be a Ratepayer so as to gain a Settlement where he would not have gained a Settlement if this Act had not been passed.

Right of Occupier so claiming to vote in Elections.

VII. The Provision in Section Sixteen of the said Act requiring all Parochial Rates, Taxes, and Assessments (except as therein excepted) to have been paid shall not be taken to include Church Rates.

Payment of Church Rates not necessary as Qualification.

VIII. 'And whereas by the Act of the Session holden in the Sixth and Seventh Years of King William the Fourth, Chapter Ninety-six, "to regulate Parochial Assessments," it is required that every Rate for the Relief of the Poor shall, in addition to any other Particular which the Form of making out such Rate shall require to be set forth, contain an Account of every Particular set forth at the Head of the respective Columns in the Form given in the Schedule to that Act annexed, so far as the same can be ascertained, and in the Form in the said Schedule are Two Columns headed respectively "Gross estimated Rental" and "Rateable Value." And whereas by the said Act of the last Session it is required that in order to qualify a Person to be elected a Vestryman or Auditor he should be rated to the Relief of the Poor upon a Rental of such Amount as therein mentioned: And whereas Doubts are entertained which of the Amounts specified in the said Two Columns is to be deemed the "Rental" for the Purposes of the last-mentioned Act:—

Rental to be determined by Column headed "Rateable Value."

The Amount specified in the said Column headed "Rateable Value" shall be deemed the "Rental" for the Purposes of the last-mentioned Act.

IX. Every Meeting of any Vestry constituted by the said Act of the last Session, of which and of the special Purpose whereof Notice is now by Law required to be affixed on or near the principal Doors of the Churches and Chapels within the Parish, may be convened by transmitting through the Post or otherwise Notice, signed by the Clerk to the Vestry, to each Vestryman, at his usual or last known Place of Abode in England, of the Place and Hour of holding the same, and the special Purposes thereof, Three Days before the Day appointed for such Meeting, and also by affixing at the same Time Notice thereof on or near the Door of any Building where the said Meeting is to be holden, and it shall not be necessary that Notice of any such Meeting shall be further or otherwise signed or published.

Regulation of Meetings of Vestries constituted by 18 & 19 Vict. c. 120.

X. 'And whereas Doubts are entertained whether the Provision in Section One hundred and forty-four of the said Act of the last Session, authorizing the Metropolitan Board of Works, where it appears to them that further Powers are required for the Purpose of any Work for the Improvement of the Metropolis or public Benefit of the Inhabitants thereof, to make Applications to Parliament for that Purpose, and providing that the Expenses of such Application may be defrayed as other Expenses of the said Board, extends to authorize Applications to Parliament by such Board for Powers for providing Parks, Pleasure Grounds, Places of Recreation, and open Spaces, and it is expedient to remove such Doubts: The Powers given to the said Board to make Applications to Parliament, and the Provision for the Expenses of such Application, extend respectively to Applications to Parliament for the Purpose of providing Parks, Pleasure Grounds, Places of Recreation, and open Spaces for the Improvement of the Metropolis or the public Benefit of the Inhabitants thereof, and to the Expenses of all such Applications.

Section 144. of 18 & 19 Vict. c. 120. declared to extend to authorize Applications to Parliament for providing Parks, &c.

XI. Any District Board or Vestry may take, by Agreement or Gift, any Land or any Right or Easement in or over Land, for any Estate or Interest therein, and on such Terms and Conditions as they may think fit, for the Purpose of such Land being either kept as an open Space or being kept and maintained as a Pleasure Ground for the public Benefit of the Inhabitants of the District or Parish; but this Enactment shall not authorize any Expenditure to be defrayed by Rates, except for the Purpose of enclosing, maintaining, planting, and otherwise improving the same.

District Boards and Vestries empowered to take Ground to be maintained as a Pleasure Ground, &c.

XII. The said Act of the last Session and this Act shall be construed together as One Act.

Recited Act and this Act to be as One.

An Act for regulating the Rates and Charges to be taken by the *Grand Junction Waterworks Company* for a Supply of Water to Parts of the Parish of *Paddington*, and for other Purposes. [21st July 1856.]

WHEREAS the following Local and Personal Acts relating immediately or mediately to the *Grand Junction Waterworks Company* (in this Act called "the Company") have been passed, to wit, the Act of the Thirty-eighth Year of *George* the Third, Chapter Thirty-three; the Act of the Fifty-first Year of *George* the Third, Chapter One hundred and sixty-nine; the Act of the Fifty-second Year of *George* the Third, Chapter One hundred and ninety-five; the Acts of the Fifty-sixth Year of *George* the Third, Chapters Four and Eighty-five; the Acts of the Fifty-ninth Year of *George* the Third, Chapters Sixty-six and One hundred and eleven; the Act of the Fifth Year of *George* the Fourth, Chapter Thirty-five; the Act of the Sixth Year of *George* the Fourth, Chapter Forty-five; the Act of the Seventh Year of *George* the Fourth, Chapter One hundred and forty; the Act of the Session of the Fifth and Six Years of *William* the Fourth, Chapter Ninety-five; the Act of the Session of the Seventh and Eighth Years of Her present Majesty, Chapter Thirty, "The *Grand Junction Waterworks Act, 1852*," and "The *Grand Junction Waterworks Act, 1855*:" And whereas, as appears by Recitals in the Act of the Thirty-eighth Year of *George* the Third, Chapter Thirty-three, an Agreement was, in the Year One thousand seven hundred and ninety-eight, entered into between the then Lord Bishop of *London* and his Lessees and the Company of Proprietors of the *Grand Junction Canal* (in this Act called "the Canal Company") for a Lease to the Canal Company of certain Pieces of Land in the Parish of *Paddington*, Part of the Estate there belonging to the Lord Bishop and his Lessees, and for the perpetual Renewal of such Lease, and it was thereby agreed that such Leases should contain proper Clauses to enable the Canal Company to supply with good and wholesome Water the Inhabitants of the several Buildings then erected or to be erected upon the Lands intended to be demised to them, and other Lands within the Parish, then the Estate of the Lord Bishop and his Lessees, and of certain other Proprietors of Estates within the Parish who might be desirous of the same, from the *Grand Junction Canal* or from any Reservoirs they should make on that or other Land, and for that Purpose to erect requisite Works upon the Land so to be leased to the Canal Company, and to lay Pipes as therein expressed for conveying the Water, and that when the Works should be established the Canal Company should supply with Water all the Undertenants of the Estate belonging to the Bishopric of *London* in the Parish, at their respective Houses, at a lower Rate than any other Water Company then supplied Houses in and about the Metropolis of the same Magnitude and Description: And whereas by the Act of the Thirty-eighth Year of *George* the Third, Chapter Thirty-three, that Agreement was confirmed, and the Canal Company were authorized to make Works and supply Water from the *Grand Junction Canal* Cuts and Reservoirs, pursuant to the Intent and Meaning thereof, and to lay Pipes and do other Works for the Purposes of such Supply: And whereas at the Time of the passing of that Act there were no fixed Rates at which the Metropolitan Water Companies were bound to supply Water, but their Charges for Water Supply were to be in every Case such as might be mutually agreed on between the Water Companies and Persons desirous of being supplied by them respectively, and the Charges then made by them respectively were not made on any one Scale: And whereas, as appears by Recitals in the Act of the Fifty-first Year of *George* the Third, Chapter One hundred and sixty-nine, an Agreement was in the Year One thousand eight hundred and eleven entered into between the Canal Company and *Samuel Hill*, on behalf of himself and others, for the making by the said *Samuel Hill* and others of the Waterworks referred to in the recited Agreement of One thousand seven hundred and ninety-eight, and for the granting to him and them by the Canal Company of a Lease of the Powers, Licences, and Privileges

Privileges by the first-recited Act granted to them, and of the Land requisite for the Waterworks thereby authorized: And whereas by the said Act of the Fifty-first Year of *George the Third*, Chapter One hundred and sixty-nine, that Agreement was confirmed, and the said *Samuel Hill* and others were incorporated into a Company by the Name of "The *Grand Junction Waterworks Company*" (in this Act called "the Company"), and the Company were (by Section Twenty-nine) authorized to exercise the like Powers and Authorities for making and maintaining Waterworks, and for carrying into effect the recited Agreement of One thousand eight hundred and eleven, as were by the first-recited Act granted to the Canal Company, but no further or greater Powers and Authorities, and to supply Water accordingly: And whereas by Section Thirty-three of that Act it was provided and enacted that the Company should and they were thereby required, from Time to Time and at all Times thereafter, to supply the several Lessees or Tenants of the Estate belonging to the See of the Bishop of *London at Paddington* aforesaid with Water at the Rate of Ten Pounds *per Centum* at the least below the average Rate which should be demanded and taken by the Company, or by any other Company or Companies, for supplying with an equal Quantity of Water the Inhabitants of Houses of the like Magnitude and Description of any other of the Districts or Streets within the Cities of *London* and *Westminster*: And whereas at the Time of the passing of that Act a Supply of good and wholesome Water could be obtained from the *Grand Junction Canal* and the Cuts and Reservoirs thereof, and the Site and Extent of the Waterworks thereby authorized were sufficient and convenient for the Supply of Water then contemplated, the Buildings on the Estate of the Lord Bishop then requiring such Supply being only the Ten Houses formerly *Connaught Place*, and being Houses of like Magnitude and Description, and the Ten Stables to those Houses: And whereas at that Time there were no fixed Rates at which the Metropolitan Water Companies were bound to supply Water, but their Charges for Water Supply were still left to be settled by mutual Agreement, and were not made on any one Scale, nor were the Companies under any legal Obligation to supply Water: And whereas the Waterworks by the recited Acts authorized were made by the Company on Land leased to them by the Canal Company, being Part of the Land belonging to the Lord Bishop of *London* and his Lessees, comprised in the recited Agreement of One thousand seven hundred and ninety-eight, and were supplied with Water from the *Grand Junction Canal*, or the Cuts and Reservoirs thereof: And whereas by the Act of the Fifty-ninth Year of *George the Third*, Chapter One hundred and eleven, Provision was made for the Supply of Water to the Waterworks of the Company being taken from the River *Thames* instead of from the *Grand Junction Canal* and the Cuts and Reservoirs thereof, by reason of the Quality of the Water in that Canal and those Cuts or Reservoirs having become objectionable: And whereas by the Act of the Sixth Year of *George the Fourth*, Chapter Forty-five, Provision was made (by Section Two) for the granting of Building Leases of Parts of the Estate of the Lord Bishop and his Lessees, and it was enacted (by Section Nine) that all Leases granted and to be granted under the Authority of the Acts therein recited and that Act, or any of them, by the Persons therein named, (being, as appears by the Recitals therein, Lessees of the Lord Bishop,) their Executors, Administrators, or Assigns, or the Lessees for the Time being under any renewed Lease from the Lord Bishop, or by his or their Executors, Administrators, or Assigns, or by any other Person or Persons who for the Time being might be the Tenant or Tenants to the Lord Bishop under the therein recited Lease, or any future renewed Lease, should be or be deemed, as or in the Nature of Under-leases by the Lessors in such Leases respectively, and their respective Executors, Administrators, and Assigns, and to the Lessees or Lessee accepting or taking a renewed Lease or Leases from the Lord Bishop and his or their Executors, Administrators, or Assigns: And whereas that Act did not contain any Saving of any Claim of any of the Lessees or Tenants of the Estate belonging to the See of the Lord Bishop at *Paddington* to be deemed with respect to the Charges for the Supply of Water by the Company Lessees or Tenants of that Estate: And whereas since the passing of that Act many Under-leases for Building Purposes have been granted under the Authority of that Act and the Acts therein recited, or some of them, and the Number of Houses and other Buildings now on that Estate is Four thousand six hundred and seventy or thereabouts, and by far the greatest Number of those Houses and other Buildings are held by Under-leases: And whereas by the Act of the Seventh Year of *George the Fourth*, Chapter One hundred and forty, the Incorporation of the Company as a Waterworks Company for making and maintaining Waterworks for supplying with good and wholesome Water from the River *Thames* the Inhabitants of the several Buildings erected and to be erected within the Parish of *Paddington*, and the Parishes and Streets adjacent, was confirmed in perpetuity, and Provision was made (by Section Five) for the Conveyance by the Canal Company to the Company of Land in the Parish of *Paddington*, comprising the Waterworks and Reservoirs of the Company; and it was (by Section Twenty-seven) provided and enacted that the Company should be obliged, by means of any Leaden or other Pipe or Pipes, the Bore thereof to be of the Dimensions of Three Quarters of an Inch (or larger, if the Company should require), the same to be provided and laid at the Cost of the Person or Persons requiring the same, to furnish a sufficient Supply of Water, at a Height not exceeding Six Feet above the Flag Pavement, to the House of every Inhabitant occupying a private Dwelling House in any Square, Place, Street, or Lane where the Pipes of the Company should be laid, for the Use of his or her own Family, at the following Rates *per Annum*, (that is to say,) where the Rent of such Dwelling House should not exceed Twenty Pounds *per Annum*, at a Rate *per Centum per Annum* not exceeding Seven Pounds Ten Shillings; and where such Rent should be above Twenty Pounds and not exceeding Forty Pounds *per Annum*, at a Rate *per Centum per Annum* not exceeding Seven Pounds; and where such Rent should be above Forty Pounds and not exceeding

' exceeding Sixty Pounds *per Annum*, at a Rate *per Centum per Annum* not exceeding Six Pounds Ten  
 ' Shillings; and where such Rent should be above Sixty Pounds and not exceeding Eighty Pounds *per*  
 ' *Annum*, at a Rate *per Centum per Annum* not exceeding Six Pounds; and where such Rent should be  
 ' above Eighty Pounds and not exceeding One hundred Pounds *per Annum*, at a Rate *per Centum per*  
 ' *Annum* not exceeding Five Pounds Ten Shillings; and where such Rent should be above One hundred  
 ' Pounds *per Annum*, at a Rate *per Centum per Annum* not exceeding Five Pounds; and every such Rate  
 ' should be payable according to the actual Amount of the Rent where the same could be ascertained, and  
 ' where the same could not be ascertained, according to the actual Amount or annual Value upon which  
 ' the Assessment to the Poor's Rate was computed in the Parish or District where the House was situated;  
 ' provided nevertheless, that the Company should not be entitled to receive from any such Inhabitant  
 ' more than the Sum of Twenty Pounds in any One Year for such Supply, nor should the Company  
 ' be obliged to furnish such Supply to any such Inhabitant for less than Twelve Shillings in any One  
 ' Year unless they should think fit so to do; provided also, that in case of Manufacturers, Dyers, Printers,  
 ' Bleachers, Brewers, Innkeepers, Alehouse Keepers, Vintners, or other Persons requiring a Supply of  
 ' Water for other Purposes than those of his or her own Family Consumption, or in case of Persons  
 ' requiring a Supply of Water for Hotels, public Chambers, Clubs, or Subscription Houses, Baths, Foun-  
 ' tains, Ponds, Pools, Closets, Waterclosets (such Closets or Waterclosets being supplied from any other  
 ' Cistern than a Cistern for domestic Purposes situated within Six Feet of the Flag Pavement), or  
 ' Stables, or for washing Carriages, or for Cows or Horses, or for the Purposes of any Trade or Business  
 ' whatsoever, such Supply should be furnished by the Company in such Cases at such Rate as should be  
 ' settled by and between the Directors and such Persons respectively; and it was (by Section Twenty-  
 ' eight) provided and enacted that the Company should and they were thereby required, from Time to  
 ' Time and at all Times thereafter, to supply the several Lessees or Tenants of the Estate belonging to  
 ' the See of the Bishop of *London* at *Paddington* with Water at the Rate of Ten Pounds *per Centum* at  
 ' the least below the average Rate which should be demanded and taken by the Company, or any other  
 ' Company or Companies, for supplying with an equal Quantity of Water the Inhabitants of Houses of  
 ' the like Magnitude and Description of any other of the Districts or Streets within the Cities of *London*  
 ' and *Westminster*: And whereas Doubts exist whether the Privilege conferred by that Section Twenty-  
 ' eight was a Privilege to receive at a reduced Rate only a Supply of Water at a Height not exceeding  
 ' Six Feet above the Flag Pavement, and only for Family Consumption, and whether the reduced Rate  
 ' was to be ascertained by reference to the Charges received by Agreement with Persons supplied or by  
 ' reference to Charges for a Supply of Water at not exceeding that Height, and only for Family Con-  
 ' sumption: And whereas the great Increase of the Number of Houses built on the Estate of the Lord  
 ' Bishop and in the Neighbourhood thereof, and other Circumstances, rendered it expedient that the  
 ' Company should provide other Waterworks and Reservoirs at a Distance from that Estate, and they  
 ' accordingly provided them: And whereas by the Act of the Session of the Fifth and Sixth Years of  
 ' *William* the Fourth, Chapter Ninety-five, the Company were authorized to obtain a Supply of Water  
 ' from the River *Thames* near *Kew Bridge*, and to supply such Water accordingly at the Rates and  
 ' subject to the Restrictions of the recited Acts then in force; and it was by Section Forty provided and  
 ' enacted that nothing therein contained should prejudice the Estate belonging to the See of the Lord  
 ' Bishop of *London* in the Parish of *Paddington*, or alter, lessen, or abridge any of the Rights, Liber-  
 ' ties, or Privileges of the Lord Bishop or his Lessees in, over, or upon the same or any Part thereof, or  
 ' lessen or abridge any of the Clauses or Provisions contained in any of the recited Acts for the Pro-  
 ' tection or Benefit of the Lord Bishop or his Lessees, but that Act did not contain any Saving of any  
 ' Rights of Under-lessees or Tenants of any Part of that Estate: And whereas, as appears by the Recital  
 ' in the Act of the Session of the Seventh and Eighth Years of Her present Majesty, Chapter Thirty,  
 ' of an Agreement made in the Year One thousand eight hundred and forty-four between the Lord Bishop,  
 ' his Lessees, the Canal Company, and the Company, it having become unnecessary for the Company to  
 ' maintain their Reservoirs and other Works on the Estate of the Lord Bishop, the Company were  
 ' desirous of letting the Sites thereof as Building Ground, and applied to the Lord Bishop and his Lessees  
 ' for their Consent to the Appropriation of the Leasehold Parts thereof to Building Purposes, and they,  
 ' being satisfied that it would tend greatly to the Improvement of that Estate, consented upon Conditions  
 ' therein expressed, one of those Conditions being that the Company should give up Parts of their  
 ' Lands in the Parish as Sites for a then intended Hospital and a then intended Church, and should  
 ' supply the several Lessees or Tenants of that Estate, including the Inhabitants of the Houses proposed  
 ' to be built on the Sites of those Reservoirs and Works of the Company, with an equal Supply of  
 ' Water from their new Reservoirs and Works at the like Rate and in the like Manner as provided by  
 ' the recited Act of the Fifty-first Year of *George* the Third, Chapter One hundred and sixty-nine:  
 ' And whereas by the Act of the Session of the Seventh and Eighth Years of Her present Majesty,  
 ' Chapter Thirty, that Agreement, with a Modification thereof requiring the Company to sell their Land  
 ' for Building Purposes instead of leasing it, was confirmed, and Parts of their Land were appropriated  
 ' as Sites for the intended Hospital and the intended Church: And whereas the Company accordingly  
 ' wholly removed their Waterworks from the Parish of *Paddington*, and have disposed of the Sites of  
 ' their Reservoirs and Works there, or the greatest Part thereof, and Houses have been built thereon:  
 ' And whereas it is questionable whether when the Company had removed their Waterworks from the  
 ' Parish of *Paddington*, and had given up for the Benefit of the Parish the Sites for the intended Hospital  
 ' and intended Church (both of which have for some Time been built), and had disposed of their remain-  
 ' ing

- ing Land in that Parish, the Consideration for the Privilege conferred by Section Thirty-three of the Act of the Fifty-first Year of *George* the Third, Chapter Sixty-nine, on the Lessees and Tenants of the Estate of the Lord Bishop had not wholly failed: And whereas by "The *Grand Junction* Waterworks Act, 1852," (with which the greater Part of "The Waterworks Clauses Act, 1847," was incorporated,) the Company were authorized to take a Supply of Water from the River *Thames* at *Hampton*, and to make and maintain additional Waterworks for the Purpose, and for supplying such Water within the Limits of that Act, including the Parish of *Paddington*; and it was (by Section Forty-six) enacted that the Company should, at the Request of the Owner or Occupier of any House in any Street within the Limits of their Act in which any Pipe of the Company should be laid, or of any Person who, under the Provisions of that Act, or any Act incorporated therewith, should be entitled to demand a Supply of Water for domestic Purposes, furnish to such Owner or Occupier or other Person a sufficient Supply of Water for their domestic Purposes at the Rates therein-after specified; (that is to say,)
- Where the annual Value of the Dwelling House or other Place supplied should not exceed Two hundred Pounds, at a Rate *per Centum per Annum* on such Value not exceeding Four Pounds, and where such annual Value should exceed Two hundred Pounds, at a Rate *per Centum per Annum* on such Value not exceeding Three Pounds:
- If there should be a Watercloset or Waterclosets, or fixed Bath or Baths, or any High Service in such Dwelling House or Place, then, in addition to the Rates above specified, the following Rates should be payable; (that is to say,)
- Where the annual Value of such House should exceed Thirty Pounds, but should not exceed Fifty Pounds, a Rate not exceeding Four Shillings *per Annum* for each single Watercloset, fixed Bath, or High Service, and a further Sum of Two Shillings for each additional Watercloset, fixed Bath, or High Service; where such annual Value should exceed Fifty Pounds, but should not exceed One hundred Pounds, a Rate not exceeding Six Shillings *per Annum* for each single Watercloset, fixed Bath, or High Service, and a further Sum of Three Shillings for each additional Watercloset, fixed Bath, or High Service;
  - Where such annual Value should exceed One hundred Pounds, but should not exceed Two hundred Pounds, a Rate not exceeding Eight Shillings for each single Watercloset, fixed Bath, or High Service, and a further Sum of Four Shillings for each additional Watercloset, fixed Bath, or High Service;
  - Where such annual Value should exceed Two hundred Pounds, but should not exceed Three hundred Pounds, a Rate not exceeding Ten Shillings for each single Watercloset, fixed Bath, or High Service, and a further Sum of Five Shillings for each additional Watercloset, fixed Bath, or High Service;
  - And where such annual Value should exceed Three hundred Pounds, a Rate not exceeding Twelve Shillings for each single Watercloset, fixed Bath, or High Service, and a further Sum of Six Shillings for each additional Watercloset, fixed Bath, or High Service;
- And it was (by Section Forty-seven) enacted that the Expression "High Service" in that Act should mean and be considered as being a Delivery of Water at an Elevation more than Ten Feet above the Footway or Pavement in front of the Dwelling House or other Place supplied; and it was (by Section Forty-eight) enacted that a Supply of Water for domestic Purposes should not include a Supply of Water for Steam Engines or Railway Purposes, or for warming or ventilating Purposes, or for working any Machine or Apparatus, or for Baths, Horses, Cattle, or for washing Carriages, or for Gardens, Fountains, or ornamental Purposes, or for flushing Sewers or Drains, or for any Trade or Manufacture or Business requiring an extra Supply of Water; and it was (by Section Forty-nine) enacted that the Company might supply any Person or Body within their Limits with Water to be used within such Limits for other than domestic Purposes at such Rate and upon such Terms and Conditions as should be agreed upon between the Company and the Person or Body requiring such Supply; and it was (by Section Fifty) enacted that the Company might at their own Instance, and should at the Request of any Owner or Occupier of any Premises situate in or adjoining any Street in which any Main or Service of the Company should be laid, and who required a Supply of Water by Measure for Purposes other than the Purposes in respect of which Rates were by that Act provided or limited, and by means of Communication Pipes and other necessary and proper Apparatus to be provided, laid, and maintained at the Cost of the Person requiring such Supply, afford a Supply of Water by Meter or other fit and sufficient Instrument or Mode for measuring and ascertaining the Quantity of Water so supplied, and might charge for such Supply not exceeding the following Rates for each One thousand Gallons; (that is to say,)
- In respect of ordinary Service—
    - When the quarterly Consumption of Water did not exceed Fifty thousand Gallons, Ninepence;
    - When exceeding Fifty thousand Gallons and not exceeding One hundred thousand Gallons, Eightpence;
    - When exceeding One hundred thousand Gallons and not exceeding Two hundred thousand Gallons, Sevenpence;
    - When exceeding Two hundred thousand Gallons, Sixpence;
  - And in respect of High Service—
    - An additional Rate not exceeding Twenty-five *per Centum* upon the several Rates last therein-before specified and authorized for ordinary Service:

Provided

' Provided that the Company should not be required so to supply Water in any less Quantity than  
 ' Twenty-five thousand Gallons in any Quarter of a Year ; and it was (by Section Fifty-eight) provided  
 ' that nothing contained in that Act or in any Act incorporated therewith should authorize the Company  
 ' to purchase any Part of the Estate at *Paddington* in the County of *Middlesex* belonging to the See of  
 ' the Bishop of *London* without the Consent in Writing of the said Lord Bishop of *London* for the Time  
 ' being, and of the Trustees or Trustee for the Time being of the Local or Local and Personal Act of  
 ' the Thirty-fifth of *George* the Third, Chapter Eighty-three, and of the several Acts since passed for  
 ' amending and enlarging the same, nor should anything contained in the now-reciting Act, or in any  
 ' Act incorporated therewith, lessen, interfere with, or prejudicially affect any Rights or Privileges of  
 ' the said Bishop and Trustees or Trustee, or any of them, or their or any of their Lessees, or the Tenants  
 ' or Occupiers for the Time being of the said Estate at *Paddington*, under or by virtue of the recited Act  
 ' of the Fifty-first Year of *George* the Third, Chapter One hundred and sixty-nine, or otherwise how-  
 ' soever : And whereas it is questionable whether the recited Provisions of Sections Forty-six to Fifty,  
 ' both inclusive, of the *Grand Junction* Waterworks Act, 1852, did not confer on the Company an abso-  
 ' lute Right to demand and take from all Persons supplied by them with Water the several Rates and  
 ' Charges thereby authorized : And whereas by the *Grand Junction* Waterworks Act, 1855, in which it  
 ' was recited that the Funds of the Company were insufficient to enable them to complete the Works  
 ' authorized by their Acts, and required by the Metropolis Water Act, 1852, in order to enable them to  
 ' comply with the Requirements of that Act, they were authorized to raise further Sums ; and by  
 ' Section Twenty-three of the now-reciting Act it was provided that nothing contained in that Act, or  
 ' in any Act incorporated therewith, should authorize the Company to purchase any Part of the Estate  
 ' at *Paddington* in the County of *Middlesex* belonging to the See of the Bishop of *London* without the  
 ' Consent in Writing of the Lord Bishop of *London* for the Time being, and of the Trustees or Trustee  
 ' for the Time being of the Local or Local and Personal Act of the Thirty-fifth of *George* the Third,  
 ' Chapter Eighty-three, and of the several Acts since passed for amending and enlarging the same ; nor  
 ' should anything contained in the now-reciting Act, or in any Act incorporated therewith, lessen, inter-  
 ' fere with, or prejudicially affect any Rights or Privileges of the said Bishop and Trustees or Trustee,  
 ' or any of them, or their or any of their Lessees, or the Tenants or Occupiers for the Time being of  
 ' the Estate at *Paddington* under or by virtue of the Act of the Fifty-first of *George* the Third, Chapter  
 ' One hundred and sixty-nine, or otherwise howsoever : And whereas a Question has been raised whether  
 ' Section Twenty-three of the *Grand Junction* Waterworks Act, 1855, affected the Right of the Com-  
 ' pany under the *Grand Junction* Waterworks Act, 1852, to demand and take from all Persons supplied  
 ' by them with Water the several Rates and Charges thereby authorized : And whereas a Question has  
 ' been raised whether, by reason of the Exemptions conferred by Section Thirty-three of the recited Act  
 ' of the Fifty-first Year of *George* the Third, Chapter One hundred and sixty-nine, and Section Twenty-  
 ' eight of the recited Act of the Seventh Year of *George* the Fourth, Chapter One hundred and forty  
 ' respectively, having been Exemptions from Rates which the Company were by those Acts respectively  
 ' authorized to demand and take, and by reason also of their Powers to demand and take those Rates  
 ' having been repealed, those Exemptions have not consequently been repealed or have not ceased : And  
 ' whereas at divers Times Occupiers of Houses on Parts of the Estate of the Lord Bishop have alleged  
 ' a Right to be supplied with Water by the Company at Rates below the Rates charged by them to other  
 ' Persons, but (so far as is now known to the Company) no Proceedings were at any Time from  
 ' the Establishment of the Waterworks down to the Year One thousand eight hundred and fifty-four  
 ' ever taken by any Person to enforce any such alleged Right : And whereas in the Year One thousand  
 ' eight hundred and fifty-three, after the Company's Act of One thousand eight hundred and fifty-two  
 ' came into operation, the Company revised their Water Rates so as to bring the same within the Scale  
 ' by that Act prescribed ; and with a view to avoid all Risk of Litigation with Occupiers of Houses on  
 ' the Estate of the See of *London* they made in their favour a greater Reduction than they made in  
 ' favour of Occupiers of other Houses in the Parish of *Paddington* : And whereas, notwithstanding such  
 ' Reduction, in the Year One thousand eight hundred and fifty-four a Notice was given to the Company  
 ' on the Part of One of the Under-lessees or Under-tenants of Part of the Estate of an Intention to take  
 ' Proceedings against the Company to enforce such alleged Right, but no Proceedings were taken on that  
 ' Notice : And whereas, notwithstanding such Reduction, Proceedings were, in or about the Month of  
 ' *March* in the Year One thousand eight hundred and fifty-five, taken against the Company by another  
 ' of the Under-lessees or Under-tenants of Part of the Estate to enforce such alleged Right, and were  
 ' resisted by the Company, and Litigation thereon, in a Case of the *Grand Junction* Waterworks Com-  
 ' pany against *Andrews*, being an Action of Replevin arising thereout, is still pending : And whereas  
 ' it is questionable whether any Persons claiming by virtue of Leases granted under the recited Act of  
 ' the Sixth Year of *George* the Fourth, Chapter Forty-five, being by virtue of that Act only Under-  
 ' lessees or Under-tenants of the Estate, are Lessees or Tenants of the Estate within the Meaning of the  
 ' recited Acts of the Fifty-first Year of *George* the Third, Chapter One hundred and sixty-nine, Section  
 ' Thirty-three, and the Seventh Year of *George* the Fourth, Chapter One hundred and forty, Section  
 ' Twenty-eight, respectively : And whereas the Company alleged that such alleged Right, if existing, is  
 ' a Right to an Exemption of which the Limits and Extent could not be so ascertained as to enable the  
 ' Company to determine and fix, in accordance therewith, the Rates to be charged by them for a Supply  
 ' of Water to the Estate of the Lord Bishop, and the Company also allege that whatever might be the  
 ' Decision in the pending Case of the Company against *Andrews*, or in any other Litigation, the Decision  
 ' therein

‘ therein would only determine whether or not the Rate in question therein was or was not accurate, and  
 ‘ could not decide whether or not any other Rate then or thereafter charged by the Company for a Supply  
 ‘ of Water to any other House on the Estate of the Lord Bishop was accurate, and therefore could not  
 ‘ enable either the Company or any Person claiming such alleged Right to ascertain the Accuracy of any  
 ‘ other than the one Rate in question : And whereas the Company ground those Allegations by them on  
 ‘ the following Facts ; to wit,

- ‘ First, That the Amount of the Rates for Water Supply demanded and taken by the other Metro-  
 ‘ litan Water Companies respectively for Houses of a similar Magnitude is a frequently varying  
 ‘ Amount ;
- ‘ Secondly, That the Quantity of Water supplied by the Company and the other Metropolitan Water  
 ‘ Companies respectively to Districts or Streets is a frequently if not a constantly varying  
 ‘ Quantity ;
- ‘ Thirdly, That the Quantity of Water supplied by the Company or any other Metropolitan Water  
 ‘ Company to any One House, or to all the Houses of like Magnitude and Description in any  
 ‘ District or Street, is a Quantity not accurately ascertainable ;
- ‘ Fourthly, That the Number of the Houses supplied with Water by the Company and the other  
 ‘ Metropolitan Water Companies respectively is a constantly varying Quantity ;
- ‘ Fifthly, That neither the recited Act of the Fifty-first of *George* the Third, Chapter One hundred  
 ‘ and sixty-nine, nor the recited Act of the Seventh Year of *George* the Fourth, Chapter One  
 ‘ hundred and forty, affords any Means for ascertaining the Likeness in point of Magnitude and  
 ‘ Description of Houses situate in Districts or Streets of various Character, the annual Value of the  
 ‘ House in respect of which the Water Rate is assessed being dependent on Locality and not on  
 ‘ Magnitude ;
- ‘ Sixthly, That it is for all practical Purposes impossible to deduce from these constantly or frequently  
 ‘ fluctuating or uncertain Data any certain Conclusion ;
- ‘ Seventhly, That if at any one Time the Company could arrive at a certain Conclusion from the  
 ‘ Data then ascertainable by them, any Alteration either of any Rate demanded by any other Metro-  
 ‘ politan Water Company or of the Quantity of Water supplied either by the Company or by any  
 ‘ other Metropolitan Water Company, or of the Number or Magnitude or Description of the Houses  
 ‘ so supplied, would render that Conclusion useless ;
- ‘ Eighthly, That the Rate so ascertained in order to its Accuracy would require to be assessed quar-  
 ‘ terly or half-yearly, and the Districts supplied by other Companies in the Cities of *London* and  
 ‘ *Westminster* to be gone through, and the average Charge made by such other Companies for the  
 ‘ Supply of Water ascertained for all the Houses varying in Magnitude in the said District, which  
 ‘ the Company have no Power or Means of doing ;
- ‘ Ninthly, That in order to arrive at a correct Assessment, founded on the average Charge made by  
 ‘ the Company or by any other Company or Companies supplying Districts or Streets in the Cities  
 ‘ of *London* or *Westminster*, all the Houses of the same Magnitude and Description in the District  
 ‘ supplied by the Company or by any other Company or Companies, and the Charges for such  
 ‘ Supply by such respective Company or Companies, must be accurately ascertained, which is wholly  
 ‘ impracticable :

‘ And whereas the Company also allege that some of the other Metropolitan Water Companies do not  
 ‘ supply to any Houses in their Districts or the Streets therein a Quantity of Water equal to the Quan-  
 ‘ tity which the Company supply to Houses of the like Magnitude and Description on the Estate of the  
 ‘ Lord Bishop : And whereas the only certain Rates for a Supply of Water by the Company and by the  
 ‘ other Metropolitan Water Companies respectively, which are practically ascertainable as well by the  
 ‘ Lessees and Tenants of the Estate of the Lord Bishop as by the Company, are the Rates which are fixed  
 ‘ by the recited Act of the Session of the Fifteenth and Sixteenth Years of Her present Majesty, Chapter  
 ‘ One hundred and fifty-seven, and by the several Acts relating to the other Metropolitan Water Com-  
 ‘ panies respectively, and which Rates respectively are so fixed, not with respect to the Magnitude and  
 ‘ Description of the Houses supplied with Water, but with respect to the annual Value of such Houses :  
 ‘ And whereas it is of Importance as well to the Persons claiming such alleged Right as to the Company  
 ‘ that all Questions with respect to the same be set at rest, and in order thereto, and to avoid the Risk  
 ‘ of future Litigation, the Company and certain Parties representing a large Proportion of the Persons  
 ‘ claiming such alleged Right are willing and have agreed and it is expedient that such Provision be  
 ‘ made in that Behalf as by this Act is made : And whereas the Objects of this Act cannot be attained  
 ‘ without the Authority of Parliament : May it therefore please Your Majesty that it may be enacted ;  
 ‘ and he it enacted by the Queen’s most Excellent Majesty, by and with the Advice and Consent of the  
 ‘ Lords Spiritual and Temporal, and Commons, in this present Parliament assembled, and by the Authority  
 ‘ of the same, as follows :

In all other Cases Rates authorized by Company's Act of 1852 may be taken.

And whereas the said Superintending Inspector, having previously given the notices directed by the said Act, proceeded upon the said inquiry, and hath reported in writing to the said General Board upon the several matters with respect to which he was directed to inquire, and upon certain other matters in respect of which he deemed it expedient to report for the purposes of that Act.

*Provisional Order for the Application of the Public Health Act to the District of Oldbury, in the County of Worcester.*

## GENERAL BOARD OF HEALTH.

Whereas, upon the petition of not less than one tenth of the inhabitants rated to the relief of the poor of and within the township of Oldbury, in the parish of Halesowen, in the county of Worcester, the General Board of Health appointed for the purposes of the Public Health Act, 1848, in pursuance of the provisions of that Act, directed William Ranger, a Superintending Inspector, appointed for the purposes of the said Act, to visit the said township within and throughout the boundaries thereof, and to make public inquiry, and to examine witnesses as to the sewerage, drainage, and supply of water, the state of the burial-grounds, the number and sanitary condition of the inhabitants, and as to any Local Acts of Parliament in force within the said township for paving, lighting, cleansing, watching, regulating, supplying with water, or improving the said township, or having relation to the purposes of the said Act; also as to the natural drainage areas, and the existing municipal, parochial, or other local boundaries, and the boundaries which might be most advantageously adopted for the purposes of the said Act.

STROUD.

*Provisional Order for the Application of the Public Health Act to the Parish of Stroud, in the County of Gloucester.*

GENERAL BOARD OF HEALTH.

Whereas, upon the petition of not less than one-tenth of the inhabitants rated to the relief of the poor of and within the Parish of Stroud, in the County of Gloucester (the number of such petitioners greatly exceeding thirty in the whole), the General Board of Health, appointed for the purposes of the Public Health Act, 1848, have, in pursuance of the provisions of that Act, directed William Ranger, Superintending Inspector, appointed for the purposes of the same Act, to visit the said Parish, and to make public inquiry, and to examine witnesses, as to the sewerage, drainage and supply of water, the state of the burial-grounds, the number and sanitary condition of the inhabitants, and as to any Local Acts of Parliament in force within the said Parish, for paving, lighting, cleansing, watching, regulating, supplying with water, or improving the said Parish, or having relation to the purposes of the said Public Health Act, also as to the natural drainage areas, and the existing municipal, parochial, or other local boundaries, and the boundaries which might be most advantageously adopted for the purposes of the Act.

And whereas the said Superintending Inspector, having previously given notices directed by the said Act,

*Public Health Supplemental Act.*

Act, proceeded upon the said inquiry in the manner directed by the said Act, and hath reported in writing to the said General Board upon the said several matters with respect to which he was directed to inquire, and upon certain other matters in respect of which he deemed it expedient to report for the purposes of that Act.

And whereas copies of the said Report, accompanied by a notice stating that within the time directed by the said Act written statements might be forwarded to the said Board with respect to any matter contained in or omitted from the said Report, or any amendment proposed to be made therein, have been duly published and deposited as required by the said Act, and the time for forwarding such statements has now elapsed, and no such statements have been received by the said Board.

And whereas it having appeared to the said General Board that the boundaries which might be most advantageously adopted for the purposes of the Act were not the same as those of the said Parish of Stroud with respect to which the said inquiry had been made, the said Board caused the said William Ranger to visit the parts within the boundaries proposed to be adopted for the purposes of the said Act.

And whereas the said Superintending Inspector, after having given such notice as is required by the said Act, did hear all persons desirous of being heard before him on the subject of the said Report, and did make further inquiry and report according to the directions of the said Board.

And whereas copies of such further Report, accompanied by a notice stating that, within the time directed by the said Act, written statements might be forwarded to the said Board, with respect to any matter contained in or omitted from the said last-mentioned Report, or any amendment proposed to be made therein, have been duly published and deposited as required by the said Act, and the time for forwarding such statements has now elapsed, and no such statements have been received by the said Board.

And whereas it appears to the said General Board to be expedient that the said Public Health Act, except as hereinafter mentioned, should be applied to so much of the said Parish of Stroud as lies within the distance of one mile in every direction from the Parish Church of Stroud aforesaid, and constitutes the Town of Stroud, as defined by the second section of the Act of 6 Geo. 4. c. 6. herein-after recited.

And whereas it appears upon such Report that there is a certain Local Act of Parliament in force within the said Parish, having relation to the purposes of the said Public Health Act; (that is to say,)

An Act passed in the sixth year of the reign of King George the Fourth, intituled "An Act for paving, lighting, watching, cleansing, regulating, and improving the Town of Stroud in the County of Gloucester."

And whereas it appears to the said General Board of Health to be expedient that the said Public Health Act, except as herein-after mentioned, should be applied to the said Town, as defined in the second section of the last herein-before recited Act of 6 Geo. 4. c. 6., and that provision should be made with respect to the said Local Act of Parliament, and the partial repeal, alteration, extension, and further execution thereof; but the same cannot be done without the authority of Parliament.

Now therefore, in pursuance of the power vested in the said Board by the Public Health Act, 1848, the said General Board of Health do, by this Provisional Order under my hand, as President of the said Board, and under the seal of the said Board, direct :—

That from and after the passing of any Act of Parliament confirming this Order,—

1. In the construction of this Order, the same meanings shall be assigned to certain expressions which are assigned to them by the section numbered 2 in the copies of "The Public Health Act, 1848," printed by Her Majesty's Printers, unless such meanings be repugnant to or inconsistent with the context or subject-matter in which such expressions occur.
2. "The Public Health Act, 1848," except as herein-after excepted, shall apply to the area comprised within the boundaries of the said Town of Stroud, as defined in the second section of the aforesaid Act of 6 Geo. 4. c. 6.
3. The Commissioners for the time being acting in execution of the said Act "for paving, lighting, watching, cleansing, regulating, and improving the Town of Stroud, in the county of Gloucester," shall be the Local Board of Health under the said Public Health Act; but after the constitution of the said Commissioners as such Local Board of Health, the provisions of the Public Health Act and this Order with respect to the election, qualification, and tenure of office of Local Boards, excepting only such provisions as relate to the first election thereof, shall apply to and be in force in the said district.
4. Such parts of the said Local Act as are specified in the Schedule to this Order shall be repealed, except in so far as relates to anything done before the passing of any Act of Parliament confirming this Order, and except in so far as the same repeal any other Act or Acts of Parliament.
5. The powers, authorities, and duties of the Commissioners for the time being, acting in execution of the said Local Act, shall cease; and such of them as are granted or imposed by the unrepealed parts of the said Local Act shall, so far as they are not repugnant to, or inconsistent with, the said Public Health Act, or this Order, or any byelaw which shall be lawfully made under the said Public Health Act, be transferred to the said Local Board of Health, and the officers and

*Public Health Supplemental Act.*

- servants of the said Local Board, and shall be exercised as if they had been granted or imposed by the said Public Health Act, and for this purpose the unrepealed parts of the said Local Act shall be incorporated with the said Public Health Act as applied to the said Town, and all places within the limits of the said Town shall be subject to the unrepealed parts of the said Local Act.
6. All property and estate of the Commissioners acting in the execution of the said Local Act shall be transferred to the said Local Board of Health, and shall, as near as circumstances will permit, be held by the said Local Board of Health upon the same trusts, and for the same purposes, as by such Commissioners.
  7. All debts, monies, and securities for money contracted or payable or to become payable by such Commissioners, shall be satisfied by the said Local Board out of such parts of the said transferred property and estate as would have been chargeable therewith if this Order had not been made; and shall be paid and satisfied by the said Local Board, as by such Commissioners.
  8. Provided always, that if such property and estate be insufficient for that purpose, the deficiency shall be charged upon the rates leviable under the said Public Health Act, in the parts only which would have been chargeable with such deficiency if this Order had not been made.
  9. Provided also, that if such property and estate be more than sufficient, the surplus shall be applied to the exclusive use of the same parts and to the same purposes as it would have been if this Order had not been made.
  10. All expenses which shall be incurred by the said Local Board of Health under the unrepealed parts of the said Local Act, and which shall not be defrayed out of monies arising under such Local Act, shall be deemed to be expenses incurred by such Board under the Public Health Act, and shall be defrayed out of the rates under that Act (as the nature of the case may require); and the monies necessary to be raised for the purposes of such Local Act may be raised as under the said Public Health Act.
  11. Provided always, that this Order, and the repeal of the parts of the said Local Act mentioned in the Schedule thereto, shall not prejudicially affect anything done under that Act before the passing of any Act of Parliament confirming this Order; but notwithstanding this Order, and the Schedule thereto, all such things, and all existing contracts and agreements, shall be as valid with reference to the said Local Board of Health as if the same had been done and made by or with that Board, and may be dealt with in the same manner, in all respects, as if they related to that Board, instead of the said Commissioners, and all duties and liabilities thereunder shall attach to and be borne and discharged by the said Local Board instead of the said Commissioners.
  12. Provided also, that this Order, and the repeal of the parts of the said Local Act mentioned in the Schedule thereto, shall be without prejudice to any penalties incurred under the said Local Act, before the confirmation of this Order; but all such penalties may be recovered by the said Local Board of Health according to the provisions of this Order.
  13. From the 25th day of March 1858 the Local Board shall consist of 18 persons, and if on the day aforesaid the said Local Board shall exceed that number, then so many of the said Board as will reduce their number to 18 shall go out of office, and the names of those so to go out of office shall be determined by ballot, and one third in number of the said Local Board so reduced to 18 persons shall go out of office on the said 25th day of March 1858, and in each year subsequently, and an equal number shall be elected in their place; but in case the day appointed shall fall on a Sunday, or on a day appointed for a Public Fast or Thanksgiving, then that third shall go out of office on the day next following.
  14. Every person shall, at the time of his election as member of the said Local Board, at every election to take place after the Public Health Act, 1848, has been duly applied to the said Town, and so long as he shall continue in office by virtue of such election, be resident as in the Public Health Act, 1848, is required, and be seised and possessed of real or personal estate, or both, to the value or amount of not less than one thousand pounds, or shall be so resident and rated to the relief of the poor of some parish, township, or place of which some part is within the said district, upon an annual value of not less than thirty pounds.

Given under my hand, as President of the General Board of Health, and under the seal of the said Board, this Twelfth day of January in the year of our Lord One thousand eight hundred and fifty-seven.

(L.S.)

(Signed) W. COWPER.

*Public Health Supplemental Act.*

under the said Act, wherever the penalty for such offence shall have been fixed by the Public Health Act, 1848, or by any byelaw of the Local Board of Health, made under and by virtue of the said Public Health Act, at an amount other than that fixed by the said first-mentioned Act.

And whereas the said Superintending Inspector, having previously given the notices required by the said Act, proceeded upon the said inquiry in the manner directed by the said Act, and hath reported in writing to the said General Board upon the several matters with respect to which he was so directed to inquire as aforesaid, and upon certain other matters in respect of which he deemed it expedient to report for the purposes of the said Act.

And whereas copies of the said Report, accompanied by a notice stating that within the time directed by the said Act written statements might be forwarded to the said Board, with respect to any matter contained in or omitted from the said Report, or any amendment proposed to be made therein, have been duly published and deposited as required by the said Act, and the time for forwarding such statements has now elapsed, and all such statements as have been received by the said Board have been duly deposited, as required by the said Act.

And whereas it having appeared to the said General Board that the boundaries which might be most advantageously adopted for the purposes of the said Act were not the same as those of the said Parish with respect to which the said inquiry had been made, the said Board caused Alfred Lamerte Dickens, another of the Superintending Inspectors appointed for the purposes of the said Act, to visit the parts within the boundaries proposed to be adopted for the purposes of the said Act.

And whereas the said last herein-before named Superintending Inspector, after having given such notice as is required by the said Act, did hear all persons desirous of being heard before him on the subject of the said Report, and of the boundaries proposed to be adopted for the purposes of the said Act; and did make further inquiry, and report according to the directions of the said Board.

And whereas copies of such further Report, accompanied by a notice stating that within the time directed by the said Act written statements might be forwarded to the said Board with respect to any matter contained in or omitted from the said Report, or any amendment proposed to be made therein, have been duly published and deposited as required by the said Act; and the time for forwarding such statements has now elapsed, and no such statements have been received by the said Board.

And whereas it appears to the said General Board to be expedient that the said Public Health Act, except as herein-after mentioned, should be applied to a district comprised within so much of the boundaries set forth and described in the Schedule to this Order annexed, and shown by the red line on the map accompanying Mr. Dickens's printed Report to the General Board of Health, bearing date the 30th July 1856, as lies within the aforesaid Parish of Llangollen, and described on that map as the "Boundary of the proposed new District;" but the same cannot be done without the authority of Parliament.

And whereas it appears upon such Report that there is a certain Local Act in force within the said part of the said Township having relation to the purposes of the said Public Health Act, that is to say,

The Incorporation of *Hanley* to take effect as if Part of *Shelton* excepted therefrom.

Postponement of Time for completing Revision of Burgess Lists, and for subsequent Proceedings.

In case Burgess List be revised before passing of Act, certain Names to be omitted from Burgess Roll. If Burgess Roll be made out, same to be amended, &c. Amended Charter confirmed.

I. The said Charter of Incorporation shall be read and shall take effect as if the said Part of the Township of *Shelton* over which the Powers of the said Act of the Second and Third Years of Her Majesty extend had been duly excepted from the District comprised in such Charter, and had been therein also excepted from the Wards or Ward of the said Borough of *Hanley*, as described in the said Charter, in which it may now be comprised.

II. And whereas under the said Charter the Revision of the Burgess List cannot be continued after the Sixth Day of *July* One thousand eight hundred and fifty-seven, the Burgess Roll is to be completed on or before the Thirteenth Day of *July* One thousand eight hundred and fifty-seven, the First Election of Councillors is to be holden on the Twentieth Day of *July* One thousand eight hundred and fifty-seven, the First Aldermen are to be elected and assigned to their respective Wards on the Twentieth Day of *July* One thousand eight hundred and fifty-seven, and the First Election of Auditors and Assessors is to take place on the Tenth Day of *August* One thousand eight hundred and fifty-seven: The several Days limited and appointed for the Purposes aforesaid by the said Charter shall be postponed for the Space of One Calendar Month, as if the Month of *August* had been mentioned in the said Charter instead of the Month of *July*, and the Month of *September* had been mentioned therein instead of the Month of *August*.

Salaries, &c. to be voted by Parliament. Fees to be accounted for and paid over to the Treasury.

IV. For the Purpose of removing all Doubts as to the Power of Companies incorporated by special Act of Parliament for the making and maintaining of any Railway, Canal, Docks, Harbour, Waterworks, or other Work, to exchange Land belonging to such Companies under the Provisions of the said Acts, be it declared and enacted, That every such Company shall be deemed to be a Person interested within the Meaning of "The Acts for the Inclosure, Exchange, and Improvement of Land," for the Purpose of exchanging Land belonging to the said Company, and that notwithstanding the Provisions in any Act of Parliament relating to such Company specially limiting the Purposes to which such Land belonging to the said Company shall be applicable.

VII. Where any Land of which a Partition is proposed to be made under the said Acts or any of them cannot in the Opinion of the Valuer or Commissioners (as the Case may be) be conveniently allotted in Severalty in Parts or Shares of the like proportional Values as the undivided Parts or Shares in respect whereof the Partition is proposed to be made, the Difference in such proportional Values may be compensated by a perpetual Rentcharge of such Amount, or perpetual Rentcharges of such aggregate Amount, as in the Opinion of the Valuer or Commissioners (as the Case may require) will be just, to be charged on the Land or respective Lands for the Excess in Value whereof the same is or are intended as an Equivalent or Equivalents, or upon such Part or respective Parts of such Land or Lands as may appear to the Valuer or Commissioners (as the Case may require) to afford sufficient Security for such Rentcharge or Rentcharges respectively.

IX. The Amount of the Rentcharge or respective Amounts of the Rentcharges (as the Case may be) to be created under this Act, on any such Exchange or Partition as aforesaid, and the Land or Lands to be charged therewith, shall respectively be fixed and determined by the Inclosure Award or Order of Exchange or Partition (as the Case may require).

X. Every such Rentcharge shall be a valid and indefeasible Charge upon the Land charged therewith by the confirmed Inclosure Award or the confirmed Order of Exchange or Partition (as the Case may be), subject only to Tithe Rentcharges, Land Tax, local Rates and Taxes, Quit or Chief Rents incidental to Tenure, and Charges created or to be created under any Act authorizing Advances of public or private Money for Drainage or the Improvement of Lands, and prior to all other Charges whatsoever, and shall be recoverable in the same Manner as a Tithe Rentcharge charged under the Act of the Session holden in the Sixth and Seventh Years of King *William* the Fourth, Chapter Seventy-one, "for the Commutation of Tithes in *England and Wales*."

WHEREAS by Section Seventy-five of the Act passed in the Session holden in the Fifth and Sixth Years of King *William the Fourth*, Chapter Seventy-six, "to provide for the Regulation of Municipal Corporations in *England and Wales*," it was provided, that the Trustees appointed under any Act of Parliament for paving, lighting, cleansing, watching, regulating, supplying with Water, and improving any Borough named in One of the Schedules (A.) and (B.) to the Act now in recital, or Part thereof, might if it should seem to them expedient transfer all the Powers vested in them as such Trustees by any such Act to the Body Corporate of such Borough, and the Body Corporate of such Borough should thenceforth be Trustee for executing by the Council of such Borough the several Powers and Provisions of any such Act of Parliament; provided always, that no such Transfer should be made of the Powers vested by virtue of the Acts mentioned in Schedule (E.) to the Act now in recital which relate to the Town of *Cambridge* without the Consent of the Chancellor, Masters, and Scholars of the University of *Cambridge*: And whereas Doubts have arisen as to the Construction of the said Section, and it is expedient to amend the same as herein-after provided: Be it therefore enacted by the Queen's most Excellent Majesty, by and with the Advice and Consent of the Lords Spiritual and Temporal, and Commons, in this present Parliament assembled, and by the Authority of the same, as follows:

5 & 6 W. 4.

5 & 6 W. 4. c. 76.  
s. 75. repealed.

II. The Trustees appointed or acting by or under any Act of Parliament for paving, lighting, supplying with Water or Gas, or cleansing, watching, regulating, or improving, or for providing or maintaining a Cemetery or Market in or for any Borough named in One of the said Schedules to the said Act of the Fifth and Sixth of King *William the Fourth*, or to which a Charter of Incorporation has been since the passing of such Act or shall be hereafter granted under the Provisions of the said Act or otherwise, or any Part of any such Borough, and whether the Powers of such Trustees under any such Act do or do not extend beyond the Limits of such Borough, may, if it seem to them expedient, at a Meeting to be called for that Purpose, transfer to the Body Corporate of such Borough all the Rights, Powers, Estates, Property, and Liabilities of such Trustees under any such Act as aforesaid, and such Transfer shall be made in Writing under the Common Seal of the said Trustees if they be a Corporation, or, if not a Corporation, then by Deed executed by the Trustees or any Two of them acting by the Authority of and on behalf of all such Trustees; and upon any such Transfer being so made the Body Corporate to whom such Transfer is made shall become and be Trustee for executing by the Council of the Borough the several Powers and Provisions of any such Act as aforesaid, and all the Rights, Powers, Estates, and Property vested in the Trustees making such Transfer shall vest in such Body Corporate, and all the Liabilities and Obligations of the said Trustees shall stand transferred to and be borne by such Body Corporate, and the said Trustees shall be freed and discharged from all such Liabilities and Obligations, but nothing herein contained shall authorize any such Transfer in the Case of the Town of *Cambridge* without the Consent required by the said recited Enactment.

Powers, Property, and Liabilities of Trustees for paving, &c. may be, on the Grant of a Charter of Incorporation under 5 & 6 W. 4. c. 76., transferred to the Body Corporate of the Borough.

*Revising Barristers (Dublin).*

‘ Majesty mentioned : And whereas by an Act of the Session of Parliament holden in the Fourteenth 14 & 15 Vict.

 ‘ empowered, on the Death, Resignation, or Removal of the then Chairman of Sessions for the County  
 ‘ of *Dublin*, to nominate and appoint an Assistant Barrister for the said County in the Place and Stead  
 ‘ of a Chairman of Sessions, and also to nominate and appoint a practising Barrister, qualified as by the  
 ‘ said Act of the Fourteenth and Fifteenth Years of Her present Majesty is provided, during good Beha-  
 ‘ viour, to discharge the Duties imposed upon the said Chairman by the said Act of the Second and  
 ‘ Third Years of King *William* the Fourth, with respect to the Registration of Voters in and for the

 ‘ whereas upon the Death of *Henry Kemmis* Esquire, late Chairman of Sessions for the County of *Dublin*,  
 ‘ an Assistant Barrister for the said County was appointed, and the said Office of Chairman of Sessions  
 ‘ for the said County has ceased to exist, and the Authority of the Deputies of the said Chairman has  
 ‘ determined : And whereas by reason of the great Number of Claims and Objections to be disposed of
