Dear Ed and James,

On behalf of Wikimedia UK, I would like to indicate our firm support for the London Wikimania 2014 Bid.

I believe London will be an exceptional venue for Wikimania. London is one of the greatest centres in the world for education, learning and culture and I believe your plans for Wikimania would make the best possible use of holding this unique global conference here.

Wikimedia UK is fully committed to supporting your bid and to working with you to ensure that London Wikimania has a lasting legacy not just for our chapter but for the global Wikimedia community.

Yours sincerely,

Chris Keating
