__ About the author : Dr. Amer Al-Husiny is the first one who was able to collect all prophet Mohammed sayings in one book . It's called (الكامل في السنن) . It contains (60,000) sixty thousands of prophet Mohammed sayings .

He also has , till the time of translating this book , (150) a hundred and fifty other books about prophet Mohammed sayings in many topics .

But all these books in arabic language , so I started to translate some of these books to be available and easy to read for english language readers .

This is the book number (25) , in the author's series books in arabic .

(الكامل في شهرة حديث لا نكاح إلا بوليّ من اثني عشر طريقا مختلفا إلى النبي)

_ Notes by the translator :

_ About this form : Imam ... tell in his book ... about (Name) . This (name) is one of prophet Mohammed companions , or one of their students . Those are the very best source to know the real right Islam .

_ When it's mentioned that Imam ... tell in his book ... about comapnion (Name) . It's does not mean that this is the only Imam who tell this saying about this companion , but the author mentions at least one source for the saying .

_ In some sayings you will find (as the previous one) . In the original book of the author , if many companions say the same thing , he repeated the saying every time . But in the translation , I mention the saying one time , then instead of repeating it again and again , I say (as the previous one) .

__ Saying's number may be slightly different between the different editions of the books .

The book's translation

Beginning in name of God and blessing on all his prophets .

In my first book I collected all prophet Mohammed sayings . It contains sixty thousand (60,000) of prophet Mohammed sayings . Then I started to collect his sayings in specific topics to be more easy to reach and read .

In book number (21) in my series of books , I collected prophet Mohammed sayings that intercourse outside marriage for only few days in exchange of some money , was allowed in first of Islam for companions only .

It was allowed two times , one time for nineteen (19) years and the second times for only three days in conquest of Mecca . Then it became prohibited on all people and rules of marriage changed by Allah .

It's a rule in Islam that women must not make or agree on marriage by themselves . It's must be agreed by her custodian . And if she did not take the permission of her custodian , she is considered as a fornicator .

In this book , I collect all prophet Mohammed sayings that woman's marriage is void if she did it by herself , it must be agreed by her custodian . And if she did not take permission of her custodian , she is considered as a fornicator .

And it's very known in Islam that women's custodian is her father , then brother , then uncle ,etc.

__ This what made some people talk about this rule :

__ Some asked why grown sane adult women can not behave or take actions for their own marriage and life matters except with the permission of their custodians .

They asked , is this according to the religious rule that women are less intelligence and mental maturity than men ? Or it's just a rule from God to test people if they will obey him or not .

__ Some said that this rule is made to make the marriage announced or public and to protect the woman . But others answered on that by saying that this is very wrong , because there are a lot of ways to announce the marriage . Even the wedding itself is an announcement .

Also the protection can be made by many ways . But in the first place what protection can one man as father or brother can give ? And protect her from what exactly .

__ There might be more research in this matter to find the best possible solution , but the book is only for collection sayings of prophet Mohammed about this matter .

__ Note : In Islam , sayings of prophet Mohammed are reported by his companions , then from companions to their students , and etc. . This is called the way or route of the saying .

The saying can be proven by only one way . But if it came by two ways , it's better . And if it came from many ways , it means that it's very proven and reach the degree of Quran .

In this book , after mentioning sayings of prophet Mohammed , the author mentioned in details that this saying came from thirteen (13) ways . Then he mentioned a summary of them .

I will translate the summary because the details are just a lot of information about every Imam and companion , and the ways are already summarized in the summary .
