

## PREFACE

The first edition of subclass KE, Law of Canada, developed by Ann Rae and Guy Tanguay as the result of a cooperative effort between the Library of Congress and Library and Archives Canada (then called the National Library of Canada) was published in 1976. A 1999 edition cumulated all changes that had been made to the schedule since the 1976 edition was published. An edition in 2008 cumulated changes made since the 1999 edition and included significant changes and simplifications that were made to form division tables KE4 and KE5. Annual editions were issued beginning in 2015. This 2021 edition cumulates changes made since the 2020 edition.

Classification numbers or spans of numbers that appear in parentheses are formerly valid numbers that are now obsolete. Numbers or spans that appear in angle brackets are optional numbers that have never been used at the Library of Congress but are provided for other libraries that wish to use them. In most cases, a parenthesized or angle-bracketed number is accompanied by a "see" reference directing the user to the actual number that the Library of Congress currently uses, or a note explaining Library of Congress practice.

Access to the online version of the full Library of Congress Classification is available on the World Wide Web by subscription to *Classification Web*. Details about ordering and pricing may be obtained from the Cataloging Distribution Service at:

[<http://www.loc.gov/cds/>](http://www.loc.gov/cds/)

New or revised numbers and captions are added to the LC Classification schedules as a result of development proposals made by the cataloging staff of the Library of Congress and cooperating institutions. Upon approval of these proposals by the editorial meeting of the Policy, Training & Cooperative Programs Division, new classification records are created or existing records are revised in the master classification database. Lists of newly approved or revised classification numbers and captions are posted on the World Wide Web at:

[<http://www.loc.gov/aba/cataloging/classification/weeklylists/>](http://www.loc.gov/aba/cataloging/classification/weeklylists/)

Libby Dechman, senior cataloging policy specialist, and Jolande Goldberg, law classification specialist, in the Policy, Training & Cooperative Programs Division, are responsible for coordinating the overall intellectual and editorial content of subclass KE. Kent Griffiths, assistant editor of classification schedules, is responsible for creating new classification records, maintaining the master database, and creating index terms for the captions.
