### HONORABLE JOHN COSTIGAN

New Brunswick's "Grand Old Man" comes out strongly in favor of "Fruit-a-tives."

Who has not heard of the Honorable John Costigan? He is to-day one of the most powerful, as well as one of the oldest, figures in Canadian politics. He was one of Sir John Macdonald's ablest lieutenants, and for nearly 20 years held various portfolios in the cabinet.

To-day at the age of 71, he is the idol of the electors of New Brunswick, and a power to be always reckoned with in Parliament. reckoned with in Parliament.

His rugged eloquence—biting sarcasm—and ready repartee—make him at once the dread of his opponents and the delight of his confreres.

When a public man of the Hon. John Costigan's position voluntarily testifies to the marvelous cure effected by "Fruit-a-tives," it is bound to carry convincing weight with the whole Canadian people.

OTTAWA, ONT., 232 Cooper St., Jan. 8th, 1906.

You know what fearful trouble I have had all my life time from constipation. I have been a dreadful sufferer from chronic constipation for over thirty years and I have been treated by many physicians and I have been treated by many physicians and I have been treated by many physicians and I have taken many kinds of propretary medicines without any benefit whatever. I took a pill for a long time which was prescribed by the late-Dr. C. R. Church, of Ottawa. Also for many months I took a pill prescribed by Dr. A. F. Rogers, of Ottawa. Nothing seemed to do me any good. Finally I was advised by Dr. Rogers to try "Fruita-tives" and after taking them for a few months. I feel I am completely well from this horrible complaint. I have had no trouble with this complaint now for a fong time, and I can certainly state that

fong time, and I can certainly state that "Fruit-a-tives" is the only medicine I ever took that did me any positive od for constipation. I can conscientiously recommend "Fruit-a-tives" to the public as, in my opinion, it is the finest medicine ever produced. (Signed)

Was ever medicine put to a severer test than this? Here was a great Public Official, who had suffered for more than 30 years with Chronic Constipation. The leading physicians of Ottawa prescribed for him without affording any permanent relief. Finally, as a last resort, "Fruit-a-tives" were ordered. And in THREE MONTHS, Mr. Costigan WAS WELL.

Fruit-a-tives are the most perfect combina medical science. They are full juices contentioned with tonics and internal antiseptics.

Unlike liver piles, anti-bitious pills and all preparations usualing calomel, cascara, senna, licorice, etc.—'Fruita-ecs' act like fruit DIRECTLY ON THE LIVER. They couse this organ to vigorous health-attengthen.it-and cerease the flow of bile. It is the bile, given, up by the ver, which enters the bowels and makes them move.

Unless the liver is active and excretes sufficient bile to we the bowels regularly and naturally every day, there bound to be Constipation. And the only remedy that

will care Constitution is one that puts the liver in a healthy, active condition as "Fruit actives" do.

Do yousuffer with Chronic Constipation?
Are you bilious?
Is the tiver inactive?
Is the stormachine? s the stomachout of order?, loes the headlashe? lo your kidneys trouble you? s the skin dishgured with pimples? s the appetite poor?

Take "Poulta-tives." They sweeten the stomach-ulate the liver, kidneys and bowels—clear the skin—and id up, strengthen and invigorate the whole system.
