# Achievements

- ▣ We have created awareness about the wide gender gap that exists in the coverage of African women on wikipedia.
- ▣ We've helped significantly in helping to solve this gap, through the various activities we have coordinated for this project.
- ▣ We've managed to foster much greater community engagement amongst Nigerian Wikimedians.
- ▣ The project has helped to recruit more members for the community.
- ▣ Through edit-a-thons, the Wikipedia writing skills of new editors has greatly been improved.
- ▣ It helped in launching the Usergroup into the limelight
- ▣ It has also fostered a healthy environment for partnership with many organizations in the country

# Challenges

- ▣ Clash of activities with Goethe Institut
- ▣ Nomination and Deletion of some of our images on commons by administrators without going through diligence before action.
- ▣ The future of the project
- ▣ Sustenance of woman editors
