Dear Sir,

I received this check issued by U.S. army when I left Manila, Philippine, but as I did not know how to cash it I could not do anything about it. I visited Kagoshima military gov't team a little time ago, and I was told to ask Civil Affairs Region in Fukuoka to take care of this matter because the check had already expired and would have to be sent back to the United States before payment could be made for it.

I enclose the check here in this letter, so would you be kind enough to see that payment be made?

Date. Dec. 3. 1949

I am a repatriate from P.I. After the termination of the hostilities I worked as a POW and received a check from U.S. Army when I was released. I sent the check through Nagasaki C. A. in July understanding it to be cashed in two months. At the end of September I made an inquiry about it and got the answer that it has gone up through channels and I should be notified when the money arrived. It is December now, 4 months since I sent the check in, and still I have not heard anything about it.

I have heard that Kyushu C. A. had taken over the affairs handled by Nagasaki C. A. Will you inquire about the matter please because I think something must have gone wrong with it.

Date. Dec. 3, 1949

I am a repstriate from P.I. After the termination of the hostilities Iworked as a ~~PWO~~ POW and recieved a check from U.S Army when Iwas released. I sent the check through Nagasaki C.A. im July understanding it to be cashed in two months. At the end of Sept. Imade an inquiry about it and got the answer that it had gone up through ~~the~~ channels and Ishould be notified when the money arrived. It is Dec. now, 4 months since Isent the check in, and still I have not heard anything about it.

I have heard that Kyushu C.A. had taken over the affairs handled by Nagasaki C.A. Will you inquire about the matter please because I think something must have gone wrong with it.

The check is signed by Morimitsu Goto
