Deans these was it may mp leave an existing of a part of the time in Ballimore. I made my house at a baseling bones where the propriots and guests ware of very decider drebt precisit files, and we were often engaged in discussion at the tuble. One day a lady acked: "What would you do if you should happen to get and settle. One day a lady asked: "Wh this yes do if you should bappen to get sh uife?' Upon which I left the tabl wrote, improvements at incode wife? Upon which I fer use team and wrote, improved to following verses The reader will excuse the bluntares of the rephy hytoking into account the state of the weather and the provosation. The next more four other boarders, and I lift the house.

E. Who could large a "second "woman-field a first, source half anonan-A seal room oris ; Red, white, rod upon her hoanst, Second has come robothous source, Dr yathing for Jaff, Davis ;

If in each I were unlied, On to her my vows had plubted, I would break the latter Nover yield + tatas concession Fot from her 1'd claim scores To the very letter.

etherwise I dear I'd haven her, For, Sike Stelle's past-former, I would cure the evil, If I had in bevi and bang ber, Give her perform, forware or hang ber, Or writeh her like the d-t.

Duan Canrunon-Box : Being one of you natant readers, and soring some time sinc motive calling for comp incidents, I send you
