BOOKS printed for T. CADELL, in the
Strand, Bookseller and Printer to the Royal
Academy.

1. SEVEN Discourses delivered in the Royal Academy, by Sir JOSHUA REYNOLDS, President. 8vo.
Price 6s.

2. The Gentleman and Connoisseur's Dictionary of Painters; containing a complete Collection and Account of the most distinguished Artists who have flourished in the Art of Painting in Europe, from 1250, when the Art of Painting was revived, to 1767. To which are added, two Catalogues; one, a Catalogue of the Disciples of the most famous Masters, for the Use of those who desire to obtain a critical Knowledge of the different Hands and Manners of the different Schools; the other, a Catalogue of those Painters who imitated the Works of the most eminent Masters so exactly as to have their Copies frequently mistaken for Originals. The whole being digested in a more easy and instructive Method than hath hitherto appeared, and calculated for general Entertainment and Instruction. By M. PILKINGTON, A. M.
Price 1l. 4s.
