引 言

本館新編之圖書目錄，包括本會所有藏書，關於醫學界特種之參考書則寥寥無幾，與一般有標準之醫學圖書館相距殊遠。本會因經濟力量有限，對於醫書之購置尤感困難，現有大部份之書籍，係由各方熱忱與本會之會員所贈送。本館之書籍以醫學雜誌及醫院報告種類較為衆多，與其他醫學圖書館不相上下。

此次纂編圖書新目錄承國立上海醫學院圖書館管理員多方之指導，本同人等所深切感謝者。以後本會擬每年購置一小部份新書，選擇種類應以本會及會員之須要為標準。故歡迎本會會員供獻意見介紹新書。倘有會員贈送書籍尤所歡迎。

本會會員大多數均有機會與國內最好之醫學圖書館接觸。惟本館目的在本會可能範圍內盡量供給其他一份部會員之使用。

圖書館規則

1. 本圖書館專為本會會員享用非會員倘由會員之介紹者得享同樣之權利。
2. 圖書館辦公時間除星期日外每日上午九時至十二時下午二時至五時。
3. 會員每次借書不得過兩本借時須與借書冊上簽名。
4. 所借去之書，倘得圖書館管理員之通告，須即還歸。倘另一會員須用此書時本館管理員有全權發出同樣之通告。
5. 外埠會員亦得享同樣之權利祇須填一紙除寄書費外餘無他費。
6. 為管理圖書方便起見，圖書館管理員得隨時認定流動及參考（不能攜帶出館）書籍，以資應付閱覽者之使用。
為管理圖書嚴密，減少圖書損失及經濟閱者時間起見，本管理員隨時有幫助閱者取書之義務。

INTRODUCTION

A word of explanation is perhaps necessary, in case a cursory examination of this catalogue of the Chinese Medical Association Library creates a false impression as to the scope of this library. One will certainly underestimate the value of this library if one judges it on the number and variety of the books, which obviously fall far short of the requirements of an up-to-date medical library. The association has not been in a position to put aside any but the smallest sums for the purchase of books. The present books in the library are almost entirely the gifts of public-spirited members. The particular value of the library lies more in its *periodicals* and *hospital reports*, of which there is perhaps as large a selection as any other medical library in China.

The indexing of the library has been revised recently under the supervision of the Librarian of the National Medical College of Shanghai, to whom we wish to acknowledge our thanks. As a limited number of books will be bought each year henceforth, in accordance with the requirements of the members and councils of the association, we would welcome recommendations from members of books which they wish to be added to the library. Any gifts of books, we need not add, will be gratefully received.

Most members have access to the several excellent medical libraries which now exist in China, where they will find a much better selection of books. To those, however, who do not have such access, we are pleased to offer what limited facilities we have, subject to the following Library Rules.

Library Rules

- (1) The use of the Library is reserved for members; non-members may only use the library if introduced by a member.
- (2) The Library shall be open on weekdays from 9 a.m. to 12 noon, and from 2 p.m. to 5 p.m.
- (3) Members may take out from the library not more than two books at a time, after signing in the book provided for the purpose.
- (4) Members may keep the books taken out, until notification for return is sent them by the Librarian; the Librarian shall use his discretion to send such notification, if any other member requires those books.
- (5) Members, residing outside Shanghai, may apply for the same facilities of taking out books, by signing the special forms provided for the purpose; no charge will be made, but it is understood that the member will pay the necessary postage for returning such books.
- (6) The Librarian reserves the right to keep in the Library any books which he considers should not be taken out.

S. SZE, Associate General Secretary.
