THE BEE:

PRINTED AND PURLISHED LALL BY JEROME PAYON. PPRIMAL GAZETIR OF THE STATE AND CHTY. "THRUNION must be preserved,"

SATURDAY MORMING, AUGUST 1, 1686.

The Courier of perterday misconstrues the meaning of our who simply wishes that his democratic fel-I me-citizens of Sold not commit themselves to the support of any candidate, not nominated by a state convention or oublie meating specially appointed on behalf of the democratic for any office or any privilege? party throughout the state. Who may be the candidate so proposed jearnot now be conjectived—probably one whose and reply—when he knows that many of his fellow citizens of the democracy in his favor; and acquire the support of the Bee and Courier, and other democratic journals.

The Louisiana Recorder of today contains among various

ways supported them; and will still be their political a lyas a l will not be great; nor will the salary of the collector be nor. There is not one stanneh democrat who will not resource than au ficient to compensate him for the duties reliefly contend for their privileges. Let them therefore instant.

Dr Thomas said that altho only the twentieth of the

The Native American association has proscribed natural are unany pe sons who prefer paying at oace the whole sum it of citizens, less than 25 years resident in the country.—

Well, how would they like these prescriptive terms were

Mr Allard considered the duties of the collector were

association string user trainer ancessus, service to a motion of Mr Schmidt, it was resolved that this sarded any remarks on either; but the nature of the moder of association has hitherto haffled our attempts. The members appear to be pledged on their honor or bound by on h on motion of Mr Allard, the 2 per cent compensation is not to divulge the secrets of their corps, nor the names of to continue for 2 years only, their associates—which certainly stamps suspicion on the The ordinance a smended was adopted. their associates - which certainly stamps suspicion on the objects ostenable or real of the associations for There's none ever fear'd that the truth should be heard,

But they whom the truth would indite. If their objects are lau lable, they should be ashamed of se-

ralization laws at present established, and to restore in effect. An ordinance was then proposed to construct a leves the former slien and sedition laws. It is resolved that the in front of the 7th district, which after undergoing dismembers will vote for no person to any office or employment in the gift of the people, who is not a native American, or has of Mr Berry.

Motion being made for a liournment, there were 3 for not been 25 years a resident of the country—the illegality and and 3 against—the recorder to: diagain t it. imprudence of which cannot for a moment be questioned by Mr Borry having left, there was not a quorum. The any disinterested and intelligent citizen whether native or council adjuntated till Wednesday next. naturalized. That it is a virtual violation of the laws of Congress is palpably evident; and that as an illegal association it can and should be put down by the strong arm of the their nets, which they mans orted to Arguernortes, where it law, may be proved.

ciation, we forbe, reciting them at present. We have also obtained the names of some first members, which we refride a ready being constructed. Each will contain 36 passengers, from now publishing. Still we need not hesitate to remain atfaits with one individual, whom we have heard was its projecteff or is its prominent promoter. We alied a of Mr.

know that the object of the Native American association in this city is the same as that of the sellstyled American party A letter of the 27th ult from Bayonne says Here no doub A letter of the 27th ultirem sayonne says there no donot in the north; and that this party is detenably and avowedly designed to oppose Johnson and Van Buren 7 and that it is radically inimical to the principles and wishes of the domot for entering into a campaign.

A letter of the 27th ultirem sayonne says there no donot to entering into a campaign.

signed in the Declaration of Independence, as one of their charges against the king of Great Britain that 'ae trad deavoured to prevent the population of these states—for that purpose obstructing the laws for naturalization of fendance, and refusing to pass others to encourage their reigners, and refusing to pass others to encourage their refusing to pass others. migrations hisher'; and it is a matter of history that on this prices. account our fathers fought and bled. It is also a fact in our A private letter from Vienna of the 20th inst has the felaccount owr fashers fought and bled. It is also a fact in our hastery that the feelings prempting this apinion have been evidenced by the graid majority of the American people from the period of their independence to the present—with one dark exception; and that then such a dark cloud did not pass over our political horizon but by fraud er stealth, and that it was dispersed ere its malignant influence produced its otherwise inevitable evils. And who does not know that its otherwise inevitable evils. And who does not know that that cloud disappeared before the sun of democracy?

Is not Mr Christy aware that every honest democrat from the era of the constitution was determinedly in favor or that it can ever have produced—London Morning MARINE JOURNAL.

Herald. grants to settle among us; and afford the infant country, their trade, time and talents? Is he not aware that it is their trade, time and talenis? Is be not aware that it is builthe respectable of naturalized ofteens who can hope ever in a communication in the London Morning Chronicle, alledes to the talk about district, and the office? All may acquire the right of suffrage; but all are not therefore entitled to the privilege of preference in official therefore entitled to the privilege of preference in official appointments. Is he and in speaking to him, we speak to all who have joined as may be induced to join the association-not aware that the object w plainly and palpably to proscribe the respectable part of naturalized citizens? And can be or any think for a moment that such an outrage on

understood?

And now let us interrogate Mr. Christy mildly but firmly, not as an individual but as an editor bound to express the conflicted apparatus the house, in frost of which stands a communicated desires of his mulecthour; and flet us restrained desires of his mulecthour; and flet us restrained desires an entire the stands and completely illuminates that person of the building start to the street. At the door of this house stood a form, resembling a world, as he is bound to give, in consequence of his means. And share a street when the stands and street are started that the street and street are started to the street. At the door of this house stood a form, resembling a mean. And share a street are street and street are street. sonable avoided, as he is bound to give, in consequence of his grasp, and there he ramined fixed, although stonger

tax were required to be paid at a time; yet as an interest

own terms) have they to office in this state? It is to be he call that the natives of Louisiana will not forget this; such that they will never give a vote on any account for any inember of said honorable association.

Our terms) have they to office in this state? It is to be he call that a commission of 2 per cent was ation of fidwa a Clift before a relect committee on Medical Education. In the House of Commons. Mr Clift was formerly appeared to the part of the honorable association.

By order of the hon Clift was formerly appeared to represent the substracts made: the substracts made the substracts made the substracts made therefore greater receipts may be expected; and the percentage on them would be an extravagant compensation.

But although we have heard other particulars of this asse- It is in contemplation to establish steam omnibuses her

Christy.

At 11 o'clock the night before last two men, named Valage and Michael, went to a wine shop in the Faubourg St floors, and carlied for a bottle of wine, which was served to then in a relimet at the back of the shop. The wine or the elective favors of the people become a legitimate topic of public discussion. It is necessary to ascert in correctly the p inciples of his political creed, in order to ascertain the amount of support that can conscipntionedly be given him. the p inciples of his political creed, in order to ascertain the amount of support that can conscionable by given him.

He is aware that the contest for governor will be between the democratic party of the state and their opponents. To which party does he belong?

Under which king, Bezonian? speak or die.

We are aware that professedly at least he belongs to the account of the state; and that he is ardent in his support of Golonel Johnson for the wicepresidency. But does he not know that the object of the Native American assectiation is supports have been in the hands of justice.

It is a singular fact that the straw of an acre of wheat is

A CONTRAST.

In 1772, it was
The wife to the caw;
The daughter to the row;
The son to the mow;
And your rente will be netted.

But in 1835 it is
The husband tally ho;
The daughter piane;
The wife si k and satim;
The boy Greak and Lating
And you'll all be gasstud.

can be or any think for a moment that such an enurage on justice and the constitution, on the laws of Congress and the Declaration of Independence can or will be senctioned by say who glory in the name of American—as properly one of a running that a ghost had been seen at an uninhabited house in King street, in which a tragical event
