Leader of Liberals Now Campaigns in Nova Scotia Ridings

Mackenzie King Addresses Election Meeting in New Glasgow; Number of Nominations For Commons Throughout Canada.

A speech by Hon. Mackenzie King, Leader of the Liberals, in New Glasgow, N.S., a speech by Premier Meighen in Portage la Prairie, and a number of nominations in various parts of Canada were the features of the political news of the Dominion in the past twenty-four hours.

In his address Mr. King asked all those who desired "a change to proper democratic government in Canada to join and bring about a great victory at the polls for the Liberal Party, whose purpose was to give the people a voice in the management of the country."

In his speech, which is reported elsewhere in this issue of The Times, Mr. Meighen, dealing with the tariff, reiterated the protection policy of his party.

The only reference to the date of the polling was an indefinite statement by Premier Meighen that the election would be held "before this year is out."

Mr. King Speaks.
New Glasgow, N. S., Sept. 28.—(Canadian Press Staff Correspondent)—Election of New Glasgow and Pictou county filled two theatres here last night to hear Hon. Mackenzie King, Leader of the Liberal Party; Ernest Lapointe, M. P. for Quebec East; William Duff, M. P. for Lunenburg, N.S., and other prominent Liberals, expand their views on the Liberal platform.

Mr. King made an appeal for all who "sought a change to a proper democratic government" to join together in a united march to the victory of the Liberal Party. He said the Allied nations had found it necessary to bring about a unity of command in order that the Allied forces might sweep back those of oppression.

A Voice.
The Liberal Party in its policy sought to give all the people of Canada a voice in the management of that country. The tariff revision was overdue, but it should not be a revision by the Meighen government, whose idea of protection was protection for the favored, while the Liberal idea was protection for all the people with consideration of the needs of both consumers and producers alike.

Time For Change.
J. H. Sinclair, M.P. for Antigonish and Guysboro, presided over the meeting. He declared that the Meighen Government was in a state of perpetual funk and its members were being beaten. The time has come to turn the rascals out, Mr. Sinclair declared, "and to make Mr. King Prime Minister of Canada." The Government said times were harder to-day than they had ever been in Canada, and the only remedy, the chairman declared, was to put in power a Liberal administration.

A Difference.
The different methods of choosing the leaders of the Liberal and Conservative parties, said Mr. Sinclair, was suggested by the different viewpoints of the two parties. Mr. King had been chosen in open convention of the people's representatives, while Premier Meighen was chosen in a dark room by a few discredited politicians who had the dog guard by a sturdy policeman.

Complimented by Leader.
Mr. King complimented the chairman on his excellent public record, and voiced his regret that Mr. Sinclair was retiring from Parliamentary life.

Premier Meighen. said Mr. King was not the person to decide what was the issue in this election. The people would decide whether the Premier was fit to be Prime Minister and the gentlemen around him were the issue.

No Experiments.
Canada, with her nine million people, has to meet an annual Government cost of \$650,000,000. This is the need of Canada—that of a great political party with a strong and definite policy in the interests of all classes of people. There was no time to experiment with groups and untrained legislators. The need was for one strong party with a honest policy. While the average of five persons paid some \$110 per year in taxes, there was no question so urgent as that of economy and retrenchment.

Full Information.
The problem of Government expenditures was vital to all. A national stocktaking was necessary and should be carried out by men who would not be intimidated by concealment of extravagance.

Mr. King declared that it was only when the Liberals were able to come before the people themselves that they would be able to give the public full information as to what was being done.

The Liberals had been unable to make their fight known to the public through the press. Dealing with the Liberal demand for information on the floor of the House, Mr. King said the farmers had split their vote when a motion to secure information as to the railways was before them. Canada did not want that sort of compromise and independence, but rather a party in power which would stand up for its principles.

Mr. King referred to the work of Liberal members of the Special Committee on Railways and Merchant Marine, and said they had found some information which the Government previously had denied. They had found directors on the National Railway system who were also direct-

SAYS DETECTIVES SEEK HIS DEFEAT

Busy Getting Friends on the Voters' List, Commissioner Hall Asserts

Says Police Department Doing Better Work Than Ever

City detectives have started working to defeat Police Commissioner Dr. Ernest Hall at the coming civic election, and so save their jobs, Dr. Hall declared to-day, in what will probably be one of his last public statements of importance before the election campaign opens.

The detectives are showing a great willingness to spend money to get their friends on the voters' list," Dr. Hall asserted. "As a result, a great deal of interest will be added to the election. I expect. The action of the detectives should be a warning to those citizens who are favorable to the Police Commissioner's policies and his determination to dismiss certain of the detectives to see that their friends also are placed on the voters' list."

When election time arrives the public can see exactly as it wishes. Either it can support our programme by re-electing me or can defeat me and our programme. Personally it does not matter to me in the slightest.

Tariff.
The Police Force to-day, under Chief Ery, is doing far better work than formerly," Dr. Hall declared. "In fact, I believe it is doing better work than it ever did before."

Danger.
Our contention is that the Detective Department is over-crowded. We have twice as many detectives in proportion to our population as has Vancouver. According to the press, Detective Inspector Perdue says that the unusual number of recent burglaries was incidental to the disorganization of the Police Department, if the detectives are so wonderfully efficient I wonder why they let these criminals into the city?"

FINE JERSEY SHOW AT CONOX FAIR

Lieut.-Governor Nichol Opens Excellent Exhibition

Courtenay, B. C., Sept. 28.—His Honor Lieut.-Governor Nichol opened the 27th Conox Fall Fair last night. He said that he had many times passed through and admired the district, but this was his first visit to the fair. He was very sorry he could not stay to make a more extended visit this year, but he promised he would make arrangements so that he could be here more fully next year.

He told his hearers that they ought to be thankful that they lived in such a rich and peaceful valley far away from the big cities, where there was so much unemployment and unrest.

The only fact which could have robbed the fair of full measure of success was a very strong wind, which this morning, dazing Autumnal sunshine. There are 2,000 entries in all classes, more than 50 per cent more than at any previous fair. The increase is most marked in the stock classes, where there are 178 entries against 105 last year, which was then considered a record.

Nearly all of these entries are of pedigree Jerseys, so that Conox fair is now established as a great Jersey fair. There are also very strong sheep and poultry classes. In the hall vegetables are very good, particularly potatoes, but not much fruit. A community sing held last night was very successful, and the midway attractions, a new feature of the fair, will help to draw a record crowd to-day.

MAN DROWNED IN FRASER RIVER

New Westminster, Sept. 28.—The body of William J. Davis was recovered from the Fraser River yesterday.

Davis is said to have come here two years ago from Calgary.

AUSTRIANS GREET HUGHES ON RETURN

Prime Minister Welcomed in Melbourne

London, Sept. 28.—(Canadian Press Cable)—Premier Hughes of Australia arrived in Melbourne from England to-day, according to the Reuter correspondent in the Australian capital, and was met by Sir Joseph Cook, Acting Prime Minister, and a group of Federal and state Ministers and leading citizens, including many returned soldiers. Premier Hughes motored to the Town Hall, where he was given a civic reception.

Replying to the address of welcome from the Lord Mayor, Mr. Hughes said that the full story of the conference of Prime Ministers of the Empire would never be told in this generation. Nothing which had been accomplished at the conference had diminished the glory of the Empire, which was more united than ever. The Empire, he said, was a solid, enduring fact.

Several Hundred Killed by Typhoon In Central Japan

Tokio, Sept. 28.—Several hundred persons were killed by a typhoon in Central Japan, centring upon the island of Honshu, where a tidal wave destroyed crops and houses yesterday. Several steamers were sunk and many fishermen are missing.

BRITISH NOTE TO SINN FEINERS

Sent by Premier But Not Published

Valera Is Expected to Answer Promptly

Dublin, Sept. 28.—The reply of Premier Lloyd George to Eamonn de Valera's latest communication was expected here before 5 o'clock this evening, it was announced this morning. De Valera and the other members of the Dail "Cabinet" planned to be at the Mansion House to receive it.

It is considered probable that De Valera's answer will be prompt. Except for unforeseen circumstances, it is not considered that it will be held until the residence of Premier Lloyd George this morning.

No hitch has developed, it was said, but the Prime Minister has decided there is no reason why he should not wait another day before making the communication public in order to give all the members of his Cabinet an opportunity to pass on the draft of the reply.

An earlier dispatch said an invitation to the Sinn Fein leaders to a conference to be held in London about the middle of October was expected to be received by Premier Lloyd George's final reply to Eamonn de Valera.

DEFENCE IN ARBUCKLE CASE

Witnesses to Be Called This Afternoon

San Francisco, Sept. 28.—The defence in the preliminary hearing of Roscoe C. (Fatty) Arbuckle, charged with the murder of Miss Virginia Rappe, announced that it was prepared to commence its effort to clear the motion picture comedian when the court of Police Judge Sylvain J. Lazarus resumed late to-day.

The prosecution completed its presentation of evidence without having called Mrs. Bimbina Maud Delp, complaining witness, and this move on the part of District Attorney Matthew Brady was wholly unexpected by Frank E. Dominguez, of Los Angeles, chief of the Arbuckle defence staff, who protested that the woman be put on the stand.

Judge Lazarus told the prosecution that it was not necessary to have Mrs. Delmont testify, but warned that they were risking the chance of having the complaint dismissed.

BUSY BURGLAR IN IOWA NABBED IN DISHABILLE

Sioux City, Iowa, Sept. 28.—Burglars often catch their victims with their trousers off, but a Sioux City burglar had the tables turned on him by being caught with his trousers off and clad only in a union suit and a pair of silk hose late last night. The man, who gave his name as Nick Costelant, was caught while robbing a men's furnishing store by the proprietor, John Kevill and H. E. Cody, a newspaperman. When discovered he was donning a new outfit and had \$50 worth of finest clothes in the store packed in two suitcases.

THREE PLANTING CEREMONY

Accompanying is the tree planting ceremony for the tree planting ceremony at the Melbourne Street on Sunday afternoon:
2.00 p.m.—Selections by Naval Brigade Band.
2.15 p.m.—Arrival of Lieutenant-Governor.
2.30 p.m.—Lieutenant-Governor to set off charges to blow first holes for trees.
2.45 p.m.—Planting of first tree by Lieutenant-Governor.
2.55 p.m.—Last Post, by two buglers of Work Point Barracks.
3.00 p.m.—Dedication ceremony, with address by Bishop of Columbia, Bishop Macdonald and President of Ministerial Association. Further band selections.

OPTIMISTIC CITIES TO MEET CABINET

Municipal Union Executive Will See Premier

Want Government to Assume School Costs

Optimistic over the possibility of an early settlement of their difficulties, members of the Executive of the United Municipalities Association will meet Premier Jack Loulet at this meeting this afternoon to seek a solution of municipal financial problems.

Plans to be laid before the Cabinet were drawn up at a private meeting of the Executive in the Empress Hotel last morning. President Jack Loulet, at this meeting it was decided to urge the Government to assume the cost of education in municipalities. This will be the Union's main proposal for municipal relief, it is expected.

"We are very hopeful of reaching a settlement of our troubles without much further delay now," Mr. Loulet stated to The Times on his arrival here to-day. "The situation is shaping up very satisfactorily to us."

Other members of the Executive agreed that the prospects of a settlement of outstanding municipal problems were much brighter now than they had been before the Union's visit to Port Alberni convention. They expressed the hope that, as a result of this afternoon's conference and other conferences to be held with the Government, action would be taken at the fall session of the Legislature to give the municipalities substantial financial relief.

This morning's meeting was simply preliminary to the conference with the Government this afternoon. No new business was transacted, but members agreed that it would be wise to concentrate on the school question, rather than to press for too broad a programme of reform.

Members who had met the Premier since the convention all stated that Mr. Oliver had displayed a very sympathetic attitude towards the problems of the municipalities.

GENEVA SCENE OF LABOR MEETINGS

Canadian Delegates to Attend International Events

Ottawa, Sept. 28.—(Canadian Press)—Tom Moore, president of the Trades and Labor Congress of Canada, will sail Friday morning from Montreal on the steamship Quebec to attend the International Labor conference to be held in Geneva under the auspices of the League of Nations. Mr. Moore will act as the workers' delegate for Canada, while Arthur Martel, of Montreal, vice-president of the Congress, will go with him as technical adviser.

On October 1, preceding the main conference, Mr. Moore will attend the quarterly meeting in Geneva of the Governing Body. This is really the executive board, composed of two members chosen by the Government and six by employers' representatives.

Two of the thirty-four members of this body are Canadians, Senator Gideon Robertson, a Government appointee, and P. M. Draper, representing Labor. Tom Moore will act as substitute at the meeting for Mr. Draper, and Gerald Brown, Assistant Deputy Minister of Labor, will act for Senator Robertson.

The Governing Body acts in a supervisory capacity for the permanent office at Geneva. Its work at the forthcoming meeting will include the drawing up of a preliminary agenda for the next annual conference.

While the operations of the whole organization, covering as it does, forty different countries, are necessarily slow, Mr. Moore expresses himself as satisfied with progress hitherto, and he believes that if given a fair measure of support by the Government, the standards of the organization will be raised to the level of those of other countries, an incentive is given to those of slower development to raise the standards of their people in their larger centres of population.

PLAN RAILWAY CONSOLIDATION

Americans Discussing New Grouping Proposal

Washington, Sept. 28.—The Interstate Commerce Commission announced to-day tentative plans for the consolidation of all the major railroads of the United States into nineteen systems, and gave notice that hearings would be called on the project in the near future. The proposed consolidation is authorized by the Transportation Act.

FRENCH SPOKESMAN AT WASHINGTON; PREMIER BRIAND

Will See Premier

Want Government to Assume School Costs

According to report, Premier Briand is to sail from France October 29 to attend the disarmament and Pacific conference in the American capital.

BRITISH URGED TO IMPORT CATTLE FROM CANADA

London, Sept. 28.—(Canadian Press Cable)—The National Federation of Meat Traders' Associations at a conference at Wolverhampton adopted a resolution requesting the Government to put into operation immediately the recommendations of the Royal Commission on the importation of store cattle. It was stated by speakers that the meat traders must still fight the vested interests which would oppose the necessary legislation to make the recommendations of the Commission effective.

WIND REACHED HIGH VELOCITY

Over-Victoria yesterday afternoon extended over Vancouver Island and the Gulf of Georgia.

The wind, between the hours of 1 and 2 o'clock in the afternoon, reached a velocity of 50 miles per hour.

A number of coastwise craft were stormbound up the coast, but no casualties were reported.

RULING GIVEN ON LEAGUE TREATIES

Those Affecting World Relations to Be Registered

Geneva, Sept. 28.—Political treaties bearing upon international relations are the only conventions which must be registered with the Secretariat of the League of Nations, according to a decision submitted to the Assembly of the League by its committee on constitution and procedure, which presented an interpretive resolution to the effect that Article 18 directing that treaties of international engagement must be registered, does not require the filing of agreements of a technical or administrative nature.

The Assembly this morning discussed the report of the committee which inquired into the white slave traffic.

LOWER RATES ON GRAIN AND CATTLE

Canadian Exports to Britain and U. S. Encouraged

Montreal, Sept. 28.—At a meeting of the various shipping lines of Montreal to-day it was decided to make a reduction of ten per cent in the existing freight rates for grain being shipped from this port to points in the United Kingdom. This reduction comes as a result of the scarcity of package freight.

PART OF LARGE PARIS DEPARTMENT STORE BURNED

Paris, Sept. 28.—Fire broke out this morning in the Magasin aux Printemps, one of the largest department stores in Paris, and in a short time it was seen that an entire block of the store would be destroyed. Firemen devoted their efforts to preventing the flames from spreading to another block. The block in which the fire originated was recently built.

SOME FIGHTING IN ASIA MINOR

Athens, Sept. 28.—Minor infantry and artillery fighting along the Eski-Shehr front in Asia Minor is reported in an official statement issued here. It is said that on the other fronts all is quiet.

Delegates to Attend World Conference Named by Japanese

Tokugawa, Kato and Shidehara to Represent Oriental Nation, Says Tokio Dispatch; Briand May Leave France For U. S. October 29.

Tokio, Sept. 28.—The Japanese delegates to the Washington conference on limitation of armaments and problems of the Pacific will be Prince Iyesato Tokugawa, President of the House of Peers; Vice-Admiral Tomosaburo Kato, Minister of the Navy, and Baron Kijuro Shidehara, Ambassador to the United States, it was officially announced this afternoon.

Paris, Sept. 28.—It is reported Premier Briand has decided to sail for Washington on board the liner La Savoie October 29 with his entire staff to attend the disarmament conference.

Paris, Sept. 28.—Premier Briand will outline the position of the French Government relative to the conference on limitation of armaments and Far Eastern questions in a speech at St. Nazaire October 3. He will also discuss national questions, including financial and German relations, in addition to the Washington conference. It is expected that the Premier's utterances regarding the conference will be only incidental to a comprehensive statement of the Government's plans.

ROUND-THE-WORLD AEROPLANE FLIGHT

Sir Ross Smith to Cross Canada

The newest activity in Canada touching this country's share in the Washington conference was reported in a dispatch from Ottawa, which said: The Trades and Labor Congress had forwarded a letter yesterday to Premier Meighen requesting that should Canada be represented at the disarmament meeting, by a separate delegation, labor should be given representation on such delegation.

The letter was drafted by the executive at a meeting held last week. It incorporated the views of the Congress on disarmament, and pledged the support of the organized workers of Canada to any measure which the Canadian Government might take towards bringing about a reduction of armaments.

RAILWAY WAGE INQUIRY BEGINS

Conciliation Board Starts Work in Montreal

Montreal, Sept. 28.—Many leaders and representatives of several great railway unions arrived in Montreal this morning for the preliminary session of the railway conciliation board which will begin its sittings here this afternoon. It is anticipated that the board's inquiry will be held in private, although Mr. Justice Maclellan, chairman, stated yesterday that in his opinion the proceedings would be open. "They should be," he said, "as they affect 55,000 men and thousands of women."

S. N. Berry, senior vice-chairman of the Order of Railway Conductors, and W. C. Chester, chairman of Conductors on the Canadian Pacific system, however, stated that the railwaymen would request a private hearing.

The conciliation board which will inquire into the wage reductions recently announced by the railways was applied for by the employees. Their representatives are optimistic as to the result of the board's sittings. The wage reductions in question are the same as those announced by the United States Railroad Labor Board, but the employees of the Canadian lines are protesting against them, contending that they received no increase until the cost of living had reached a peak where it became impossible to live decently. "I can not see that it has gone down either," said Mr. Berry.

Among those who arrived this morning were the two colleagues of Justice Maclellan on the board, Isaac Pitblow, K. C., vice-chairman named by the Government for the companies, and David Campbell, barrister. Reginald, acting for the men, Union leaders include A. Kennedy, assistant grand chief of the Railway Conductors; W. B. Abo, vice-president of the Brotherhood of Locomotive Firemen and Enginemen; S. N. Berry, vice-president of the Order of Railway Conductors; W. B. Abo, vice-president of the Brotherhood of Railway Trainmen, and J. Meighen, deputy president of the Brotherhood of Railway Telegraphers.

FAVORABLE TURN IN POLISH-SOVIET NEGOTIATIONS

London, Sept. 28.—Polish officials here stated this afternoon that after a full exchange of notes between the Polish and Russian Soviet Governments, the negotiations concerning the execution of Russia of the peace treaty signed in Riga had taken a favorable turn toward conciliation.

MORE PROSPEROUS TIMES.
New York, Sept. 28.—A speedy return of prosperity, with plenty of work for all, was predicted to-day by two notable figures in industrial and mercantile circles. Charles E. Bedford, president of the Vacuum Oil Company, and John Wanamaker, merchant.

MR. MEIGHEN AT PORTAGE

The public expected from Mr. Meighen in his speech at Portage la Prairie yesterday evening a plain, direct statement of the policy he proposes to pursue in relation to the numerous problems which confront this Dominion—problems more formidable than any which have arisen in the country since it became an organized commonwealth.

We have problems of unemployment, problems of trade, finance, general development, public health and housing, immigration, not to speak of the numerous other difficulties which to-day are causing distress and discouragement among the Canadian people.

There is an insistent demand from the returned soldiers for a readjustment of the pensions regulations. The Government is spending between \$250,000,000 and \$300,000,000 more than its revenue this year.

The only panacea Mr. Meighen has to offer is, in his own words, a protective tariff—which means, of course, still more protection. Protection for whom? For the general public? Will he guarantee the same measure of protection to the public in the prices of protected commodities, or to the wages of employees in protected establishments, as he will to the operators of those concerns? Will he squeeze the water out of the stock of some of the companies whose profits he intends to guarantee? Not much.

Besides, if the protection we already have has not enabled the country to escape the serious disabilities under which it labors how can more of the same remedy help it? Our imports are declining, and our customs revenue is diminishing. Will still further trade restrictions increase them? The best answer to the United States tariff lies in an increase of the preference for British goods.

This preference was originally given by the Laurier Government, but was whittled down by Mr. Meighen's friends during the war when Great Britain needed it most.

Improve the facilities for Canadian purchases in Great Britain by lowering the duties against British goods and the adverse balance of trade with the States as well as the Fordney tariff will quickly disappear. But Mr. Meighen would not dream of extending the British preference, for the reason that the protected interests in Canada are as strongly opposed to British competition as they are to competition from the United States, and would fight such a proposal as vigorously as they fought the Fielding preference in the House of Commons in 1897.

GET AT THE FACTS.

Any suggestion that no inquiry be held into the case of the Canadian Importer should be discouraged with the utmost vigor. Every vessel which belongs to the Canadian Government Merchant Marine is the

property of the people of Canada, and they have a right to know the reason why this vessel came to grief and imperilled the life of her officers and crew. The uninitiated have gleaned from the long accounts of the extraordinary nature of her misfortune that no feat of seamanship could have prevented the accident. They also know by this time that it was only by the dauntless courage of her captain and crew that she is now in harbor. Nothing short of a full inquiry into all the circumstances will satisfy those who were either directly concerned in the fate of her human complement or who look upon her as an important unit of a large investment.

WHAT IS WANTED.

Upon numerous occasions we have argued that the only way to prevent misfits from reaching this country from Europe or elsewhere is to establish a policy of examination and inspection at the point of origin and not at the point of entry. When the President of the C. P. R. was asked at Saskatoon yesterday what he had to suggest as a means of discriminating between the desirable and the undesirable he furnished a reply in support of selection "in the country from which the emigrant comes."

Nothing could be more simple and all that is required is a compulsory arrangement with every emigration agency on the other side of the Atlantic by which each applicant for transportation could be subjected to proper tests from the educational and medical standpoints. Ordinary intelligence and a knowledge of European custom and character in one engaged in the business should aid in making a selective system a success. Increased immigration to this country is no use if a large percentage of the new citizens are of the unassimilable variety or of a type which never should have left its native shores. Good and industrious Canadians are wanted in this country and if they are worth having they are worth selecting.

TELL THE TRUTH.

It may be assumed that when the Chairman of the British Columbia division of the Canadian Manufacturers' Association informed the newspapers of Eastern Canada that there are no unemployed in this Province and that those who are not working may be termed idlers he was a good deal more anxious to create a good impression of general conditions in this part of Canada than he was concerned or appreciative of the effect his observations might have. And the Attorney-General took the right course when he emphasized the danger of indulging in these pleasant reflections at what might appear to be a safe range. Statistics in the hands of the Department of Labor indicate that British Columbia is faced with a very serious unemployment situation and matters will merely grow from bad to worse if the idea should gain ground to the East of the Rockies that there is work for all who may choose to come here. Nothing is to be gained by telling the people of the East a few fairy tales that sound well. This part of Canada can stand the truth just as well as any other part. The average individual has had enough flattery from the would-be "booster."

THE RIGHT STAND.

Victoria's branch of the Great War Veterans' Association is on firm ground in instructing its delegate to the Port Arthur convention to voice local disapproval of the action of the Dominion Command in accepting the custody of canteen profits. As we have pointed out before the distribution of proceeds of a business in which every member of the Canadian Expeditionary Force—whether a member of an organized ex-service men's body or not—has an equal interest should either be diverted to assist those enterprises that have been established for the benefit of the disabled, or distributed among all the returned men's associations in proportion to membership. Of the two plans it is safe to assume that practically every former member of the C. E. F. would prefer to know that the case which is not provided for by the Government is safeguarded by the activities of a private organization. With-

out additional funds, however, the Red Cross cannot be expected to continue the excellent work which it has commenced in behalf of the exceptional case in this and other cities.

TURN DOWN BIDS OF BOND HOUSES
Believing that the money market is beginning to ease up and that the value of city bonds will increase shortly, the civic Finance Committee this morning rejected the bids of local bond houses for Johnson Street Bridge debentures.

At Fort William. Fort William, Ont. Sept. 28.—R. J. Brynes, president of the Fort William Liberal Association, threatened to resign at a meeting of the association last night if Fort William would not vote for R. J. Brynes, Minister of Soldiers' Civil Re-establishment and member of the Commons for the riding of Fort William and Rainy River. Mr. Brynes said he would hand the many Liberals were going to support Manion.

Not Candidate. Montreal, Sept. 28.—At a meeting here under the auspices of the Self-Determination League of Canada, Lindsay Crawford announced that he would not be a candidate in the coming Federal election.

CATHEDRAL FORMS COMPANY TO BUILD
Christ Church Cathedral Buildings Ltd. was incorporated as a private company to-day by Crease & Crease. This is preliminary to starting actual construction work on the new cathedral which is to be situated on the site of the old cathedral.

FINE RECITAL PLEASES AUDIENCE
A more than unusually interesting affair was the occasion last evening in the Centennial Methodist Church, when Mrs. Wilson-Jones appeared there in a song recital, assisted by the very able organist of the church, Ernest Adams.

OBITUARY RECORD
The remains of the late Ralph Bowick were laid to rest yesterday afternoon in the presence of many old-time friends. Service was conducted at the B. C. Funeral Chapel by the Rev. A. D. Owen.

To Look Young
is a valuable asset to women in business, social and private life. Nothing helps so much as a good digestion. Poor elimination causes one to look sickly and faded.

BEECHAM'S PILLS

Mr. and Mrs. Andrew Gray and their daughter, Miss Betty Gray, who have been spending the summer months in England and France, sailed for Canada on September 15. They will visit relatives in the East for a brief period before continuing their journey to Victoria.

Jericho Country Club, Vancouver.

URGES TEACHING HOME ECONOMICS IN HIGH SCHOOLS

Mrs. Ellen P. Dabney, of Seattle in Forceful Address

"It takes more brains to make a home and make it well than it does to earn the salary to maintain that home. If you train your children in the way they should go, it takes more brains to manage your home efficiently than it does to manage a bank," was the forceful statement made by Mrs. Ellen P. Dabney of Seattle, in pleading for the teaching of home economics in the schools before an interested audience of the Women's Canadian Club yesterday. The speaker is Director of Home Economics in the public schools of Seattle.

Mrs. Dabney prefaced her remarks with a stern condemnation of the laxity of the rising generation towards the home and its interests, and a number of other officers from various countries. His last appointment before coming to Canada was in South Africa, where a splendid work was done among the white and native population of that country.

Commissioner and Mrs. Eadie, of the Salvation Army, will visit Victoria on Saturday and Sunday next. This visit is chiefly in the interest of the young people of the city.

The Commissioner has a wide experience in Salvation Army work in various countries. His last appointment before coming to Canada was in South Africa, where a splendid work was done among the white and native population of that country.

Commissioner and Mrs. Eadie are both able and interesting speakers, and there are no officers more capable to deal with every phase of Salvation Army work than they are. They will be accompanied by Lt. Colonel L. Taylor, field secretary for Canada West, and Brigadier Simons, young people's secretary for Canada West; also Brigadier T. Coombs, the divisional commander for Southern B. C., and a number of other officers from outside points.

MRS. D. MILLER HOSTESS AT ENJOYABLE TEA

Mrs. David Miller lent her charming home on McClure Street yesterday afternoon for a silver tea in aid of the Agnes Deans Cameron Chapter, I. O. D. E. So well was the affair patronized that a sum in the neighborhood of \$25 was added to the Chapter's treasury.

Mrs. L. H. Hardie, the regent, assisted by the hostess, received the guests on arrival in the hall, which was prettily arranged with hollyhocks. Tea was served in the dining room at a daintily-appointed table.

Far High School Girls.

Appealing for the inclusion of the proper teaching of home economics in every High School curriculum, Mrs. Dabney declared that the business of home-making is the ultimate occupation of ninety-nine out of every hundred women. The very fundamentals of social and national life—our ideals, morals, ethics, thrift and health must be fostered and nourished to activity within the home itself or else be lost. The standards of our homes determine the standards of our civilization. If our homes fall, society falls. Home economics offers every girl training for her life work. It is not for the few or the exceptional, but for the rich and poor alike," she said in conclusion.

Present Bureau.

Mrs. Margaret Jenkins, the president, was in the chair and introduced

Far High School Girls.

Appealing for the inclusion of the proper teaching of home economics in every High School curriculum, Mrs. Dabney declared that the business of home-making is the ultimate occupation of ninety-nine out of every hundred women. The very fundamentals of social and national life—our ideals, morals, ethics, thrift and health must be fostered and nourished to activity within the home itself or else be lost. The standards of our homes determine the standards of our civilization. If our homes fall, society falls. Home economics offers every girl training for her life work. It is not for the few or the exceptional, but for the rich and poor alike," she said in conclusion.

Present Bureau.

Mrs. Margaret Jenkins, the president, was in the chair and introduced

SALVATION ARMY COMMISSIONER COMING TO CITY

Head in Western, Canada on Tour With Staff

Commissioner and Mrs. Eadie, of the Salvation Army, will visit Victoria on Saturday and Sunday next. This visit is chiefly in the interest of the young people of the city.

The Commissioner has a wide experience in Salvation Army work in various countries. His last appointment before coming to Canada was in South Africa, where a splendid work was done among the white and native population of that country.

Commissioner and Mrs. Eadie are both able and interesting speakers, and there are no officers more capable to deal with every phase of Salvation Army work than they are. They will be accompanied by Lt. Colonel L. Taylor, field secretary for Canada West, and Brigadier Simons, young people's secretary for Canada West; also Brigadier T. Coombs, the divisional commander for Southern B. C., and a number of other officers from outside points.

MRS. D. MILLER HOSTESS AT ENJOYABLE TEA

Mrs. David Miller lent her charming home on McClure Street yesterday afternoon for a silver tea in aid of the Agnes Deans Cameron Chapter, I. O. D. E. So well was the affair patronized that a sum in the neighborhood of \$25 was added to the Chapter's treasury.

Mrs. L. H. Hardie, the regent, assisted by the hostess, received the guests on arrival in the hall, which was prettily arranged with hollyhocks. Tea was served in the dining room at a daintily-appointed table.

FOR CHILDREN THE SANDMAN STORY FOR TO-NIGHT

THE OLD GNOME AND THE FAIRY

Once upon a time there lived an Old Gnome, who called himself the King of the Gnomes because of his age. He never did any work, and lived by stealing into the homes of the hard-working Gnomes, when they were away and taking what he could find.

One day, as he came up from the underground home of the Gnomes, he happened to sit down under a violet leaf at the very time one of the Fairies was resting in the violet blossom.

The little Fairy was on her way from some work and done for her Queen and stopped to rest, and fell asleep in the pretty violet. She dropped her magic wand on the ground and it was the wand that the Old Gnome saw first.

"Ah, there must be a Fairy about," said he. "I will creep out and look around."

Of course, he at once espied the pretty Fairy asleep and he decided to carry her off and hide her in his cave in a rock and make her his wife.

He knew full well that without her wand she could do nothing, and the wise Old Gnome picked that up and put it inside his coat before he took the sleeping Fairy from the violet.

Then clasping her in his arms, off he ran to his cave, and when the Fairy opened her eyes she was in the cave and the Old Gnome sitting beside her.

"Where am I?" she asked, looking about, and then she discovered that she did not have her wand.

"You are in my cave, and I am the King of the Gnomes," said the Old Gnome. "You must become my wife for I have your wand and you cannot escape."

"With your wand you can do many things and I wish you to make this place a palace, such as a King should live in and command all things which I wish to be done."

The little Fairy knew it was useless to refuse or make any outcry for she knew that the Old Gnome had her in his power just as long as she had her wand, though for him it would not yield its magic power.

"Very well," said the little Fairy, meekly. "I will become your wife, but if we are to wed, why not have the wedding in the palace we are to live in and be married as befits your Majesty's station?"

This flattered the Old Gnome so much that he decided he would like to be dressed in rich and royal robes for the wedding. So he gave the wand to the Fairy and told her to change his ragged brown clothes to velvet and gold.

As soon as the Fairy had the wand she waved it three times over the Old Gnome, repeating some magic words that only fairies know, but instead of the velvet and gold suit there appeared the shed of a turtle and the Gnome was no longer there. He had disappeared and a heavy-shelled turtle slowly crawled away.

Out of the cave fluttered the little Fairy and hurried to her Queen, to whom she told what had happened.

"I was so sorry to use my power that way," she became, "but I could think of no other way, to escape from the Old Gnome and as turtles live to a very great old age I changed him into a turtle."

So if you happen to find an old turtle some day and are told by some one who can tell the age of one that it is perhaps 100 years old, it may be that once it was the Old Gnome, who called himself the King of the Gnomes, and carried off the Fairy to his cave and was changed into a turtle for his wicked deed.

ENTRIES COMING IN FOR SAANICH FAIR

Agricultural Association's Annual Show to Be Held October 4 and 5

Many entries in all sections are being received by the secretary of the North and South Saanich Agricultural Society, Colin H. Chisholm, for the annual Fall fair to be held at the Saanichton Hall on October 4 and 5. Such an excellent response is being made that the directors feel confident that the 1921 Fair will eclipse the splendid record of previous years, if only the weather will remain fine to facilitate the gathering and preparation of the exhibits.

While the year has been admittedly poor for fruits, Saanich can still make a good showing comparable with other parts of the province, while livestock is expected to be even better than in previous years. The women of the district are, as usual co-operating splendidly, and the section devoted to their interests promises to be of exceptional attraction and interest.

COLUMBIA SCHOOL OPENS NEW SEASON

The Winter season of monthly recitals at the Columbia School of Music opened on Monday evening when pupils from the different grades rendered an exceptionally good programme, showing the skillful training given by Mrs. Burdon-Murphy and her assistants.

The complete programme follows: Piano Solo—"Angels Dream" Doreo; Piano Solo—"Mazurka Caprice" Borowski; Piano Solo—"Sleigh Ride" Tchaikowsky; Miss Dorothy Osborne; Vocal Solo—"Ave Maria" Gaudon; Mrs. Mabel Wallis; Piano Solo—"Philopona" Lange; Miss Hazel Wallis; Violin Solo—"Humoresque" Dvorak; Jack Pullen and W. S. Howard; Piano Solo—"Mozart" Friml; Miss Hazel Wallis; Vocal Solo—"Tae Garden of the Heart" Dorel; Mrs. Todd and Miss Morton; Piano Solo—"Air de Ballet" Massenet; Miss Hilda Elliott; Vocal Solo—"Lullaby" Keel; Miss Dorothy Cook; Piano Solo—"Four Young Charming" Van Gae; Miss Dorothy Grimshaw; Piano Solo—"A Dream" Chopin; Miss M. Kelly; Vocal Solo—"Sing, Sing Birds on the Wing" Nutting; Mrs. K. D. Adams; Piano Solo—"Etincelles" Mdzoskowski; Miss Mildenhall; Violin Solo—"Ave Maria" Schubert; Jack Pullen; Vocal Solo—"A Dream" Bartlett; Mrs. Todd; Piano Solo—"Ballade 1" Op. 23 Chopin; "God Save the King"

Girls Corner Club

The next meeting of the club will be held on Thursday in the club rooms, T. O. O. F. Hall, Douglas Street, where supper will be served at 6:15 p. m. All girls working in the city will be welcome, and an special invitation is extended to new-comers or those living away from home. After a social time and singing by the club, Rev. Dr. Munroe will give an address. Arrangements for a sale of work early in December are being made, and it is hoped that

Big Season Ahead of Sunday School League

"Bill" Erickson Re-elected President of Basketball Organization, Which Will Operate Five Leagues This Winter—Fifty-five Teams to Play

AGAIN HEAD OF S.S. BASKETBALL LEAGUE

"Basketball in Sunday School circles is due for another big boost this season," announced "Bill" Erickson, president of the Sunday School Basketball League, this morning. "We had a wonderful season last year but I am fully convinced that this will be our banner year. We are preparing for five leagues and will have at least fifty teams operating. I think you will find in the Sunday School League the finest basketball players to be found anywhere in the Province of British Columbia. We proved to Mainland teams last year that our youngsters here were their superior and we intend to repeat the demonstration this year."

JIM BARNES MAKES NEW COURSE RECORD

U. S. Champion Turned in Card of 68 in Professional Golf Tournament

Walter Hagen Had a 69; Jock Hutchison Won His Match on Thirty-ninth Hole

New York, Sept. 28.—A course record of sixty-eight was set yesterday by Jim Barnes, national open golf champion, in the opening round of the Professional Golfers' Association championship at Inwood Country Club. He defeated Clarence Hackney, Atlantic City, 3 and 2; Walter Hagen, Western titleholder, and Gene Sarazen, Titusville, Fla., each had a 69. Jock Hutchison, of Chicago, holder of the British open championship, was carried to the thirty-ninth hole by winning over Fat O'Hara, of the Richmond Country Club.

In a forty-hole contest Charles Motherale, Weeburn, defeated John Farrell, New York. Other results: Fred McLeod, Washington, defeated Fred Canausa, West Point, one up (3 holes); Jack Gordon, Buffalo, defeated William Leach, Merchantsville, N. J., 8 and 7; George McLean, Bronxville, N. Y., defeated Tom Kerrigan, Mount Vernon, 2 and 1; James W. Rockaway, N. Y., defeated Jack Frie, Woodmere, N. Y., one up (37 holes); Charles Clark, Roslyn, N. Y., defeated Peter O'Hara, Westfield, N. J., one up; Emmet French, Westtown, N. J., defeated Joe Sylvester, St. Albans, N. Y., 8 and 7; Cyril Walker, Englewood, N. J., defeated Emil Loeffler, Pittsburgh, one up (37 holes); Gene Sarazen, Titusville, Fla., defeated Harry Hamton, Detroit, 4 and 3; Tom Boyd, Fox Hills, defeated James Towns, Shannopin, Pa., by default; Walter Hagen, New York, defeated Jack Forester, Meadowbrook, N. Y., 5 and 4; Laurence Ayton, Chicago, defeated F. J. Rajaphi, Milewood, Conn., 5 and 6; John Golden, Tuxedo, N. Y., beat Robert Barnett, Tredyffrin, Pa., 5 and 3.

Veterans Withdraw From First Division

Football Meeting Surprised at Eleventh Hour Cancellation; Thistles to Be Promoted From Second Division to Fill Vacancy; Three Star Games to Feature Opening on Saturday.

Considerable of a stir was caused at the regular meeting of the Victoria and District Football Association held last evening when Manager Bloom, of the Veterans, announced that his team would have to withdraw from the First Division. The reason given for this eleventh hour notice was the fact that eleven players could not be secured to play under the Veterans' colors. The Veterans were to have represented the G. W. V. A. and the Veterans of France.

The faces of the members of the executive lengthened out considerably when the announcement was made. The season was scheduled to open on Saturday and three games were promised the public. There appeared little time to secure another First Division eleven. Fortunately a ray of sunshine crept into the meeting and it was decided to ask the Thistles to take the place vacated by the Veterans.

The Thistles are considered a little too strong for the Second Division and their entry caused the Wests and Sons of England not to enter teams. However, the promotion of the Thistles to the First Division will undoubtedly have a beneficial effect on the Second. The Thistles have a fast team and should give a good account of themselves in the First Division. The meeting last night arranged the games for Saturday, which will be as follows: The Thistles will play the Wests at 2 o'clock; the Sons of England will play the Wests at 4 o'clock; and the Thistles will play the Wests at 6 o'clock. The Thistles will also play the Wests at 8 o'clock. The Thistles will also play the Wests at 10 o'clock. The Thistles will also play the Wests at 12 o'clock.

SHOCKER PUT STOP TO YANKEES' RUSH

New York Slipped Up Yesterday in Meeting With St. Louis; Pirates Won

Yankees Play Athletics Today, While Cleveland Will Tussle With White Sox

New York, Sept. 28.—Pitcher Urban Shocker, of the St. Louis Browns, is a man of his word. He said he would stop the New York Yankees and he did. And to-day the league leaders' advantage over Cleveland in the American League was reduced to a game and a half. Shocker, who once won a Yankee uniform, has won five out of nine contests he has pitched against the New Yorkers this year.

In halting the Yankees yesterday Shocker shut them out 2 to 0, holding them to five hits. He made the great Ruth go hitless in three times at bat. Deciding Series. Both the Yankees and Cleveland are idle to-day. To-morrow they begin their final four game which will decide the issue in the American League. The Chicago White Sox are the Indians' opponents in four games, while the New York Yankees are the Athletics and one with Boston. Pitcher Bush, of the Red Sox, held the Athletics to four hits in the second game of a double-header, which allowed Boston to break even. In the first game, John Collins, of the Red Sox, made two homers. In this game also, W. Walker, of the Athletics, made his 22nd homer, and Pratt, of the Red Sox, hit his fourth.

W.V.A. WILL TRY AND FIELD FIFTEEN

Fourth Rugby Team is Wanted in League This Year to Maintain Interest

Efforts are now being made to secure a fourth team in the Victoria Rugby Union. At the present time only three clubs are sure of fielding teams, and in order to provide two games each Saturday another fifteen is required. The V. I. A. A., which last year was represented in the union, is trying to get together a team. He announces this morning that only a few of last year's players were available, but that he would be glad to hear from any other unattached players who are anxious to attach the pigskin this year. Mr. Davies can be found at the Empire Realty Co., 635 Fort Street. The other three teams will lend the V. I. A. A. every assistance to field a team, as it will be to their advantage to have a fourth club in the league.

World's Series Fodder For the Baseball Fans

New York, Sept. 28.—Champions in the American League have been victorious in ten of the sixteen world series played since 1905, while the National League pennant winners have six series to their credit. Representatives of Greater New York, in the National have been unsuccessful against American League opponents six times. Not since 1905, when the Giants won the event from the Athletics, has a New York team won. The Giants, pennant winners in 1914, 1919, 1920, could not win the series, although they were in a hair-breadth of the world's championship against the Red Sox in 1912. Brooklyn has tried and failed in two occasions.

SISLER HOMERUN STAR YESTERDAY

St. Louis First Sacker Scored Only Runs in Game With New York Yankees

Polo Grounds, New York, Sept. 28.—Urban Shocker, Yankees castoff, got even on Miller Huggins' would-be champions here yesterday afternoon, when he pitched St. Louis to a 2 to 0 victory. The defeat of the Yankees reduces their lead over Cleveland by half a game. Huggins now leads Speaker by one and one-half games. Shocker, who is a spitball pitcher, tied the Yankees' heavy sluggers into knots at the plate, giving up but five hits, two of which came in the ninth inning. The Yankees never dangerous until the ninth inning arrived, when they got the bases full with two down and Bob Meusel at bat. Meusel failed to deliver and the Yankee defeat was complete. Shocker walked Ruth in the ninth to get him out of the way, as there were two men out at the time and a home run would have meant a lost ball game for St. Louis. George Sisler shared the glory of the Browns' victory with Shocker. Elberle tripled with one down in the first inning and Sisler followed with a ringing home run to deep right center field, which accounted for the only runs of the game. Harry Harper, Yankees southpaw, held St. Louis safe after the initial inning of the game and pitched good ball, although he was in trouble several times. At New York—R. H. E. St. Louis..... 2 0 0 New York..... 0 0 2 Batteries—Shocker and Collins; Harper and Schang. Philadelphia, Sept. 28.—Bush held Philadelphia to four scattered hits and enabled Boston to break even in the first game of the season. The second game yesterday, 3 to 0, in the opening contest Rommel out-pitched Carr and gave the Athletics a 9 to 5 victory. In the first game John Collins made two home runs, while C. Walker and Pratt each had one. At Philadelphia (1st)—R. H. E. Boston..... 5 9 3 Philadelphia..... 2 10 2 Batteries—Carr and Walters; Rommel and Perkins. (2nd)—R. H. E. Boston..... 8 13 1 Philadelphia..... 0 9 2 Batteries—O'Dowel, Lewis and Yelle; Bresnan and Adams. At Los Angeles—R. H. E. Sacramento..... 5 11 1 Vernon..... 1 8 3 Batteries—Fittery and Cook; Dell, Love and Murphy. At San Francisco—R. H. E. Salt Lake..... 3 9 2 Oakland..... 12 18 0 Batteries—Bromley, Polson and Jenkins; Keiser and Kohler, Read. At Portland—R. H. E. Lost Angeles..... 12 15 1 Portland..... 9 14 4 Batteries—Crandall and Baldwin; Scott, Plummer, Ross and Fisher.

Boxing Biffs

A "Has Been" All Right. Seattle, Sept. 28.—Johnny McCarthy, former San Francisco motorman, showed himself a "has-been" last night when he boxed Travis Dade, a coast welterweight champion. Travis easily won the decision. McCarthy was floored once. Steve Reynolds, local light heavyweight, was snowed under by Young Patsy, a neophyte from the middle west. Reynolds was unable to continue after the first round. Match Arranged. St. Louis, Sept. 28.—Harvey Thorpe, of Kansas City, and Alex. Trambitas, of Portland, Ore., have been matched to meet in ten-round decision bout here Monday night. It was announced last night. They are lightweights. Robideaux Best Mace. Los Angeles, Sept. 28.—Ad Robideaux won the decision over Ed Macey, of Los Angeles, in the four-round main event at the Vernon arena last night. The men are 115 pounders. Roy Sutherland, of Portland, substituting for Joe Dundee of Los Angeles, in the semi-windup affair with Benny Virra and Louis Garcia, both of Los Angeles, went to a draw in the third bout on the card. STECHER GETS DECISION San Francisco, Sept. 28.—Joe Stecher, of Nebraska, former heavyweight wrestling champion, was awarded a decision on points over Ad Santei, light-heavyweight champion here last night. The athletes wrestled for two hours without a fall.

WILL PICK AMERICAN FISHERMAN DEFENDER

Gloucester, Mass., Sept. 28.—The American race committee yesterday named Benjamin R. Smith and Captain Charles Harty as its representatives on the International Committee which will have charge of the races off Halifax, N.S., beginning October 22, for the fishing vessel championship, won last fall by the Esperanto. They will have charge of the races in the elimination race to be sailed here October 12, to determine which of several boats shall represent American fishermen. The first prize will be \$500, the second \$300 and the third \$200.

Meeting of Thistle Football Club

Saanich and Western League Getting Ready

Suburban Basketballers Begin to Talk Basketball and Will Open Play Very Shortly—Three Trophies Will Be at Stake

Saanich and West Coast basketball players received a gentle reminder yesterday when that sporting equinoctial gale broke loose, that it was time they began organizing for the opening of the season. As a reminder, J. M. Elliott, of Jordan River, is the secretary of the Saanich and Western League, got into communication with the Sporting Editor of The Times this morning and announced that three cups would again be up for competition this year and that all teams intending to enter the league should hurry along and get into shape. Elliott's reminder came at an opportune time. Had it not been for yesterday's gale, which caused one to stop at various times and conclude that Winter was at last approaching, the basketball players might still have been basking in the sunshine and giving no thought to the nearness of the ball-tossing game. League of Interest. Last year the sporting lights of the West Coast and Saanich got together and organized basketball leagues which were a credit to the district. Three trophies were secured and the play which ensued for their possession created much interest throughout the peninsula and West Coast. This year it is expected that the number and calibre of the teams will be greatly increased and that the games will be fastest and more thrilling to watch. The officials of the league are now beginning their preparations for a big season and hope to produce teams that will be capable of showing the folk something in the shape of speed and combination. The boys in the district have plenty of time to get a keep in condition and once they evolve a system for general baskets they will be the hardest teams in the world to stop. The Trophies. The Vancouver Island Power Company's Cup denotes the championship.

QUOITS TOURNAMENT

The usual quoits tournament will be held at the Willows ground on Saturday afternoon at 2 o'clock. A meeting is called for to-night at the Willows at 8 o'clock to fix dates for the playoff of the league semi-final. A good turnout of members is requested. METS PLAYERS TO MEET An important meeting of the Metropolitan Football Club has been called for to-night at 8 o'clock in their club-rooms in the Metropolitan Billiard Parlour, Yates Street. The chief business will be the selection of a team to represent the club in their opening game on Saturday next. All players and those interested in the Mets' team are asked to be present at the gathering to-night. HAMILTON WINS AGAIN Winnipeg, Sept. 28.—The Hamilton Tigers' Rugby team closed their Western tour by defeating the University of Manitoba team here yesterday, 40 to 3. They were unbeaten in the West, scoring 455 points against 21 in five games. FISHERMEN SALMON and GRILSE are being caught this month at BRENTWOOD—only 40 minutes by B. C. E. R. from the city. The Store With the Home Atmosphere

You like to visit the hostess that makes you feel at home. In a like manner the home-like hotel attracts the most travelers. It's just the same with a store. Customers prefer the one which very carefully considers the comforts and conveniences of its patrons so they may feel just as much at home while shopping as they would at their own fireside. It has been our aim to make this such a store.

Fashion's Latest Coat Modes

Fresh from the hands of expert designers and tailors come scores of new models. Though the showing allows for a wide latitude of choice, the exclusiveness of the styles is satisfying, thus allowing for an individual and most becoming choice. We describe a few of the many attractive models below:

will be served.

night tendered the Saanich Council \$200 in cash as a deposit to cover all expenses contingent to the taking of the vote of the ratepayers on Saturday next.

The Council found this amount to be more than sufficient to guarantee that failure of the by-law will not be an expense upon the rates, rescinded the previous resolution waiving the matter, and accepted the deposit. It was also decided to employ poll clerks as well as deputy registrars at all polling stations, to meet criticism voiced regarding this omission.

Relation of Two Bodies.—The Pacific Coast Fire Chiefs Convention, which is being held in Victoria this week, has provided a fine programme for the visitors. On Thursday morning, however, the convention has invited all the Fire Insurance Agents of Victoria to assemble at the Council Chamber at 10 a. m. for the purpose of criticizing a paper which will be read upon "The Attitude of Fire Chiefs towards Fire Insurance Agents." There is scope here for diversity of views and no doubt the subject will be well thrashed out.

WOULD NOT USE OPPORTUNITY TO POLL STRAW VOTE

Ward Five Ratepayers Refused Chance When Few Attended Water Meeting

Because only a dozen ratepayers qualified to express their opinions attended a meeting of Ward Five Saanich ratepayers, held at Royal Oak on Monday evening, decided to put no resolution regarding the water extension by-law, to discuss which the meeting had been called.

The discussions showed that those present generally approved the by-law as amended by the present Council before its re-submission.

Councillor's Statement.
Councillor Kingwell, of Ward Five, one of the firmest critics of the by-law defeated last January, has mailed the following statement to each of his constituents.

To Meet Objections.
"On Saturday next, October 1, you will be called upon to vote for or against the by-law providing for certain moneys to be raised for water extension.

"The by-law has been brought forward by reason of a petition formally provided for by the Legislature.

"As your representative I have endeavored to assist in framing a by-law that would meet the objections that defeated the previous by-laws.

"The preamble to the by-law and clause No. 5 provide adequate safeguards, whether necessary or not, that establish the policy of the Council, in the matter of extensions, for a period of six years. These safeguards are based upon the frontage rates that have already been levied on the present users.

"Further, the Council have had before them data or estimates showing the rate of progress that might reasonably be anticipated. These estimates are conservative and whilst they will not be revenue producing immediately, yet they are every assurance that the water system of Saanich will be self-supporting and revenue producing.

Self-Supporting.
"I am satisfied absolutely that the general rate of the municipality will not be encroached upon one iota, only the actual users of water and those directly fronting on the water mains will be called upon to pay.

"Water from a public health standpoint is a vital necessity. To Saanich it is its very existence. There is no greater factor in an advancement of city or municipality than that it has a pure and abundant water supply.

"It is my belief that the by-law now being submitted is equitable. Whilst I do not wish to influence your vote, yet in view of the consideration I have given this matter, I would recommend it to your serious attention and request that, if at all possible, you endorse your Council's action by voting for it."

THIS WOMAN'S MISERY

Ended by Lydia E. Pinkham's Vegetable Compound; Remarkable Recovery of Mrs. Church

Smith's Falls, Ont.—"I suffered with falling of my organs, pains around my heart and in bowels and down my legs, neuralgia in my face and head, and that terrible sinking feeling. I felt that I could not live and would fix my house in order every night so there would be no trouble if I dropped off in the night. My husband went to the druggist to get the best remedy he had and he gave him Lydia E. Pinkham's Vegetable Compound. I took six bottles and felt a lot better. I will always recommend the Vegetable Compound, and you can use these facts as a testimonial.

—Mrs. J. O. Church, Box 845, Smith's Falls, Ont.

The success of Lydia E. Pinkham's Vegetable Compound, made from roots and herbs, is unparalleled. It may be used with perfect confidence by women who suffer from nervous prostration, displacements, inflammation, ulceration, irregularities, periodic pain, backache, bearing-down feeling, flatulency, indigestion and dizziness. Lydia E. Pinkham's Vegetable Compound is the standard remedy for female ailments.

If there are any complications about which you need advice write in confidence to Lydia E. Pinkham Medicine Co., Lynn, Mass. (Advt.)

HIGH SCHOOL NEEDS ATHLETIC STIMULUS

Additional Grounds, With Services of Coach Recommended

At a meeting of the Parent-Teachers' Association of the High School, held last night in that building, a lively discussion took place on the subject of school sports.

Dr. Higgins presided, while the discussion was actively conducted by a large number present. It was generally agreed that additional ground would be required for the promotion of all phases of athletics, and that a professional coach was an urgent necessity as organizer, and to create sufficient interest in the school sports.

Too much basketball and hockey, and too little general athletic events had been the course of the past two years, it was argued, while the interest of every student would have been aroused. It was mentioned that at the last rugby practice, only fourteen boys turned out to witness the practice or to take part in the game. That the apathy shown towards general sports would have to be dissipated it was generally agreed.

It was at last decided to lay the matter on the table until further meeting, and then form a sports committee of the association to see what could be done to encourage the interest of the students and parents.

Harold C. Cross, for the M. C. A., tendered the facilities of that institution to promote any scheme that might be developed along these lines.

It was stated that the High School had one of the best gymnasiums in the city, but was urgently in need of further playing fields, and a professional coach.

That every parent and student should take an active interest in sports, and that parents should see that their pupils attended at least one form of outdoor athletics was the general feeling of the meeting, as brought out by the discussion.

MEMORIAL AVENUE TO BE OFFICIALLY OPENED ON SUNDAY

Lieut.-Governor Will Plant First Tree; Impressive Ceremony

His Honor the Lieutenant Governor Col. Walter C. Nichol will plant the first tree of the evergreen memorial to the lives of those from this province who gave their lives in the late war, on Sunday next, after a duly impressive ceremony.

Every soldier and sailor who left this province to serve, and was killed in action or died from wounds will be commemorated by a tree planted to his name. The Memorial Avenue, along Shelbourne Street from Mount Douglas Park to the city limits, will be over three and a half miles in length, and lined on both sides with trees thus planted.

To Be Province Wide.
The project which was originated

and fostered to a successful conclusion by the Chamber of Commerce, is provincial wide in scope, the fallen from each municipality in the province being commemorated in separate sections, under care of that municipality.

When the ceremony is commenced on Sunday afternoon next the Lieut. Governor will plant the first tree at 3 p. m., which will be followed by a short blessing by a Victoria clergyman. The ceremony will be witnessed by the Premier and the Reeves of the B. C. municipalities and all councillors, who have been invited to attend. In addition the naval and military forces of the province will be represented by local contingents, as well as the representatives from all ex-service organizations.

Ash trees and plane trees alternately are to be planted on either side of the avenue. The Canadian Explosives, Ltd., will fire a number of holes for the first of the trees to be planted, while each municipality of the province will plant a section of its own, with tablets to the fallen. It is proposed to erect some portals over the terminals of the avenue. The trees have all been donated by the city, while the work is being done by the Victoria and Saanich Beaches and Parks Committee. The trees will be 30 feet apart, each, and will number over 3,000, with the list being added to daily. President J. H. Beatty, of the Chamber of Commerce, with the committee on the memorial including Miss Helen Stewart and Dr. Stantler, Brig.-Gen. R. P. Clark, Messrs. Ball, Purdy, J. H. Hill, C. C. Pemberton and others, will be present at the ceremony, for which they have been largely responsible.

Largest Joint Effort.
The ceremony will be in the nature of the largest joint memorial to the fallen that has yet been staged in the province, and will be witnessed by many thousands of people, all of whom had relatives who served at the front, and in many cases relatives

MAKES OFFER TO SUPPLY LOCALLY MADE WATER PIPE

Yarrows Limited Ask Saanich Work; Would Permit Immediate Commencement

The Saanich Council last night received from Yarrows, Ltd., an intimation that they are equipped to manufacture all the iron piping and valves required should the waterworks extension by-law pass on Saturday.

The wisdom of keeping such work in the district as a means of lessening unemployment, the value of Vancouver Island of such an industry and the advisability of giving it support in its early years, together with the resulting ability to make an early start on laying the extension, were noted by Mr. Norman Yarrow, who intimated that his firm was prepared to give a very favorable price to secure the work.

A Low Bid.
Reeve Watson supported this with the statement, "I have been given, in confidence and for the Councilors only, a bid which compares extremely favorably with any former quotations, at least as low as British or other pipe laid down here."

The Councilors expressed pleasure that it might be possible so to greatly add to available work should the by-law pass, and ordered the matter held in abeyance until after the fate of the by-law is known.

Corn Remedy
Lift Off with Fingers
Doesn't hurt a bit! Drop a little "Freezone" on an aching corn, instantly that corn stops hurting, then shortly you lift it right off with fingers—Truly!
Your druggist sells a tiny bottle of "Freezone" for a few cents, sufficient to remove every hard corn, soft corn, or corn between the toes, and the caluses, without soreness or irritation.

The Backbone of Canada

The story of Canada's prosperity is told in the development of her agricultural resources, for Canada has become one of the greatest agricultural countries in the world.

This has been made possible only through a struggle with problems which the life insurance companies have helped to solve by placing twenty-five to forty per cent. of their entire assets in mortgage loans.

Today this assistance is measured by one hundred and thirty millions of dollars invested in mortgages and loans by the Life Insurance Companies.

Silently and effectively these funds are at work, making conditions easier for our people and adding to the general prosperity of the country.

When you think of life insurance, remember it serves you in two ways—while it is protecting your home it is also building up the nation.

TECHNICAL CLASSES WILL OPEN MONDAY

The Evening Technical Classes will commence their season on October 3 and continue till March 31, 1922. Enrollment takes place at the School Board office at the City Hall any day before Monday during office hours. Every afternoon except Saturday from 4 to 5 p. m. W. H. Binns, Supervisor of Technical Education, will be at the School Board to see those desiring information about classes. Small fees are charged for the various courses, which are of a wide range, taking in both advanced and preliminary studies in commercial courses, High School studies, technical courses, singing, domestic science, electrical engineering and various branches of building. All classes commence punctually at 7.30 o'clock and a list of rules have been arranged, which include the following:

No class will be formed until warranted by the registrations. Any class failing to keep up an average attendance of 10 will automatically close.

If a sufficient number of students enroll for any subject not on the syllabus, the Board will engage an instructor if practicable.

The syllabus of work in any class may be changed by the Supervisor to suit any special conditions that may arise.

Fees are payable to the instructor on the opening night. No fees will be refunded.

Certificates will be issued at the end of the session.
