Thank you!

- Thank you to all the volunteer contributors that helped to make this year's Wikimania Hackathon a roaring success!
- ...and a huge thanks to everyone that helped fix bugs, make connections with people, wrote and reviewed code, and unlocked additional clarity and brainpower...all the cool things that we can do - together!

Hackathon Closing Showcase

- This session will be live-streamed and recorded

- Maximum of two minutes to discuss your project

- Provide context to non-technical users

- Celebrate your work!

- All participants will present from a single laptop, as switching machines consume too much time.

- All links to be opened during the showcase will need to be documented in the etherpad.
