7A. Recommendations Process

WIKIMEDIA
SUMMIT

Strategic Direction

By 2030, Wikimedia will become the essential infrastructure of the ecosystem of free knowledge, and anyone who shares our vision will be able to join us.

Session Aims

- **60min or less:**
 - To share the timeline for the rest of the year.
 - **60min or more:**
 - Your Working Group time.
-
- **After lunch, 90min more to:**
 - Continue working, planning, exploring interdependencies.

Session Suggestions

- We will minimise group discussions because the room is rubbish.
- If at any point you feel you can use your time more productively in your Working Group room, please leave.
- Please take care of yourself and others when giving and receiving your passion for the work.

Recommendation Format

- **Q. What is the goal?**
 - To produce a set of coherent Recommendations.
 - Drafting support together with affiliates, community, externals, core team, + ?

Implementation

Planning Questions

- Q1. What feedback do you have on the Recommendations Format and timeline? What are your suggestions for improvement?
- Q2. What are your Working Group milestones towards the final Recommendations?
- Q3. What approaches and methods will you be using?
- Q4. What kind of support measures at what point in time could be helpful?
 - There is a document outlining present support options.

Your draft answers to these questions will support the Core Team when they meet next week between the 01-05 April.

Interdependencies

- After lunch, please go directly to your Working Group space.
- Rob/Gabor will come to your room with a suggestion, feel free to use it or not.
