

向學所 二 補 記
海島 爲
親 友 也
福 物 也
上 方 也

国立国会図書館 尾崎三良関係文書 7-6

Handwritten text on a vertical strip of aged paper, likely a document fragment or a page from a book. The text is written in a cursive script, possibly Japanese or a related East Asian style, and is oriented vertically. The characters are dark and somewhat faded, suggesting the age of the document. The strip is placed against a light-colored background for documentation.
