2. Applications to enter into private rental agreements will be approved only when the following conditions are met:

a. Written statement will be obtained from the owner indicating his willingness to rent. The rental agreement must provide for termination thereof upon assignment to applicant of government quarters. All rental agreements must contain such a release clause. The form attached as Inclosure 1, will be used.

b. Written statement will be obtained from the Surgeon (may be obtained from local surgeon in area in which abode is located) that the living quarters meet the minimum sanitation standards. The form attached as Inclosure 2 will be used.

c. Written clearance will be obtained from the local commander having regional post command jurisdiction over the area in which the property is located to the effect that no foreseeable occupation force requirement for the property exists (see Inclosure 3). A list of local commanders authorized to issue such clearance is attached as Inclosure 4.

d. Written statement will be obtained from the Engineer (may be obtained from local engineer in area in which abode is located) that the living quarters meet the minimum structural standards. The form given in Inclosure 3 will be used.

e. The amount of rent to be paid for the property is fair and reasonable.

f. Under no circumstances will a principal be released from assignment to procurement demand dependent housing on the basis of having obtained family quarters through private rental agreement.

3. Personnel granted approval to enter into a private rental agreement will be governed by the following as applicable:

a. Rental Payments. Payment of contractual agreements will be subject to existing regulations pertinent to the use of currencies in Japan.

b. Transportation of Dependents. An approved private rental agreement may be used as the basis for request for transportation of dependents, household goods and privately owned automobile by a principal otherwise entitled thereto under law and regulations.

Declassified E.O. 12065 Section 3/402/ NNDG NO. 775009

3. b. In such a case as this, General Headquarters will request coordinated travel of the principal and his dependents upon receipt of his application therefor.

c. Rental Allowance.

(1) Payment of rental allowance to military personnel otherwise entitled thereto, who procure living quarters through private rental agreement, is authorized. However, at such time as available government quarters in the local housing area concerned are in excess of local housing requirements for all personnel entitled thereto and applying therefor, an individual occupying privately rented quarters and drawing rental allowance will either be assigned to government quarters by competent authority or may elect to continue to occupy privately rented quarters without receiving rental allowance.

(2) Payment of rental allowance to Department of the Army civilian employees who enter into private rental agreements is not currently authorized, provisions of paragraph 1-3 and Section 3 of Civilian Personnel Regulations T7 notwithstanding.

(3) No rental allowance will be paid to military personnel without dependents, as defined by law and regulations, who may be authorized to enter into private rental agreements.
