List of Japanese Military and Civilian Personnel at
Mukden Prisoner-of-War Camp
(Docs 2825-6-7-8-9, 2830-2-4, 2840)

This report consists of a list of Japanese military and civilian personnel who were treated by the medical authorities at the Mukden Prisoner-of-War Camp between April 1942 and August 1945. The list is arranged alphabetically and was compiled from consolidated extracts of nine documents emanating from the Medical Office of this camp.

In accordance with instructions from the War Crimes Office to give priority to all information yielding personal details of Japanese connected with internment and prisoner-of-war camps, this document will be valuable in indentifying and locating administrative and medical personnel connected with the Mukden camp.

The list supplies names, ranks, assignments with latest dates, and civilian occupations of personnel treated; in addition, the home addresses of 26 of the patients are given. Amongst these is the highest ranking officer mentioned in any of the documents, Colonel MATSUDA Mocharu, stated to be a regular soldier. Whether or not any of these 26 individuals are required for interrogation, their home addresses furnish a convenient method for contact and questioning about the camp and any other Japanese personnel there about whom information might be required.
