response by the Senate and House of the ing that the people ought not to be satisfied with 16 hides II is Lee & co; (1 bble molecular through any thing short of a total and anconditional abolishment of the entire system of imprisonment for Segond.

Second: Lafourche Streek Malourche with

"Resolved, That his Excellency the loverval; but if the evening papers of the same date nor be, and he hereby is requested to transmit a Peru.—A late letter from Lima, studd that there should, by the same mail, we shall doubtless have

"Chairman of the Committee

THE NEXT PRESIDENCY.

Speculation is at an end on the question who loss is estimated at from four to five million of will be the candidates. General Jackson has dollars.—Merc. Advertiser. be en induced to consent to be a candidate for reelection, notw thstanding his recommendation to Congress, that the Constitution shall be so amended as to prohibit the second election of ang President. It does not seem likely that Mr. Calhoun will venture the contest. Mr. Clay has been proclaimed throught the Union, as the Candidate of the National Republican party.
The contest then is to be between General Jackson and Mr. Clay-between the Military , Chief

and the untitled citizen. It is well, when we are about to enter into battle, to calculate the probable kame. It is folbattle, to calculate the probable feare. It is follow, it is madness to contend against an invincible force. It is the part of the insane to exhaust steameth in handless structurales. It is the the Council. General Morgan Lewis, Vice ly, it is madness to contend against an invincihaust strength in hopeless struggles. It is the extreme of fool-hardiness to go into a contest with a certainty of nothing but disgraceful and rule. Let us attend the inneral obsequies of our glorious system of Internal Improvement and Protection to Domestic Industry, with whatever of composure philosophy may enable us to sume. Let us contemplate the Supsume Court of the too, the glory of our land in the eyes of all majons, yielding gradually for the want of executive support, and finally sinking into abselute inefficiency; and, if we can look or calculate the agree of the more story one hundred and twenty members to Parliament. executive support, and interpretation of calming in the aggregate axis, a population little inefficiency; and, if we can, look on calmin, less than either, Birmingham or Manchester con-

***star with out the proposed allowance for the Russian mission, yielding it to Mr. Eurgess. Mr. star mission, yielding it to Mr. Eurgess. Mr. but the proposed allowance for the Russian mission, yielding it to Mr. Eurgess. Mr. but the proposed it to Mr. Eurgess. Mr. but the boroughs to be disfranchised, or one manner. In the decree of the Imperial Cressr. If it must be appropriated to the thirty great manufacturing ton, in order to save the withers of our nullifying be so, let us prepare our hearts for these things: but st let us ask if there be no remedy! La long commercial towns which have hithered been writing for several days, to borrow a smile from the case d sperate as our adversaries tell es, and as one or two among ourselves s am ready to be-'In awful prescience of the impending thwack.' lieve! Let us make the c culation.

a rate nearly unanimous, and Mr. Bargess took set down those about which candid men make no question. There are Massachusette, Ver-The report of Mr. Burges's speech has not mont, Connecticat, R. Island, New-Jersey, of the whole week amount only to that quantity, whom the Romans set up in their of an. Georgia, Alabama, and Mississippi; and and rude, and uncalled for.

The New York Courier, after stating to the New York Courier, after stating to the new heart ting to the American System; but both these stationary each new light and e now heart ting to two opinions.

Lach, however, will probably go for Jackson.

This then is the rult. There are 11 states

the room of Nathan Sanfo d, says: Vec. in for Mr. Clay. There are S states, of the rest is said the rest. Sa ford has performed his duties in which two are the nullifying states, and the rest an able and judicious manner, and he on y gives hostile to the American System, certain for Gen. place to a successor in practical illustration of Jackson. Of the remaining five, two will probably support Mr. Clay. two Gen. Jackson; and one is in a strait be ween her principles and her

Thus, according to the Courier, the "sound democratic doctrine of rotation in office" reduires that Mr. Sanford, who "has performed his duties in an able and judicious manner," shall give way to another, before he has served agen a foll term, as he was only elected in January, 1826. Yet when we desire that General Jackson shall give a similar illustration, the consistent democratic Courier dealers, that the instant democratic Courier dealers, that the instant democratic Courier dealers, that the instant will be for Mr. Clay, 135e for Prisonal preferences.

Supposing each state to have as many elec sistent democratic Courier declares that the in- son, the result will be, for Mr. Clay, 135; for sistent democratic Courier declares that the interesis of domocracy require that he shall be reelected for a new term of service! So much for
the pliant republicanism of Mr. Van Buren and
his Grants!

Son, the result will be, for Mr. Clay, 100; 107
Gen. Jackson 126. Allowing these to be given
to Mr. Clay, the great champion of the political
faith, heretofore professed by Pennsylvahia,
and the r ult will be, for Mr. Clay 163; for
Gen. Jackson 98, If the apportionment of

Clay.

We have no fear they of defeat, if the National Republican Party will do its daty. It is plain that our antegonists are very far from the ing confident of victory; else why does me thought of Clay luming them so constantly!

I was entired earned by their experience. I sub.

The gained by their experience. I sub.

We would say therefore to the what contest in Clay, Be up and doing. It is a great contest in which you are engaged. Vital principles are involved in it. Be firm, united, vigilant and active, and you will triumph,—and the country will be saved.' - Cincinnati American.

BOSTON Feb. 6. Meeting of the People at Fancuiel Hall.

At the assemblage of citizens on Thursday aight, the Rev. Mr. Pichont made a spensh of great power and eloquence, which is thus spoken of by Jenkey. 1831: Jackson authorizes his off. great power and eloquence, which is thus spoken of by Jenks in his excellent paper, the Working

the relais Secretary of State, and his affected his address immediately on the call to order from Schr Hannes of Missandous Legals investigation of side laws encourage in favor of the proposition of side laws encourage in favor of the proposition of side laws encourage in favor of the proposition of side laws encourage and the proposition of side laws encourage in favor of the proposition of the pro the chair.
