Re Chicago airtel 6/4/63. (u)

In the event efforts to arrange with Lowell Williamson to meet with Agents of the New York or Chicago Offices are successful, careful attention must be given to assure that Williamson will be afforded complete security in any such meetings. (u)

- 1 - New York
- 1 - Kansas City

NOTE: Lowell Williamson, the husband of Dorothy McGuire of the singing sister trio, is in a position to furnish the Bureau information as to travel and other activities of Sam Giancana, Chicago underworld leader who is romantically involved with Phyllis McGuire of the singing team. (u)

Williamson is willing to furnish information to the Bureau but has indicated some concern as to the risk involved in view of Giancana's hoodlum background. Williamson resides in Calgary, Canada, and KC is attempting to arrange through his attorney for Agents of either the NY or CGO to meet with Williamson in one of those two cities for the purpose of receiving information concerning Giancana. Re Kansas City airtel to the Bureau dated 6/3/63. (u)

The Chicago Division feels that in view of the close association GIANCANA maintains with PHYLLIS MC GUIRE and therefore the knowledge that the MC GUIRE Sisters and their associates have of GIANCANA's current activities, it is extremely desirous that an up-to-date contact be maintained with LOWELL WILLIAMSON. It is pointed out that at this time, WILLIAMSON is in a position to furnish the most up-to-date coverage of GIANCANA regarding GIANCANA's activities while out of the Chicago Division. In this regard, it is felt that in order to serve the best interests of the Bureau and to maintain up-to-date coverage of GIANCANA, the Kansas City Office should endeavor to convince ROBERT MARTIN that WILLIAMSON should be convinced of the necessity of meeting with agents in either New York or Chicago. It should be stressed to MARTIN that complete security would be assured WILLIAMSON in any meetings made in either of these cities.

In the event MARTIN is unable to convince WILLIAMSON of the necessity of meeting with agents in Chicago or New York, MARTIN should determine from WILLIAMSON the city frequented the most by WILLIAMSON during his travels and arrangements can be made through the division covering said city to arrange an appropriate meeting with WILLIAMSON at such times as WILLIAMSON visits the city in question. (u)

It is further pointed out that the Kansas City Division should stress to MARTIN the need for WILLIAMSON to furnish information concerning GIANCANA's activities immediately upon his learning of same so that proper coverage can be afforded these activities. The Kansas City Division is requested to advise MARTIN that should WILLIAMSON desire to make contact with the Chicago Division, he should attempt to contact SA MARSHALL E. RUTLAND to whom the GIANCANA case is assigned. (u)

Should WILLIAMSON continue to be adverse to meeting with agents in either Chicago or New York and a third city be selected by WILLIAMSON, the Chicago Division suggests that the Bureau allow either Chicago or New York Agents to make contact with WILLIAMSON at the designated city, the contacting agents being determined by the proximity to either New York or Chicago. It is felt that the most desirable situation would be for Chicago Agents knowledgeable with GIANCANA's activities, associates, and movements, if at all possible, be allowed to make these contacts.
