## SANDS' SARSAPARILLA

FOR THE REMOVAL AND PERMANENT CURE OF ALL DISEASES ARISING FROM A Deprayed State of the Blood or Habit of the System, viz

Scrofula, or King's Evil, Rheumatism, Obstinate Cutaneous Eruptions, Pimples, or Pustules on the Face, Blotches, Biles, Chronic Sore Eyes, Ring Worm, Scald Head, Sore Head, Enlargement and Pain of the Bones and Joints, Stubborn Ulcers, Syphilitic Symptoms, Strictures of Long Sage, and Diseases arising from an injudicious use of Mercury, Andrew's Ksposure or Imprudence in Life. Also, Chronic Constitutional Disorders will be removed by this Preparation

DISEASES of the system originate in an impure state of the blood and if not generally, will be speedily and effectually removed by this invaluable medicine as its operation is peculiar, and consists in removing the cause—disease by entering into the circulation, and purifying the whole general system. Where obstructions from a forbearance exist, they are removed as it passes along the alimentary canal, and the weight and virulence of the disease is sensible operation of the Sarsaparilla from its curative powers.

The following letter, recently received by the proprietor of this invaluable medicine, will be read with interest by all similarly afflicted:—

Baltimore, June 1st 1848.

Messrs. Sands:

I was attacked in the year 1839 with a scrofulous affection on my upper lip, and continuing unwatchfully to heal, of my nose and surrounding parts until the passages for conveying air from the nose to the throat were closed, which caused an incessant flow of tears. It also affected my gums, causing a discharge very unpleasant, and my teeth became so loose that it was with great difficulty I could keep them out with a slight jerk. I consulted the first physicians in the city, but with little benefit, the disease continued gradually to increase until my whole body was affected—but thanks to heaven, and the physician from whom I got your preparation of Sarsaparilla, I procured from your agent in this city, Dr. James A. Reed, six bottles; and in less time than three months I was restored to health and happiness—Your Sarsaparilla alone effected the cure.

DANIEL MCCONNIKAN.

Any one desirous to know further particulars will find me at my residence in Front street, where it will afford me pleasure to communicate any thing in relation to this case.

DANIEL MCCONNIKAN.

Personally appeared before me the above named Daniel McConnikan, and made oath of the facts contained in the foregoing statement.

JOHN CLOUD
Justice of the Peace of the City of Baltimore.

New Brunswick, N. J., Sept 26, 1848.

Messrs Sands:—I can speak from a very gratifying personal experience of the great value of your preparation of Sarsaparilla for about nine months I suffered beyond expression from an attack of Erysipelas in the head and face. Neuralgia, by which I was rendered incapable of attending my ordinary employment. For months I was unable to write a line or hold a pen or convey food to my mouth, and such was my bodily distress that I could not accept in brief ratched utter extreme exhaustion, was impossible. The medical treatment usual in this disease availed me nothing, and I was at last induced to try your Sarsaparilla. Before the second bottle was gone used, the disease abated I continued to take it to the amount of six bottles, and was perfectly relieved, and I hope permanently—no indication of a relapse having appeared yet.

☞ Several metallic preparations, such as nitrate of silver and arsenic, have been much relied on in late years, but they failed in my case.

C. HOOVER.
