REPORTS OF DEPARTMENTS. REPORT OF THE SECRETARY OF THE INTERIOR which the public domain has been acquired, and an account of the organization of the surveying system, Mr. Thomrson says that the entire surface of the public lands is 1.4 or 0 m.000), of which 57,442,870 acres have meter been oldered for sale, and 80,000,000 were subject to entry at private sale on the both september. There are yet 1,086,137,536 acres und-spessed. The sales of last year were 1,300,000 acres; 7,321,000 were located with mintary warrants, and 5,116,000 were deathed under railroad grants. The amount of cash sucks was 41,225,000, being a failing eff of over \$1,000,000. The location of lands with warrants has likewise diminished 20 per cent.

The report recommends a commission for the settlement of land cisims in New Mexico,

the settlement of thand claims in New action, and a geological survey of the Territory. There are 37,099 Indians within the limits of the Union. Their condition cannot be inchorated, until they take up with fired hiddenings. The Secretary is in favor of gathering, the tribes into smaller reservations, and in denser settlements, with farms of agriculture. The tribes which have advanced in cyclication, and whose prespects are grainlying, are those in the Southern's aperintendency – the Choctaws, Chickassaws, Cherokees and Creeks, with the Seminness in the Territory West of Arkansas. The establishment of a District Court for this Superintendency is recommended, to heal disputes among the people. In Washington in Origin the savages remain belligeront. It is recommended that the expenses of a decident from these tribes to the federal capital be paid by t. government, in order the formation of the subject was postioned until Monday, and the Senate adjourned.
