Dear Brother,

Yrs. of May 28th was duly rec^d. The
receipt of it ^{with gratification of Bank share} ~~is~~ ^{is} have been acknowledged before, had I not
been thinking some of being on at Boston about these days.
As I have relinquished + idea for + present, of see^g you at
~~Boston~~, you will find at + bottom of + page a receipt
of + interest paid by you. I expect to go on, next Mon-
day, as delegate to + Gen^l Ass^y at Wethersfield; & after
+ meeting, ride over to Farmington. I suppose you hear
from these occasionally. Tho' substantial town of our nativity,
you know, does not abound in incident. Justice Williams is
putting up + largest & most expensive house in town, be-
low + Alex house, opposite Geo. Cowles. The next Church at
Unionville is to be dedicated about these days, & a minister
ordained. Flanders who married Nancy Cowles, does not get bet-
tled yet. His wife has been at home more than a year.
It is rather doubtful whether you see him in B. this summer?
I am much obliged to you for all + trouble you have taken
in reference to my Bank affairs. I should be pleased to hear
from you at any time. Yrs. fraternally, G. J. Tillotson.
