LOVE OF NATURE.

The More Man Loses Out of Door Life the More He Admires It. The more man has become engaged the conflicts of civilization, in intel ctual disappointment, the more h nas felt the uselessness of knowledge, he more he has turned to certain ex pressions of art as an escape. He has addressed poems to nature, has painted landscape more and more, has shown in every way that such an esrom the very beginning, even before the first man stuttered out his namng of the animals and expressed their aracter by the sound of their name the dances of savages, as we call shore. In Fiji they have a dance sight. where the women spread out their arms like the wave lines of the surf, and the children, springing up behind them, represent the foam of the wave

know that tragedy and comedy, as we granite, undergoing decomposition, col call them, have grown. Then, as all lects in the lake basin, where it is held these disappear in fact, they are recorded in the art of painting. And as nan more and more leaves behind him life of out of doors in so much does e desire to admire it.-McClure's Mag-

WOMEN WRITERS. None Among Them Has Ever Attained Real Greatness In Poetry. Though the quality and range of her enius were deep, generous and wide, Elizabeth Barrett Browning cannot be described, if language is to be used accurately, as occupying a place among the poets justly designated great. In no tongue hitherto has any female writer attained to that supreme position, and were this the appropriate moment, which it is not, it would perhaps e possible to explain why no woman likely ever to do so. Not a few feale writers are in effect in the front nk of novelists. But prose-romance s one thing and poetry quite another, and there is a chasm between them nor does the circumstance of novels beng in this age more popular than pory affect in any degree the inherent immutable difference. Elizabeth Barrett Browning was, "Aurora Leigh" notwithstanding, essentially and almost exclusively a lyrical poet. It would be easy to add almost indefinite-

Bust of Mrs. Browning. Rubinstein's Charity. Rubinstein probably traveled more than any other virtuoso. In his time he made many fortunes and gave them away to the poor in Russia. During a famine which raged among the Russian peasants he journeyed to Vienna,

A TALE OF TWO SCOUTS.

Narrow Escape From a Rattler and a Band of Indians. In Cyrus Townsend Brady's "Indian Fights and Fighters" is a tale of two scouts, Trudeau and Stillwell, who carried to General Carpenter through an Indian infested country the news that Major Forsyth was being besieged in the sands of Beecher's island by a thousand warriors. Here is one incident of their journey: "During this day a large party of scouting Indians halted within 100 feet of the wallow where the scouts were

hiding. Simultaneously with their arrival a wandering rattlesnake made its Sonoma News Depot appearance in front of the two scouts, who were hugging the earth and expecting every minute to be discovered. "In his way the rattlesnake was as deadly as the Indian. The scouts could have killed him easily had it not Candy, Cigars, Tobacco, been for the proximity of the Cheyennes. To make the slightest movement would call attention to their hid- Three doors from the Sonoma Valley Bank, ing place. Indeed, the sinister rattle of the venomous snake before he struck the alert Indians. Between the savage reptile and the savage men the couts were in a frightful predicament, which young Stillwell, a lad of amaz-

"He was chewing tobacco at the time, and as the snake drew near him and made ready to strike Stillwell completely routed him by spitting tobacco juice in his mouth and eyes and all over his head. The rattlesnake fled. He could not stand such a dose. The Indians presently moved on, having noticed nothing, and so ended perhaps the most terrible half hour the two men had ever experienced.'

ng resources, instantly and effectually

Beauty and the Beast. "How do you do, Mrs. Venus?" exclaimed a gentleman of that lady's acquaintance. "Pray, what brings you out so early in the day?". "Oh, I've just been to the photographer with my pet pug Pongo" (which Stone, Marble and Cement Work she carried in her arms) "and we have she carried in her arms), "and we have had our portraits taken together, haven't we, Pongo? Beauty and the beast, you know, Mr. Johnson," with a

saucy little laugh. "And what a little beauty he is, to be sure," replied Johnson inadvertently as he tenderly stroked poor Pongo's Stone and Concrete Founda-

And then he suddenly remembered and became hot and cold in turn, and they parted strangers foreverm
