An Act for the Regulation of Her Majesty's Royal Marine Forces while on shore. [31st March 1860.]

[Sections 19, 22, 59, 60, 61, 67, and 93 are omitted; the Sections now printed are either entirely new or are such as have been materially altered.]

WHEREAS it is judged necessary for the Safety of the United Kingdom, and the Defence of the Possessions of this Realm, that a Body of Royal Marine Forces should be employed in Her Majesty's Fleet and Naval Service, under the Direction of the Lord High Admiral of the United Kingdom, or the Commissioners for executing the Office of Lord High Admiral aforesaid: And whereas the said Forces may frequently be quartered or be on shore, or sent to do Duty or be on board Transport Ships or Merchant Ships or Vessels, or Ships or Vessels of Her Majesty, or other Ships or Vessels, or they may be under other Circumstances in which they will not be subject to the Laws

*Marine Mutiny.*

Laws relating to the Government of Her Majesty's Forces by Sea: And whereas no Man can be forejudged of Life or Limb, or subjected in Time of Peace to any Kind of Punishment within this Realm, by Martial Law, or in any other Manner than by the Judgment of his Peers, and according to the known and established Laws of this Realm; yet nevertheless it being requisite for the retaining of such Forces in their Duty that an exact Discipline be observed, and that Marines who shall mutiny or stir up Sedition, or shall desert Her Majesty's Service, or be guilty of any other Crime or Offence in breach of or to the Prejudice of good Order and Discipline, be brought to a more exemplary and speedy Punishment than the usual Forms of the Law will allow: Be it therefore enacted by the Queen's most Excellent Majesty, by and with the Advice and Consent of the Lords Spiritual and Temporal, and Commons, in this present Parliament assembled, and by the Authority of the same, as follows:

I. It shall be lawful for the said Lord High Admiral, or the Commissioners for executing the Office of Lord High Admiral aforesaid, from Time to Time to make, ordain, alter, and establish Rules and Articles of War, under the Hand of the said Lord High Admiral, or under the Hands of any Two or more of the said Commissioners, for the better Government of Her Majesty's Royal Marine Forces, and for the Punishment of Mutiny, Desertion, Immorality, Breach of Discipline, Misbehaviour, Neglect of Duty, and any other Offence or Misdemeanour of which they shall be guilty, in any Place on shore or afloat in or out of Her Majesty's Dominions, or at any Time when or under any Circumstances in which they shall not be amenable to the Laws for the Government of Her Majesty's Ships, Vessels, and Forces by Sea, and for regulating the Proceedings of Courts-martial, which Rules and Articles shall be judicially taken notice of by all Judges and in all Courts whatsoever; and Copies of the same shall, as soon as conveniently may be after the same shall have been made, be transmitted by the Secretary of the Admiralty for the Time being (certified under his Hand) to the Judges of Her Majesty's Superior Courts at *Westminster, Dublin, and Edinburgh* respectively, and also to the Governors of Her Majesty's Dominions abroad; provided that no Person within the United Kingdom of *Great Britain and Ireland* or within the *British Isles* shall by such Articles of War be subject to suffer any Punishment extending to Life or Limb; or to be kept in Penal Servitude, except for Crimes which are by this Act expressly made liable to such Punishment as aforesaid, or shall be subject, with reference to any Crimes made punishable by this Act, to be punished in any Manner which may be inconsistent with the Provisions of this Act.

II. All Crimes and Offences committed against any former Act made for the Regulation of the Royal Marine Forces while on shore, or against any of the Rules, Regulations, or Articles of War made and established by virtue of the same, may, during the Continuance of this Act, be tried, inquired of, and punished in like Manner as if they had been committed against this Act; and every Warrant for holding any Court-martial under any former Act shall remain in full Force notwithstanding the Expiration of such Act; and all Proceedings of any Court-martial upon any Trial begun under the Authority of such former Act shall not be discontinued by the Expiration of the same: Provided always, that no Person shall be liable to be tried and punished for any Offence against any of the said Acts or Articles of War which shall appear to have been committed more than Three Years before the Date of the Commission or Warrant for such Trial, unless the Person accused, by reason of his having absented himself, or of some other manifest Impediment, shall not have been amenable to Justice within that Period, in which Case such Person shall be liable to be tried at any Time not exceeding Two Years after the Impediment shall have ceased; and provided also, that if any Officer or Marine in any Place beyond the Seas shall commit any of the Offences punishable by Court-martial under this Act, and shall escape and come or be brought into this Realm before he be tried for the same, he shall, when apprehended, be tried for the same as if such Offence had been committed within this Realm.

III. This Act shall extend to the Islands of *Jersey, Guernsey, Alderney, Sark, and Man*, and the Islands thereto belonging, as to the Provisions herein contained for enlisting of Recruits, whether Minors or of full Age, and swearing and attesting such Recruits, and for mustering and paying, and to the Provisions for Trial and Punishment of Officers and Marines who shall be charged with Mutiny and Desertion or any other of the Offences which are by this Act declared to be punishable by the Sentence of a Court-martial, and also to the Provisions which relate to the Punishment of Persons who shall conceal Deserters, or shall knowingly buy, exchange, or otherwise receive any Arms, Medals for good Conduct or for distinguished or other Service, Clothes, Military Furniture, or Regimental Necessaries from any Marine or Deserter, or who shall cause the Colour of any such Clothes to be changed; and also to the Provisions for exempting Marines from being taken out of Her Majesty's Service for not supporting or for leaving chargeable to any Parish any Wife or Child or Children, or on account of any Breach of Contract to serve or work for any Employer, or on account of any Debts under Thirty Pounds in the said Islands.

IV. Every General Court-martial convened within the United Kingdom or the *British Isles* shall consist of not less than Thirteen Commissioned Officers, and shall have Power to sentence any Officer of Marines or Marine to suffer Death, Penal Servitude, Imprisonment, Forfeiture of Pay or Pension, or any other Punishment which shall accord with the Usage of the Service; but no Judgment of Death by a Court-martial shall pass unless Two Thirds at least of the Officers present shall concur therein.

- XXV. In any Case where a Sentence of Penal Servitude shall have been awarded by a General or Detachment General Court-martial, it shall be lawful for Her Majesty, or, if in any Place out of the United Kingdom or *British Isles*, for the Officer commanding in chief Her Majesty's Forces there serving, instead of causing such Sentence to be carried into execution, to order that the Offender be imprisoned, with or without Hard Labour, and with or without Solitary Confinement, for the same or such lesser Term as shall seem meet to Her Majesty or to the Officer commanding as aforesaid.

C A P. XV.

An Act to make further Provision concerning Mortgages and other Dispositions of Property belonging to Municipal Corporations in *England* and *Ireland*. [15th May 1860.]

‘ **WHEREAS** it is expedient to make further Provision concerning Mortgages and other Dispositions of Property belonging to Municipal Corporations: Be it therefore enacted by the Queen’s most Excellent Majesty, by and with the Advice and Consent of the Lords Spiritual and Temporal, and Commons, in this present Parliament assembled, and by the Authority of the same, as follows :

Treasury, in approving Mortgages by Municipal Corporations, may require Money borrowed to be repaid within a limited Time, by Instalments or by a Sinking Fund, or by both.  
How Sinking Fund to be raised.

I. In any Case where the Commissioners of Her Majesty’s Treasury approve of any Mortgage of any Hereditaments of the Body Corporate of any Borough, the said Commissioners may, as a Condition of their Approval, require that the Money borrowed on the Security of such Mortgage shall be repaid, with all Interest thereon, in Thirty Years, or any less Period, and either by Instalments or by means of a Sinking Fund, or both, as the said Commissioners may think fit; and in every such Case the Sums required for providing for the Repayment of the Principal and Interest of the Money borrowed shall by virtue of this Act become charged upon the Hereditaments comprised in such Mortgage (without Prejudice to the Security thereby created), or any other Hereditaments (if any) of the said Body Corporate, or the Borough Fund, or the Borough or other Rates legally applicable for the Payment or Discharge of the Money borrowed, or the Expenses which such Money may be borrowed to defray, or on all or any of the Securities aforesaid, as the said Commissioners may direct.

II. When any Money to be borrowed as aforesaid is directed to be repaid by means of a Sinking Fund, the Council of the Borough shall, out of the Rents and Profits of the Hereditaments, or out of the Borough Fund or Rates on which the Sums required for such Sinking Fund are charged under this Act, invest or cause to be invested such Sums, and at such Times and in such Government Annuities, as the said Commissioners may direct, and shall also from Time to Time invest or cause to be invested

in

*Municipal Corporation Mortgages, &c.*

in like Manner all Dividends of such Annuities, so as to accumulate at Compound Interest, and all Annuities in which such Investments are made shall, in the Books of the Governor and Company of the Bank of *England* and of the Governor and Company of the Bank of *Ireland* respectively, be placed to the Account of the Body Corporate, and "In the Matter of the Municipal Corporation Mortgages, &c. Act, 1860," and the Dividends of such Annuities shall be paid to such Person or Persons as the said Council by Power of Attorney under the Corporate Seal of the Borough from Time to Time appoint, and shall be invested as herein directed; but the Annuities to be purchased shall not be sold or transferred without the Consent in Writing of the said Commissioners, addressed to the Chief Accountant of the Bank of *England* or of the Bank of *Ireland* (as the Case may require); and the Direction in Writing of the Council of the Borough by Power of Attorney under the Corporate Seal of the Borough, with such Consent in Writing of the said Commissioners, shall be sufficient Authority to the Governor and Company of the Bank of *England* or of the Bank of *Ireland* (as the Case may be) for permitting the Transfer of such Annuities or any Part thereof.

III. Where any Purchase Money or Compensation has been paid into the Bank of *England* or *Ireland*, under any Act of Parliament, in respect of any Hereditaments, or any Interest therein, purchased or taken from any such Body Corporate, or in respect of any permanent Damage to any Land of any such Body Corporate, and the said Commissioners approve of the Payment of such Money or Compensation, or of any Money to arise from the Sale of any Government Securities in which the same may have been invested, to such Body Corporate or their Treasurer, the said Commissioners may, as a Condition of their Approval, require Provision to be made for raising in manner herein-before provided with respect to a Sinking Fund for Repayment of Money borrowed on Mortgage, and investing in Government Annuities a Sum equivalent to the Amount of Money so paid to such Body Corporate or their Treasurer; and the Provisions herein-before contained in the Case of a Sinking Fund, as to the Mode of investing, Payment of Dividends, and Transfer of Annuities, shall be applicable in the Case of Investments under this Provision; and the said Commissioners shall, when it appears to them that an Amount of Annuities equivalent to the Amount paid as aforesaid has been raised by Investment under this Enactment, direct that the Accumulation shall cease; and such Annuities and the Dividends thereof shall thenceforth be applicable as the same would have been if such Annuities had arisen from Investment under the Act of Parliament under which such Purchase Money or Compensation as aforesaid became payable: Provided always, that this Section shall not apply to any Money payable to a Body Corporate, when Provision for the Application of such Money, or of the Price or Compensation from which such Money has been derived, is contained in any Local Act of Parliament relating thereto, and the Money is to be paid to such Body Corporate, to be applied in conformity with such Provision.

IV. Where the said Commissioners approve of the Sale of any Hereditaments, or any Interest therein, of any such Body Corporate, their Approval may be subject to such Conditions for and in relation to the Investment of the Proceeds of such Sale for the Benefit of such Body Corporate as the said Commissioners may see fit, and where they direct the same to be invested in Government Annuities, the Provisions herein-before contained as to the Mode of investing, Payment of Dividends, and Transfer of such Annuities, shall be applicable, but not so as to render necessary any Accumulation; or if the said Commissioners see fit to consent to the Application of the Proceeds of such Sale or any Part thereof for the Benefit of the Inhabitants of the Borough, they may as a Condition of their Consent require the like Provision to be made as they are authorized to require in the Case of their Approval of Payment to any such Body Corporate or their Treasurer as herein-before mentioned; and this Enactment shall apply as well to any Money received for Equality of Exchange by any such Body Corporate as to the Proceeds of the Sale of any Hereditaments or Interest in Hereditaments of any such Body Corporate.

V. The said Commissioners may at any Time consent to the Application of any Annuities arising from Investments under either of the Two last preceding Sections, or of the Monies to arise from the Sale thereof or any Part thereof respectively, for the Benefit of the Inhabitants of the Borough, and as a Condition of their Consent may require the like Provision to be made as they are authorized to require in the Case of their Approval of Payment to any such Body Corporate or their Treasurer as herein-before mentioned, and so from Time to Time, as often as the said Commissioners think fit, and the Provisions of this Act shall be applicable accordingly: Provided always, that nothing in this Act shall be deemed to make it imperative on the said Commissioners to require such Provision as aforesaid as a Condition of their Assent to the Application of such Annuities or Monies, or to the Payment of any Purchase Money or Compensation in respect of Hereditaments of a Body Corporate (or Money to arise from the Sale of Investments thereof,) to such Body Corporate or its Treasurer, where by reason of the Application of such Annuities or Monies to Improvement of the Property of such Body Corporate, or for the permanent Benefit of the Borough or otherwise, under the special Circumstances of the Case, the Commissioners in their Discretion think fit to dispense with such Provision.

VI. Where before the passing of this Act the Commissioners of Her Majesty's Treasury have approved of any Mortgage of the Hereditaments of the Body Corporate of any Borough, and on such Approval have required a Sinking Fund to be formed from Time to Time in the Name of Trustees, or have approved of the Payment to any such Body Corporate or their Treasurer of any such Purchase Money or Compensation as aforesaid, or of any Money arising from the Sale of any Government Securities

When Money paid into the Bank, under any Act of Parliament, for Purchase of Lands, &c. of a Municipal Corporation, is paid out, Treasury may require Provision to be made for replacing the Amount.

Not to apply to Money, when Provision for its Application is contained in any Local Act. Treasury may, where they authorize a Sale of Land of any Municipal Corporation, direct Investment of Proceeds.

Power to apply certain Investments for the Benefit of the Borough.

Proviso, setting aside, in certain Cases, Direction as to Investment of Proceeds.

Provision for Cases of Mortgage, &c. before the passing of this Act.

*Municipal Corporation Mortgages, &c.*

Securities in which the same may have been invested, and have on such Approval required Provision to be made for raising, by means of Investments in the Names of Trustees, an Amount equivalent to the Amount paid with such Approval to such Body Corporate or their Treasurer, or have approved of the Sale or Alienation of any Hereditaments or Interest therein of any such Body Corporate, and have required on such Approval the Investment of the Proceeds of such Sale in the Names of Trustees, the said Commissioners may require any Securities in which any such Investments may have been already made to be transferred into the Name of such Body, and "In the Matter of the Municipal Corporation Mortgages, &c. Act, 1860," or may require any Money applicable for the Purposes of such Sinking Fund to be invested in the Purchase of Government Annuities in the Name of such Body, and "In the Matter of the Municipal Corporation Mortgages, &c. Act, 1860;" and the Order in Writing of the said Commissioners for that Purpose shall be a sufficient Discharge to such Trustees from all Claims in respect of the Transfer of such Securities in pursuance of such Order, and the said Commissioners may in the respective Cases aforesaid give such Directions as they might give in the analogous Cases herein-before provided for, arising after the passing of this Act, or as near thereto as the Circumstances of the Case may require, and the Provisions of this Act shall be applicable accordingly.

Penalty for Misappropriation of Monies, as stated in 20 & 21 Vict. c. 54.

VII. If any Person authorized to receive the Monies to arise from the Sale of any Annuities or Securities purchased or transferred under this Act, or any Dividends, or any other such Money as aforesaid, appropriate the same otherwise than as directed by this Act, or by the said Commissioners in pursuance thereof, he shall be guilty of a Misdemeanor, and shall be subject in respect thereof to the Provisions of the Act of the Session holden in the Twentieth and Twenty-first Years of Her Majesty, Chapter Fifty-four, applicable to any Person guilty of a Misdemeanor under that Act.

## C A P. XXXVII.

An Act to levy an Assessment in the County of *Inverness* to discharge a Debt on the *Castle Stewart and Nairn Road* in the said County. [23d July 1860.]

WHEREAS the following Acts were passed for the Purpose of making and keeping in repair certain Roads and Bridges in *Scotland*; that is to say, the Acts of the Forty-third of *George* the Third, Chapter Eighty, of the Fifty-ninth of *George* the Third, Chapter One hundred and thirty-five, of the Fourth of *George* the Fourth, Chapter Fifty-six, of the Fifth of *George* the Fourth, Chapter Thirty-eight, of the Third and Fourth of *William* the Fourth, Chapter Thirty-three, and of the Eleventh and Twelfth of *Victoria*, Chapter Forty: And whereas by the said Act of the Third and Fourth of *William* the Fourth, Chapter Thirty-three, after reciting that it was expedient that Power should be granted to the Commissioners for Highland Roads and Bridges to fix and settle Plans for the Alteration and Improvement (amongst others) of the Line of Road from a Point near *Castle Stewart* to the Western Extremity of the *Nairnshire* Turnpike Coast Road, passing through the Parishes of *Inverness*, *Petty*, and *Ardersier*, in the County of *Inverness*, it was enacted that as soon as sufficient Funds for defraying the Expense of making any such altered or new Line of Road should be provided to the Satisfaction of the said Commissioners in any of the Ways specified in the said Act, the said Commissioners should be authorized and required to fix the precise Line or Direction of any such Road; and from and after the Time when any such Alteration and Improvement should be completed, the said Commissioners should be authorized and empowered to direct Tolls to be levied on such Road, and that such Road when so altered and improved should be maintained in repair by the said Commissioners: And whereas the said *Castle Stewart and Nairn Road* was made by the said Commissioners under the Provisions of the last-recited Act, and the Funds necessary for its Formation were raised by borrowing Money on the Credit of the Tolls leviable on the said Road, and a Portion of the Debt so contracted, amounting to Two thousand seven hundred Pounds, still remains undischarged: And whereas, from the Formation of Railways and other Causes, the Traffic on the said Road has much diminished, and the Revenue derived from the Tolls thereon is not more than sufficient to defray the Expense of maintaining the said Road in repair, and affords no Surplus by means of which the Debt may be paid off, and it is therefore expedient that Provision should be made for the Payment of the Debt: Be it enacted by the Queen's most Excellent Majesty, by and with the Advice and Consent of the Lords Spiritual and Temporal, and Commons, in this present Parliament assembled, and by the Authority of the same, as follows:

## C A P. XXXVIII.

[23d July 1860.]

An Act to further amend the Law of Property.

BE it enacted by the Queen's most Excellent Majesty, by and with the Advice and Consent of the Lords Spiritual and Temporal, and Commons, in this present Parliament assembled, and by the Authority of the same, as follows:

Writs of Execution of Judgments to be registered.

I. 'Whereas it is desirable to place Freehold, Copyhold, and Customary Estates on the same Footing with Leasehold Estates, in respect of Judgments, Statutes, and Recognizances as against Purchasers and Mortgagees, and also to enable Purchasers and Mortgagees of Estates, whether Freehold, Copyhold, or Customary or Leasehold, to ascertain when Execution has issued on any Judgment, Statute, or Recognizance, and to protect them against Delay in the Execution of the Writ: Be it therefore enacted, that no Judgment, Statute, or Recognizance to be entered up after the passing of this Act shall affect any Land (of whatever Tenure) as to a *bonâ fide* Purchaser for valuable Consideration, or a Mortgagee, (whether such Purchaser or Mortgagee have Notice or not of any such Judgment, Statute, or Recognizance,) unless a Writ or other due Process of Execution of such Judgment, Statute, or Recognizance shall have been issued and registered as herein-after is mentioned before the Execution of the Conveyance or Mortgage to him, and the Payment of the Purchase or Mortgage Money by him: Provided always, that no Judgment, Statute, or Recognizance to be entered up after the passing of this Act, nor any Writ of Execution or other Process thereon, shall affect any Land of whatever Tenure as to a *bonâ fide* Purchaser or Mortgagee, although Execution or other Process shall have issued thereon, and have been duly registered, unless such Execution or other Process shall be executed and put in force within Three Calendar Months from the Time when it was registered.

Mode of registering.

II. The Registry herein-before required of any Writ of Execution, or other due Process on any Judgment, Statute, or Recognizance, in order to bind a Purchaser or Mortgagee, shall be made by a Memorandum or Minute referring to the Judgment, Statute, or Recognizance already registered, so as to connect the Registry of the Writ of Execution or other Process therewith; such Memorandum or Minute to be left with the Senior Master of the Court of Common Pleas at *Westminster*, who shall forthwith enter the Particulars in a Book in alphabetical Order by the Name of the Person in whose Behalf the Judgment, Statute, or Recognizance upon which the Writ of Execution or other Process issued was registered, and also the Year and the Day of the Month when every such Memorandum or Minute is left with him, and such Officer shall be entitled for any such Registry to the Sum of Five Shillings; and all Persons shall be at liberty to search the same Book, in addition to all the other Books in the same Office, on Payment of the Sum of One Shilling only: And all the Provisions in this Act in regard to Writs of Execution or other Process and the Registry thereof, or otherwise relating thereto, shall extend, *mutatis mutandis*, to Writs of Execution or other due Process issuing on Judgments of the several Courts of Common Pleas of the County Palatine of *Lancaster*, and of Pleas of the County Palatine of *Durham*: But none of these Provisions are to extend to *Ireland*.

Provision for Protection of Heirs and Executors against unregistered Judgments.

III. 'And whereas by an Act passed in the Fourth and Fifth Years of Their late Majesties King *William* and Queen *Mary*, intituled *An Act for the better Discovery of Judgments in the Courts of King's Bench, Common Pleas, and Exchequer* in *Westminster*, it was enacted, that no Judgment not docketed and entered in Books in the Manner thereby provided should affect any Lands or Tenements as to Purchasers or Mortgagees, or have any Preference against Heirs, Executors, or Administrators in their Administration of their Ancestors, Testators, or Intestates Estates: And whereas by several later Acts Judgments are required to be registered with more Particulars than were required by the said recited Act; and it is thereby enacted that Judgments not so registered shall not affect any Lands, Tenements, or Hereditaments as to Purchasers, Mortgagees, or Creditors unless and until the same shall be registered in manner thereby required; and in obedience to a Direction in One of the same

*Law of Property.*

same Acts contained the Dockets existing under the said first-recited Act have been finally closed : And whereas the said several later Acts do not expressly enact that Judgments not docketed as thereby required shall not have any Preference against Heirs, Executors, or Administrators in their Administration of their Ancestors, Testators, or Intestates Estates, in consequence whereof such Heirs, Executors, or Administrators have been held to have lost the Protection which they enjoyed under the said first-recited Act, and it is expedient that the same should be restored : Be it therefore declared and enacted, That no Judgment which has not already been or which shall not hereafter be entered or docketed under the several Acts now in force, and which passed subsequently to the said Act of the Fourth and Fifth Years of King *William* and Queen *Mary*, so as to bind Lands, Tenements, or Hereditaments as against Purchasers, Mortgagees, or Creditors, shall have any Preference against Heirs, Executors, or Administrators in their Administration of their Ancestors, Testators, or Intestates Estates.

IV. No Judgments which since the passing of an Act of the First and Second Years of Her Majesty Queen *Victoria*, intituled *An Act for abolishing Arrest on Mesne Process in Civil Actions except in certain Cases, for extending the Remedies of Creditors against the Property of Debtors, and for amending the Laws for the Relief of Insolvent Debtors in England* (being One of the Acts herein-before referred to), have been registered under the Provisions therein contained, or contained in the later Act of the Second and Third Years of Queen *Victoria*, Chapter Eleven, as explained and amended by the Act of the Session of the Eighteenth and Nineteenth Years of Queen *Victoria*, Chapter Fifteen, (being Two other of the Acts herein-before referred to,) or which shall hereafter be so registered, shall have any Preference against Heirs, Executors, or Administrators in their Administration of their Executors, Testators, or Intestates Estates, unless at the Death of the Testator or Intestate Five Years shall not have elapsed from the Date of the Entry thereof on the Docket or from the only or last Re-registry thereof, as the Case may be, which Re-registry from Time to Time is hereby authorized to be made in manner directed by the said Act of the Second and Third of Queen *Victoria*, as explained and amended by the Act of the Eighteenth and Nineteenth of Queen *Victoria*; but it shall be deemed sufficient to secure such Preference as aforesaid, if such a Memorandum as was required in the first instance is again left with the Senior Master of the Common Pleas within Five Years before the Death of the Testator or Intestate, although more than Five Years shall have expired by Effluxion of Time since the last previous Registration, before such last-mentioned Memorandum or Minute was left; and so *toties quoties* upon every Re-registry.

Judgments as against Heirs and Executors to be re-registered.

V. In the Construction of the previous Provisions the Term Judgment shall be taken to include registered Decrees, Orders of Courts of Equity and Bankruptcy, and other Orders having the Operation of a Judgment.

Extent of the Word "Judgment."

VI. Where any actual Waiver of the Benefit of any Covenant or Condition in any Lease on the Part of any Lessor, or his Heirs, Executors, Administrators, or Assigns, shall be proved to have taken place after the passing of this Act in any one particular Instance, such actual Waiver shall not be assumed or deemed to extend to any Instance or any Breach of Covenant or Condition other than that to which such Waiver shall specially relate, nor to be a general Waiver of the Benefit of any such Covenant or Condition, unless an Intention to that Effect shall appear.

Restriction of Effect of Waiver.

VII. Where by any Instrument any Hereditaments have been or shall be limited to Uses, all Uses thereunder, whether expressed or implied by Law, and whether immediate or future, or contingent or executory, or to be declared under any Power therein contained, shall take effect when and as they arise by force of and by relation to the Estate and Seisin originally vested in the Person seised to the Uses, and the continued Existence in him or elsewhere of any Seisin to Uses or Scintilla juris shall not be deemed necessary for the Support of or to give Effect to future or contingent or executory Uses, nor shall any such Seisin to Uses or Scintilla juris be deemed to be suspended, or to remain or to subsist in him or elsewhere.

Provision for Cases of future and contingent Uses.

VIII. The Section Twenty-four in the Act of the Session of the Twenty-second and Twenty-third of Queen *Victoria*, Chapter Thirty-five, shall be read and construed as if the Words "or Mortgagee" had followed the Word "Purchaser" in every Place where the latter Word is introduced in the said Section.

Sect. 24. of 22 & 23 Vict. c. 35. extended to Mortgagees.

IX. Where any Trustee, Executor, or Administrator shall apply for the Opinion, Advice, or Direction of a Judge of the Court of Chancery under the Thirtieth Section of the Act of the Twenty-second and Twenty-third of Her present Majesty, Chapter Thirty-five, the Petition or Statement shall be signed by Counsel, and the Judge by whom it is to be answered may require the Petitioner or Applicant to attend him by Counsel either in Chambers or in Court where he deems it necessary to have the Assistance of Counsel.

Form of applying for Advice of Judge, &c. under Section 30. of 22 & 23 Vict. c. 35.

16. The Capitation Fees payable by the Scholars shall be collected under the Direction and for the Control of the Trustees, by whom the same shall be paid, as to One Moiety of their net Amount, to the Master, unless a different Proportion shall be due to him under any special Agreement between himself and the Trustees, made with the Consent of the said Board, which Agreement shall then be carried into effect; and as to the Residue thereof, shall be applicable in aid of the general Income of the Charity.

18. The Trustees shall also provide for the due Preservation and Care of the said Library until the same shall be sold under the preceding Power.

19. The School shall be open to Inspection by Her Majesty's Inspectors of Schools, and the Scholars shall be publicly examined once in every Year by Examiners to be appointed for this Purpose by the Trustees. The Trustees may pay out of the Income of the Charity any reasonable Fees to the Examiners conducting such Examination, and any Sum or Sums not exceeding the yearly Amount of Five Pounds, or such other Amount as shall be sanctioned by the said Board, in providing Prizes for the Scholars most distinguished by their Progress and Merit.

21. There shall be Twelve Trustees of the Charity, of whom the Vicar and Churchwardens of the Parish of Saint Martin in the Fields for the Time being shall be Three, and the other now surviving Trustees of the existing Charity, and who shall be willing to act under the new Scheme, shall be others of such Trustees. The new Trustees whose Appointment shall be first required for making up the Number of Twelve Trustees, or for afterwards supplying any Vacancies in the Trust which may be occasioned by the Death, Resignation in Writing, Bankruptcy, Insolvency, or Incapacity of any Trustees, or by their omitting for a Period of Two consecutive Years to attend any Meeting of the Trustees, any of which Circumstances shall create such Vacancies, shall be constituted by the Nomination of the ex officio and other Trustees for the Time being, to be forthwith certified by them to the Vestry of the Parish of Saint Martin in the Fields, and also to the said Board, but no such Nomination shall take effect unless and until the same shall have been approved by the said Board, under their official Seal, after the Lapse of One Calendar Month from their Receipt of the Certificate to them of such Nomination; or such Trustees may be appointed, if and as Occasion shall be, according to the Provisions of "The Charitable Trusts Act, 1853," by a Judge of the Court of Chancery sitting at Chambers, upon the Application of any Persons authorized to make such Application by the Certificate of the said Board.

22. Meetings of the Trustees for the Purposes of the Trusts shall be held quarterly or oftener, as shall be fixed from Time to Time by their Resolutions, and such Meetings, unless and until the same shall have been fixed for any different Periods, shall be held on the Wednesday next preceding each of the usual Quarterly Days in every Year, and a First Meeting shall also be held on the Third Wednesday next after this Scheme shall be established. Special Meetings may also be convened from Time to Time, as may be expedient, by any Two Trustees, by Notices under their Hands delivered or sent by the Post Seven Days previously to every other Trustee at or to his most usual Place of Abode. The Vicar of the Parish of Saint Martin in the Fields shall be the Chairman of every Meeting, if present, or otherwise such Trustee as shall be chosen by the Trustees present. Five Trustees present at any Meeting shall be a Quorum competent to act, and a Majority of the Trustees present at any Meeting shall bind by their Votes the Minority and all absent Trustees. The Chairman of every Meeting, in case of Equality of Votes, shall have a Second or Casting Vote.

23. The legal Interest in any Real Estate of the Charity may be vested by the Order of the Board, to be made upon the Application of the acting Trustees or a Majority of them, in "The Official Trustee of Charity Lands," in trust for the said Charity.

And by the 55th Section of the said Waterworks Act it is enacted, that the minimum amount to be set apart as a sinking fund for the payment of the principal monies borrowed under the said Act shall, from the expiration of such five years, be at such rate per centum per annum on the amount of such principal monies as should ensure the repayment thereof in fifty years.

And whereas the said Local Board have proceeded to execute the works authorized by the said Waterworks Act, and the said District is now supplied with water by means thereof, but it has been found expedient and necessary for the better and more effectually affording and maintaining such supply of water that larger reservoirs should be constructed than were contemplated by the said Act; and the said Local Board are desirous of obtaining powers to purchase about twenty acres of land in addition to the five acres of lands authorized to be purchased by the said Waterworks Act as aforesaid, and that the said Act should be otherwise altered as herein-after mentioned.

And whereas it appears expedient to issue a Provisional Order in relation to the said matters, but no such Order can be valid without confirmation by Parliament.

- 1.—The powers contained in the said 24th Section of the said Waterworks Act enabling the said Local Board to purchase any lands by agreement as therein mentioned, not exceeding five acres, shall

*Local Government Supplemental Act, 1860.*

shall and may be used and exercised by the said Local Board for purchasing any quantity of land not exceeding twenty-five acres, in the same manner as if twenty-five acres had been originally mentioned in the said Waterworks Act instead of five acres; and the said Local Board may purchase such twenty-five acres of land, for the purpose of constructing, and may construct such reservoirs in any parish or parishes, place or places, as to the said Local Board shall seem expedient and necessary.

- 2.—The time within which it is enacted by the said 31st section of the said Waterworks Act, that the works thereby authorized shall be completed, and on the expiration of which time it is also enacted that the powers thereby granted for making such works shall cease to be exercised, shall be extended from five years, named in the said section, to three years from and after the passing of any Act of Parliament whereby this present Order shall be confirmed.
- 3.—The time fixed by the 55th section of the said Waterworks Act, for the commencement of a sinking fund for the payment of the principal monies borrowed under the said Act, shall be extended to the expiration of three years from the date of the passing of the Act of Parliament confirming this present Order.

And whereas the Local Board of Health of the said District have borrowed under that Act, and with the authority of the General Board of Health, various sums to defray the expense of works for sewerage, and supplying water to, the said District, which said sums at the time the borrowing of them was sanctioned nearly equalled the assessable value for one year of the premises assessable under that Act within the District which the said works were intended to benefit, but were not sufficient to defray the cost of completing the works for the purposes aforesaid.

And whereas the said Local Board of Health have, under the authority of the 78th Section of the Local Government Act, 1858, petitioned me, as one of Her Majesty's Principal Secretaries of State, for power to borrow and re-borrow on mortgage of the rates leviable by the said Board under the Public Health Act, 1848, and the Local Government Act, 1858, a sum or sums not exceeding in the whole one year and a quarter's assessable value of the property assessable within the aforesaid District; the said sum or sums to be repaid within a period of fifty years from the date of the borrowing thereof.

## C A P. XLVIII.

An Act to provide for the Settlement and Discharge of the Debt due to the Commissioners of Her Majesty's Treasury from the Harbour and Docks of Leith. [23d July 1860.]

‘ WHEREAS a Debt was contracted by the City of *Edinburgh* to the Commissioners of Her Majesty's Treasury for Advances made towards the Improvement of the Harbour and Docks of *Leith*, and Bonds were granted by the Lord Provost, Magistrates, and Council of the said City to the said Commissioners for further securing the said Debt, which, after Deduction of the Payments made to account thereof, amounted in the Year One thousand eight hundred and thirty-eight to Two hundred and twenty-eight thousand three hundred and seventy-four Pounds Nine Shillings and Eightpence: And whereas by the Act First and Second *Victoria*, Chapter Fifty-five, the Harbour and Docks of *Leith*, and

1 & 2 Vict  
c. 55.

*Leith Harbour and Docks.*

and all the Property connected therewith and Revenues arising therefrom, were vested in the Commissioners appointed by the said Act for the Superintendence and Management of the said Harbour and Docks, and the preferable Right and Security granted to and held by the said Commissioners of the Treasury were postponed to the annual Payment of Seven thousand six hundred and eighty Pounds, therein provided for, and to such annual Sums as should be approved of and allowed by the said Commissioners of the Treasury as the Establishment for the said Harbour and Docks, including Expenses of Management, Maintenance, and Repairs, and the said Commissioners of the Treasury were thereby authorized to postpone further the Security held by them to any Loan to be effected by the Commissioners for the said Harbour and Docks for the Execution of Improvements and Repairs, not exceeding in all the Sum of One hundred and twenty-five thousand Pounds, and to forego for such Time as the said Commissioners of the Treasury should think fit the Exaction, in whole or in part, of the Interest to become due upon the Amount of the Debt which should remain owing; and it was by the said Act provided, that the said Debt should be secured on the Revenues of the said Harbour and Docks, and Works and Property vested in the Commissioners for the said Harbour and Docks, and that no Claim or Demand should thereafter be competent to the said Commissioners of the Treasury for the Principal or Interest of the said Debt, or any Part thereof, from or against any of the other Property or Revenues of the City of *Edinburgh*, or the Lord Provost, Magistrates, and Council thereof: And whereas by the Act Seventh *Victoria*, Chapter Twenty, the said Commissioners were incorporated by the Name of "The Commissioners for the Harbour and Docks of *Leith*:" And whereas by the Act (Local and Personal) Tenth *Victoria* Chapter Twenty-five, the said Commissioners were authorized to levy the Rates and Duties specified in the Schedules annexed to the said Act on all Goods imported into or exported from the Harbour of *Leith* and Precincts thereof, and on all Vessels coming into or going out of the said Harbour and Precincts thereof, and for the Use of the Cranes and Weighing Machines, Rails, and Sheds at the said Harbour and Docks; and it was by the said Act provided that the said Commissioners should, in lieu of the Customs, Rates, Imposts, and Market Dues thereby abolished, pay annually, out of the Rates and Duties thereby authorized to be levied, to the Magistrates and Council of the Town of *Leith* the Sum of Five hundred Pounds at the Terms therein specified: And whereas by the Act Tenth and Eleventh *Victoria*, Chapter One hundred and fourteen, it was provided that the Debt to Her Majesty from the Commissioners for the Harbour and Docks of *Leith* at the Term of *Whitsunday* One thousand eight hundred and forty-seven, including all Arrears of Interest due at that Term, should be taken at the said Sum of Two hundred and twenty-eight thousand three hundred and seventy-four Pounds Nine Shillings and Eightpence, and the said Commissioners of the Treasury were thereby empowered to allow the Commissioners for the said Harbour and Docks to appropriate the whole Monies then in their Hands, or which might thereafter accrue to them from the surplus Revenue of the said Harbour and Docks, or such Part thereof as the said Commissioners of the Treasury from Time to Time should think fit to allow for that Purpose (after Payment of the said annual Sum of Seven thousand six hundred and eighty Pounds, and the Expense of the Establishment, and any extraordinary Expense which might be necessary in the event of any unforeseen Damage arising to the Works of the said Harbour and Docks through Storm or Accident), towards the Expense of carrying into execution the Plan for the Improvement of the said Harbour and Docks referred to in the said Act, with such Alterations, Additions, or Omissions as should be from Time to Time sanctioned by the said Commissioners of the Treasury: And whereas the Commissioners for the said Harbour and Docks have executed various Works and Improvements at the said Harbour and Docks since the passing of the first-recited Act, and have defrayed the Expense thereof out of the surplus Revenues accruing from Time to Time, and out of Money borrowed by them under the Authority of the first-recited Act, with the Sanction of the said Commissioners of the Treasury from the Bank of *Scotland*, the Royal Bank of *Scotland*, the *British* Linen Company Bank, the Commercial Bank of *Scotland*, the National Bank of *Scotland*, and the Union Bank of *Scotland*, of which Money so borrowed the Sum of Forty-three thousand three hundred and sixty Pounds Eighteen Shillings and Fivepence still remains owing; and the said Commissioners of the Treasury have also sanctioned the Expenditure of the further Sum of Forty thousand Pounds on the Construction of a Graving Dock and other Works and Improvements for which Contracts have been entered into; and which Sums borrowed and to be borrowed are, under the Provisions of the first-recited Act, preferable to the said Debt of Two hundred and twenty-eight thousand three hundred and seventy-four Pounds Nine Shillings and Eightpence, which still remains owing to the said Commissioners of the Treasury: And whereas the surplus Revenues of the said Harbour and Docks, after paying the said annual Sum of Seven thousand six hundred and eighty Pounds, and the ordinary Expenditure on Management, Maintenance, Repairs, and Dredging, the Interest on the Sums borrowed under the Authority of the first-recited Act, and the said annual Sum of Five hundred Pounds payable to the Magistrates and Council of *Leith*, and providing for the Execution of Works and Improvements essentially necessary for the Accommodation of the Trade and Shipping, are insufficient to pay off the said Debt of Two hundred and twenty-eight thousand three hundred and seventy-four Pounds Nine Shillings and Eightpence: And whereas the Commissioners for the said Harbour and Docks have offered to pay to the said Commissioners of the Treasury the Sum of Fifty thousand Pounds, in full Satisfaction of the said Debt and Interest, and of all their

Claims against the said Harbour and Docks; and it is expedient that the said Commissioners of the Treasury should be authorized to accept of the said Sum, and to discharge the said Debt, and that the Commissioners for the said Harbour and Docks should be authorized to borrow Money for the Purposes of the recited Acts and this Act: Be it enacted by the Queen's most Excellent Majesty, by and with the Advice and Consent of the Lords Spiritual and Temporal, and Commons, in this present Parliament assembled, and by the Authority of the same, as follows:

An Act to amend the Provisions of the Act for the Regulation of Municipal Corporations in Ireland, with respect to the Appointment of Coroners in Boroughs. [6th August 1860.]

WHEREAS by an Act passed in the Third and Fourth Years of the Reign of Her present Majesty, intituled *An Act for the Regulation of Municipal Corporations in Ireland*, it is, by the One hundred and fifty-third Section thereof, enacted, that the Council of every Borough in which a separate Court of Quarter Sessions of the Peace should be holden as was therein-after provided, should, within Ten Days after the Grant of the said Court should have been signified to the Council of said Borough, appoint a fit Person, not being an Alderman or Councillor, to be Coroner of such Borough so long as he should well behave himself in his Office of Coroner, and should fill up every Vacancy in the Office of Coroner for the Borough occurring by Death, Resignation, or Removal within Ten Days next after such Vacancy, and none thereafter should take any Inquisition which belongs to the Office of Coroner within such Borough, save only the Coroner so from Time to Time to be appointed: And whereas the Councils of certain of the Boroughs named in Schedule "A." to the said recited Act annexed, have not considered it advisable to present a Petition for a separate Court of Quarter Sessions of the Peace or a Court of Record for the Trial of Civil Actions in such Boroughs, under the One hundred and sixty-third Section of the said Act, and no separate Court of Quarter Sessions of the Peace is holden in the said Boroughs, as is in and by the said recited Act in that Behalf provided, and the Councils thereof have not on that account been able to appoint Coroners for such Boroughs, which has been productive of public Inconvenience, and it is expedient that such Councils should have the Power of appointing Coroners for such Boroughs respectively: Be it therefore enacted by the Queen's most Excellent Majesty, by and with the Advice and Consent of the Lords Spiritual and Temporal, and Commons, in this present Parliament assembled, and by the Authority of the same, as follows:

I. Notwithstanding that no separate Court of Quarter Sessions of the Peace is or shall be holden in any Borough named in Schedule "A." to the said recited Act annexed, as in the said recited Act provided, it shall be lawful to and for the respective Town Councils of every Borough named in the said Schedule, that is to say, the Boroughs of *Belfast, Clonmell, Cork, Drogheda, Dublin, Kilkenny, Limerick, Londonderry, Sligo, and Waterford*, to appoint a fit Person, not being an Alderman or Councillor of such Borough, to be Coroner of the said Borough so long as he shall well behave himself in his Office of Coroner, and to fill up every Vacancy in the Office of Coroner of the Borough occurring by Death, Resignation, or Removal within Ten Days next after such Vacancy, and from and after such Appointment none (save as herein-after mentioned) shall take any Inquisition which belongs to the Office of Coroner within such Borough, save only the Coroner so from Time to Time to be appointed: Provided always, that no Person shall be elected as Coroner as aforesaid who shall not be seised or possessed of such an Estate as would qualify him to be appointed Coroner of a Borough under the One hundred and fifty-third Section of the said recited Act; and every such Person shall, before he acts as such Coroner, take and subscribe the same Oaths and shall be liable to be removed in the same Manner as

Town Councils of certain Boroughs respectively may appoint a Coroner.

No Person to be appointed who is not

as if he were a Coroner appointed under the said Section ; and every Coroner so appointed under this Act shall be paid and remunerated in such Manner and out of such Funds, and shall have and exercise all the same Powers, Privileges, and Authorities, and shall perform the same Duties, and be subject to the same Liabilities, Incidents, and statutory Privileges in all respects as if a separate Court of Quarter Sessions of the Peace were held in such Borough as in the said Act provided, and such Coroner were duly appointed under the Provisions of the said One hundred and fifty-third Section.

II. ' And whereas by the One hundred and fifty-fifth Section of said recited Act it is enacted, " That " in every Borough in and for which no separate Sessions of the Peace shall be holden, no Person after " the First Day of *December* next after the First Election of Councillors under that Act in that " Borough shall take any Inquisition which belonged to the Office of Coroner within such Borough, " save only the Coroner of the County at large in which such Borough was situated : " Be it enacted, That so much of the said Act as is herein before set forth shall be and the same is hereby repealed, so far as the same applies to the said Boroughs named in Schedule " A." to the said Act annexed or any of them : Provided always, that until the Council of any such Borough shall have appointed a Coroner of such Borough, or filled up any Vacancy in the Office of Coroner as herein-before mentioned, the Coroners of the County at large in which such Borough is situated, or any of them, shall have Authority to and shall and may hold Inquisitions and otherwise act as Coroner in such Borough, and shall be entitled to be paid for the same in the same Manner as if this Act had not been passed.

Where Fences removed Rentcharge may be apportioned on Land Tithe-free jointly with other Land.

Where Consent of Landowner not required.

Power to Commissioners to alter Apportionment where Boundaries of Parishes have been altered.

X. In any Case of altered Apportionment in which the Consent of the whole of the Landowners interested in such Alteration shall not be signified thereto, the Commissioners shall, in lieu of the Service of Notice required by the said Acts, cause a Draft of the proposed altered Apportionment to be deposited for Inspection, in the same Manner as by the said first-recited Act is required in reference to an Instrument of Apportionment, and shall cause Notice to be given of such Deposit in such Manner as to them shall seem fit, and shall by such Notice specify the Time (being not less than Twenty-one Days) within which Objections in Writing to such proposed altered Apportionment may be signified to the Commissioners; and in case any Notice of Objection shall be given within the Time limited as aforesaid, the Commissioners shall appoint a Time and Place for hearing such Objection, and shall, by themselves or by an Assistant Commissioner, take such Objection into their Consideration; and if there be no Notice of Objection, or when the said Commissioners or Assistant Commissioner shall have heard and determined every such Objection, the Commissioners shall confirm such altered Apportionment, with or without Amendments, as they shall see fit.

XI. With the Consent of the Owner or Owners of any Lands charged with Rentcharge under any Instrument of Apportionment, whether payable to One or more Owners of Rentcharge, and without regard to the Mode in which the same Rentcharge is apportioned by the said Instrument, the Commissioners may by an altered Apportionment reapportion and redistribute the same Rentcharge over and amongst the said Lands or any Part thereof, and to the Exclusion of any of such Lands, but no Rentcharge shall be charged upon any Land to the Exclusion of other Land of the same Owner, unless the Land so charged with Rentcharge is held for an Estate in Fee Simple or Fee Tail in Possession, or unless the same and the Land so excluded are settled to the same Uses.

XII. Where, through the Removal or Alteration of Fences between Land charged with Rentcharge under any Instrument of Apportionment and Land upon which no Rentcharge is now charged, or which is Tithe-free, it becomes impossible or difficult to distinguish the Limits of the Land so charged with Rentcharge, the Commissioners may, with the Consent of the Owner of the said Lands, include the whole of such Lands in any Instrument of altered Apportionment to be made by the said Commissioners, and may apportion the Rentcharge as well on the said Land not heretofore charged as on the said Land heretofore liable to the Payment thereof, or on any Part thereof, provided that the whole of the Lands on which such Rentcharge is apportioned are held for an Estate in Fee Simple or Fee Tail in Possession, or are settled to the same Uses.

XIII. No Land shall be charged with Rentcharge payable to a different Owner than the Rentcharge previously charged thereon was payable to, without the Consent in Writing of the Owner of the Rentcharge so proposed to be charged, except in Cases of altered Apportionment after Inclosure.

XIV. It shall not be necessary to obtain the Consent of any Landowner to an altered Apportionment whose Lands are not charged with Rentcharge by such altered Apportionment.

XV. Whenever it shall appear to the Commissioners that any Instrument of Apportionment shall have been altered by successive Instruments of altered Apportionment, so as in the Judgment of the Commissioners to render the Collection of the Rentcharge upon the Lands included in such Apportionment and altered Apportionments unreasonably inconvenient or difficult, the Commissioners may, upon the Application of the Person or Persons entitled to such Rentcharge or any Part thereof, and without Notice to or the Consent of any Owner of such Lands, make a further Instrument of altered Apportionment as regards the whole of the said Lands, or such Portions thereof as to them shall seem fit, but without making any Alteration in the Amount charged on the Lands of any particular Owner, and the altered Apportionment so made by the Commissioners shall be taken to be an Amendment of and in substitution for so much of the said original Apportionment and altered Apportionments as relates to the Lands included in the said lastly made altered Apportionment.

XVIII. In any Case in which Tithes have been commuted for a Sum or Rate *per Head* to be paid for each Head of Cattle or Stock turned on Land subject to Common Rights or held or enjoyed in common, during the whole of the Year, the Commissioners may, upon the Application in Writing of any Person entitled to receive such Sum or Rate *per Head*, or of any Person who may be liable to pay the same or any Part thereof, by a Supplemental Award and Apportionment, by way of Supplement to the Apportionment under which such Rate *per Head* shall be now payable, convert the same into a gross Rentcharge, to be thereafter payable out of such Land.

Tithes commuted for a Sum or Rate *per Head* may be converted into a Rentcharge.

XIX. Where a gross Rentcharge has been made payable in respect of the Tithes of any Gated or Stinted Pasture, and such Gates or Stints are rated to the Relief of the Poor, the Commissioners may, by the Instrument of Apportionment to be made of such Rentcharge, or by a Supplemental Award and Apportionment, where an Apportionment shall have been already made, upon the Application in Writing of the Person entitled to such Rentcharge, or of any Owner of a Gate or Stint, apportion such gross Rentcharge *pro rata* upon the Gates or Stints, and after such Apportionment or Supplemental Award and Apportionment the Owner of such Rentcharge shall have the same Powers for the Recovery of any Arrears thereof, by Distress on the Goods and Chattels of the Person rated to the Relief of the Poor in respect of the Gates or Stints the Rentcharge upon which is in arrear, as are given by the said recited Acts for the Recovery of Rentcharge in arrear, and such Powers of Distress may be exercised upon the Goods and Chattels of such Person, whether found upon the said Pasture or elsewhere.

Gross Rentcharge may be apportioned on Gated or Stinted Pastures.

XX. In every other Case in which a gross Rentcharge is charged upon any Land subject to Common Rights, or held or enjoyed in common during the whole of the Year, the Commissioners shall, upon the Application in Writing of the Person entitled to such Rentcharge, or of any Person liable to pay the same or any Part thereof, convene a Meeting of the Owners of such Land and Persons liable to pay such Rentcharge, of which Twenty-one Days Notice shall be given in such Manner as to the Commissioners shall seem fit; and the Majority in Value of the Persons attending such Meeting may determine whether such Rentcharge shall be commuted for an equivalent Part of the Land on which it is chargeable, or be redeemed for a Sum equal to Twenty-five Times the Amount of such Rentcharge, to be paid by a Time to be limited by the Commissioners, and may further determine, if the Rentcharge is to be redeemed, whether the Redemption Money shall be raised by Rate on the Persons liable to such Rentcharge, or by Sale of a Portion of such Land: Provided always, that if no Determination be come to at such Meeting the Commissioners may proceed to commute the Rentcharge for Land as herein-after provided.

Rentcharge on Commons may be commuted for a Part of the Land, or redeemed.

XXI. If the Rentcharge is to be commuted for Land, the Commissioners shall define and set out the Land to be so given, and shall vest the same in the Owner of the Rentcharge by an Award, to be made by them in like Manner as Awards of Glebe for other Land are made under the said recited Acts, and subject to all the like Incidents.

If Rentcharge is commuted for Land, Commissioners to set it out, &c.

XXII. If the Rentcharge is to be redeemed for a Sum to be raised by the Sale of a Portion of the Land liable to such Rentcharge, the Commissioners may define and set out such Part of the Land as may be sufficient in Value to meet the Redemption Money and the Expenses of Sale, and may sell and dispose of the same by Public Auction or Private Contract, as they may think expedient.

XXIV. Wherever a Sum or Rate *per Head* shall be in arrear, the Arrears shall be recoverable by Distress and impounding of any Cattle, Stock, Goods, or Chattels belonging to the Person in respect of whose Cattle or Stock such Sum or Rate *per Head* is in arrear, wherever the same may be found.

Power to Commissioners to order Maps to be detached from Instruments of Apportionments.

XXVI. Where by reason of the Size of the Map annexed to any Instrument of Apportionment, or other Circumstances, the Commissioners shall be of opinion that it is expedient that such Map should be detached and held separate from the said Instrument, the Commissioners may by an Order under their Hands direct that the said Map shall be so detached, and they may make the like Order upon the Application of the Incumbent and Churchwardens of any Parish or either of them, or the Registrar of any Diocese, in reference to the sealed Copy of any Instrument of Apportionment belonging to any such Parish, or held in the Custody of such Registrar, and thereupon every Map so detached shall have the same Force and Effect and be referred to as if the same were annexed to the said Apportionment, or the sealed Copies thereof.
