III. After the Lands of a See have become vested in the Commissioners as aforesaid, an Arrangement shall be made as soon as conveniently may be, and with all reasonable Despatch, for assigning to the Archbishop or Bishop of such See and his Successors, as an Endowment for the See, such of the Lands and Hereditaments then vested in the Ecclesiastical Commissioners for *England* as in the Judgment of the Estates Committee of the said Ecclesiastical Commissioners, and subject to the Approbation of such Archbishop or Bishop, may be deemed convenient to be held as such Endowment, and will secure as nearly as may be, after deducting Costs of Management, a net annual Income equal to that named for the Archbishop or Bishop of the See by any Act of Parliament or Order in Council then in force, and no more; and in the meantime, until such Endowment is so assigned, the Ecclesiastical Commissioners shall pay to the Archbishop or Bishop of the See the annual Income named for him as aforesaid, at the Times at which the same would have been payable if this Act had not been passed.

The Joinder of too many Plaintiffs shall not be fatal, but every Action may be brought in the Name of all the Persons in whom the legal Right may be supposed to exist; and Judgment may be given in favour of the Plaintiffs by whom the Action is brought, or of One or more of them, or, in case of any Question of Misjoinder being raised, then in favour of such One or more of them as shall be adjudged by the Court to be entitled to recover: Provided always, that the Defendant, though unsuccessful, shall be entitled to his Costs occasioned by joining any Person or Persons in whose Favour Judgment is not given, unless otherwise ordered by the Court or a Judge.

XX. Upon the Trial of such Cause a Defendant who has therein pleaded a Set-off may obtain the Benefit of his Set-off by proving either that all the Parties named as Plaintiffs are indebted to him, notwithstanding that One or more of such Plaintiffs was or were improperly joined, or on proving that the Plaintiff or Plaintiffs who establish their Right to maintain the Cause is or are indebted to him.

XXI. No other Action shall be brought against the Defendant by any Person so joined as Plaintiff in respect of the same Cause of Action.

XXII. The Provisions of an Act passed in the Session of Parliament held in the Nineteenth and Twentieth Years of the Reign of Her present Majesty, Chapter One hundred and eight, which relate to Replevin, shall be deemed and taken to apply to all Cases of Replevin, in like Manner as to the Cases of Replevin of Goods distrained for Rent or Damage feasant.

XXIII. The Plaintiff in Replevin may in answer to an Avowry pay Money into Court in satisfaction, in like Manner and subject to the same Proceedings as to Costs and otherwise as upon a Payment into Court by a Defendant in other Actions.

XXIV. Such Payment into Court in Replevin shall not, nor shall the Acceptance thereof by the Defendant in satisfaction, work a Forfeiture of the Replevin Bond.

XXV. In any Action brought upon a Bond which has a Condition or Defeazance to make void the same upon Payment of a lesser Sum at a Day or Place certain, with a Penalty, and in any Action for detaining the Goods of the Plaintiff, it shall be lawful for the Defendant, by Leave of the Court or a Judge, and upon such Terms as they or he shall think fit, to pay into Court a Sum of Money to answer the Claim of the Plaintiff in respect of such Bond in the former Case, and in the latter Case to the Value of the Goods alleged to be detained; and such Payment into Court shall be made and pleaded in like Manner, and according to the Provisions of "The Common Law Procedure Act, 1852;" and the like Proceedings may be had and taken thereupon as to Costs and otherwise.

XXVI. No Writ of Right of Dower or Writ of Dower unde nihil habet, and no Plaint for Free Bench or Dower in the Nature of any such Writ, and no Quare impedit, shall be brought after the Commencement of this Act in any Court whatsoever; but where any such Writ, Action, or Plaint would now lie, either in a Superior or in any other Court, an Action may be commenced by Writ of Summons issuing out of the Court of Common Pleas in the same Manner and Form as the Writ of Summons in an ordinary Action; and upon such Writ shall be endorsed a Notice that the Plaintiff intends to declare in Dower, or for Free Bench, or in Quare impedit, as the Case may be.

XXVII. The Service of the Writ, Appearance of the Defendant, Proceedings in default of Appearance, Pleadings, Judgment, Execution, and all other Proceedings and Costs upon such Writ, shall be subject to the same Rules and Practice, as nearly as may be, as the Proceedings in an ordinary Action commenced by Writ of Summons; and the Provisions of "The Common Law Procedure Act, 1852," and of "The Common Law Procedure Act, 1854," shall apply to the Writ and Pleadings, and Proceedings thereupon.

XXVIII. In Proceedings to obtain an Attachment of Debts under "The Common Law Procedure Act, 1854," the Judge may, in his Discretion, refuse to interfere, where, from the Smallness of the Amount to be recovered, or of the Debt sought to be attached, or otherwise, the Remedy sought would be worthless or vexatious.

XXIX. Whenever in Proceedings to obtain an Attachment of Debts under the Act above mentioned it is suggested by the Garnishee that the Debt sought to be attached belongs to some Third Person who has

XXX. After hearing the Allegations of such Third Person under such Order, and of any other Person whom by the same or any subsequent Order the Judge may think fit to call before him, or in case of such Third Person not appearing before him upon such Summons, the Judge may order Execution to issue to levy the Amount due from such Garnishee, or the Judgment Creditor to proceed against the Garnishee, according to the Provisions of "The Common Law Procedure Act, 1854," and he may bar the Claim of such Third Person, or make such other Order as he shall think fit, upon such Terms, in all Cases, with respect to the Lien or Charge (if any) of such Third Person, and to Costs, as he shall think just and reasonable.

Judge may bar Claim of Third Person, and make Orders.

In all Cases in which a Writ of Mandamus or of Injunction is issued under the Provisions of "The Common Law Procedure Act, 1854," such Writ shall, unless otherwise ordered by the Court or a Judge, in addition to the Matter directed to be inserted therein, command the Defendant to pay to the Plaintiff the Costs of preparing, issuing, and serving such Writ; and Payment of such Costs may be enforced in the same Manner as Costs payable under a Rule of Court are now by Law enforceable.

Costs of Writs of Mandamus and Injunction may be included in Writs.

XXXIII. Writs of Injunction against a Corporation may be enforced either by Attachment against the Directors or other Officers thereof, as in the Case of a Mandamus, or by Writ of Sequestration against their Property and Effects, to be issued in such Form and tested and returnable in like Manner as Writs of Execution, and to be proceeded upon and executed in like Manner as Writs of Sequestration issuing out of the Court of Chancery.

Mode of enforcing Writs of Injunction against Corporations.

XXXIV. When the Plaintiff in any Action for an alleged Wrong in any of the Superior Courts recovers by the Verdict of a Jury less than Five Pounds, he shall not be entitled to recover or obtain from the Defendant any Costs whatever in respect of such Verdict, whether given upon any Issue or Issues tried, or Judgment passed by Default, in case the Judge or presiding Officer before whom such Verdict is obtained shall immediately afterwards certify on the Back of the Record, or on the Writ of Trial or Writ of Inquiry, that the Action was not really brought to try a Right besides the mere Right to recover Damages, and that the Trespass or Grievance in respect of which the Action was brought was not wilful and malicious, and that the Action was not fit to be brought.

Costs not recoverable in Action for Injury, and Verdict less than 5*l.*, if Judge certifies.

Bishop may prepare a Scheme as to Lectures customarily preached in Churches to be pulled down.

XXVII. If any Commissioners appointed under this Act shall report that it is not expedient to carry any proposed Union into effect, but that it would be expedient to afford improved Accommodation in One or more of the Churches referred to in such Report for casual Residents in the City or Town, and others not being Parishioners, the Bishop of the Diocese may, in any such Case in which the Funds for the Alteration of the Seats in the Manner recommended in such Report shall within Two Years from the Date of such Report be provided by local or public Subscription, direct such Church to be re-seated accordingly; and in such re-seating due Provision shall be made for the Appropriation of such Number of Seats as may be required for the Accommodation of all Parishioners attending Divine Worship in such Church, and the Churchwardens shall have Power to alter from Time to Time the Appropriation of such Seats, and to appropriate to the Use of Parishioners such further Number of Seats as may be required by them, and all the Seats both appropriated and free under any new Arrangement made under this present Provision shall be made as near as possible of the same Size and general Appearance.

## C A P. CXLIII.

An Act to extend certain Provisions of the Titles to Land (*Scotland*) Act, 1858, to Titles to Land held by Burgage Tenure; and to amend the said Act. [28th August 1860.]

21 & 22 Vict. c. 76.

WHEREAS it is expedient to extend certain Provisions of "The Titles to Land (*Scotland*) Act, 1858," to Titles to Land held by Burgage Tenure, and also to amend the said Act: Be it enacted by the Queen's most Excellent Majesty, by and with the Advice and Consent of the Lords Spiritual and Temporal, and Commons, in this present Parliament assembled, and by the Authority of the same, as follows:

Short Title. Interpretation of Terms.

I. This Act may be cited for all Purposes as "The Titles to Land (*Scotland*) Act, 1860."

II. The following Words in this and the recited Act, and in the Schedules hereunto and to the recited Act annexed, shall have the several Meanings hereby and in the recited Act assigned to them, unless there be something in the Subject or Context repugnant to such Construction; that is to say, the Word "Deed" and the Word "Conveyance" shall extend to and include original Charters, Charters and Writs and Procuratories of Resignation, Charters of Adjudication and Sale, Dispositions, Bonds and Dispositions in Security, Bonds of Annuity and of Annual Rent, and other Heritable Bonds, Feu Contracts, Contracts of Ground Annual, Decrees of Adjudication, Decrees of Sale (whether such Decrees of Adjudication or Decrees of Sale contain Warrant for Infeftment or not), Decrees of Special Service, Precepts from Chancery, Precepts and Writs of Clare constat, Writs of Acknowledgment, Contracts of Excambion, and other Deeds and Decrees by which Lands are conveyed, or Rights in Lands, either absolute or redeemable or in Security, are constituted or conveyed; and official Extracts of any such Deeds, Conveyances, and Decrees, and all Codicils, Deeds of Nomination, Decrees of Declarator, and other Writings bearing Reference to Conveyances separately granted, and naming or appointing Persons to exercise or enjoy the Rights or Powers conferred by such Conveyances, shall be deemed and taken, for the Purposes of this Act, to be Parts of the Conveyances to which they separately bear reference; the Word "Lands" shall extend to and include all Heritable Subjects, Securities, and Rights; the Words "by Burgage Tenure" and the Words "held Burgage" shall extend to and include any Mode of Tenure known and effectual in Law similar to Burgage Tenure.

Instruments of Sasine, and of Resignation and Sasine, no longer necessary, and Conveyances may be recorded.

III. It shall not be necessary to expedite and record an Instrument of Sasine, or of Resignation and Sasine, on any Conveyance of Lands held Burgage, according to the present Law and Practice; but it shall be competent and sufficient for the Person in whose Favour the Conveyance is granted, instead of expediting and recording such Instrument to record the Conveyance itself in the Register of Sasines applicable to the Lands therein contained; and the Conveyance shall be presented for Registration, with a Warrant of Registration thereon, in or as nearly as may be in the Form No. 1. of Schedule (A.) to this Act annexed, specifying the Person on whose Behalf it is presented, and signed by such Person, or his Agent; and such Conveyance, being so presented, and recorded along with such Warrant, shall have the same legal Force and Effect in all respects as if Resignation of such Lands had taken place in due Form, and as if the Conveyance had been followed by an Instrument of Sasine or of Resignation and Sasine duly expedite and recorded at the Date of recording the Conveyance, according to the present Law and Practice, in favour of the Person on whose Behalf the Conveyance is presented for Registration.

Not necessary to record the whole Conveyance.

IV. Where a Conveyance of Lands held Burgage is contained in a Deed granted for further Purposes and Objects, such as a Marriage Contract, Deed of Trust, or Deed of Settlement, it shall not be necessary to record the whole of such Deed, but it shall be competent and sufficient to expedite a Notarial Instrument, setting forth generally the Nature of the Deed, and containing at length those Portions of the Deed by which such Lands are conveyed, and by which Real Burdens, Conditions, or Limitations are imposed, and to record such Instrument in the appropriate Register of Sasines; and where a Deed conveys separate Lands, or separate Interests in the same Lands, to the same or different Persons, it shall not be necessary to record the whole of such Deed, but it shall be competent and sufficient to expedite and record as aforesaid a Notarial Instrument, setting forth generally the Nature of the Deed, and containing at length the Part or Parts of the Deed by which particular Lands are conveyed to the Person in whose Favour the Notarial Instrument is expedite, and the Part of the Deed which specifies the Nature

and

and Extent of the Right and Interest of such Person, with the Real Burdens, Conditions, and Limitations, if any ; and such Notarial Instrument shall be in or as nearly as may be in the Form of Schedule (B.) to this Act annexed.

V. Immediately before the Testing Clause of any Conveyance of Lands held Burgage, it shall be competent to insert a Clause of Direction, in or as nearly as may be in the Form of Schedule (C.) to this Act annexed, specifying the Part or Parts of the Conveyance which the Granter thereof desires to be recorded in the Register of Sasines, and when such Clause is so inserted, and Reference made thereto in the Warrant of Registration to be endorsed thereon in Terms of this Act, the Keeper of the appropriate Register of Sasines shall record such Part or Parts only, together with the Clause of Direction and the Testing Clause ; and the recording of such Part or Parts of the Conveyance, together with the Clause of Direction and the Testing Clause, and the Warrant of Registration, as before provided, shall have the same legal Effect as if a Notarial Instrument, containing such Part or Parts of the Conveyance, had been duly expedite and recorded in favour of the Person on whose Behalf the Conveyance is presented : Provided that, notwithstanding such Clause of Direction, it shall be competent for the Person entitled to present the Conveyance for Registration, to record the whole Conveyance, or to expedite and record a Notarial Instrument, as herein-before provided, in the same Manner as if the Conveyance had contained no such Clause of Direction ; and where a Notarial Instrument shall be expedite, as herein-before provided, no Part or Parts of the Conveyance directed to be recorded shall be omitted from such Instrument.

Clause directing Part of Conveyance to be recorded.

VI. It shall not be necessary to insert in any Conveyance of Lands held Burgage a Clause of Obligation to infest, or a Procuratory or Clause of Resignation.

Clauses not necessary in Conveyances. Heir in Burgage Subjects may make up Title by Writ of Clare constat or by Special Service.

VII. It shall be competent for the Heir of any Person who died last vest and seised in any Lands held Burgage, to obtain from the Magistrates of the Burgh within which such Lands are situate a Writ of Clare constat in or as nearly as may be in the Form of Schedule (D.) to this Act annexed ; or, in his Option, it shall be competent to such Heir to apply for and obtain Decree of Special Service by the Sheriff of Chancery, or by the Sheriff of the County within which such Burgh is situate, in the same Manner in all respects as if such Lands were not held Burgage ; and such Writ of Clare constat or Decree of Special Service may be recorded in the appropriate Register of Sasines, and when so recorded, with Warrant of Registration thereon, shall have the same Effect in all respects as if Cognition and Entry of such Heir had taken place in due Form, and an Instrument of Cognition and Sasine in regard to such Lands, and in favour of such Heir, had been duly expedite and recorded, according to the present Law and Practice.

VIII. When any Person shall have granted or shall grant a general Conveyance comprehending Lands held Burgage, whether by Deed *mortis causâ* or *inter vivos*, it shall be competent to the Disponee under such Conveyance, or to any other Person who shall have acquired Right to such Conveyance, in whole or in part, to expedite and record as aforesaid a Notarial Instrument in or as nearly as may be in the Form of Schedule (E.) to this Act annexed ; and such Notarial Instrument, being duly recorded in the appropriate Register of Sasines, shall be equivalent to an Instrument of Resignation and Sasine duly expedite and recorded, following on a Disposition of the Lands and Resignation thereof in due Form ; and when Heritable Securities are contained in such Notarial Instrument, the Instrument so expedite and recorded shall, along with its Warrants, be equivalent to an Assignment of such Heritable Securities executed by the Granter of the general Conveyance, and duly recorded in the appropriate Register of Sasines : Provided that where such Notarial Instrument shall be expedite by a Person other than the original Disponee under such general Conveyance, the Notarial Instrument shall set forth the Title, or Series of Titles, by which the Person in whose Favour the Instrument is expedite acquired Right to such Conveyance, and the Nature and Extent of his Right.

Notarial Instruments in favour of General Disponees authorized.

IX. It shall be competent to any Person, in right of an unrecorded Conveyance of Lands held Burgage, to assign the Conveyance in or as nearly as may be in the Form No. 1. of Schedule (F.) to this Act annexed, and the Assignment, or in the event of there being more than One, the successive Assignations, may be recorded in the appropriate Register of Sasines, along with the Conveyance itself, and a Warrant of Registration thereon, in or as nearly as may be in the Form No. 2. of Schedule (A.) ; and it shall be competent to write the Assignment or Assignations on the Conveyance itself in or as nearly as may be in the Form No. 2. of Schedule (F.), in which Case the Assignment or Assignations and the Conveyance may be recorded along with the Warrant of Registration thereon, which shall be in or as nearly as may be in the Form No. 1. of Schedule (A.) ; and the Conveyance, with the Warrant of Registration, and the Assignment or Assignations, separate from or written upon the Conveyance, being so recorded, shall operate in favour of the Assignee on whose Behalf they are presented for Registration, as fully and effectually as if the Lands contained in the Assignment, or, if there be more than One, in the last Assignment, had been disposed by the original Conveyance in favour of such Assignee, and the Conveyance, with the Warrant of Registration, had been recorded in the Manner herein-before provided of the Date of recording such Conveyance and Assignment or Assignations.

Forms of Assignations to unrecorded Conveyances.

X. When any Person shall have acquired Right by General Conveyance, Service, Assignment, Adjudication, or otherwise, to an unrecorded Conveyance of Lands held Burgage granted in favour of another Person, it shall be competent to such first-mentioned Person to expedite, as aforesaid, a Notarial Instrument, in or as nearly as may be in the Form of Schedule (G.) to this Act annexed, setting forth

the Conveyance and the Title or Series of Titles by which he acquired Right to the same, and the Nature and Extent of his Right, and to record the Conveyance along with the Notarial Instrument in the appropriate Register of Sasines ; or where it is not desired to record the whole of the Conveyance, it shall be competent to expedé, as aforesaid, a Notarial Instrument, in or as nearly as may be in the Form of Schedule (B.), setting forth generally the Nature of the Deed, and containing at length those Portions of the Deed by which the Lands in regard to which the said Instrument is expedé are conveyed, and by which real Burdens, Conditions, or Limitations are imposed, and also setting forth the Title or Series of Titles by which the Party acquired Right to the Conveyance, and the Nature and Extent of his Right ; and to record such Notarial Instrument in the appropriate Register of Sasines ; and the Conveyance, with a Warrant of Registration thereon, along with such Notarial Instrument in the Form of Schedule (G.), or such Notarial Instrument in the Form of Schedule (B.), being so recorded, shall be equivalent to a Conveyance in favour of the Person expeding the Instrument, duly recorded along with a Warrant of Registration in the Manner herein-before provided.

Destinations in Entails may be referred to.

XI. When any Lands held Burgage are or shall hereafter be held under a Deed of Entail, it shall not be necessary to repeat the Destination contained in such Entail at length in the Conveyances, Instruments of Sasine or of Resignation and Sasine or of Cognition and Sasine, Instruments of Cognition, Notarial Instruments, or other Deeds necessary to transmit, renew, or complete a Title under such Entail ; but it shall be sufficient to refer to the Destination as set forth at full Length in the Deed of Entail recorded in the Register of Tailzies, if the same shall have been so recorded, or as set forth at full Length in any Conveyance, Instrument of Sasine, or of Resignation and Sasine, or of Cognition and Sasine, Instrument of Cognition, Notarial Instrument, or other Deed containing such Lands duly recorded in the appropriate Register of Sasines, and forming Part of the Progress of Title Deeds of the Lands comprehended under such Entail, such Reference being made in the Terms, or as nearly as may be in the Terms, set forth in No. 2. of Schedule (H.) ; and the Reference so made to such Destination shall be equivalent to the full Insertion thereof, and shall to all Intents and in all Questions whatever have the same legal Effect as if the Destination in the recorded Conveyance, Instrument, or other Deed referred to had been inserted at length, notwithstanding any Law or Practice to the contrary, or any Injunction to the contrary contained in such Deed of Entail, and notwithstanding any Enactments or Provisions to the contrary contained in any Act or Acts of Parliament now in force, all which are hereby repealed, so far as inconsistent herewith, but no farther.

Certain Clauses in Entails no longer necessary.

XII. When a Deed of Entail comprehending any Lands held Burgage contains an express Clause authorizing Registration of the Deed in the Register of Tailzies, it shall not be necessary to insert Clauses of Prohibition against Alienation, contracting Debt, and altering the Order of Succession, but such Clause of Registration shall have in every respect the same Operation and Effect as if such Clauses of Prohibition had been inserted according to the present Law and Practice, and duly fenced with irritant and resolute Clauses.

Recording of Conveyances in the Register of Sasines authorized.

XIII. All Conveyances, with Warrants of Registration written thereon, Instruments of Cognition, and other Notarial Instruments, hereby authorized to be recorded in the Register of Sasines, may be recorded at any Time in the Life of the Person on whose Behalf the same shall be presented for Registration, in the same Manner as Instruments of Sasine, or of Resignation and Sasine, or of Cognition and Sasine, and the Keepers of such Register are hereby authorized and required to record the same accordingly, when presented for that Purpose ; and the Date of Entry in the Minute Book shall be held to be the Date of Registration ; and the Date of Registration of all such Conveyances, Instruments of Cognition, and other Notarial Instruments, shall be equivalent to the Date of Registration of Instruments of Sasine, of Resignation and Sasine, and of Cognition and Sasine, according to the existing Law and Practice ; and Extracts of all such Conveyances, Warrants of Registration, Instruments of Cognition, and other Notarial Instruments, so recorded, shall make Faith in all Cases as the recorded Conveyances, Warrants, and Instruments themselves would have done, except where any such Conveyance, Warrant, or Instrument so recorded shall be offered to be improven.

Powers of Judge Ordinary. Judge Ordinary may call in the Assistance of One of the other Judges.

I. It shall be lawful for the Judge Ordinary of the Court for Divorce and Matrimonial Causes alone to hear and determine all Matters arising in the said Court, and to exercise all Powers and Authority whatever which may now be heard and determined and exercised respectively by the full Court or by Three or more Judges of the said Court, the Judge Ordinary being One, or where the Judge Ordinary shall deem it expedient, in relation to any Matter which he might hear and determine alone by virtue of this Act, to have the Assistance of One other Judge of the said Court, it shall be lawful for the Judge Ordinary to sit and act with such One other Judge accordingly, and, in conjunction with such other Judge, to exercise all the Jurisdiction, Powers, and Authority of the said Court.

Judge may direct any Matter to be heard by the full Court. Appeal to the full Court.

II. Provided always, That the Judge Ordinary may, where he shall deem it expedient, direct that any such Matter as aforesaid shall be heard and determined by the full Court; and in addition to the Cases in which an Appeal to the full Court now lies from the Decision of the Judge Ordinary, either Party dissatisfied with the Decision of such Judge sitting alone in granting or refusing any Application for a new Trial which by virtue of this Act he is empowered to hear and determine may, within Fourteen Days after the pronouncing thereof, appeal to the full Court, whose Decision shall be final.

Appeal to the House of Lords.

III. Where there is a Right of Appeal to the House of Lords from the Decision of the full Court there shall be the like Right of Appeal to the said House from the Decision of the Judge Ordinary alone, or with any other Judge, under this Act.

IV. The Sittings of the full Court shall be holden during the Seventh and Five following Days of Sitting in each Term, and on such other Days as the Judge Ordinary, with the Assent of the Lord Chief Justice of the Court of Queen's Bench, the Lord Chief Justice of the Court of Common Pleas, and the Lord Chief Baron of the Court of Exchequer, shall from Time to Time appoint; and the Judges of the Courts of Queen's Bench, Common Pleas, and Exchequer shall, by a Rota or otherwise, as they deem most convenient, make Provision for the Attendance of the requisite Number of such Judges to make with the Judge Ordinary a full Court during such Sittings; and Section Two of the Act of the last Session of Parliament, Chapter Sixty-one, shall be repealed.

An Act to make better Provision for the Relief of Prisoners in Contempt of the High Court of Chancery, and Pauper Defendants; and for the more efficient Despatch of Business in the said Court. [28th August 1860.]

WHEREAS by an Act passed in the Session of Parliament holden in the Eleventh Year of the Reign of His late Majesty King *George* the Fourth and the First Year of the Reign of His late Majesty King *William* the Fourth, Chapter Thirty-six, intituled *An Act for altering and amending the Law regarding Commitments by Courts of Equity for Contempt and taking Bills pro confesso*, it was enacted, amongst other things, that the Rules and Regulations therein-after provided and contained should be adopted by the High Court of Chancery, and should from thenceforth become Orders and Rules of the said Court of Chancery, and be observed and enforced in and by the said Court; and it was by the Sixth of such Rules directed that if a Defendant, upon being brought before the Court upon an Habeas corpus, should make Oath (which should be administered to him by the Registrar, and he should be examined in open Court,) that he was unable, by reason of Poverty, to employ a Solicitor to put in his Answer, the Court should thereupon refer it to a Master in Rotation to inquire into the Truth of that Allegation, and to report thereon to the Court forthwith, and thereupon the Court might make such Order as upon other Reports of the like Nature under the Provisions therein-after contained; and by the Seventh of such Rules it was directed that on the Thirtieth Day of *January*, the Thirtieth Day of *April*, the Thirtieth Day of *July*, and the Thirtieth Day of *October* in every Year, or if any of those Days should happen on a *Sunday* then on the following Day, One of the Masters of the Court of Chancery, to be named by the Court, should visit the Fleet Prison and examine the Prisoners confined there for Contempt, and should report his Opinion on their respective Cases to the Court, and thereupon it should be lawful for the Court to make such Order as therein mentioned: And whereas by an Act passed in the Session of Parliament holden in the Fifth and Sixth Years of the Reign of Her Majesty, Chapter Twenty-two, intituled *An Act for consolidating the Queen's Bench, Fleet, and Marshalsea Prisons, and for regulating the Queen's Prison*, it was enacted, amongst other things, that the Prison to be called the Queen's Prison should be the only Prison for all Persons who before the passing of that Act might lawfully have been imprisoned in the Fleet Prison and other Prisons therein named: And whereas by an Act passed in the Session of Parliament holden in the Fifteenth and Sixteenth Years of the Reign of Her Majesty, Chapter Eighty, intituled *An Act to abolish the Office of Master in Ordinary of the High Court of Chancery, and to make Provision for the more speedy and efficient Despatch of Business in the said Court*, the Office of Master in Ordinary of the High Court of Chancery was abolished, but reserving and subject to the Execution by the then Masters in Ordinary of the said Court of the Duties therein-after provided for, and until they were released under the same Act they were for the Performance of such Duties to continue to have all the Powers conferred upon them by any Act of Parliament or otherwise vested in them; and it was enacted that, on the First Day of *Michaelmas* Term One thousand eight hundred and fifty-two, Two of the said Masters should be released, and that as often as in the Judgment of the Lord Chancellor any other Master or Masters could be spared it should be lawful for the Lord Chancellor to release any such Master or Masters, and that when the Lord Chancellor should be of opinion that the Services of none of the Masters were any longer necessary for the due Execution of the Business of the said Court, it should be lawful for him to release every remaining Master: And whereas since the passing of the last-mentioned Act One of the Masters in Ordinary of the said Court has died, and all the others have been released except Three, Two of whom are quite incapable from Ill-health of performing the Duties of their Office, and the other of whom is of advanced Age and very infirm, and has held the Office of Master in the Court of Exchequer and the Court of Chancery for the Period of Thirty-nine Years and upwards: And whereas it has been considered desirable for the better Discharge of the Business of the said Court that the Causes and Matters now remaining in the Offices of the said Masters should be transferred to the Judges Chambers, and accordingly the Lord Chancellor, with the Advice and Assistance of all the Judges of the Court, has, by Order bearing Date the Twenty-third Day of *August* One thousand eight hundred and sixty, ordered and directed that all Causes, Matters, and Things now depending before the Masters shall be proceeded with and prosecuted before the respective Judges of the Court: And whereas the only Duty now remaining to be performed by the Masters is that of visiting the Prison as required by the first-recited Act, and it is expedient that they should be relieved from such Duty, and that some other Provision should be made for the Performance thereof: And whereas it is also expedient that some further Provision should be made for the Relief of Prisoners in Custody for Contempt of the said Court: And whereas since the Date of the first herein-before recited Act various Alterations have been made in the Practice and Procedure of the said Court, by reason whereof several of the Rules and Regulations contained in the same Act may require to be varied, and it is expedient that the Lord Chancellor should have Power to make such General Orders as may from Time to Time be necessary in that Behalf: Be it therefore enacted by the Queen's most Excellent Majesty, by and with the Advice and Consent of the Lords Spiritual and Temporal, and Commons, in this present Parliament assembled, and by the Authority of the same, as follows:

I. The

IV. In all Cases where, in pursuance of the said Sixth Rule contained in the first herein-before recited Act, a Defendant shall be brought to the Bar of the Court, and shall make Oath that he is unable by reason of Poverty to employ a Solicitor to put in his Answer, the Court, if not satisfied of the Truth of that Allegation, may direct an Inquiry as to the Truth thereof, and may appoint a Solicitor to conduct such Inquiry on the Behalf of such Defendant, and if it is ascertained by means of such Inquiry, or if the Court is satisfied without such Inquiry, that such Defendant is unable by reason of Poverty to employ a Solicitor to put in his Answer, the Court may thereupon make such Order as is authorized by the said Sixth Rule after a Report by a Master.

Expenses incurred for Prisoners and Pauper Defendants to be paid out of Suitors Fund.

V. When any Person shall be committed to any Prison other than the Queen's Prison under any Writ or Order of the Court of Chancery, the Gaoler or Keeper of the Prison in which such Person shall be confined shall, within Fourteen Days after such Person shall have been in the Custody of such Gaoler or Keeper, make a Report to the Lord Chancellor, containing the Name and Description of such Prisoner, with the Cause and Date of his Commitment, and a Copy of the Writ or Order under which he was committed; and if such Prisoner shall make Oath before One of the Visiting Justices of such Gaol, or a Commissioner for taking Oaths in the Court of Chancery, that he is unable by reason of Poverty to employ a Solicitor, the Report shall contain a Statement to that Effect, and it shall thereupon be lawful for the Lord Chancellor to direct the Solicitor to the Suitors Fund to ascertain the Truth of such Statement, and if true to take such Steps on behalf of any such Prisoner as the Nature of the Case may require; and the Lord Chancellor may thereupon, if he shall see fit, make such Order or Orders as he is empowered to make under the Second Section of this Act.

Where the proposed Tramway does not lie wholly within One County, and the Undertaking is provisionally approved of by any One of the Grand Juries before whom the Application comes, but is disapproved of by any other or others of such Grand Juries, it shall be lawful for the Promoters to appeal against such Disapproval to the Lord Lieutenant in Council, who shall, as soon as may be, inquire into the Grounds of Disapproval, and allow or disallow the Appeal.

VIII. Where the proposed Tramway lies wholly within One County, and the Grand Jury of that County disapproves of the Undertaking, and also where the proposed Tramway does not lie wholly within One County, and either the Grand Juries of all the several Counties disapprove of the Undertaking, or any One of them disapproves of it, and no Appeal is brought against such Disapproval, or any Appeal brought is disallowed, then and in every such Case the Application of the Promoters shall be deemed to have wholly failed.

IX. In every other Case the Commissioners of Public Works, herein-after called the Board of Works, as soon as may be after such provisional Approval or such Allowance of Appeal as aforesaid, on the Application of the Promoters, and on being furnished by them with Duplicates of all such Plans and other Documents as are herein-before required to be deposited, and with all such other Plans and Documents and all such other Information as the Board of Works may require, shall, by such fit Persons or Person as they shall appoint for the Purpose, make public Inquiry concerning the Merits of the Undertaking (to be held on or near some Part of the Lands proposed to be taken for the Tramway, and according to the Regulations contained in Schedule (A.) to this Act, Part V.), and shall report their Opinion thereon, and by such Report recommend, if they think fit, any such Modification of the Undertaking, in an engineering or financial or other respect, as may seem to them of public or local Advantage.

XIV. Thereupon, and on the Promoters doing everything required to be done by them by any Provision for securing the Completion of the Tramway applicable in their Case, the Lord Lieutenant in Council shall, as soon as conveniently may be, procure all necessary Steps to be taken for the Confirmation of such Order in Council by Act of Parliament, and until such Confirmation the Order shall have no Effect whatever. Duty of Court on Application.

XV. If the Judge decide that the Improvements as proposed, or as modified by him, are beneficial to the Parties principally interested in the Lands on which such Improvements are made, and that the Estimate of Expenditure is fair, and that the Expense of One or more of the proposed Improvements does not, regard being had to the Circumstances of the Estate, bear an undue Proportion to the whole Expense allowed by the Act to be expended on Improvements, and that the Lands proposed to be charged ought to bear such Charge, he shall make an Order giving his Sanction thereto.

Judge may sanction Improvements.

XVI. Upon obtaining such Sanction as aforesaid, the Limited Owner may proceed to make the Improvements sanctioned; but the Successor, or any Person authorized by him in Writing, may inspect the same during the Progress thereof.

Power of Successor to inspect.

XVII. Upon the Completion of the Improvements the Limited Owner shall lodge with the Officer of the Landed Estates Court a Statement verified by Affidavit, sworn before a Justice of the Peace or a Commissioner or other Officer duly authorized to take Affidavits in the Landed Estates Court, of the Expenditure that has been incurred, to an Amount not exceeding the Estimate of Expenditure sanctioned by the Judge, and a Description of the Lands intended to be charged with an Annuity in respect of such Expenditure.

Statement of Expenditure to be lodged with the Officer of the Landed Estates Court.

XVIII. Upon the Receipt of such Statement, the Officer of the Landed Estates Court shall give Notice thereof to the Successor, and shall name in such Notice a Time and Place at which the Judge will be prepared to make his Order, charging the Lands mentioned in the Statement with such Annuity as is herein-after mentioned, unless Cause is shown to the contrary at the Time and Place named, or at some other Time and Place of which Notice may be served on the Successor, and shall, at the Expense of the Limited Owner, cause the same to be advertised in some Newspaper published in or circulating in the County in which the Lands or any Part thereof are situate.

Officer of the Landed Estates Court to advertise Statement.

XIX. Previously to making such Order, the Judge shall hear the Successor or any Person appearing on his Behalf, and objecting that the Improvements have not been properly executed, or that the Money stated has not actually been expended in the Improvements, or if no Appearance is made on behalf of the Successor he shall require Proof of the Notice having been duly served: He may direct Inquiries to be made by Valuation Commissioners, Surveyors, or others as to the Execution of the Improvements and the Expenditure thereon, and may, if he thinks it just, disallow the whole or any Portion of the Expenditure; but if satisfied that the whole or any Portion of the Expenditure ought to be allowed, he shall make an Order specifying the Amount of Expenditure allowed, and charging the Lands mentioned in the Order with an Annuity of Seven Pounds Two Shillings for every One hundred Pounds of such Expenditure, and so in proportion for any less Sum, to commence from the Date of the Order, and to be payable for a Term of Twenty-five Years, on each Anniversary of such Date, to the Limited Owner, his Executors, Administrators, or Assigns.

Judge to make Charging Order.

XX. As soon as the Judge has made the Order charging any Land with an Annuity under this Act, he shall execute a Duplicate thereof, and the Person applying for such Order may cause the Duplicate to be registered in the Office for Registry of Deeds in the City of *Dublin*, and the Registrar of the Registry Office, his and their Assistant Deputies, and other Officers, shall be required upon Proof by Affidavit of the Signature of the Judge, to register the same in the same Manner as any Deeds or Instruments are registered in the said Office, and to enter a Memorial thereof in the Abstract Books and Indexes of or relating to Memorials registered and kept in the said Office, subject to the Payment of such Fees as may now be lawfully demanded.

Registry of Charging Order.

XXI. If any Limited Owner dies, becomes bankrupt or insolvent, after he has obtained an Order sanctioning any Improvements, but before he has obtained an Order charging the Estate with such Annuity as is herein-after mentioned, his personal Representatives or Assigns may complete the Improvements at the Expense of the Estate of such deceased, bankrupt, or insolvent Owner, and thereupon they shall be entitled to the same Annuity as such Owner would have been entitled to if he had not died, become bankrupt or insolvent.

Death of Limited Owner.

XXII. Every Annuity created in pursuance of this Part of this Act shall be a Charge on the Lands comprised in the Order, having, unless the Judge otherwise order, Priority over all existing and future Estates, Interests, and Incumbrances, with the Exception of Quitrents and other Charges incident to Tenure, Tithe Commutation Rentcharges, and any Charges created under any Act authorizing Advances of Public Money, or under any Act creating Charges in respect of Improvements on Lands and passed before this Act, with the Exception also (in Cases where the Lands placed in Settlement are subject to a Fee-farm Rent, or held of a superior Landlord under a Lease, reserving

Maintenance of Improvements.

XXIII. All Improvements in respect of which an Annuity is payable under this Part of this Act shall, during the Continuance of the Estate of the Limited Owner, be maintained by him in a proper State of Repair, and any subsequent Owner of the Land charged with such Annuity may recover from the Limited Owner any Damages he may have sustained by reason of the Noncompliance of the Limited Owner with the Provisions of this Section.

- (5.) Every Agricultural Lease shall imply the following Covenants on the Part of the Lessee—
  - (1.) To manage, till, and use the Lands demised in due and regular Course of good Husbandry, so that the same be not in anywise injured or deteriorated:

the Term "Court") to any Lease requiring such Sanction, the Lessor may submit to the Court, in such Manner as the Court may direct, a Copy of the proposed Lease, together with such Particulars as may be required by the Court for the Purpose of enabling it to decide upon the Propriety of giving its Sanction.

XXVII. Previously to giving its Sanction, the Court shall make such Inquiries as to the Circumstances of the Land proposed to be leased and of the Parties interested therein as it thinks fit, and in the Case of a Lease proposed to be granted by an individual Limited Owner shall cause Notice thereof to be served on the Successor and such other Persons, if any, as it thinks just. It shall hear all Persons interested in the Land who may apply to it to be heard. It may disapprove altogether, or may approve either with or without Modification, of the Lease proposed, but if the Court approve of the Lease it shall give its Sanction thereto by Order thereon, or in such other Manner as it thinks fit; and it may make such Order respecting the Costs of the Application as shall seem to it to be just.

Any Lease granted in pursuance of this Act by an individual Limited Owner shall be valid against the Person granting the same, and against all Persons claiming under the same Settlement any Estate or Interest subsequent to the Estate or Interest of such Limited Owner; and any Lease granted in pursuance of this Act by any Limited Owner, being a Body Corporate, Corporation Sole, Trustees for Charities, Commissioners or Trustees for ecclesiastical, collegiate, or other public Purposes, shall bind all the Estate and Interest of such last-mentioned Limited Owner; but no Lease granted by an Owner who is himself a Lessee shall continue after the Expiration of the Term granted by such Owner's Lease, nor shall anything herein contained be deemed to enable any such Owner to grant any Lease which, by virtue of any Covenant or Agreement with his Lessor, he is precluded from granting.

XXIX. Every Lease purporting to be made by virtue of this Act shall be subject to the Jurisdiction of a Court of Equity on the Ground of Fraud by reason of the Introduction of improper Covenants for Undervalue or otherwise.

XXXI. All Powers of leasing given by this Act shall be deemed to be in addition to any other Powers any Limited Owner may possess, and such Owner may exercise any other Power of leasing vested in him in the same Manner as if this Act were not passed.

XXXII. Where a Power to make Leases by virtue of this or any other Act of Parliament, or of any Settlement, shall in any particular Case be incapable of being exercised by reason of some accidental Variation of the Circumstances necessary to bring such Case within the exact Terms of the Act or Settlement, the Court of Chancery in *Ireland* or a Judge of the Landed Estates Court may, by an Order on a summary Petition presented by any Person interested in the Matter, and upon Notice to such Person or Persons as the said Court or Judge shall think necessary, authorize and empower the Donee of the Power contained in such Act or Settlement to make a Lease, notwithstanding any Variation which the said Court or Judge shall consider not to involve a substantial Departure from the true Intention or Meaning of such Act or Settlement; and every Lease made in pursuance of any Order of the said Court or Judge in that Behalf shall be as valid as if such Lease had been authorized by the Terms of the Act or Settlement.

Where the Landlord applying for such Warrant has at the Time of the granting of it some lawful Right to the Possession of the Premises or of the Part so holden over, the said Landlord, or his Agent or Receiver, or other Person acting on his Behalf, shall not be deemed to be a Trespasser by reason merely of any Irregularity or Informality in the Mode of proceeding for obtaining Possession under the Authority of this Act, but the Party aggrieved may bring an Action for such Irregularity or Informality, in which the Damages alleged to be sustained shall be specially laid, and may, unless such Party shall have tendered sufficient Amends before the Commencement of such Action, recover therein full Satisfaction for such special Damage, with Costs of Suit; but in case such special Damage laid as aforesaid be not proved, the Defendant shall be entitled to a Verdict, and in case the said Plaintiff shall recover no greater Sum than Five Shillings for such special Damage, he shall be entitled to no greater Sum for Costs than the Amount of the Damages so recovered, unless the Judge before whom the Cause is tried shall certify on the Back of the Record that in his Opinion full Costs ought to be allowed.

*Cap. xii.*

“The Liverpool Corporation Waterworks Act, 1860.”

Recites that by “The Liverpool Corporation Waterworks Act, 1847,” the Mayor, Aldermen, and Burgesses of the Borough of Liverpool were empowered to supply with Water the Borough of Liverpool and other Places, and for such Purpose were empowered, inter alia, to construct and maintain Reservoirs known as the Roddlesworth Reservoir and the Rake Reservoir, and Works in connexion therewith, for the Purpose of impounding the Waters of the River Roddlesworth and its Tributaries, and other Waters in that Act mentioned, and to take and use and apply those Waters to the Purposes of that Act; that they were by that Act required to send down the River Roddlesworth, and into any Reservoir of the Brinscall Hall Print Works, and into any Reservoir of the White Coppice Weaving Mill, the respective Quantities of Water in the said Act mentioned; that the Reservoirs constructed under the Provisions of the recited Act are not of sufficient Capacity to impound the whole of the Waters of the River Roddlesworth and its Tributaries, and in Times of extreme Drought they may be unable to send down the River Roddlesworth, and into the Brinscall Hall Reservoir and the White Coppice Reservoir aforesaid, the respective Quantities of Water in the said Act mentioned; and it is expedient that the Corporation be empowered to construct an additional Reservoir and Works for more effectually impounding the Waters of the said River Roddlesworth and its Tributaries; that by the recited Act the Corporation were empowered to demand and receive Rates or Rents for the Supply of Water for Domestic Purposes within the District which they are authorized to supply with Water, but those Rates and Rents have been found to be unequal and unjust in their Operation, and it is expedient that they should be revised, and that the Corporation should be empowered to raise a further Sum of Money for the Purposes of their Waterworks Undertaking, and to convert all or any Part of their existing or future Debt incurred for those Purposes into a perpetual Stock bearing a fixed Rate of Interest; and to amend their Acts of 1850, 1852, and 1855.

X. A Supply of Water for Domestic Purposes as aforesaid shall include a Supply for all Waterclosets in each such Dwelling House, or Part of a Dwelling House, and for private Baths therein, if constructed in conformity with Section VII. of "The Liverpool Corporation Waterworks (Deviations) Act, 1852;" but shall not include a Supply of Water for Railway Purposes, or for Baths, Washhouses, or public Purposes, or for Horses or Cattle, or for washing Carriages where such Horses or Carriages are let for Hire, or are kept for Sale or at Livery, or are the Property of a Dealer, or Stage Coach Proprietor, or Common Carrier, or for any ornamental Purpose, or for any Steam Engines, or for any Brewery, Warehouse, Store, Vault, Workshop, Mill, or Manufactory, or for Shipping, or for any Trade, Manufacture, or Business whatsoever.

## "The Metropolitan Railway Act, 1860."

Recites the several Acts relating to the Company ; that the Time for making the Railway was extended by the Act of 1859 for the Period of Three Years from the passing of that Act ; that they are proceeding in the Execution of the said Acts, and have, in the Exercise of their compulsory Powers of purchasing Lands, entered into Contracts for the Purchase of certain Lands required to be used or interfered with in the Construction of the Railway ; but with reference to other of those Lands so required, save such as are authorized to be taken by the Act of 1859, the Period limited for their compulsory Purchase has expired ; that they find that in the Execution of their Railways and Works it will be necessary to take and interfere with certain Lands, some of which were within the Limits of lateral Deviation described upon the Plans referred to in the said Acts, but in respect of which the compulsory Powers have expired without the Company having given any Notice to treat and agree to the Owners, Lessees, and Occupiers thereof, and others of which were not included in those Limits, but may be required or interfered with in the Construction of the Railway as authorized by the recited Acts, and for Station Accommodation ; that it will be necessary in the Construction of the Railway to alter the Level of Burne Street, and to divert the Street called Mitcham Street, both in the Parish of Marylebone ; that Plans have been deposited with the Clerk of the Peace for the County of Middlesex, and are herein-after referred to as "the Plans of the additional Lands," whereon are delineated as well certain Lands for the Purchase of which Contracts have been entered into, and in respect of which no further Powers are taken by this Act, as the additional Lands which the Company require, and which are numbered on such Plans and described in the Book of Reference thereto ; that the Mayor, Aldermen, and Commons of the City of London are promoting a Bill in Parliament for the Formation of a Dead Meat Market in Smithfield, and it is expedient that certain Arrangements should be authorized between them and the Company with reference to the Communication between that Market and the Railway ; and to extend the Time for the Completion of the Main Line of Railway, and the Works connected therewith, from Victoria Street to Paddington, including the Branch to the Great Western Railway, and which is herein-after referred to as the Main Line of Railway ; that under the Act of 1859, the Company paid into the Court of Chancery, within the Period specified by such Act, the additional Sum of 5,500*l.* ; and that Two separate Sums of Money, including such last-mentioned Payment, have been deposited, and are now standing to the Credit of the Company, in the Court of Chancery, for securing the Completion of the Undertaking ; but inasmuch

as the Amount and Distribution of the Capital of the Company, and the Works to be executed, have been altered by the various Acts before referred to, it is reasonable that the Obligations imposed on the Company, with reference to the raising and Expenditure of their Share Capital before they can receive Repayment of such Money, should be revised and clearly defined, and that the Provisions of the recited Acts be amended.

## "Dublin and Kingstown Railway Act, 1860."

Recites that by their Act of 1846 the Waterford, Wexford, Wicklow, and Dublin Railway Company (in this Act called "The Wicklow Company,") were incorporated and authorized to take a Lease of the Dublin and Kingstown Railway and all Works connected therewith, and all Property and Effects of the Dublin and Kingstown Railway Company (in this Act called "The Kingstown Company,") and the Agreements therein mentioned in reference to the Lease, were, by the reciting Act, rendered binding on both those Companies; and that those Agreements were varied by their Act of 1848; that in 1851 the Name of the Company

incorporated by the first-recited Act was changed to its present Name of "The Dublin and Wicklow Railway Company;" that by "The Dublin and Wicklow and Dublin and Kingstown Railway Act, 1854," the Agreements therein recited for modifying the before-recited Agreements were confirmed; that in pursuance of the recited Acts and Agreements, by an Indenture (in this Act called "the Lease,") dated the 30th Day of June 1856, between the Kingstown Company of the First Part, Richard Michaux Mugeridge of the Second Part, and the Wicklow Company of the Third Part, the Dublin and Kingstown Railway, and the Works connected therewith, and the Property and Effects of the Kingstown Company, therein described, were demised unto the Wicklow Company and their Assigns for the Term of 35 Years, yielding and paying therefor yearly during the Term, unto the Kingstown Company and their Assigns, first, the yearly Rent or Sum of 32,000*l.* Sterling, and secondly, the yearly Rent, if any, which in the event of a Line of Railway from or from near the Town of Bray, through or near or by way of Dundrum to the City of Dublin, being made as expressed in the therein recited Agreement of the 24th Day of June 1846, might become payable as provided by that Agreement, those several yearly Rents respectively to be payable and paid free from and over and above and in addition to all Head Rent, Taxes, Rates, Assessments, and other annual Outgoings of the like Nature then payable, or at any Time thereafter to be payable by the Kingstown Company, for or in respect of the Railways, Houses, Lands, Hereditaments, and Premises thereby granted or demised, or meant or mentioned so to be (Property or Income Tax then payable or thereafter to be or become payable, in respect of all or any Portion of the Property thereby demised, only excepted), the yearly Rent of 32,000*l.*, to be payable by Two equal half-yearly Payments, on the 1st Day of January and the 1st Day of July in every Year, the First of such Payments to be made on the 1st Day of January 1857, and also yielding and paying yearly during the Term unto the Kingstown Company and their Assigns, thirdly, in addition to the several other Rents therein-before reserved, a contingent Rent equal to 30. per Centum upon the gross Receipts of or to be derived from the Line of Railway from Dublin to Kingstown, and all other the Premises thereby demised, (excepting and exclusive of all such Parts thereof as then formerly constituted the Site or any Part of the Site of the then late Atmospheric Railway,) which should be over and above and in excess of 55,000*l.* per Annum, the Amount of such gross Income to be ascertained in manner therein-after mentioned; such additional contingent Rent to be clear of all Deductions as aforesaid, and to be in every Case payable within One Calendar Month after the Expiration of the Year in respect whereof the same should accrue due, and subject to the Provisions, Covenants, and Conditions in the now reciting Indenture contained, and with a Proviso and Covenant for the Renewal in the Events therein expressed of the Lease effected by the reciting Indenture for a further Period of 35 Years; and Provision was thereby made for the Determination of all Differences between the Two Companies and their Assigns respectively, arising out of or incident to the Lease, by Arbitration as therein expressed; that Differences lately arose between the Kingstown Company and the Wicklow Company, with reference to a Claim of the Kingstown Company against the Wicklow Company in respect of the Rent secondly reserved by the Lease (and which in this Act is called "the Compensation Rent"), and their Differences thereon were referred to Arbitration, but before any Award was made in the Arbitration, the Two

Companies came to an Arrangement for an amicable Settlement of the Differences between them, on the Footing of substituting, with the Sanction of Parliament, a certain Percentage on the gross Receipts of the Wicklow Company in respect of Through Passenger Traffic between Harcourt Street and Bray, and Kingstown and Bray, for the Compensation Rent, and the Arbitration was therefore not proceeded with; that the Terms of such Arrangement were afterwards submitted to and approved of by each of the Two Companies at General Meetings specially called for the Purpose, and held on the 26th Day of August 1859 and 1st Day of October 1859 respectively, and in pursuance thereof the Indenture in the Schedule to this Act annexed, bearing Date the 1st Day of October 1859, was made between the Wicklow Company of the one Part and the Kingstown Company of the other Part, and it is expedient that such Indenture be confirmed; that by their Act of 1831, whereby the Kingstown Company were incorporated, they were authorized to raise a Capital of 200,000*l.* in 2,000 Shares of 100*l.* each, and to borrow 70,000*l.*, and to raise Money by Annuities; and they have raised the whole of that Capital of 200,000*l.* by Shares, and borrowed 70,000*l.*, which is still due; that by their Act of 1846 the Kingstown Company were authorized to raise a further Capital of 300,000*l.* by 4,000 Shares of 50*l.* each, and 4,000 Shares of 25*l.* each, and to raise a further Sum by borrowing, and Provision was thereby made for the Conversion of all the fully paid-up Shares of the Kingstown Company into a General Capital Stock; that under the Authority of the Act of 1846, the 2,000 Shares of 100*l.* each, constituting the Capital of 200,000*l.* authorized by the Act of 1831, were converted into a General Capital Stock of 200,000*l.*; that the 4,000 Shares of 50*l.* each by the Act of 1846 authorized have been taken, and the Sum of 25*l.* has been paid in respect of every such Share of 50*l.*, and the 4,000 Shares of 25*l.* each by the said Act of 1846 authorized have been taken, and the Sum of 12*l.* 10s. has been paid in respect of every such Share of 25*l.*, making the aggregate Sum of 150,000*l.* so paid, and leaving unpaid the Sum of 25*l.* on every Share of 50*l.* and the Sum of 12*l.* 10s. on every Share of 25*l.*, and making the aggregate Sum of 150,000*l.* so unpaid; proposes to regulate the Capital and Borrowing Powers of the Kingstown Company.

1. The Chard Railway to be exclusively Narrow Gauge.
2. No Land of the South-western Company to be taken or used without their Consent.

"The Midland Railway (Burton Branches) Act, 1860."  
 Recites that by "The Midland Railway and Burton-upon-Trent Bridge Act, 1859," the Midland Railway Company were empowered *inter alia* to construct a Branch Railway, to commence by a Junction with the Main Line of the Midland Railway, in the Township of Horninglow, and Parish of Burton-upon-Trent, and to terminate on the South-eastern Side of Guild Street, in Burton-upon-Trent, in the same Parish; that it is expedient that the Company be empowered to make a Deviation in and Extension of the said Branch Railway, in conformity with the Conditions of the 10th Section of the Act of 1859; that it is also expedient that the Company be empowered to construct the other Railways and Works in this Act mentioned; and that whereas the said Branch Railway would materially interfere with the Means of Access which Messieurs Samuel Allsopp and Sons now enjoy between different Portions of their Business Premises at Burton-upon-Trent, it is therefore expedient for the convenient Conduct of their Business that they should be authorized to construct the Connexion Railway No. 1 herein-after described; and for the same Purpose that they should be authorized to connect other Portions of their Premises with each other, and with the Railway herein-after thirdly described, by constructing the Connexion Railway No. 2 herein-after also described.

XIV. Whereas under "The Shropshire Union Railways and Canal Lease Act, 1847," and "The Shropshire Union Railways and Canal Act, 1854," the Shropshire Union Railways and Canal Company (herein-after called "The Shropshire Union Company") have granted a Lease in perpetuity of their Undertaking, as limited and defined by the last-mentioned Act, to the Company, on Payment half-yearly to the Shropshire Union Company, as and by way of Rent reserved in and by the said Lease of the following Sums; (that is to say,) First, of a Sum equal to Interest for Half a Year on 814,207*l.*, therein stated to be the Canal Debt of the Shropshire Union Company, after the Rate which the Securities for the same Debt should for the Time being actually carry, and subject to Variation accordingly; and secondly, of a Sum equal to Interest for Half a Year on 1,552,564*l.* 10*s.* 5*d.*, being the then aggregate Amount of the Share Capital of the Shropshire Union Company as therein defined, at a Rate equal to Half the Rate per Centum per Annum of the Dividends which should from Time to Time be declared and payable upon the ordinary Share Capital of the Company: And whereas for the mutual Convenience of the Two Companies the Company assumed the Payment of the Interest from Time to Time payable on the subsisting Debt of the Shropshire Union Company: And whereas by "The London and North-western Railway Act, 1857," it was amongst other Things provided that the Company on the one hand and the Shropshire Union Company on the other hand, or the Company on the one hand, with such Consent as therein mentioned of the Shareholders of that Company, and all or any of the Shareholders of the Shropshire Union Company on the other hand, might from Time to Time make and enter into all such Agreements as they respectively thought fit with respect to the Conversion of all or any of the Shares, or all or any Part of the Stock of the Shropshire Union Company into ordinary Stock of the Company; and further, that according to the Terms of such Agreements respectively all or any of the Shares, or all or any Part of the Stock of the Shropshire Union Company, should from Time to Time be converted into ordinary Stock of the Company: And whereas no Agreement has been entered into between the Two Companies for the Conversion of the entire Stock of the Shropshire Union Company, but many of the Shareholders of the Shropshire Union Company are desirous of having the Power of converting their Shares or Stock in that Company into ordinary Stock of the Company, at the Rate of 100*l.* of Shropshire Union Stock for 50*l.* of London and North-western Stock, and the Company are willing that such Conversion should take effect, but it is apprehended that by the Terms of the said Lease the said Payment by way of Rent of Interest on the Capital Sum of 1,552,564*l.* 10*s.* 5*d.*, might still be legally demandable, though the Amount of the Share Capital of the Shropshire Union Company mentioned in the said Lease would by such Conversion be pro tanto diminished, no Provision being made by the said Lease, or by the Act authorizing the same, or by the said "London and North-western Railway Act, 1857," for a proportionate Abatement or Diminution of the Rent in the event of any such Conversion: And whereas it is expedient that such Doubt should be removed, and that upon any such

Conversion taking effect, the Amount of Rent payable by way of Interest on the aggregate Share Capital of the Shropshire Union Company should be proportionately diminished; and it is also expedient that Payment of the Interest on the Debt for the Time being subsisting should be deemed to be Payment of the Rent or Sum first reserved in the said Lease: Therefore, notwithstanding anything in the said Lease to the contrary, Payment by the Company of the Interest, after the Rate specified in such Lease, upon the Debt of the Shropshire Union Company for the Time being subsisting and unsatisfied, shall be deemed to be Payment of the Rent or Sum so as aforesaid first reserved in and made payable by the said Lease, and Payment by the Company from Time to Time of a Sum equal to Interest, at the Rate specified in the said Lease, on the Shares or Stock of the Shropshire Union Company, for the Time being subsisting, and not exchanged for or converted into Stock of the Company under the Powers and Provisions of "The London and North-western Railway Act, 1857," shall be deemed to be Payment of the Sum or Rent so as aforesaid secondly reserved in and made payable by the said Lease, and such Payments respectively shall be accepted by the Shropshire Union Company, in full Satisfaction and Discharge of the said Rents or Sums first and secondly reserved as aforesaid.

I. Within One Month after the passing of this Act, the Saint Helens Company shall grant to the London and North-western Railway Company, and the last-named Company shall accept, a Lease of so much of the Undertaking of the Saint Helens Company as consists of their Railway at and between Warrington and the Passenger Station at Garston constructed under the Authority of "The Saint Helens Canal and Railway Act, 1846," and "The Saint Helens Canal and Railway Act, 1847," together with the other Stations on the said Portion of Railway, and all the Interest and Share of the Saint Helens Company of and in the Station at Warrington held by them jointly with the Owners or Lessees of the Warrington and Stockport Railway, and so much of the Station at Garston as is coloured Blue on a Plan signed by Mr. Arthur Sinclair on behalf of the Saint Helens Company, and Mr. Charles Edward Stewart on behalf of the London and North-western Railway Company, and deposited with the Clerk of the Peace for the County of Lancaster; and such Lease shall be for 21 Years, and (subject to the Sanction of Parliament) be renewable and renewed on the same Terms and Conditions as between the Two Companies themselves, unless they shall otherwise agree, and unless it shall appear to Parliament to be for the public Benefit that such Terms and Conditions should be altered and revised.

II. Such Lease shall bear Date, or the Term thereby granted shall be deemed to have commenced, on the 1st Day of July 1860, and the London and North-western Railway Company shall pay by way of Rent to the Saint Helens Company 5,000*l.* for the Half Year ending the 31st Day of December 1860, and the Sum of 12,000*l.* for every subsequent Year, by equal half-yearly Instalments, on the 30th Day of June and the 31st Day of December in each Year, and they shall also defray all Charges and Outgoings, whether for Rates or Taxes, or for the Management, Maintenance, and Repair of the demised Railway, Stations, and Appurtenances, subject to the Provisions herein-after contained as to the Station at Runcorn Gap; and to such Lease all the Provisions of "The Railways Clauses Consolidation Act, 1845," "with respect to leasing the Railway," shall apply, except so far as the same may be inconsistent with this Act; and such Lease shall contain all such Clauses and Provisions as shall be proper for giving full Effect to the Provisions of this Act relating to the Railway so to be demised, and also a Clause for indemnifying the Lessees against all Charges and Incumbrances affecting the said demised Railway, excepting as herein-after mentioned.

III. The London and North-western Railway Company shall at all Times hereafter keep open to the Public, and efficiently maintain and work for the Purposes of all Traffic, to or from any other Line of Railway, the said demised Portion of Railway, and shall afford Facilities equal to those afforded to the Traffic of the London and North-western Railway for the receiving, booking, forwarding, and delivering of all such Traffic over the same; and if Complaint shall be made to the Court of Common Pleas that the said Company are acting in contravention of this Provision, it shall be lawful for the said Court to take all such Proceedings, and to make all such Inquiries into the Reasonableness of such Complaint, and to enforce all such Orders against the Company, as if this Enactment had been contained in "The Railway and Canal Traffic Regulation Act, 1854."

IV. The London and North-western Railway Company shall at all Times hereafter keep open to the Public, and efficiently maintain and work for the Purposes of all Traffic coming from or destined for the Great Northern or Manchester, Sheffield, and Lincolnshire Railways, the Railway of the London and North-western Railway Company between Liverpool and Manchester, whether by way of Newton or by way of Garston, Warrington, and Timperley, and shall afford Facilities to such Traffic equal to those afforded for the Traffic of the London and North-western Railway for receiving, forwarding, booking, and delivering of all such Traffic destined for or coming from the Great Northern and the Manchester, Sheffield, and Lincolnshire Railways; and if Complaint shall be made to the Court of Common Pleas that the said Company are acting in contravention of this Provision, it shall be lawful for the said Court to take all such Proceedings, and to make all such Inquiries into the Reasonableness of such Complaint, and to enforce all such Orders against the Company, as if this Enactment had been contained in "The Railway and Canal Traffic Regulation Act, 1854."

V. There shall be included in the said Demise certain Coal-yards and Sidings at Garston, coloured Yellow upon the said Plan, upon Payment by the London and North-western Railway Company to the Saint Helens Company of 750*l.*, by way of Consideration for the same; and the London and North-western Railway Company shall also have the Option of acquiring for the Residue of the Term unexpired at the Time of expressing the said Option, and as Part of the demised Premises, other Coal-yards and Sidings, coloured Brown on the same Plan, upon providing equivalent Accommodation for the Saint Helens Company on Land adjoining

belonging to the Saint Helens Company, the Adequacy of such Accommodation being settled, in case of Difference, by Arbitration.

VI. The London and North-western Railway Company shall have free Access to and from and proper Facilities at Garston Dock for shipping Coals, and shipping and receiving Merchandise Traffic of every Description, and shall pay to the Saint Helens Company at the Rate of 3*d.* per Ton for Dockage and Toll, in addition to any other Payments provided for in this Act.

VII. Nothing in this Act contained shall prevent or in anywise interfere with the Use by the Public of the Garston Dock, and the Accesses thereto and Works there, as freely and on the same Terms and Conditions as though this Act had not passed.

VIII. The Saint Helens Company shall have the Right to convey with their own Engines and Carriages, free of Charge, over the Portion of the demised Railway, Passengers to and from Saint Helens and Stations between Widnes and Saint Helens on the Saint Helens Railway from and to the Runcorn Gap Station, paying half-yearly towards the Expenses of that Station a Sum measured by their Proportion of the Traffic resorting to or leaving the said Station.

IX. The Stipulations contained in the Schedule hereto shall be as binding upon the Two Companies during the said Demise as though they formed Part of this Act and were severally enacted therein.

X. During the Subsistence of the Lease by this Act authorized, the Tolls, Rates, and Charges to be demanded by the London and North-western Railway Company for and in respect of the demised Railway shall be the same as are or may be demandable by them for or in respect of their own Railways, and shall be charged equally to all Companies and Persons using the demised Railway: Provided that such Tolls, Rates, and Charges shall be calculated as though the London and North-western Railway and the demised Railway formed a continuous Railway of the London and North-western Railway Company, and provided that as respects Traffic carried partly over the demised Railway, and also partly over the Saint Helens Railway between Widnes and Saint Helens, and also partly over that Part of the Warrington and Stockport Railway which is necessary to form a Communication between the Saint Helens Railway and the Birkenhead Railway, or partly over One and any other of such Three of such Portions of Railway, the London and North-western Railway Company shall not exercise their Power of demanding Tolls as for Six Miles, nor shall the Saint Helens Company exercise their Power of demanding Tolls as for Four Miles wherever such Traffic is so carried over a less Distance than Six Miles or Four Miles, as the Case may be.

“The Bucks County Rate Amendment Act, 1860.”

Whereas an Act was passed in the Fifty-fourth Year of the Reign of King George the Third, intituled “An Act for making a fair and equal County Rate for the County of Buckingham,” whereby the Justices of the Peace for the said County were authorized and required to assess and tax to the County Rate every Parish, Township, Hamlet, Liberty, Precinct, and Place

within the said County, rateably and in due Proportions according to the annual Rent or Value of all Estates within such Parish, Township, Hamlet, Liberty, Precinct, and Place respectively: And whereas by such Act, after reciting that it might be inconvenient and oppressive to many Parishes, Townships, Hamlets, Liberties, Precincts, and Places in the said County, that the Sum of Money which should be assessed as and for the County Rate under the said Act should be paid out of any Rate made for the Relief of the Poor of such Parish, Township, Hamlet, Liberty, Precinct, or Place, it was enacted to the Effect that it should be lawful for the said Justices in Quarter Sessions assembled, if they should think it convenient, to order the Sum of Money directed to be assessed as or for the County Rate on any Parish, Township, Hamlet, Liberty, Precinct, or Place, to be paid by and levied on the Churchwardens, Overseers of the Poor, or Petty Constables of or for any such Parish, Township, Hamlet, Liberty, Precinct, or Place by and through the Intervention of the Chief or High Constable of the Hundred or Division in which such Parish, Township, Hamlet, Liberty, Precinct, or Place may be situate, and that the Churchwardens, Overseers of the Poor, or Petty Constables paying the same should be reimbursed as in the said Act mentioned: And whereas Doubts have arisen whether the recited Provision for levying the Sums now assessed or charged, or which may hereafter be assessed or charged, as and for the County Rate can any longer be enforced in consequence of the Functions of the High or Chief Constable with respect to County Rates having been taken away by the Act Seventh and Eighth of Victoria, Chapter Thirty-three, intituled “An Act for facilitating the Collection of County Rates, and for relieving High Constables from Attendance at Quarter Sessions in certain Cases, and from certain other Duties,” and it is expedient that in lieu of such Provision other Provision should be made for levying such Sums; but the same, &c.

I. The Justices of the Peace for the said County in Quarter Sessions assembled may in any Case, if they think fit, direct that any Sum now assessed or charged, or which may hereafter be assessed or charged, as and for the County Rate on any Parish, Township, Hamlet, Liberty, Precinct, or Place in the said County, and also that the Name of any such Parish, Township, Hamlet, Liberty, Precinct, or Place shall be altogether omitted from any Precept or Warrant which may at any Time hereafter be issued under or by virtue of the Powers contained in the said Act Seventh and Eighth of Victoria, Chapter Thirty-three; and in any Case in which the said Justices shall direct such Omission to be made, they shall cause to be issued a separate Warrant or Precept in the Form shown in the Schedule to the last-mentioned Act, or as near thereto as may be, to the Overseers, or Petty Constables, or Peace Officers, or Surveyors of Highways, or to any Occupier or Occupiers of Land in any such Parish, Township, Hamlet, Liberty, Precinct, or Place, requiring them, or any of them, to pay to the County Treasurer or to transmit to him in such Manner as shall be directed, and within such Time as shall be limited in and by such Warrant or Precept, any Sum now assessed or charged, or which may hereafter be assessed or charged, as and for the County Rate on such Parish, Township, Hamlet, Liberty, Precinct, or Place.

II. In case any Overseer, Petty Constable, Peace Officer, Surveyor of Highways, or Occupier of Land as aforesaid, to whom any such Precept or Warrant shall be directed, shall neglect or refuse to pay the Sum so assessed and ordered to be levied and paid, as and for a County Rate, on or before the Day limited for Payment thereof, then if the Clerk of the Peace or Treasurer of the said County shall make Complaint thereof to any Two or more Justices of the Peace for the said

County, such Two or more Justices may by Warrant under their Hands levy the same, with an Addition thereto in the Proportion of One Shilling to every Ten Shillings (such Addition to be applied and disposed of in like Manner as the County Rate), by Distress and Sale of the Goods and Chattels of such Overseer, Petty Constable, Peace Officer, Surveyor of Highways, or Occupier as aforesaid; and the Justices in Quarter Sessions assembled may pay to any Clerk, Constable, Messenger, or other Person who may have been employed in making such Complaint, or in obtaining, drawing, or executing such Warrant, such reasonable Compensation out of the County Stock of the said County as to the said Justices may seem fit.

III. The Overseer, Petty Constable, Peace Officer, or Surveyor of Highways to whom any such Precept or Warrant is directed, may levy the Sum mentioned in such Precept or Warrant either before or after the same has been paid by or recovered from him, and together with the additional Sum (if any) which may have been recovered from him under the Powers of this Act, by a Rate to be made upon the Occupiers of all Lands, Tenements, and Hereditaments within the Parish or Place to which the Precept or Warrant relates, which last-mentioned Rate any Two or more Justices of the Peace for the said County shall order and direct; and such Rate shall be recoverable in the same Way as any Poor Rate or Highway Rate is or may be by Law recoverable.

IV. If any Person shall think himself aggrieved by any Act, Matter, or Thing to be done in pursuance of this Act, or the Powers hereby given, he shall have the same Right and Power of Appeal in all respects as any Person has against or with reference to a County Rate, whether under the Provisions of the Local Act or of any Public General Act relating to County Rates.

V. All the Costs, Charges, and Expenses of and incident to the passing of this Act shall be borne and paid by the Justices out of the County Stock of the County of Buckingham.

VI. This Act may be cited for any Purpose as "The Bucks County Rate Amendment Act, 1860," and this Act and the recited Act may together be cited for any Purpose as the "Bucks County Rate Acts."

"Ouse Outfall Act, 1860."

Recites that the following Acts, viz., 35 Geo. 3. c. lxxvii.; 36 Geo. 3. c. xxxiii.; 45 Geo. 3. c. lxxii.; 56 Geo. 3. c. xxxviii.; 58 Geo. 3. c. xlviii.; 59 Geo. 3. c. lxxix.; 1 & 2 Geo. 4. c. lxiv.; 1 & 2 Will. 4. c. lxxiii., are commonly called and are herein-after referred to as the "Eau Brink Acts," and relate to the improving of the Drainage of the Middle and South Levels, Part of the Great Level of the Fens called Bedford Level, and of the Low Lands adjoining or near to the said Levels, as also of the Lands adjoining or near to the River Ouse, in the County of Norfolk, draining through the same to the Sea by the Harbour of King's Lynn, in the said County (and which said last-mentioned Lands are commonly called Marshland), and the altering and improving of the Navigation of the said River Ouse, from or near a Place called Eau Brink, in the Parish of Wiggenhall Saint Mary, in the said County, to the said Harbour of King's Lynn, and the improving and preserving of the Navigation of the several Rivers communicating with the said River Ouse, which said Improvements in the Drainage and Navigation were to be and have been chiefly effected by diverting the ancient Channel of the Ouse, and by making a new River or Cut from the said Place called Eau Brink, to or near the Town or Port of King's Lynn; that by the Eau Brink Acts it was provided, that every Person being the Owner or Trustee, Committee or Guardian for any Owner, of 200 Acres of Land liable to the Tax therein directed

to be assessed, and every Rector, Impropiator, or Vicar for the Time being of any of the Parishes or Townships in which the said Lands were situate, and the Mayor of King's Lynn for the Time being, and also the Agent or Deputy appointed by any Owner of 500 Acres of Land liable to the said Tax, and the Bursar for the Time being of Saint John's College, Cambridge, should be the Commissioners for Drainage, and which Commissioners are herein-after referred to by the Expression "the Commissioners;" and it was also provided that the Commissioners should, in the Manner therein mentioned, make the said Eau Brink Cut, and also a Dam at each End of the deserted Channel of the River Ouse, with proper Banks and Forelands to the said Cut, and also a Bridge over the said Cut (herein-after referred to as the Free Bridge), and that such Bridge, Dams, Banks, and Forelands should be vested in and be kept in repair by the Commissioners; and that the Commissioners should also scour, cleanse, and deepen the River Ouse from Denver Sluice to the Eau Brink Cut on a regular Section to the Satisfaction of certain Engineers therein named or referred to, and remove all Obstructions therein as far as might be consistent with the Safety of the Banks and of the Bridges across the River, making Satisfaction to any Persons or Corporations who should sustain any Damage or Injury to their Lands, Tenements, or Hereditaments by or in consequence of any of the Acts of the Commissioners; that by the Eau Brink Acts the Commissioners were authorized to borrow certain Monies for the several Purposes therein mentioned, and the Fen Lands and Low Grounds therein referred to were made liable to certain specified yearly Acre Taxes up to the 1st Day of January 1844 inclusive, and for so long as any Debt of 2,000*l.* or upwards Principal Money should be owing on any Security granted by the Commissioners previous to the 1st Day of January 1844 upon any of the said Taxes; that the aforesaid Taxes ceased to be leviable after the 1st Day of January 1854, by reason of the Debt of the Commissioners in respect of Securities granted by them previous to the 1st Day of January 1844, on Security of the said Taxes, having been reduced below 2,000*l.* in the Year 1853; that under the Eighth of the Eau Brink Acts, the Commissioners were authorized, when the Debt due on any Security granted by them upon any of their Taxes should be wholly extinguished or reduced below 2,000*l.*, at a Special Meeting to be held between the 1st Day of August and the 1st Day of November in any Year, to tax the Fen Lands herein-after called "Full-taxable Lands" with a Tax not exceeding Three pence per Acre, and the Lands herein-after called "Half-taxable Lands" with a Tax not exceeding Three Halfpence per Acre, for any Year, and in certain Events to assess the same for Two Years; provided, that the same should not be charged unless a sufficient Number of Commissioners present at such Meeting to represent Three Fourths of the total Quantity of Acres represented at such Meeting should concur in assessing such Taxes; that under some of the Eau Brink Acts the Commissioners caused a Plan and Survey, and Book of Reference thereto, to be made between the Years 1821 and 1831 of the Fen Lands and Low Grounds so as aforesaid made liable to the said Taxes, which Plan and Book of Reference (so far as they relate to the Lands which were liable to be assessed under the Eighth of the Eau Brink Acts) were printed and published, and the said Plan is called "Plan of Part of the Bedford Level and Lands adjacent, subject to the Eau Brink Tax, by J. G. Lenny, Bury Saint Edmunds, 1833;" that by the First of the Eau Brink Acts it was provided that the Mayors and Aldermen of certain Corporate Towns and

23 & 24 Vict.

Boroughs, and divers other Persons therein named, should be Commissioners of Navigation, with such Powers and Authorities as were therein expressed; that by the First, Second, Sixth, and Seventh of the Eau Brink Acts, Tolls of Fourpence for each Measure and Number therein mentioned of the Goods therein specified, and for every Ton Weight of all other Goods, Wares, or Merchandise, for Four several Terms of Years, making together 73 Years from the opening of the said Cut (which took place in July, 1821), were made payable at or near the Port of King's Lynn on all Goods, Wares, and Merchandises carried on board any Barge, Boat, Lighter, or Vessel and Rafts passing along the Eau Brink Cut, and were vested in the said Commissioners of Navigation, who were to pay Three Fourths of the net Monies arising from the said Tolls to the Commissioners for the Purposes therein specified, and were themselves to apply the other One Fourth in erecting Jetties, removing Sand Banks or Obstructions, and in such other Works as in their Judgment should tend to the Improvement of Navigation; that for improving and preserving the Navigation through the several Rivers, Streams, or Lodes communicating with the said River Ouse the Commissioners were, by the first of the Eau Brink Acts, required to erect and support a new Set of Ebb Doors at each of the Five Openings of Denver Sluice, and also to erect certain Gauges, and also certain Staunches or Sluices on the Cam or Grant, Brandon, and Mildenhall or Lark Rivers, and to pay such yearly Salary as therein mentioned to the Persons appointed by the Bedford Level Corporation to have the Charge of the same; and by the First, Second, Sixth, and Seventh Eau Brink Acts, in case the Monies by the First Act directed to be invested, and intended as a Fund for supporting the several Works therein-before mentioned should prove insufficient, the Commissioners of Navigation were and are, after July 1894, authorized to collect a Toll or Tonnage Due of Twopence per Ton, in order that a sufficient Fund might be raised for renewing and supporting the said Ebb Doors, Sluices, Staunches, and other Works necessary for the Preservation and Improvement of the said Navigation, with Power to suspend and totally diminish the said last-mentioned Toll from Time to Time; that by the Eighth of the Eau Brink Acts, a further Navigation Toll of One Penny, in addition to the aforesaid Toll of Fourpence in respect of Goods, Wares, and Merchandise charged with the aforesaid Toll of Fourpence, was granted (such further Toll to commence on the 1st Day of January 1833, and to continue so long as the Navigation Tolls granted by the former Eau Brink Acts, meaning thereby the said Toll of Fourpence, should continue payable), and such further Toll was vested in the Commissioners of Navigation, but in trust only for the Commissioners; that by the Eighth of the Eau Brink Acts the Commissioners were required to pay out of the Tolls receivable by them to the Treasurer of certain Persons called Select Trustees, for certain Purposes therein mentioned, 750*l.* per Annum so long as any such Tolls should be receivable by the Commissioners under the Authority of the Eau Brink Acts; and by the same Act the Commissioners were required to pay out of the Monies to be received by them under the Powers of the Eau Brink Acts, to the Treasurer for the Time being of the Ouse Bank Commissioners therein appointed, divers Sums of Money amounting, with Money previously paid, to 62,000*l.*, as a final Compensation for the Injury and Damage then and thereafter to be occasioned, as well to the Banks of the River Ouse, between Denver Sluice and the Eau Brink Cut, as to Downham, Stow, Magdalen, and Saint German's Bridges, by or in consequence of the altered Course of the River Ouse, or the Execution

7 E

of any of the Works of the Commissioners authorized by any of the said Acts ; and by the same Act the Commissioners were authorized and required to pay divers other gross Sums, by way of Compensation or otherwise as therein mentioned, all which Sums, including the said Sum of 62,000*l.*, have been long since paid ; that "The Norfolk Estuary Act, 1846," "The Norfolk Estuary Amendment Act, 1849," and "The Norfolk Estuary Act, 1857," have been passed for the Purpose of enabling the Company of Proprietors of the Norfolk Estuary (in this Act called the Estuary Company) to enclose and embank certain Tracts of Land, Part of the great Estuary called "The Wash ;" and inasmuch as by the Execution of the Works authorized to be constructed by such Acts, the Drainage of the Lands discharging their Waters through and by means of the River Ouse would be improved and rendered more effectual, the Commissioners agreed to pay, and by "The Norfolk Estuary Amendment Act, 1849," were authorized to pay, to the Estuary Company a Contribution of 60,000*l.* towards the Execution of the said Works, which Contribution was in "The Norfolk Estuary Act, 1857," mentioned to be reduced by Payments and otherwise, as therein mentioned, to the Sum of 22,924*l.* 8*s.* 9*d.*, and by such last-mentioned Act it was declared that such Sum of 22,924*l.* 8*s.* 9*d.* should be payable by Instalments, as by such Act was provided, and should be a Debt from the Commissioners to the Estuary Company, charged in priority over all other Charges (except only the unpaid Part of certain Mortgages of the Commissioners therein-before mentioned to be then due by them, amounting to 10,000*l.* and Interest) upon the Navigation Tolls payable to the Commissioners (after Payment thereof of the said Sum of 750*l.* yearly to the said Select Trustees), and upon such of the Lands of the Commissioners as were by the now-reciting Act made saleable ; and in the same Act were contained certain Provisions regulating and directing the Times and Manner in which the said Lands belonging to the Commissioners should be sold, and the Application of the Proceeds of such Sales, and also Provisions for the Accumulation, and in certain Events the Sale of the Navigation Tolls payable to the Commissioners, after Payment thereof of the aforesaid yearly Sum of 750*l.* ; and by the same Act it was provided that until the Contribution under the reciting Act payable by the Commissioners, and all Interest (if any) thereon, should have been fully paid, no Mortgage or Sale should be made by them under the Eau Brink Acts, or any of them, upon or affecting the Navigation Tolls payable to them, or upon or affecting the unsold Parts of the said Lands, or any Part thereof ; that by the Sixth of the Eau Brink Acts it was provided that as soon as in the Judgment of the Engineer appointed by the Commissioners under the Eau Brink Acts it should become desirable for the Improvement of the Drainage that Denver Sluice, or any Part thereof, should be enlarged, deepened, or otherwise improved, the Commissioners were required to make such Enlargement, deepening, or Improvement as the said Engineer should think necessary, so that there might be a free Passage for the Waters of the Ouse of sufficient Depth to obtain for the Land above Denver Sluice the full Benefit of the Eau Brink Cut, and such Alterations and Improvements were to be made with the Approbation of the Bedford Level Corporation (by whom the same had been originally built, and from Time to Time repaired and renewed), and the Commissioners were to keep in repair the Part and Parts of the said Sluice and the Works thereof which should be altered or renewed by them under that Act, and were to rebuild and replace the same upon the most desirable Plan if the whole or any Part thereof should be undermined, or

if any other Accident should happen thereto ; that the Commissioners, with the Approbation of the Bedford Level Corporation, in the Years 1832 and 1833, enlarged, deepened, and improved Denver Sluice, and renewed Part thereof, and built there a Sluice-keeper's House, partly on the Site of Part of the Old Denver Sluice and partly on Land bought by the Commissioners for the Purpose ; that the Bedford Level Corporation have, ever since the Year 1833, taken and still take, as they had before taken, the Charge and Control of Denver Sluice by a Sluice-keeper appointed and principally paid by themselves ; that the only Works of Drainage in the River Ouse which the Commissioners were authorized or required by any of the Eau Brink Acts to do above the Eau Brink Cut were,—

- 1st. The scouring, cleansing, and deepening of the said River Ouse from Denver Sluice to the Eau Brink Cut, as required by the First Act, and any Works that in their Judgment might be required for the Improvement of the Drainage of the River Ouse below Denver Sluice, which by the Sixth and Seventh Acts the Commissioners were authorized to execute out of their Surplus Funds ;
- 2d. The Enlargement, Alteration, or Improvement in Denver Sluice as required by the Sixth Act ; and
- 3d. The Removal of any Sand or Silt which might be deposited in the River Ouse, within a Quarter of a Mile above Denver Sluice, as required by the Seventh Act ;

that until the passing of the Acts next herein-after recited, the Drainage Waters from the Middle Level (except certain Parts thereof called the Sutton and Mepal, and Manea and Welney Districts, containing together about 17,500 Acres or thereabouts,) were discharged into the River Ouse through a Sluice called the Tongs Sluice, about Three Miles below Denver Sluice ; that by the 7th and 8th Vict. c. cvi., and 11th and 12th Vict. c. civ., certain Commissioners acting under the Authority of such Acts, and therein called the Middle Level Drainage Commissioners, were authorized to construct, and have since constructed, certain Works therein mentioned for discharging the Drainage Waters of the Middle Level directly into the Eau Brink Cut, through a new Sluice close to the upper End of the said Cut ; that the Commissioners have from Time to Time expended large Sums of Money in and about the Improvement of the River Ouse between Denver Sluice and the Eau Brink Cut, and the Expenditure of all Monies since 1844 has operated for the special Benefit of the Lands in the South Level, and in the Sutton and Mepal, and Manea and Welney Districts, and other Lands not draining through the said new Sluice, and any further deepening and Improvement of the Ouse would be beneficial to such Lands respectively, but would not confer any Benefit upon the Middle Level ; that it is expedient to provide for the future Maintenance and Repair of the new Part of Denver Sluice, so as wholly to exonerate the Commissioners from all future Liability in respect thereof, and to provide for the Execution of any Works authorized by the Eau Brink Acts, or any of them, for improving the River Ouse from Denver Sluice to the Eau Brink Cut, for the Purposes of Drainage ; that under the First of the Eau Brink Acts the Commissioners became and are entitled to certain Lands being Part of the Bed of the old Channel of the Ouse, or Lands adjacent thereto, and they are also entitled to a Dredging Machine and other Property, and it is estimated that if all the said Land and other Property of the Commissioners were now sold, the same would be insufficient to pay the Debts of the Commissioners, and the contingent Payment to the Estuary Company, by about 10,000*l.*, and it is desirable that such Provision as is herein-after contained should be made for realizing the Assets and

- paying the Debts of the Commissioners ; that certain of the Commissioners, being Owners of Land as well in the Middle Level as in the South Level, and in the Sutton and Mepal, and Manea and Welney Districts, have made themselves personally responsible for a Portion of the said Debts, and it is expedient that further and better Provision should be made for levying and assessing Taxes, and raising the necessary Sums for discharging the Debts and Liabilities of the Commissioners, and for the future Maintenance of the Eau Brink Cut, and Works connected therewith ; and for the Purposes aforesaid it is expedient that the Eau Brink Acts be amended, and such further Provisions made as is herein-after expressed.

## "Upper Mersey Dues Act, 1860."

Preamble recites that previously to the 1st Day of January 1858 the Mayor, Aldermen and Burgesses of the Borough of Liverpool levied on all Goods imported into and exported from the Port of Liverpool, not being the Property of Freemen of Liverpool, or of resident Freemen of London, Bristol, Waterford, or Wexford, divers Dues, called Town Dues, amounting to a large Amount in the whole, and likewise levied, under the Name of Anchorage Dues, divers other Dues on all Vessels entering the said Port from the Sea; that an imaginary straight Line is for the Purposes of this Act drawn across the River Mersey from Eastham Ferry Slip to the North-westerly Boundary of the present Garston Dock Quay, and so much of the said Port as lies to the North-westward or Seaward of the said imaginary Line is herein-after designated as "The Lower Mersey," and so

much of the said Port as lies to the South-eastward or Landward of the said Line is herein-after designated as "The Upper Mersey;" that by the 32d Section of "The Mersey Docks and Harbour Act, 1857," it is provided that such Powers, Rights, and Privileges of imposing or collecting the said Town Dues and Anchorage Dues as were at the Date of the passing of the said Act vested in or had been lawfully exercised by the said Mayor, Aldermen, and Burgesses should, for the Consideration therein mentioned, from and after the 1st Day of January 1858, be transferred to and vested in the Mersey Docks and Harbour Board, constituted by the said Act, but subject to all the Charges affecting the same; that by virtue of the said Act and of "The Mersey Dock Acts Consolidation Act, 1858," the said Town Dues and Anchorage Dues are made applicable to pay all Charges and Expenses incidental to the Maintenance or Improvement of the Docks of the Mersey Docks and Harbour Board at Liverpool and Birkenhead, and to the Payment of the Liabilities contracted in respect thereof; that the Mersey Docks and Harbour Board, in addition to the said Town and Anchorage Dues, levy for the Maintenance of the said Docks at Liverpool and Birkenhead, on all Vessels entering or leaving the said Docks, certain Dock Charges or "Dock Tonnage Rates" mentioned in the Schedule marked (B.) annexed to the said "Mersey Dock Acts Consolidation Act, 1858," and also (subject however to the Proviso in the said Act contained) on all Goods imported from Parts beyond the Seas, or Coastwise, into the Port of Liverpool, and brought into the said Docks, or landed at or deposited upon or carried over any Quay, Pier, Landing Stage, or Land belonging to the said Board, or exported to Parts beyond the Seas, or Coastwise from the said Port, which may at any Time previously have been brought into the Docks, or landed at or deposited upon or carried over any Pier, Quay, Landing Stage, or Land belonging to the said Mersey Docks and Harbour Board, other Dock Rates "or Dock Rates on Goods" mentioned in the Schedule marked (C.) annexed to the said last-mentioned Act; that by "The Mersey Dock Acts Consolidation Act, 1858," "The Mersey Docks and Harbour (Works) Act, 1858," and "The Mersey Docks (Money) Act, 1859," it is provided that the said Mersey Docks and Harbour Board may borrow at Interest on the Security of the Rates levied by them, inclusive of the said Town and Anchorage Dues, certain Sums of Money to be applied in the Maintenance, Construction, and Improvement of Docks at Liverpool and Birkenhead; that the said Mersey Docks and Harbour Board levy certain Harbour Rates specified in Schedule (D.) to the "Mersey Dock Acts Consolidation Act, 1858," annexed, on all Vessels coming into or going out of the River Mersey, and not entering the Docks of the Mersey Docks and Harbour Board, and such Harbour Rates are by such Act directed to be applied to the lighting and other Purposes in such Act mentioned; that it is expedient that so much of the said Town and Anchorage Dues as are levied on Goods or Vessels that are carried or pass along the Upper Mersey should be vested in the separate Body of Trustees, to be applied as in this Act directed on Payment to the said Mersey Docks and Harbour Board of the Consideration specified.

"The North and South Lanarkshire Turnpike Roads Act, 1860."

Recites 1 Geo. 4. c. lxxxiv. and 10 Geo. 4. c. cxii.; that under those Acts certain Roads and Bridges were constructed and are called and known by the Name of the North and South Lanarkshire Turnpike Roads; and One Third Part of the Expense of acquiring Land and making and completing the Roads and Bridges by the First Act authorized was raised and contributed by the Trustees acting under the said Act and by other Persons who subscribed, advanced, or lent Money or the Value of Lands taken or damaged, on the Security of the Tolls leviable on the said Roads, and the remaining Two Third Parts of the said Expense were advanced and lent by the Commissioners for the Issue of Exchequer Bills, under the Authority of the said Act, and various Sums of Money were borrowed on the Security of the said Tolls for the Purposes of the said Roads; that by an Assignment dated the 20th Day of June 1848, made and granted by the Trustees acting under the recited Acts, they did, in pursuance of the Powers therein contained, assign and convey to John Strettell Brickwood, Esquire, the Secretary to the Public Works Loan Commissioners (formerly named and designed the Commissioners for the Issue of Exchequer Bills), and to his Successors in Office as Secretary for the Time being, the whole Tolls, Rates, and Duties, of every Description and Denomination, appropriated or due and leviable by the Trustees for the Time being under the Authority of the first-recited Act, or any other Act or Acts relating thereto, upon the said North and South Lanarkshire Turnpike Roads, so far as applicable to the Sum of 32,396*l.* 12*s.* 10*d.*, advanced by the said Commissioners, and the legal Interest falling due thereon, together with the Toll Gates and Turnpikes then erected or to be erected on the said Roads for collecting the said Tolls, for the Purpose of securing as therein mentioned the Repayment to the said Public Works Loan Commissioners of the said Sum of 32,396*l.* 12*s.* 10*d.*, and Interest thereon, but with and under the express Provision and Declaration, in Terms of the second-recited Act, that the said Assignment and the Sums therein contained should be postponed

until the Payment of the whole Sums borrowed or contracted by virtue or under the Security of the said Act, and subject to the other Provisions and Conditions specified in the said Assigination; and it was thereby declared that nothing therein contained should be construed so as to affect or prejudice the Right of the said Trustees or other Persons, Subscribers, and Creditors who had advanced and paid One Third of the Expense of making the said Roads, to a corresponding Proportion of the said Tolls, Rates, and Duties in virtue of the recited Acts; that by "The East and West Lanarkshire Turnpike Roads Act, 1849," the Road from the Bridge over Breich Water to Crumhaugh, and the Branch Road from Crumhaugh to Strathaven, which formed Part of the Roads made and maintained under the Authority of the first-recited Act, were separated therefrom, and, with a Portion of Road from Strathaven to Lochgate, which formed Part of the Glasgow and Shotts Turnpike Roads, were incorporated into One Trust, under the Name of "The East and West Lanarkshire Turnpike Roads," and by the said East and West Lanarkshire Turnpike Roads Act Provision was made for the Payment of the Subscriptions, Debts, and Engagements relating to the Roads included in the said Trust; that all the Monies borrowed on account of the said North and South Lanarkshire Turnpike Roads were paid off at and previous to the Term of Whitsunday, 1852, except the aforesaid Sum of 32,396*l.* 12*s.* 10*d.*, contained in and due by the said Assigination to the said John Strettell Brickwood, and the Amount of the Subscriptions, Advances, or Loans made and contributed for the Purposes of the said Roads as before mentioned; and at and since the said Term of Whitsunday, 1852, Two Third Parts of the surplus Tolls and Revenues levied and received by the said Trustees have been paid over yearly to the said Commissioners, and the remaining One Third Part of the said surplus Tolls and Revenues has been reserved for the Persons entitled thereto in respect of the said Subscriptions, Advances, or Loans; that various Portions of the said Subscriptions, Advances, or Loans consisted of the Value of, or Compensation or Damages for Injury done to, Lands taken or passed through in the Formation of Roads which now form Part of the said North and South Lanarkshire Turnpike Roads; but the said Trustees have not been able to obtain an accurate or complete Statement of such Subscriptions, Advances, or Loans, or of the Persons now representing the Parties who made and contributed the same, or of the Persons who claim to be Creditors of the said Road Trust; and the One Third Part of the said surplus Tolls and Revenues at and since the said Term of Whitsunday, 1852, which falls to be divided among such Subscribers and Creditors, has in consequence remained undivided, and the same, with certain surplus Balances of Monies received on account of the said One Third Part of the Expense of making the said Roads, has been accumulated with Interest from Year to Year, and on the 13th Day of December 1859 amounted to 4,351*l.* 16*s.* 10*d.*, which Sum is deposited in the Bank of Scotland in the Names of the Treasurers to the said Trustees; proposes to ascertain and fix the Amount and Particulars of the said Subscriptions, Advances, or Loans, and the Names and Descriptions of the Persons who are now in right of the same, and to divide the said accumulated Sum, and the One Third Part of the surplus Tolls and Revenues of the said Roads which may hereafter accrue, among the Parties entitled thereto, and to continue the Term of the Acts first and second before recited.

"The Tenbury and Bewdley Railway Act, 1860."

Recites that a Railway from the Tenbury Railway near Tenbury, in the County of Worcester, to the Severn Valley Railway at or near Bewdley, in the County of Worcester, would be of great public and local Advantage; that the Canal between Tenbury and Sounsnet Wharf, known as the Leominster Canal, purchased by the Shrewsbury and Hereford Railway Company under the Powers of "The Leominster Canal Sale Act, 1847," and now belonging to them, is unconnected with any other Canal, and does not form Part of any System of Inland Navigation, and the public Advantage would be promoted by the Construction of a Railway in lieu of the said Canal; proposes to authorize the Oxford, Worcester, and Wolverhampton, the Severn Valley, and the Tenbury Railway Companies to contribute to the said Undertaking, and to enable the Company herein-after incorporated, and the Oxford, Worcester, and Wolverhampton, the Severn Valley, and the Tenbury Railway Companies, or some of them, to make Arrangements

XXIII. A Contract for an Advance of Money for the Purpose of executing any Building Improvements on Lands, or for the Execution by the Company itself of any Building Improvements on Lands, may be entered into between the Company and any Owner of Lands, and the Terms of such Contract may from Time to Time, either before or after the same has been first sanctioned in manner herein-after mentioned, be rescinded or varied by the Parties to the Contract in such Manner as they think fit, and each of the Parties to the Contract shall perform on their Parts any Contract so entered into between them, subject to the following Proviso, that no Contract, or Variation in a Contract, or Rescission of a Contract between the Company and any Owner other than the absolute Owner, made in pursuance of this Section, shall be valid until it has received the Sanction of the Court of Chancery.

XXIV. In order to obtain the Sanction of the Court of Chancery, the Owner who has entered into such Contract, or the Company, or the Owner and Company jointly, may submit in a summary Manner to a Judge of the Court of Chancery in Chambers the proposed Contract as originally made, or any proposed Variation therein or Rescission thereof, together with such Particulars of the intended Building Improvements, the Manner of effecting such Improvements, the estimated Expense of effecting the same, and the Benefits to be produced by such

Improvements, and such other Particulars as may be required by the Judge for the Purpose of enabling him to decide upon the Expediency of giving his Sanction.

XXV. The Judge to whom such Matter is submitted may require Security for Costs by Bond or otherwise, in such Form as he thinks fit, to be given by the Owner or the Company respectively, or by the Owner and the Company jointly.

XXVI. Previously to giving his Sanction the Judge shall, if he think fit, make such Inquiries, by means of Builders, Surveyors, or others to be appointed by him, as to the Circumstances of the Lands on which the Improvements are to be made, and as to the Parties interested therein, and shall also cause Notice, in such Form as he shall think fit, to be served on all Incumbrancers on the Land, and such other Notices to be served on any other Persons as he may deem proper, to enable him to form a Judgment as to the Expediency of giving his Sanction.

XXVII. If the Judge, after hearing all Persons who may appear before him, is of opinion that any Contract submitted to him in pursuance of this Act, or any Variation therein or Rescission thereof, or any Portion of such Contract or varied Contract, will be beneficial to the Parties interested in the Lands to which such Contract or varied Contract relates, he shall give his Sanction thereto by Endorsement, or in such other Manner as he thinks fit, reserving, nevertheless, on the Instrument by which he gives his Sanction the Right of any Incumbrancer which, in his Opinion, ought to be reserved.

XXVIII. When the Lands on which any Building Improvements are proposed to be made, or any Part of such Lands are Lands held in right of any Church or other Ecclesiastical Benefice, the Judge of the Court of Chancery shall not give his Sanction to any Contract or varied Contract, or Rescission of a Contract, as to such Lands or so much thereof as is so held, unless and until the Bishop of the Diocese and Patron of the Benefice have signified their Consent to the said Judge by Writing under their Hands.

XXIX. When the Sanction of the Judge has been given to any Contract or varied Contract in pursuance of this Act, such Contract or varied Contract shall thenceforth be obligatory on the Parties thereto, and all other Parties interested in the Lands, except in so far as is otherwise provided by this Act.

XXX. Whenever any Building Improvements comprised in any Contract or varied Contract so sanctioned as aforesaid have been properly executed, any Judge of the Court of Chancery shall, on Application in a summary Way by the Company, and on sufficient Evidence being given of the complete Execution of such Improvements, make an Order, in the Form mentioned in the Schedule hereto, or as near thereto as Circumstances admit, or in such other Form as the Court may from Time to Time direct, charging the Inheritance of the Lands on which such Improvements have been made, or any other Lands agreed to be charged by such Contract or varied Contract, with the Amount of Principal and Interest payable to the Company under the Contract as so sanctioned, and every such Charge shall be by way of Annuity or other periodical Payment extending over a Term of Years, to be fixed by the Judge, and to commence from the Time when the Works have been executed to the Satisfaction of the Judge, such Term not to be more than 15 Years, and such Charging Order shall be duly stamped for denoting Payment of the proper ad valorem Stamp Duty, which would be payable on a Mortgage for securing the like Amount as the Principal Money thereby charged, and it shall be expressed in such Order that the Charge thereby created is subject to the Right of such Incumbrancer, if any, as may have had his Right reserved in manner aforesaid by the Court, and has not

subsequently testified to the Court his Assent to such Right being postponed to the said Charge.

XXXI. If the Owner is desirous that the Inheritance of the Lands on which the Improvements are made should be charged with the Expenses of and incident to the Contracts, any Judge of the Court of Chancery, on the Application of such Owner or of the Company, may direct the Amount of the Costs, Charges, and Expenses properly incurred preparatory, in relation to, and consequent on the Contract, and the Application to the Court of Chancery to be taxed by any Taxing Officer of the Court of Chancery, and may include the Amount of such Costs, Charges, or Expenses when taxed, or such Part thereof as he thinks fit, in any Charging Order made by him as Payment of the Principal Monies thereby charged.

XXXII. Whenever any Order has been made in pursuance of this Act, charging any Principal or Interest Monies on any Lands, the Company, and any Person who may become entitled to the Benefit thereof by Assignment, shall be entitled to the Benefit of such Charge, subject to the Right of any Incumbrancer whose Rights may have been reserved in manner aforesaid by the Order of the Court, but in priority to every other then existing and future Charge and Incumbrance whatsoever upon or affecting such Lands, except Quitrents, Chief-rents, and other Charges incident to Tenure, Titho Commutation Rentcharges, and any Charges created or to be created under any Act authorizing Advances of Public Money for Drainage respectively, or under any Acts creating Charges in respect of Improvements on Lands, and passed before this Act: Provided that, in case Part only of the Lands charged is subject to a Mortgage or other Incumbrance, the Charge created under the Authority of this Act shall have Priority over such Mortgage or other Incumbrance only to the Extent of a due Proportion of such Charge, to be ascertained and apportioned by a Judge of the Court of Chancery.

XXXIII. A Charge on Lands made by virtue of this Act shall not be deemed such an Incumbrance as to preclude a Trustee holding Trust Monies capable, according to his Trust, of being invested in the Purchase or on Mortgage of Lands, from investing the same in the Purchase of or upon a Mortgage of the Lands so charged, unless the Terms of his Trust expressly provide that the Lands to be so purchased or taken on Mortgage are not to be subject to any prior Charge.

XXXIV. The making by a Judge of the Court of Chancery of any Charging Order on Lands in pursuance of this Act shall be, both at Law and in Equity, conclusive Evidence to all Intents and Purposes of the Contract to which such Charge relates having been duly entered into by the proper Parties, and of all Acts, Notices, and Proceedings by this Act directed with reference to or consequent on such Contract having been duly had, served, and done, and of such Charge having been duly made and executed, and being a valid Charge under this Act on the Inheritance of the Lands appearing to be subject thereto.

XXXV. Every Charging Order made in pursuance of this Act, and relating to Lands in Middlesex, shall be registered in the same Manner respectively as if such Charge were made by Deed by the absolute Owner of such Lands without the Aid of this Act.

XXXVI. The Company may, by any Deed under their Seal stamped with the proper ad valorem Stamp, assign the Benefit of the Charging Order, or of any Portion of the Charge comprised therein, to any other Person, either absolutely or by way of Mortgage; and on such Assignment being executed the Assignee shall have the same Rights under the Order as the Company would have had if no such Assignment had been executed, and any Assignee of a Charging Order may, by

Deed stamped in manner aforesaid, assign the Charge to any other Person, either absolutely or by way of Mortgage.

XXXVII. Every Charge on Lands created by a Charging Order made in pursuance of this Act shall be recoverable in manner in which a Rentcharge granted by the Owner in Fee Simple of Lands is by Law recoverable.

XXXVIII. Every Owner on whose Application a Charge has been made under this Act, and every succeeding Tenant for Life, Tenant in Tail, and other Person having a limited Interest in the Land charged, shall, as between such Person and the Persons in remainder or reversion, be bound to pay the yearly or other periodical Payments of such Charge which become payable during the Continuance of his Interest; and in case he be in the actual Occupation of or entitled to an apportioned Part of the Rents and Profits of such Land up to the Time of the Termination of his Interest, shall also be bound to pay an apportioned Part of the yearly or other periodical Payment of such Charge which becomes due next after the Termination of his Interest, proportioned to the Time which elapsed between the Day for the previous Payment and the Day of such Termination: Provided always, that any such Person entitled in remainder or reversion, and becoming entitled in possession, shall not be liable to pay any Arrears of the Charge remaining unpaid at the Time of his Estate or Interest in remainder or reversion becoming an Estate or Interest in possession, exceeding the Amount of Six Months Payment of such Charge; provided also, that the Amount paid by such Person in respect of such Arrears, and any Costs occasioned by Nonpayment thereof, shall be a Debt from the Person who in the first instance ought to have paid the same, or from his Estate to the Person who paid the same, and shall be recoverable accordingly.

Port Carlisle Company was authorized to raise the Sum of 35,000*l.* by the Creation of Stock, entitling the Holders thereof to a guaranteed Interest at the Rate of 5*l.* per Centum per Annum on the Amount actually paid on such Stock, subject to Reduction at the End of Seven Years, or to the Amount being paid off at any Time after the Expiration of Seven Years, which Interest is thereby made a First Charge on the Undertaking and Revenue of the Port Carlisle Company, and is directed to be paid before the Principal or Interest of any of the existing Mortgages or Charges upon the Undertaking created under the Canal Act and Dock Act (thereby repealed), and by that Act transferred to and made a Charge upon the Undertaking of the Port Carlisle Company, and before the Interest on any Debenture Shares or Stock to be created for paying off such Mortgages and Debts, or on any Money to be borrowed under the Authority of that Act for the Purpose of paying off the same Mortgages and Debts; that the Port Carlisle Railway has been completed and opened for Traffic, and the whole of the said Sum of 35,000*l.* Preference Stock has been raised, and the Interest thereof is now a First Charge on the Dock and Railway Undertakings of the Port Carlisle Company, and the Particulars of the original Stock of the Canal Company, and of the Mortgages and other Debts of that Company, and the Interest now due upon the same respectively, are set forth in the Schedule to this Act; that the said Sum of 35,000*l.*, authorized by the Port Carlisle Act, proved insufficient for the Construction of the said Railway, and of the Works connected therewith and with the Communications at Port Carlisle, and the Company have incurred various Liabilities on account of the said Undertaking, and further Sums are necessary to enable the Port Carlisle Company to discharge those Liabilities, and for other Purposes, and particularly to provide certain Accommodation which they are required and bound to provide for the Convenience of the North British Railway Company, who under "The Border Union (North British) Railways Act, 1859," are now entitled to use the Port Carlisle Company's Station at Carlisle, and for the better Accommodation of the Traffic of that Company; that the said Sum of 35,000*l.* Preference Stock is the only existing Preference Stock, and there are no existing Preference Shares in the Capital of the Port Carlisle Company; proposes to enable the Port Carlisle Company to raise an additional Capital of 40,000*l.* by the Creation of a Second Class of Preference Stock or Shares, entitling the Holders thereof to the Payment of Interest or Dividend next after the Dividend payable on the existing Preference Stock of 35,000*l.*, and to Priority over the existing Mortgages and other Debts and original Stock of the Canal Company particularly set forth in the Schedule to this Act annexed, the Owners of which shall have consented to allow such Priority; that the existing Mortgagees and Creditors, and other Persons entitled to the Mortgage and other Debts of the Canal Company set forth in the Schedule to this Act, and holding such Securities to the Amount of 72,037*l.* 10*s.*, have consented to the raising of such additional Sum of 40,000*l.* by Stock or Shares entitled to such Priority as aforesaid, and the Holders of the Sum of 1,500*l.*, the Residue of the said Securities, having received Notice of the Application for the said Bill have not assented thereto; that by the Act 18 & 19 Vict. c. clix., relating to "The Carlisle and Silloth Bay Railway and Dock Company," the Carlisle and Silloth Bay Railway and Dock Company was incorporated, and authorized to make a Railway from the Port Carlisle Railway, near Drumburgh to Silloth Bay, in the Parish of Holme Cultram, and also a Dock with proper Basins and Works there, and a Pier or Jetty extending from

such Dock into the Sea, and those Works have been completed and opened for Traffic; that by the Silloth Act the Port Carlisle Company and Silloth Company are authorized to enter into Agreements for the Use and Working of their respective Railways, and such Railways are now worked by a Joint Committee appointed by the said Companies; that the Silloth Railway was intended, with the Port Carlisle Railway and Newcastle-upon-Tyne and Carlisle Railway, to form One continuous Line of Railway communicating between the Silloth Dock and Newcastle-upon-Tyne, and amongst other Objects to open up a new Route for Traffic to and from Newcastle-upon-Tyne; that it is expedient that Provision should be made for enabling the Port Carlisle and Silloth Companies, or either of them, to run over and use that Portion of the Newcastle-upon-Tyne and Carlisle Railway which intervenes between the Port Carlisle Railway and the London Road Station of the Newcastle Railway, and to use the said London Road Station, and the Conveniences connected therewith and with the said Portion of Railway for the Purpose of obtaining Access to and from the said Station, and also to and from the Lancaster and Carlisle and Maryport and Carlisle Railways respectively, upon Terms to be ascertained as herein-after provided, and for affording all reasonable and proper Facilities and Accommodations upon the Newcastle Railway, and at the Stations thereon, for the Accommodation of Traffic passing or requiring to pass to, from, or over any Part of the Port Carlisle Railway or Silloth Railway.

“Stockport, Disley, and Whaley Bridge Railway (Capital) Act, 1860.”

Recites Incorporation of the Company by “The Stockport, Disley, and Whaley Bridge Railway Act, 1854,” for the Purpose of making a Railway from the London and North-western Railway, near Stockport, to Disley and Whaley Bridge, in the County of Chester, with a Capital of 150,000*l.*, divided into Shares of 20*l.* each, and with Power to borrow 50,000*l.*, and to take Tolls at the Rates therein mentioned for the Use of the Railway by that Act authorized, and of Carriages and Engines belonging to them, and to enter into Agreements with the London and North-western Railway Company, for the Use and Working by the last-named Company of all or any Part of the Railway, and the Use of the Works and Conveniences belonging thereto; that by their Act of 1855 the Company were empowered to make a Junction Railway from and out of the authorized Line of their Railway, to join the Cromford and High Peak Railway, but that Act did not authorize the Company to raise any additional Capital for the Purposes thereof; that by the same Act the London and North-western Railway Company were empowered, and the Cromford and High Peak Railway Company were required, to contribute towards the Undertaking of the Company; that by their Act of 1857 the Company were empowered to make a Railway (called “the Buxton Extension”) from their said Junction Railway to Buxton, in the County of Derby, and to take upon or in respect of all their Railways a Scale of Tolls different from that prescribed by the firstly-recited Act; and by the Act now in recital the Buxton Extension was declared to be, for financial Purposes, a separate Undertaking, and the Company were authorized for the Purposes thereof to raise an additional Capital of 200,000*l.* by new Shares entitled to Interest or Dividend out of the net Profits of the Buxton Extension only, and to borrow 66,600*l.* on Mortgage of the Buxton Extension; and the London and North-western Railway Company and the Manchester, Sheffield, and Lincolnshire Railway Company were respectively authorized to subscribe towards the Undertakings of the Company; that the said Railway and Junction Railway by the firstly and secondly recited Acts authorized are complete and open for Traffic; that owing to the great Cost of the said Junction Railway, and other Circumstances, the actual Cost of the said Railway and Junction Railway by the firstly and secondly recited Acts authorized has considerably exceeded the Amount which the Company were authorized to raise for the Purposes thereof, and they are

now indebted in a large Amount for Liabilities incurred for the Purposes of that Railway and Junction Railway; proposes to raise Money for the Discharge of those Liabilities and other Purposes of their original Undertaking; recites that the Company have not granted any Preference or Priority in Payment of Interest or Dividends on any Shares or Stock; that the Viaduct, on which the said Junction Railway is almost entirely constructed, materially facilitates the Construction of the Buxton Extension, but the original Undertaking of the Company does not derive from that Junction Railway any Advantage commensurate with the Cost thereof; and it is expedient that Powers should be given for uniting the said Junction Railway to the Buxton Extension, and for repaying the Cost or Part of the Cost thereof to the Funds of the original Undertaking out of the Funds of the Buxton Extension.

## "The Royal College of Surgeons of Edinburgh (Widows Fund) Act, 1860."

Preamble recites that by Royal Charter or Letters Patent, under the Seal appointed by the Treaty of Union to be kept and used in Scotland in place of the Great Seal formerly used there, bearing Date 14th March 1778, His Majesty King George the Third did of new incorporate the then Members of the College and Corporation of Surgeons of the City of Edinburgh, and the Persons who should thereafter be legally admitted Members thereof, into One Body Politic and Corporate, by the Name of "The Royal College of Surgeons of the City of Edinburgh," with the Privileges and under the Regulations therein contained; and did further grant Authority for the Establishment and Regulation of a Scheme for raising a Fund for a Provision for the Widows and Children of the Members of the said Incorporation, and of their Clerk, in manner as therein at Length set forth; that by the 27 Geo. 3. c. 65. the said Royal Charter or Letters Patent, and all the Regulations, Ordinances, and Appointments therein contained, relative to the said Scheme, and all the Proceedings had in consequence thereof, agreeably to the Terms of the said Charter or Letters Patent, were, in so far as the same were not altered by the said recited Act, ratified and confirmed, and directed to be carried into execution, subject to the Alterations mentioned in the said Act; that by the 53 Geo. 3. c. lxxvi. the said first-recited Act was in part altered and amended; that under and in virtue of the said Two recited Acts the said Widows Fund Scheme has continued to be administered down to the present Time; that the said Royal College have also, by their Byelaws, established another Fund, called their Auxiliary Widows Fund, and have from Time to Time made Provision for the Support and Increase of the same from various Sources within their own Control; and by a Resolution, dated the 4th November 1825, enacted and declared, *inter alia*, that the said Auxiliary Widows Fund should be kept separate and distinct from the said original Widows Fund, and should be reserved for the Purpose of remedying any Defects in the System established by Act of Parliament; and that in the event of a Member dying before his Fourth annual

Contribution became due, in which Case his Widow was excluded from the Benefit of the Fund, the Annuity that would have been due to such Widow if the Four yearly Contributions had been paid, should be paid to her out of the said Auxiliary Fund; that by the 13 & 14 Vict. c. xxiii. it was enacted that, with respect to the said Widows Fund Scheme, it should be lawful for the said College, by any Byelaw to be made by them and approved by the Lord Advocate of Scotland for the Time being, to declare that it is expedient to stop the Admission of new Members Contributors to the said Scheme (except as therein-after mentioned), so as ultimately to bring the said Scheme to a Close, and to establish Rules for giving effect to such Declaration; and that upon the making and Approval of such Byelaw as aforesaid so much of the said recited Acts, passed respectively in the 27th and 53d Years of His Majesty King George the Third, as provides, that all Persons admitted Members of the said College and Corporation after the Date of the said Charter in the said Acts mentioned, or after the passing of the said last-mentioned Acts, should, in consequence of such Admission, be held to accede to the said Scheme, and should make such Payments for the Benefit of the said Fund as by the said Acts is severally provided, and that the Treasurer of the Corporation should pay over to the Collector of the Scheme the Half of the Entry Money paid by each and every Person who should be thereafter admitted Members of the said College and Corporation (the same being for the Purpose of raising and augmenting the Capital Stock of the said Fund), should be repealed as to all Persons so to be admitted after a Day to be named in that Behalf in the said Byelaw, and that no Person so to be admitted after the said Day, nor his Widow nor Children, should have any Benefit from the said Fund, except Persons entitled to Admission as being Sons or Sons-in-law of then existing or deceased Fellows, or as having been or become Freedom Apprentices to such Fellows before the making and Approval of such Byelaw, and their Widows; that by the said last-recited Act, alternative Power is given to the said College, on the making and Approval of such Byelaw as aforesaid, to wind up the said Scheme, either by continuing the same under the Management of Trustees, elected as formerly, until the Rights of all Parties having or thereafter becoming entitled to an Interest therein should have ceased and determined, or by entering into an Agreement or Contract with an Insurance Company, whereby such Company, in consideration of their obtaining a Transfer of the whole Fund established by the said recited Acts, together with all Debts due thereto, should undertake all Obligations, whether present or future and contingent, attaching to the said Fund; that by the last-recited Act the Provisions of the first and second recited Acts for the Regulation from Time to Time of the Rates of Annuity to be paid to the Widows of Fellows of the said College, and also of the Mode in which the said Fund should from Time to Time be increased, were repealed, contingently upon the Execution of an Agreement or Contract with an Insurance Company as aforesaid; but the said Act contained no express Repeal of the said Provisions, in the event of the said College resolving to wind up the said Scheme under the Management of Trustees; that with respect to the said Auxiliary Widows Fund alternative Power is also given to the said College by the said last-recited Act either to retain the said Auxiliary Fund under their own Management and Control, or, in the event of their entering into an Agreement with an Insurance Company of the Nature above mentioned, in regard of the original Widows Fund, to combine with that Transaction a Transfer also of the said Auxiliary Widows Fund, it

being in that Case provided, that the Insurance Company should undertake to pay the same Amount of Annuity to all Widows of Fellows who had died or might die before Payment of their Fourth annual Contribution, as to those of other Fellows of the College; that the said Royal College did, on the 5th Day of June 1851, enact a Byelaw, declaring in Terms of the said last-recited Act, that it was expedient, as from and after the 16th Day of May 1851, to stop the Admission of new Members Contributors to the said Scheme, excepting as regards those privileged Parties whose Rights are specially reserved by the said last-recited Act, and postponing the Consideration of the Mode of winding up the said Scheme till such Time as the College might resolve to decide regarding the same; that the said Byelaw and Declaration having been submitted to the Lord Advocate for the Time was duly approved of by him; that by Royal Charter of 11th March 1851, and in conformity with the said last-recited Act, Her Majesty did, upon a Surrender by the said College of their former Charter, of new incorporate the said College under the Name and Style of "The Royal College of Surgeons of Edinburgh," and under the new Form of Constitution, and with the Powers and Privileges therein mentioned; that it is by the said new Charter, inter alia, declared that from and after the Date thereof the Admission of any Candidate for the Fellowship, being the Son or Son-in-law of any Fellow who might have entered the College before the said Date, or who before the said Date might have served, or might then be actually serving, an Apprenticeship to a Fellow of the College for the Freedom of the City of Edinburgh (being the Parties to whom the Privileges of the Widows Fund are specially reserved by the last-recited Act), should continue to be conducted after the same Mode as that theretofore in use, subject to such Modifications thereof as the College might direct and determine by any Byelaw or Byelaws to be from Time to Time passed by them; and that, except as regards Persons coming under one or other of the said Denominations, the Admission of all Candidates for the Fellowship should always be determined by way of Ballot; that the former Mode of admitting all Candidates for the Fellowship, with the Privileges of the Widows Fund, was by actual Examination of the Candidates literary and professional Qualifications; and the College did, upon the 10th of May 1852, resolve that the same Mode of Admission of these Candidates should be continued, excepting as regards such of them as might renounce their Right of Accession to the Widows Fund, who would in that Case fall to be elected by Ballot and without Examination, as ordinary Fellows under the new Charter; that the College did, on the 5th of May 1852, resolve to continue the Management of the Widows Fund under Trustees, as formerly, and not for the present to adopt the Alternative of transferring the same to an Insurance Company; that it is expedient, in consequence of the Change effected in the Constitution of the said College by their new Charter above mentioned, to have regard to the Time when a comparatively small Number of the Fellows thereof will be Contributors to the Widows Fund, and also to that more distant Time when, the Contributors having all died out, the Fellows of the College will have ceased to have any Interest in the Fund; and to provide for a Continuance of the Management of the said Fund in these Events; that it will be for the Benefit of the Fund, and is necessary in order to maintain the Data upon which the Calculations in reference thereto have been based, to render unalterable the present Mode of Admission of the privileged Candidates by Examination as

aforsaid; that it is expedient to consolidate into One Fund the original Widows Fund and the Auxiliary Widows Fund, and to provide that One uniform Rate of Annuity shall henceforth be drawn by all the Widows without Distinction; also to obtain more express legislative Power in regard to the Mode in which the said consolidated Fund may hereafter be invested; that in consequence of the Progress of the said Scheme having been arrested in manner above mentioned, and of its necessarily coming to a Close at some uncertain future Period, it has become expedient to remodel the said Scheme, so as to maintain and secure for the future a constant due Proportion between the Amount of the Fund and the Claims which may be expected to come against it, and, as far as possible, to secure that the Exhaustion of the said Fund and the Termination of the said Claims may be simultaneous.

“London, Chatham, and Dover Railway (Metropolitan Extension) Act, 1860.”

Preamble recites that in 1853 a Company was incorporated by the Name of the East Kent Railway Company (but now by virtue of the “London, Chatham, and Dover Railway Act, 1859,” styled the London, Chatham, and Dover Railway Company, and herein-after referred to as “the Company”), for the Purpose of constructing a Railway from Strood to Canterbury, with Branches to Faversham Quays and Chilham; that by the “East Kent Railway (Extension to Dover) Act, 1855,” (after reciting that the Railway by the first-mentioned Act authorized was intended to form a Portion of a direct Line of Railway between London and Dover, by Canterbury, and between London and Ports and Places on the Eastern Coast of Kent,) the Company were authorized to extend their Line of Railway from Canterbury to Dover, and to make Branch Railways or Tramways to connect such Extension Railway with the Admiralty Pier at Dover, and Dover Harbour; that by “The East Kent Railway (Western Extension) Act, 1858,” the Company were authorized to construct a Railway (therein called the Western Extension) from the East Kent Railway, at or near Strood, to join the authorized Line of the Mid-Kent Railway (Bromley to Saint Mary’s Cray), and to raise further Monies by the Creation of Shares and by borrowing, with the Option (which Option they have exercised) of charging those Monies on the Western Extension alone, and by the same Act the Company were empowered to use and run over the Lines of the Mid-Kent Railway (Bromley to Saint Mary’s Cray) Company and of the West End of London and Crystal Palace Railway Company (herein-after called the Crystal Palace Railway Company); that they have completed and opened for public Traffic the Railway from Strood to Canterbury by the firstly-recited Act authorized, and are proceeding with the Construction of the Remainder of the Railways by the recited Acts authorized; that the London, Brighton, and South Coast Railway Company (herein-after called the Brighton Company) have become the Purchasers of the whole of the Lines of the Crystal Palace Railway Company, except the Extension of their Railway to Farnborough (herein-after called the Farnborough Extension Railway), and the Company having obtained by the said last-recited Act running Powers over that Extension Railway have since agreed (subject to the Approval of Parliament) for the Purchase thereof; that the Construction of Lines of Railway (Nos. 1 and 2) from the Farnborough Extension Railway to Herne Hill, in the Parish of Lambeth, thence into the City of London, there communicating by means of the proposed Junction Railways in connexion with the intended Railway No. 2 with the Metropolitan Railway, and diverging to West Smithfield, would not only afford the most direct and independent

Railway Communication between Dover, the Eastern Parts of Kent, and the Ports and Places and Government Establishments therein, and the Centre of the Metropolis, but would also, by means of the Metropolitan Railway, the Great Northern Railway, and the Great Western Railway, afford direct and uninterrupted Railway Communication between the North, the West, and the South-east of England, and would be of National Importance; that the Construction of the proposed Railway (No. 1) from the Farnborough Extension Railway to Herne Hill, and of a Railway (No. 3) in continuation of that Line, so as to afford Access to the Victoria Station and Pimlico Railway, would ensure to Dover, Kent, and the Government Establishments a direct Communication with the Western and Southern Parts of the Metropolis, the Great Western Railway, and the London and North-western Railway, and the Districts traversed by those Railways, and would be of great public and local Advantage; that a Junction Railway to connect the intended Railway (No. 3) with the intended Railway (No. 2), and Two Junction Railways to connect the intended Railway (No. 1) with the Railways of the Brighton Company, and also Two Junction Railways to connect the intended Railway (No. 3) with the London and South-western Railway, would be of Advantage; that it is expedient to authorize Contracts and Arrangements with reference to the working of the Railways, and the other Purposes herein-after mentioned, between the Company of the one Part, and the Great Northern Railway Company, the Great Western Railway Company, the Metropolitan Railway Company, and the Victoria Station and Pimlico Railway Company, or any One or more of them, on the other Part; also to authorize Contracts and Arrangements with reference to the Construction of Works and other Purposes between the Company on the one Part, and the Lord Mayor, Aldermen, and Commons of the City of London in Common Council assembled, and any District Boards of Works in the Metropolis, or any One or more of those Bodies, on the other Part; that with a view to ensure speedy and uninterrupted Communication between London and other Parts of England traversed by the Railways of the Company and the Railways communicating or which will communicate therewith, and the Continent of Europe, it is expedient that the Company should be empowered to purchase, hire, or provide and work Steam Vessels, Wharves, Quays, and Jetties, or Piers in connexion with their Railways, or to contribute towards the Funds of any Steam Boat Companies willing to work their Vessels in connexion with those Railways, and to make Contracts with such Companies for those Purposes; and that the Company should be authorized to raise Money for the Purposes aforesaid.

Whereas the Promotion of the Bill now passed into an Act for incorporating the Athenry and Tuam Railway Company in the last Session of Parliament was opposed by the Midland Company, and thereupon, for settling the Differences between the Promoters of the Bill and the Midland Company, certain Heads of Agreement were, on the 15th Day of June 1858, entered into between Denis Kirwan, Robert Bodkin, and Charles Blake, Esquires, Three of the said Promoters, of the one Part, and John Ennis, Esquire, M.P., Sir Percy Nugent, Baronet, and George Augustus Boyd, Esquire, Three of the Directors of the Midland Company, of the other Part, which Heads of Agreement were duly signed by the said Parties respectively; and it was thereby agreed, in consideration of the several Conditions therein-after contained—

First. That the Midland Company should abandon such Opposition :

Second. That the Bill should be passed as altered in the Copy thereto annexed :

Third. That the Athenry and Tuam Company should, in the next Session of Parliament, or as soon after as they could be in a Position to comply with the Requirements of the 140th Standing Order of the House of Commons, apply to Parliament for an Act enabling that Company to grant and the Midland Company to take a Lease of the Athenry and Tuam Line :

Fourth. That when such Act should have passed, and the Athenry and Tuam Railway, with all proper Stations, Goods Stores, Sidings, Watering Places, and other Works and Conveniences, should have been completed, ready for being opened for public Traffic, and in good Order and Condition, the Athenry and Tuam Company should grant and the Midland Company should accept a Lease of such Railway for the Term of Ten Years, at a Rent of 4,000*l.* per Annum to be thereby reserved, such Rent to commence and be computed from the Day upon which Possession of the said Line should be tendered to and accepted by the Midland Company, the Line to be maintained by the Athenry and Tuam Company in good working Order and Condition for the First Year of such Lease, and to be restored by the Midland Company at the Expiration of the Lease in the like Order and Condition, reasonable Wear and Tear thereof only accepted : And in the said Heads of Agreement were contained Provisions for referring to Arbitration any Differences in dispute between the Two Companies as to the Completion or Order and Condition of the Line, and for settling the Terms of the Lease, and for the Concurrence of the Midland Company in the Application to Parliament for the Power to lease, and for restraining the Athenry and Tuam Company from extending their Line beyond Tuam to or towards Castlebar, Westport, or Ballina, or promoting or assisting any such Extension by any other Company or Persons, and for a formal Agreement being prepared embodying the said Heads of Agreement, and for the said Agreement ceasing and determining in a certain Event ; and the contracting Parties thereby undertook to use their best Endeavours to procure the Approval of their respective Companies to the said Heads of Agreement : And whereas the said Midland Company did abandon such Opposition, and the said Bill passed into Law as so altered, and the Athenry and Tuam Company, thereby incorporated, and the Midland Company, respectively, approved of and consented to the said Heads of Agreement, and these Presents are a formal Agreement, embodying the said Heads of Agree-

In the next Session of Parliament, or as soon thereafter as they shall be in a Position to comply with the Requirements of the Standing Order of the House of Commons for the Session 1858, No. 140, or otherwise with the Standing Order of the House of Commons for the Time being, the Athenry and Tuam Company shall and will, at their own Expense, apply to Parliament for and use their best Endeavours to obtain an Act authorizing and enabling the Athenry and Tuam Company to grant and the Midland Company to take a Lease of the Athenry and Tuam Railway for the Term of Ten Years at the least, and upon such Terms and Conditions as may enable the Two Companies to carry into effect the Provisions herein-after contained as to such Lease ; and in case on their First Application the Athenry and Tuam Company shall not succeed in obtaining an Act of Parliament so authorizing and enabling the Two Companies, the Athenry and Tuam Company shall and will, in the next Session of Parliament, in like Manner, and at their own Expense, again apply for and use their best Endeavours to obtain such an Act of Parliament, and so in each succeeding Session until the Expiration of the Period fixed and limited by the Athenry and Tuam Railway Act, 1858, for the Completion of their Railway ; and if at the Expiration of such last-mentioned Period the Athenry and Tuam Company shall not have succeeded in obtaining such Act, then no further Applications shall be made by them for that Purpose, and neither of the said Companies shall be any longer under any Obligations as to the Lease herein-after mentioned, and this Agreement shall be wholly at an end and void :

Second. The Midland Company shall and will assist and further, as assenting Parties, such Application or Applications to Parliament, as mentioned in Clause First of this Agreement, by doing, at their own Expense, all such Acts and taking all such Steps as may be from Time to Time required on their Part by the Standing Orders of either House of Parliament, or otherwise as may be necessary or proper, in order to or in connexion with the applying for and procuring the passing of the Act so to be applied for by the Athenry and Tuam Company :

Third. That in case the said Athenry and Tuam Railway Company shall not before the 30th October in the Year 1860 have published the Notices required by the Standing Orders of Parliament, and take the necessary Steps for promoting such Bill and carrying same into a Law, it shall be lawful for the Midland Company to publish Notices and to do all such other Acts as shall or may be required for obtaining such Act in the then next or any succeeding Session of Parliament ; and in such Case that the said Athenry and Tuam Company shall pay to the said Midland Company, in consequence of such Neglect or Default of such Athenry and Tuam Company, all such Costs and Expenses as may be incurred by the said Midland Company :

Fourth. In anticipation of the procuring of such Act of Parliament, the Athenry and Tuam Company shall and will, at their own Expense, construct and complete, with all reasonable Despatch, and in good and sufficient working Order and Condition, their said Railway, fit to be opened for public Traffic, with all necessary and proper Sidings, Stations, Engine Houses, Goods Stores, Sheds, and other Buildings, and all Turn-tables, Watering Places, Signals, Telegraphs, and other Works and Conveniences ; the said intended Railway to

be equal, as an average working Line (so far as the Parliamentary Plans will permit), to that Portion of the Midland Great Western Railway Line between Ballinasloe and Galway: And should there be any Dispute between the Midland Railway Company and the Athenry and Tuam Company as to the State of the Line, when proposed to be given up to the Midland Company, such Question shall be referred to the Decision of an eminent impartial Engineer, to be agreed on by the Two Companies, as Umpire, or if the Parties cannot agree, then the Board of Trade shall nominate such Umpire :

Fifth. If and when such Act of Parliament as herein-before mentioned shall have been obtained, and the said Railway, with all its Buildings, Works, and Conveniences, shall have been duly constructed and completed, in accordance with the last preceding Clause, and shall be ready to be opened for public Traffic, the Athenry and Tuam Company shall grant and the Midland Company shall accept a Lease of said Railway, Buildings, Stations, Works, and Conveniences of the Athenry and Tuam Company, together with the Use of the Quarries and Ballast Pits or Banks of the Athenry and Tuam Company for the Purpose of procuring Materials therefrom for the Maintenance and Repair of the Line, for the Term of Ten Years, to commence and take effect from the Day on which the said Railway shall be fit to be opened for public Traffic, as herein-before provided, and Possession thereof shall have been duly offered by the Athenry and Tuam Company to the Midland Company ; and the Rent to be reserved in such Lease shall be the fixed Sum of 4,000*l.* per Annum, to be payable half-yearly during the said Term :

Sixth. The Athenry and Tuam Company shall and will, at their own Expense in all respects, maintain and keep the said Railway, Buildings, Works, and Conveniences, during the First Year of the Term of the said Lease, in good and sufficient Repair, working Order and Condition, and the Midland Company shall and will, at their own Expense in all respects, maintain and keep the same, during the Residue of the said Term, in good and sufficient Repair, working Order and Condition, and at the Expiration of the said Term shall and will leave and deliver up the same in the like good and sufficient Repair, working Order and Condition, reasonable Wear and Tear thereof only excepted :

Seventh. The Athenry and Tuam Company shall and will also use or permit the said Midland Company to use the compulsory Powers vested in the said Athenry and Tuam Company for the Purpose of purchasing extra Gravel Hills, Land, or Quarries which the said Midland Company shall require, upon being thereunto required by said Midland Company, such last Company paying to or indemnifying the said Athenry and Tuam Company of, from, and against all Sum or Sums of Money which may be payable to the Landowners or otherwise by reason of the Purchase of such extra Land, or the Use thereof, by the said Midland Company :

Eighth. The formal Lease to be prepared and executed shall contain all necessary Covenants and Terms for carrying into effect the Provisions of this Agreement with respect thereto, and (subject thereto, and so far as is consistent therewith) all such Provisions, Conditions, Covenants, and Agreements as are in the like Cases required and directed by the " Railways Clauses Consolidation Act, 1845," and a Clause or Provision for referring any Dispute or Difference that may arise thereunder to Arbitration, under the Provisions of the last-mentioned Act ; and such formal Lease shall, in case of Dispute or Difference as to the same or the Terms thereof, be settled on behalf of both Parties by John Horatio Lloyd, Esq., of the Inner Temple, Barrister-at-Law, or in case of his Death, or of his Refusal or Incapacity to act, by some Barrister to be named for that Purpose by the Attorney General for Ireland

for the Time being ; and the formal Lease as so settled by the said John Horatio Lloyd or such other Barrister as aforesaid shall be adopted by both the Companies Parties hereto, and shall be executed by them respectively within One Calendar Month after it shall be so settled, or so soon thereafter as conveniently may be :

Ninth. The Athenry and Tuam Company shall not nor will at any Time during the Continuance of this Agreement, or of the Lease to be executed in pursuance thereof, extend, or obtain or apply for Powers to extend, their Line of Railway beyond their present or intended Terminus at Tuam, to or towards or in the Direction of Castlebar, Westport, or Ballina, in any way directly or indirectly promote, or assist or encourage any other Company or Persons in promoting, any new or extended Line of Railway from Tuam aforesaid to or towards or in the Direction of the said Three Places or any of them, without the distinct Sanction and Consent of the Midland Company in Writing under their Common Seal first had and obtained :

Tenth. If any Dispute or Difference shall arise between the Companies Parties hereto, the Settlement of which is not herein-before otherwise provided for, as to whether the said Railway, with its Buildings, Works, and Conveniences, has been duly constructed or completed, or is in good and sufficient Order and Condition, or as to the Meaning of this Agreement, or as to the due Performance of and Compliance with the same by either of the said Companies, or as to any other Matter or Thing arising out of or connected with this Agreement, and not hereby referred to Arbitration in any other Manner, concerning every such Dispute or Difference, as and when it may arise, the same shall be referred to and decided by Arbitration in the Manner provided in that Behalf by the " Railways Clauses Act, 1845."

#### SCHEDULE.

ARTICLES OF AGREEMENT made the 3d Day of May, in the Year of our Lord 1860, between the London and North-western Railway Company (herein-after called the North-western Company) of the one Part, and William Henry Whitbread, of Southill, in the County of Bedford, Esquire; the Right Honourable George John Earl De La Warr, of Bourn, in the County of Cambridge; William Stuart, of Kempston, in the County of Bedford, Esquire, M.P.; Thomas Barnard, of Cople House, in the County of Bedford, Esquire; and William Ekin, of Cambridge, Esquire; on behalf of themselves and the other Promoters of the Bedford and Cambridge Railway (herein-after called “the Promoters”), of the other Part: Whereas Railways have been constructed between the City of Oxford and Bedford, and it would be attended with Advantage to the Public if a Connexion by Railway were completed from Bedford to Cambridge, so as to form an uninterrupted Railway Communication between the Eastern and Western Counties of England, via Oxford, Bedford, and Cambridge: And whereas the Promoters have deposited Plans and Sections, and are applying to Parliament for an Act of Incorporation, enabling them to make and maintain a Railway commencing by a Junction with the Bletchley and Bedford Branch of the London and North-western Railway at Bedford, and terminating

by a Junction with the Eastern Counties Railway at Cambridge: And whereas the proposed Capital of the intended Company is adapted for the Construction of a single Line of Railway only, but the intended Company may hereafter be authorized to raise further Capital with a view to making a double Line of Railway, or otherwise extending their Works: And whereas the Parties hereto have determined to enter into the Agreement herein-after appearing: Now, therefore, these Presents witness, that in pursuance of that Determination, and in consideration of the Premises, and for the Considerations herein-after appearing, the London and North-western Railway Company do hereby covenant with the Promoters, and the Promoters do hereby covenant with the London and North-western Railway Company, as follows; (that is to say,)

ARTICLE 1.—The Expression “the Railway” wherever herein-after employed shall mean and include the intended Railway as authorized by the intended Act, and the Stations, Works, and Conveniences connected therewith. The Word “Traffic” wherever herein-after employed shall, where the Context permits, mean and include all Passenger, small Parcel, Animal, Goods, Mineral, and other Traffic whatsoever, whether local or through, and also Mails, to be conveyed by the North-western Company on the Railway, or any Part thereof.

ARTICLE 2.—The intended Company shall in due Time after the passing of the intended Act for the Bedford and Cambridge Railway, make and complete the Railway with a single Line of Railway on the Narrow Gauge, with proper and sufficient Sidings and Turn-out and Passing Places, and with proper and sufficient Stations, Station Houses, Station Fixtures, Fittings and Furniture, Sheds, Cranes, Water Tanks, Signals, and all other necessary or proper Works and Conveniences, and with proper and sufficient Dwelling Houses at level Crossings where necessary, but with Land and Bridges over the Railway sufficient for a double Line of Railway, and so that the Railway shall, at the latest by the Time limited by the Act, be approved by the Government Inspector of Railways as being in all respects fit to be opened and used for public Traffic; and the Contract or Contracts for the Execution of the Railway and the Works and Conveniences thereof shall contain the usual Provision for the Maintenance thereof by the Contractors for One Year after the Completion thereof respectively.

ARTICLE 3.—If required so to do by the North-western Company at any Time after the Expiration of Three Years after the opening of the Railway for public Traffic, the intended Company will, upon Request in Writing to that Effect from the North-western Company according to Article 24., and if and when the Funds of the intended Company necessary for this Purpose are raised, lay down and complete, to the reasonable Satisfaction of the Engineer of the North-western Company, an additional Line of Rails on the Narrow Gauge upon the whole or any Part of the Railway, with all proper and sufficient Sidings and Turn-out and Passing Places, and all proper Stations and other such Works and Conveniences as are specified in Article 2. of this Agreement.

ARTICLE 4.—Before the opening of the Railway for public Traffic, the intended Company shall, to the reasonable Satisfaction of the Engineer of the North-western Company, make all such Arrangements as shall be proper and sufficient for enabling the North-western Company on and after the opening of the Railway for public Traffic, to use the Railway according to this Agreement.

ARTICLE 5.—On and for ever after the opening of the Railway for public Traffic, the North-western Company may and will, with Engines and Carriages, use the Railway and the Works and Conveniences thereof for the Purposes of all Traffic thereon as they are and from Time to Time may be authorized or

permitted by the intended Act and “The Railways Clauses Consolidation Act, 1845,” and any and every other Act from Time to Time in force and applicable in that Behalf; and the intended Company shall, to the reasonable Satisfaction of the Engineer of the North-western Company, afford to the North-western Company all such Accommodation and Facilities as shall be proper and sufficient for the safe and convenient User by them of the Railway and every Part thereof, and the Reception, Conveyance, and Delivery of Traffic.

ARTICLE 6.—If at any Time after the opening of the Railway for public Traffic additional Sidings or other Works are requisite for the due Development or the safe and convenient Reception, Conveyance, or Delivery of Traffic, the same shall, as and when required, according to Article 24., by the North-western Company, be provided by and at the Expense of the intended Company, who shall provide and complete the same to the reasonable Satisfaction of the Engineer of the North-western Company; nevertheless the total Cost of such additional Sidings or other Works shall not exceed the Sum of 10,000*l.*, exclusive of any Expenditure for the Public Safety consequent on any Requirement of the Board of Trade.

ARTICLE 7.—On and for ever after the opening of the Railway for public Traffic, the North-western Company will, at their Expense, work the Railway and convey Traffic thereon in a proper Manner, and so as fairly to develop the Traffic of the District to be served by the Railway, and will run not less than Four Trains a Day with Passenger Carriages each Way between Bedford and Cambridge, and not less than Two Trains a Day with Passenger Carriages each Way between Oxford and Cambridge (Sundays and close Holidays excepted).

ARTICLE 9.—So far as from Time to Time lawfully may be the North-western Company shall, on and for ever after the opening of the Railway for public Traffic, have, exercise, and enjoy, for the Purposes of the User by them of the Railway and the Works and Conveniences thereof, all the Rights, Powers, Authorities, and Privileges whatsoever of the intended Company with respect to the Regulation, Management, and User of the Railway and the Traffic thereon, and as fully and effectually as if the Railway were Part of the London and North-western Railways.

ARTICLE 10.—The intended Company shall (so far as they lawfully can) abstain from doing or concurring in anything which might directly or indirectly interrupt, impede, interfere with, or in any way disturb the User or quiet Enjoyment by the North-western Company of any of the Powers and Privileges intended to be secured to them by this Agreement.

ARTICLE 11.—As regards the Conveyance of Mails, Troops, or Police, or any other Traffic (if any) which the intended Company may from Time to Time be lawfully called on to convey on the Railway or any Part thereof, the North-western Company will from Time to Time so far as they lawfully can convey the same.

ARTICLE 12.—On and after the Expiration of One Year after the Completion of the Railway it shall be kept in thorough Repair and maintained in good Working Order and Condition by the North-western Company at their Expense.

ARTICLE 13.—The North-western Company will, in the Exercise of their Rights and Privileges under this Agreement, in all respects duly perform and observe the several Provisions with respect to the User of the Railway and to the Traffic thereon contained in the Act or Acts from Time to Time in force with respect to the Railway, and will at all Times fully and freely indemnify and save harmless the intended Company from and against all Penalties, Forfeitures, Losses, Damages, Costs, Charges, and Expenses, Claims and Demands whatsoever in any way occasioned or incurred by or by reason of any Act or Default of the North-western Company, or any of their Directors, Agents, Officers, or Servants, in relation to the User by the North-western Company of the Railway or any Part thereof, or to any Traffic thereon.

ARTICLE 14.—The North-western Company will bear and pay all Outgoings and Expenses relating to the User by them of the Railway, and the Reception, Conveyance, and Delivery by them of the Traffic thereon.

ARTICLE 15.—The total Amount of the following Sums shall from Time to Time be carried to the Credit of a joint Account for the Purpose of the Division and Apportionment thereof according to this Agreement; (that is to say,)

First. All the Tolls, Fares, Rates, and Charges from Time to Time receivable by the intended Company in respect of the Railway from any Company or Person other than the North-western Company; such Tolls, Fares, Rates, and Charges (whatsoever the Amount actually received by the intended Company) to be for the Purposes of these Presents, except where otherwise agreed between the Company and the North-western Company under their respective Seals, calculated at the Maximum authorized by the said intended Act.

Secondly. 50 per Centum of the total Amount of all Fares, Rates, and Charges, after Deduction of the Amount allowed from the Tolls received on the Railway according to the Provisions of this Act which under the Arrangement of the Clearing House shall be allowed to the North-western Company under the Head of Clearing House Terminal Charges elsewhere than on the Railway of the intended Company, which are from Time to Time actually received by the North-western Company for Traffic on the Railway.

Thirdly. 50 per Centum of an equal Mileage Proportion in respect of the Railway of the total Amount of all Fares, Rates, and Charges, less Clearing House Terminal Charges (except Station to Station Terminals in respect of the Railway), which are from Time to Time actually received by the North-western Company for Traffic, partly on the Railway and partly on any other Railway or Railways.

Fourthly. 75 per Centum of the Fares, Rates, and Charges (less Clearing House Terminal Charges) which are from Time to Time received by the North-western Company in respect of any Part of the London and North-western Railway for all Traffic wherever arising, which is from Time to Time carried by the North-western Company alone over the Railway or any Part thereof, and which passes from the Railway to or over and beyond any Part of the London and North-western Railways.

ARTICLE 16.—The gross Amount from Time to Time carried to the Credit of the joint Account shall be liable to the following Payments thereout, and the Accounts thereof shall be kept accordingly; (that is to say,)

First. There shall be paid or accounted for to the North-western Company half-yearly a Sum equal to 50 per Centum of the Tolls, Rates, Fares, and Charges from Time to Time receivable by the intended Company from any Company or Person other than the North-western Company, as specified under the First Head of Article 15. of this Agreement, calculated as therein expressed.

Secondly. There shall be paid or accounted for to the intended Company all necessary and reasonable Expenses and Outgoings to which they shall be liable in respect of the Railway, save and except such Expenses and Outgoings as are by these Presents agreed to be borne and paid by the North-western Company, or which the North-western Company shall be willing and offer to bear or pay, but the total Amount to be so paid or accounted for not to exceed 500*l.* a Year.

Thirdly. There shall be paid or accounted for to the intended Company half-yearly such a Sum as shall be sufficient for the Payment of any Chief Rent or Rents not exceeding in the whole 1,000*l.* a Year, payable by the intended Company as Compensation for Land taken by them, and of the Interest on their Debenture Debt at a Rate not exceeding 5*l.* per Centum per Annum (less Income Tax) on an Amount not exceeding 100,000*l.*, and of Dividend on their Share Capital at the Rate of 4*l.* 10*s.* per Centum per Annum (less Income Tax) on an Amount not exceeding 300,000*l.*, less 20 Years Purchase of the Chief Rent or Rents, if any, subject nevertheless to the Provisions of Article 24. of this Agreement and to the other Provisions herein-after contained.

Fourthly. There shall be paid or accounted for to the intended Company such a Sum (if any) as One Moiety of the Sum actually received by the Company from any Company or Person other than the North-western Company, or which may have been paid by the Company to the joint Account at first specified in Article 15., with the Sums to be carried to the Credit of the joint Account as secondly and thirdly specified in that Article, exceeds the Total of the Sums payable as secondly and thirdly specified in this Article.

Fifthly. The Residue from Time to Time of the Amount carried to the Credit of the joint Account shall be payable to the North-western Company.

ARTICLE 17.—The Payments to be made thirdly out of the joint Fund shall fall due on the 30th Day of June and the 31st Day of December in every Year; but if the Railway shall be opened for public Traffic on any Day other than the 1st Day of January or the 1st Day of July then the first of such half-yearly Payments shall be proportioned to the broken Half Year.

ARTICLE 18.—All the Payments to be made out of the joint Fund shall be made to the intended Company and the North-western Company respectively in the Order specified in Article 16., and in the Months of February and August in every Year.

ARTICLE 19.—If and whenever either of the Two Companies, instead of paying any Sum to the joint Account which would be payable thereout to the other Company, shall pay the same to them, then in the Accounts relating to the joint Fund the Company making the Payment shall be credited accordingly with the Sum so paid, and the Company receiving the Payment shall be debited accordingly therewith.

ARTICLE 20.—All superfluous Lands of the intended Company after the Completion of their Works shall be sold, and the net Proceeds thereof shall be applied in Reduction of the Debenture Debt of the intended Company.

ARTICLE 21.—Each of the North-western Company and the intended Company will keep all such Accounts and Vouchers

as shall be proper and sufficient for the Purposes of this Agreement, which Accounts and Vouchers shall be open at all reasonable Times to the Inspection and Transcription of the Directors and Agents of the Two Companies respectively, and the Two Companies respectively will afford to each other all proper and sufficient Facilities for such Inspection and Transcription, and each of the Two Companies will, whenever thereunto reasonably required by the other of them, duly verify the Accounts.

ARTICLE 22.—The North-western Company will, as regards all Traffic conveyed by them on the Railway or any Part thereof, and also on any Part of the London and North-western Railways, so apportion the Fares, Rates, and Charges for the Traffic as that an equal Mileage Proportion thereof, after deducting the usual Clearing House Terminal Charges (except Station to Station Terminals in respect of the Railway), shall be attributed to the Railway, and will keep the Accounts relating to the Traffic so as to show clearly the Apportionment and the Fairness thereof: Provided, that no Traffic shall be considered as within the Meaning of this Article which shall be conveyed over any Part of the Railway by any Company or Person other than the North-western Company.

ARTICLE 23.—Each of the North-western Company and the intended Company will on or before the 28th Day of February and the 31st Day of August in every Year, transmit to the other Company an accurate Account of all the Traffic and Tolls, Fares, Rates, and Charges in respect of which Sums are to be carried by them respectively to the Credit of the joint Account.

ARTICLE 24.—Provided always, that the total Amount expended by the intended Company for all Purposes (whether raised by Shares or Loans or otherwise) as to which the Provisions of Article 16. of this Agreement as to Expenditure by them or Payments out of the joint Account apply, shall not, for the Purposes of this Agreement, be deemed as against the North-western Company, or, with reference to their Interest in the joint Account, to exceed 240,000*l.*, or such greater Sum not exceeding 300,000*l.* as, in case of Difference between the Two Companies, shall be determined by Arbitration to have been properly and necessarily incurred; but any Expenditure beyond either of those Amounts made at the Request of the North-western Company, signified in Writing under the Hand of the Chairman of their Directors or their Common Seal, shall, as against the North-western Company, and with reference to their Interest in the joint Account, be deemed to have been properly incurred. In case of any Chief Rent or Rents being granted by the Company, as mentioned in Article 16., the Sum of 240,000*l.* or (as the Case may be) 300,000*l.*, or other the Maximum fixed by this Article, shall be considered as reduced by 20 Years Purchase of the Chief Rent or Rents.

ARTICLE 25.—In any Case in which any Difference arises between the North-western Company and the intended Company touching the true Intent or Construction of this Agreement, or touching anything to be done, suffered, or omitted in pursuance of this Agreement, or touching any of the Incidents or Consequences of this Agreement, or touching any Breach or Nonfulfilment or alleged Breach or alleged Nonfulfilment of this Agreement, or touching any Liability, Damages, Losses, Costs, or Expenses by reason of any such Breach or Nonfulfilment or alleged Breach or alleged Nonfulfilment, or touching any Claim or Demand relating to any such Liability, Damages, Losses, Costs, or Expenses, or otherwise relating to the Premises, every such Difference shall be referred to and determined by Arbitration according to the Provisions of "The Railway Companies Arbitration Act, 1859."

"Lincoln's Inn Act, 1860."

Whereas in and for some Time prior to the Year 1682 Disputes and Differences had arisen between the Honourable Society of Lincoln's Inn and Henry Serle, then of Lincoln's Inn, Esquire, concerning the erecting of several Buildings on the then open Place of Ground on the South and South-west Side of Lincoln's Inn Walls, then called or known by the Name of Lincoln's Inn Little Fields, or Fickett's Fields: And whereas an Agreement was entered into between the said Henry Serle and the then Masters of the Bench of the said Society touching the same, and which Agreement was reduced into certain Articles in Writing under Hands and Seals, bearing date the 11th Day of July 1682, and duly made and executed between and by the then Masters of the Bench of the said Society of the one Part, and the said Henry Serle of the other Part, and thereby, after reciting that the said Henry Serle was seised of and did claim to himself, by virtue of a Title derived to him from the Crown or otherwise, the Soil, Freehold, and Inheritance of the said open Space of Ground, and also reciting that several Disputes and Differences had arisen between the said Masters of the Bench on behalf of the said Society and him the said Henry Serle, concerning the erecting of several Buildings upon the said Ground, it was among other things agreed, for settling the said Matters, that so much of the said Ground as was therein-after particularly abutted and bounded, (that is to say,) all that Part of the said Ground from the Walls of Lincoln's Inn Southwards to the Rail immediately before Sir Robert Payton's Buildings, running parallel with the Way from Bell Yard End to Plough Inn Stables, and from the Space of 10 Feet Distance from the Houses and Walls on the Eastern Part of the said Field, so far Westward as would run in a just Parallel from North to South with the Corner of the Base Court Wall, and so far further as might run in a parallel Line from North to South within Eight Feet of Portugal Row End, should from Time to Time and at all Times thereafter be disposed of, and such Buildings only should be erected thereupon, and the Buildings erected should be employed in such Manner only as therein-after expressed; and it was further agreed, that the said Henry Serle, his Heirs or Assigns, should, at his or their own proper Costs and Charges, within Three Years then next ensuing, erect and build in and upon the said Parcel of Ground so bounded out as aforesaid Three Ranges of Buildings, (that is to say,) One Row or Range of the said Buildings to be erected on the Eastern Part of the said Piece of Ground, and to extend from the South-west Corner of the Kitchen Garden Wall of the said Society on the North Side of the said Field, all along Southward to the Distance of Threescore Feet from the Buildings of Sir Robert Payton, and the Second Row or Range of the said Buildings on the West Part of the said Ground to begin at the North End of the then Gardener's House of the said Society, and to extend Southwards to the Distance likewise of Threescore Feet from the Houses on the South Side of the Way from Bell Yard to Plough Stables, and to range with Lincoln's Inn long Wall from Turnstile to the then Gardener's House, and the Third Row or Range of the said Buildings on the Southern Side of the said Field, and to extend from the End of the First Row or Range on the Eastern Part of the said Ground to the End of the said Second Row or Range on the Western Part of the said Ground.

and to range with the said Houses on the South Side of the Highway from Bell Yard to the Plough Stables, and Threescore Feet distant from the said Houses, and that a convenient, handsome, and proportionable Gate should be made through the East End of the said Third Range of Buildings, to go out under an Arch to be turned for that Purpose, and that a Gate should likewise be made through the North End of the said Second Range of Buildings, to go out under an Arch to be turned for that Purpose, and that the said Buildings should be erected Three Story high, and no higher, and without a Garret, but the said Henry Serle might make Cellars, if he pleased, and that all the Doors of the said Buildings so to be erected should be made in the Inside of the said intended Buildings towards the intended Quadrangle, and none of them on the Outside thereof; and it was thereby further agreed, that the said Buildings, when erected, should be employed and made use of for Chambers for such Persons as then were or thereafter should be Members of the Society of Lincoln's Inn, or such Serjeants-at-Law as had formerly been of the said Society, and for no other Purpose whatever, and that the same should be liable to all Manner of Duties and Payments, and be regulated according to the ancient and ordinary Orders of the said Society, in such Manner as the then present Chambers of the said Society were at that Time liable to, except only the Restrictions following; (that is to say,) as to such of the said Chambers as should be built on the said Piece of Ground Part of Lincoln's Inn Little Fields or Fickett's Fields aforesaid, that he the said Henry Serle, his Heirs and Assigns for ever, should from Time to Time and at all Times thereafter have the Sale of the said Chambers, and in order thereunto, by some Deed or Writing under his or their Hands and Seals, should from Time to Time for ever assign, nominate, and appoint such Person and Persons, Members of the said Society, or Serjeants-at-Law who had been Members of the said Society, who should enjoy the said Chambers respectively, which said Person or Persons from Time to Time so to be nominated, assigned, and appointed, and no other Person or Persons whatsoever, should be admitted to the said Chambers respectively by the said Masters of the Bench of the said Society, without paying of any Manner of Fine or other Satisfaction to the said Society for such their Admittance other than the usual Fees to the Officers of the said Society upon Admittances into Chambers, and the usual Fines to the House upon Surrenders of Chambers, (that is to say,) 10*l.* for a Ground Chamber or a Chamber One Pair of Stairs, 8*l.* for a Chamber Two Pair of Stairs, and 20 Nobles for a Chamber Three Pair of Stairs, and that the said Masters of the Bench for the Time being should have no Power to refuse or delay admitting any Person or Persons who should be so nominated upon such Nomination of him or them, paying the Fees and Fines aforesaid, and that no Fine or Income should be paid to the said Society for each First Admittance to the said respective Chambers, and that no Chamber or Chambers so to be built should be liable to any Commons, Arrears, or Duties longer than the same should be in the Possession of the Person or Persons who should owe the same to the said Society; and as to such of the said Chambers as should be built upon the Ground or Soil then belonging to the said Society, it was agreed between the said Masters of the Bench and the said Henry Serle, that the said Henry Serle should have Six several Assignments for the successive Lives of Six several Persons, to be named by the said Henry Serle, his Heirs or Assigns, successively as the Lives should fall, without paying any Fine or Income to the said Society for the same, other than what was to be paid for the said newly erected Chambers on the said Ground of Fickett's Fields aforesaid; and it was thereby further agreed, that he the said Henry

Serle, his Executors, Administrators, and Assigns, should, at his and their like proper Costs and Charges, erect a good and sufficient Brick Wall, of a Brick and a Half thick and 10 Feet high, to run Southward from the South-east Corner of the said Kitchen Garden Wall, and range equal with the Buildings on the East Side of the said Fields, 10 Feet Distance from the same towards Bell Yard, and to extend to that Place, which should range equally with the Outside of the said Third Range of Buildings, and from thence to go again in a direct Line to the South-east Corner of the new Buildings, in Part of which said Wall there should be a sufficient Gate Place, and a sufficient Gate set up, for all Sorts of Carts and Carriages to go in and out thereat; and further, that the said Henry Serle, his Heirs, Executors, Administrators, and Assigns, should, at their Costs and Charges, erect and build a good and sufficient Boghouse or House of Office for the Use of the said Society, and a sufficient House for the Gardener of the said Society, to be built between the Backside of the said First Range of Buildings and the said new Wall, and that Part of the said Ground should be made use of as a Laystall for ever for the Use of the said Society; and further, that, at the same Costs and Charges, a sufficient Quantity of the Ground on the Outside of the said Second and Third Range of Buildings for the convenient passing of People to and fro should be handsomely paved, with good and sufficient Oaken Posts of Square Timber set up at convenient Distances from each other on the Outside of the said Pavements; and it was further agreed, that the Waste Ground which should remain and be of the said Piece and Parcel of Ground so bounded out as aforesaid, other than what should be built upon as aforesaid, should from Time to Time and at all Times thereafter lie open, waste, and unbuilt, for the Prospect and Recreation of the said Society and the Members thereof, and that no Chambers or other Buildings should at any Time thereafter be erected or built on the void Piece of Ground called or known by the Name of the Kitchen Garden of the said Society, or any Part thereof, without the Consent and Good Liking of the said Henry Serle, his Heirs and Assigns, of the said intended new Buildings, and that the said Gates to be then erected should be kept by the Porter of the said Society; and it was further agreed between the said Parties, that the said Three Ranges of Buildings, when erected, should at all Times thereafter be called by the Name of Serle Court, and that the said Henry Serle, his Heirs and Assigns, should at all Times thereafter be seised of the said Piece or Parcel of Ground, Part of the said Little Lincoln's Inn Fields, so abutted and bounded as aforesaid, and of the Soil, Freehold, and Inheritance thereof, to and for the Intents and Purposes therein and herein-before expressed and declared, and to and for none other Use, Intent, or Purpose whatsoever, and that the said Henry Serle, his Heirs and Assigns, should be at liberty to proceed to build in and upon such Part of the said Little Lincoln's Inn Fields or Fickett's Fields which lay Westward of the said Ground such Buildings as to him or them should seem meet, without the Disturbance of the said Society; and the said Henry Serle, for himself, his Heirs, Executors, Administrators, and Assigns, and for every of them, covenanted, promised, granted, and agreed, to and with the said then Masters of the Bench of the said Society, and the Survivors and Survivor of them, and the Heirs, Executors, and Administrators of the Survivors and Survivor of them, that the said Henry Serle, his Heirs and Assigns, should and would, from Time to Time and at all Times thereafter, repair, uphold, maintain, and amend the said Boghouse or House of Office, Pavement and Posts, after the same should be erected and set up, and also procure to be emptied the said Boghouse when and as often as Occasion should require, and lay the said Court or void Space of Ground within the new erected

Buildings level and fitting for common Use, and from Time to Time and at all Times after the said Chambers and Buildings so to be built on the said Ground belonging to the said Society should be built and set up, during such Time and Estate as he or they should have in the said Chambers and Buildings, repair, amend, maintain, and keep the said Chambers and Buildings in all Manner of needful and necessary Reparations, and the same, so repaired, amended, maintained, and kept, at the End of his and their Estates and Interests therein should leave and yield up unto the said then Benchers of the said Society, and the Survivors and Survivor of them, and the Heirs of such Survivor, and that the said Henry Serle, his Heirs and Assigns, for the better strengthening and assuring of the said Articles and the Agreements and Things therein contained, should consent that the same and all the Matters therein contained should be decreed by the High Court of Chancery, and also be ratified and confirmed by Act of Parliament, or by either of the said Ways, as to the said Benchers of the said Society, or the Survivors or Survivor of them, or the Heirs of such Survivor, should seem most convenient; And whereas in pursuance of the said Articles of Agreement, all the said Three Ranges of Buildings and other Buildings were made by the said Henry Serle and his Successors in Title, with all the Doors of the said Chambers inwards towards the said Court or Quadrangle, of which they form Three Sides or Parts of Three Sides, and the said Three Ranges of Buildings or Quadrangle, and the uninclosed Area within the same, have ever since up to the present Time and still are known and distinguished by the said Society by the Name of Serle Court, but such Quadrangle is now usually called by the Public by the Name of New Square, Lincoln's Inn: And whereas those Parts of the said Three Ranges of Buildings which were built by the said Henry Serle and his Successors in Title upon Lincoln's Inn Little Fields or Fickett's Fields are those Houses or Blocks of Buildings now known or distinguished by Numbers from 1 to 10 inclusive in the said New Square, and that Part of the said Three Ranges of Buildings which, in pursuance of the said Agreement, were built upon the Ground or Soil belonging to the said Society, are the several Sets of Chambers in the House or Block of Building now numbered 11 in the said New Square: And whereas the Six several Persons for whose successive Lives some of the said last-mentioned Sets of Chambers were held have died, and such Sets of Chambers have consequently become the absolute Property of the said Society, and are described in the First Part of the First Schedule to this Act annexed, and as to others of such last-mentioned Sets of Chambers which are described in the Second Part of the said First Schedule Five Lives only have been successively nominated, and upon the Expiration of the Fifth of such Lives, which took place in the Year 1847, no Person made out a Title to nominate the Sixth of such Lives, and thereupon the said Society entered into possession of such Sets of Chambers as Reversioners thereof, and have ever since remained in such Possession, and as to the Remainder of such Sets of Chambers the Six successive Lives for which the same were to be held respectively have not yet expired, and are still the Property of the Successors in Title to the said Henry Serle, and are described in the Second Schedule to this Act annexed: And whereas the Gates by the said Articles agreed to be made were not in fact made in strict Accordance with the Provisions of the said Articles, or were subsequently altered, and, previously to the particular Alterations herein-after mentioned to have been made in the Year 1845, the Gate, now a Footway only, leading from the said Quadrangle on the South Side thereof, was a Carriage-way, and there was an arched Footway leading from the said Quadrangle into Serle Street, between the Buildings numbered

9 and 10 in such Quadrangle on the West Side thereof: And whereas after the Date of the said Articles the said Henry Serle, or his Successors in Title, built Three small Shops within the said Quadrangle, and certain other Shops under the Gateways leading into Carey Street and Serle Street respectively, and the said Society have subsequently acquired by Purchase the Fee Simple of and in all the said Shops respectively: And whereas in or about the Year 1845, upon the Occasion of building a new Hall and Library in the ancient Pleasure Garden of Lincoln's Inn, a large Part of the South End of that Garden was taken and appropriated by the said Society for the Purpose of making a new and very wide Carriageway into Lincoln's Inn from Lincoln's Inn Fields, and a new Gateway for Carriages and Side Gateways for Foot Passengers were made, at the Expense of the said Society, in the West Wall of the same Garden, at a short Distance from the North End of the said Number 11 of the said Quadrangle, and some new Chambers were built by the said Society upon a Strip of its own Land between the said new Gateways and the said Number 11, and upon the same Occasion the said Carriage Gateway into Carey Street was converted into a Footway, by the Enlargement of the Shops under such Gateway, and the said Footway leading into Serle Street was stopped up, and the Site thereof and of the Shops therein was converted into Rooms, which were demised by the said Society at a yearly Rent to Messieurs Whitmore, Roumieu, and Walters, the Occupiers of adjoining Chambers in the Building numbered 9 in the said Quadrangle: And whereas by various Changes and Alterations made from Time to Time before the Year 1845, the Hereditaments, Area, and Premises anciently known as Serle's Court were thrown open to the ancient Premises of the old House or Building of Lincoln's Inn, and the present ornamental Garden, which, together with the Carriageways and Foot Pavement around the same, now form the Area usually known by the Name of New Square, was in the Year 1845 made and has since been maintained by and at the Expense of the said Society: And whereas the Gates for the Time being leading into the said Quadrangle have always been kept by the Porters of the said Society, and the Times of opening and shutting thereof have always been regulated by Orders of the Masters of the Bench of the said Society: And whereas no Provision for watching and lighting, or making and maintaining the Roads and Pavements in the Interior of the said Quadrangle, was made by the said Articles, but the said Society has for very many Years past, at its own Cost, watched and lighted the same, and the Roads and Footways for the Time being therein have been heretofore made, paved, and maintained, partly by the said Society, and partly by the Proprietors and Occupiers of the Chambers in the said Quadrangle: And whereas Chambers have been made in the Basement Stories of all the Buildings in the said Three Ranges, with Areas and Approaches thereto, but such Basement Chambers have not been considered liable to any Fines, Fees, or Dues under the said Articles of Agreement: And whereas the Boghouse or House of Office, which was made in pursuance of the said Articles, has been in modern Times replaced by Rows of Waterclosets, which were built and have been maintained by the said Society at its own Cost: And whereas all the said Three Ranges of Buildings or Chambers so erected by the said Henry Serle have not for many Years past been employed and made use of solely by the Persons, for the Purposes according to the Regulations, and in the Manner specified in such Articles, according to the true Intent and Meaning thereof, but many of the said Chambers have been actually employed, made use of, and occupied by Persons who were not Members of the said Society, or Serjeants-at-Law who had

been Members thereof, although they continued to be used solely for Purposes connected with the Law, and the Proprietors for the Time being of such Chambers, Successors in Title to the said Henry Serle, continued to nominate Persons, Members of the said Society, or Serjeants-at-Law who had been Members of the said Society, to be admitted thereto by the said Masters of the Bench, and paid or caused to be paid all Admission Fines, Fees, and Dues payable in respect of such Chambers respectively under the Provisions of the said Agreement, and such Nominees were admitted accordingly: And whereas the Proprietors for the Time being of some of such Chambers on the Ground, First, and Second Floors respectively, Successors in Title to the said Henry Serle, have for some Time past neglected, omitted, or refused to nominate duly qualified Persons to be admitted to such Chambers, and to pay the Admission Fines, Fees, and Dues in respect of such Chambers, according to the said Articles of Agreement, by reason whereof Disputes have arisen between the Masters of the Bench of Lincoln's Inn and such last-mentioned Proprietors: And whereas, from the frequent Change of Ownership, and the Variety of Interests of the several Proprietors of and in the said Chambers, it is in many Cases difficult for the said Masters of the Bench to ascertain who actually are the Proprietors, Successors in Title to the said Henry Serle, of the said Chambers respectively, and to enforce the Nomination of duly qualified Persons to be admitted, and Payment of the proper Admission Fines, Fees, and Dues in respect thereof, and the Employment of the said Chambers solely for the Purposes authorized by the said Articles of Agreement: And whereas, in order to settle such Disputes, and prevent Litigation, and also to provide hereafter for the proper Use and Employment of the said Chambers, so erected by the said Henry Serle as aforesaid, and the future Government and Management of all other the Hereditaments and Premises comprised in the said Articles of Agreement, and the better lighting, paving, and watching of New Square aforesaid, it is expedient that, in lieu of the Admission Fines, Fees, and Dues payable in respect of the said Chambers upon the Ground, First, and Second Floors respectively, under or by virtue of the said Articles of Agreement, such fixed annual Payment should be made to the said Society, in respect of each Set of such last-mentioned Chambers as herein-after mentioned, and that the Claim of the said Society to such Admission Fines, Fees, and Dues, and to have Nominees appointed and admitted in respect of such Chambers, should be extinguished, and that such Arrangement respecting the Payment of Arrears now due in respect of Fines, Fees, and Dues which would have been payable if the said Articles of Agreement had been enforced should be entered into as herein-after contained, and that, in consideration of the lighting, paving, and watching of the said New Square by the said Society out of their General Funds, such fixed annual Payment as herein-after mentioned should be made to the said Society in respect of the several Sets of Chambers on the Basement and Third and Upper Floors respectively of the said Buildings, and that proper Powers should be given to the said Society for enforcing Payment of such fixed annual Sums, and that proper Powers for the future Government and Regulation of New Square, Lincoln's Inn, aforesaid, should be granted.

“River Fergus Navigation and Embankment Act, 1860.”

Recites that the Navigation of the River Fergus in the County of Clare in Ireland for a considerable Distance below the Town of Clare is at present difficult and dangerous, and is capable of great Improvement, and that there are on both Sides of the River Waste Lands or Mud Banks, which, being subject to be covered by the tidal Waters, are now unproductive, and that it would be of local and public Advantage if the same were reclaimed and brought into Cultivation, and the Navigation improved; that Her Majesty in right of Her Crown is or claims to be seised of the Soil of the Lands so covered with the Tide, or some Part thereof; that, under a Grant made by His Majesty King James I. in the Eighteenth Year of His Reign, and under other Grants made by Her Majesty's Predecessors, the Right Hon. Francis Nathaniel Marquis Conyngham and the Right Hon. George Baron Leconfield claim to be seised of the Soil of the Lands so covered with the Tide, or some Part thereof; that Plans, Sections, &c. of the proposed Works, &c. have been deposited with the Clerk of the Peace for the County of Clare, and that the same are in this Act referred to as the deposited Plans, Sections, &c.; that the Persons in this Act named and others are willing, at their own Expense, in consideration of the Lands reclaimed being vested in them, subject to the Provisions of this Act, and on their being incorporated with adequate Powers in that Behalf, to undertake the Improvement of the Navigation, and the Embankment and Reclamation of the Lands from the Sea; that, in order to provide for the Maintenance and Repair of the Navigation, Embankments, and Works, when completed, it is expedient that Provision be made for charging the Lands reclaimed with a Rate for that Purpose.

"The Metropolitan Meat and Poultry Market Act, 1860."

Whereas the present existing Markets for the Sale of Meat and Poultry and other Provisions in the City of London are small and confined, and inadequate to supply the Wants of the rapidly increasing Population of the Metropolis: And whereas

it is expedient that larger and more convenient Markets should be provided, and that proper Approaches should be made thereto: And whereas Part of the Site of Smithfield, formerly used as a Cattle and Sheep Market, is conveniently situated and adapted for such new Markets: And whereas the Mayor, Aldermen, and Commons of the City of London, in Common Council assembled, are willing to provide such Markets, and to cause proper Approaches to be made thereto: And whereas Her Majesty in right of Her Crown and the Mayor and Commonalty and Citizens of the City of London respectively claim to be entitled to or interested in the ancient Site of Smithfield Market, and Her Majesty is willing, and the Mayor and Commonalty and Citizens have agreed, that such Provisions as are herein-after contained should be made for keeping open the Part of the ancient Site of Smithfield Market which is not otherwise expressly appropriated for the Purposes of this Act, and for appropriating the Residue of the said ancient Site in manner herein-after provided; but the same cannot be effected without the Aid and Authority of Parliament: May it therefore please Your Majesty that it may be enacted; and be it enacted by the Queen's most Excellent Majesty, by and with the Advice and Consent of the Lords Spiritual and Temporal, and Commons, in this present Parliament assembled, and by the Authority of the same, as follows; that is to say,

I. This Act may be cited for any Purposes as "The Metropolitan Meat and Poultry Market Act, 1860."

II. All the Powers, Provisions, Directions, Restrictions, Clauses, and Enactments contained in "The London City Improvement Act, 1847," and in the Clauses of "The Lands Clauses Consolidation Act, 1845," incorporated therewith, shall extend and be applied to this Act, with reference to the taking of Land, and the Erection and Construction of Markets, Market Places, and the Improvements, Matters, and Things by this Act authorized, and shall be in as full Force and Effect, to all Intents and Purposes whatsoever, as if the same had been repeated and re-enacted in this Act, and made applicable to the Subject Matter hereof, except only so far as the same or any of them may be repealed, altered, or varied by this Act: Provided always, that the Word "Schedule," where used in the said recited Act, shall with respect to the Objects and Purposes of this Act be deemed to mean the Book of Reference deposited in the Office of the Clerk of the Peace for the City of London and in the Office of the Clerk of the Peace for the County of Middlesex.

III. Whenever any Land authorized to be taken for the Purposes of this Act shall happen to be situated, not within the City of London or the Liberties thereof, but within the County of Middlesex, then and in every such Case throughout the Enactments contained in "The London City Improvement Act, 1847," all the Provisions applicable to and all Matters and Things authorized or required to be done in or by the Court of Mayor and Aldermen of the City of London holden in the Outer Chamber of the Guildhall in the said City shall, with reference to the Land which shall be so situated in the County of Middlesex, be held to apply to and shall be done in or by the Court of the Sheriff of Middlesex, and all Powers and Authorities given to or vested in the said Court of Mayor and Aldermen may be exercised by the Person presiding in the Court of the said Sheriff; and all the Provisions applicable, and all Warrants and Precepts to be directed to, and all Matters and Things authorized or required to be done by, the Sheriffs of London, shall be held to apply and shall be directed to and shall be done by the Sheriff of Middlesex; and all the Provisions applicable to the Commissioners of Sewers of the City of London shall be held to apply to the Metropolitan Board of Works and District Boards; and the Word "Justice" shall not mean the Lord Mayor or any Alderman or the Recorder

of the City of London, but shall mean a Justice of the Peace acting in or for the County of Middlesex ; and where anything shall be directed to be done by or before any One or more of the Aldermen of the City of London the same shall be done by or before any One or more of the Justices acting in or for the County of Middlesex ; and the Time and Place when and where the Persons to be summoned, returned, and impannelled by the Sheriff of the County of Middlesex for the Purpose of serving as Jurymen shall not be named in the Warrant or Precept to be directed to the Sheriff, but shall be appointed by the Sheriff, and such Time shall not be less than Fourteen nor more than Twenty-one Days after the Receipt of such Warrant, and such Place shall not be more than Three Miles distant from the Land in question, unless by Consent of the Parties interested ; and the Costs of any such Inquiry shall be settled, not by the Registrar of the Court of Mayor and Aldermen, but by One of the Masters of the Court of Queen's Bench ; and if the Sheriff shall make default in any of the Matters directed to be done by him in relation to any such Trial or Inquiry, he shall forfeit Fifty Pounds for every such Offence, and such Penalty shall be recoverable by the Mayor and Commonalty and Citizens in any of the Superior Courts.

IV. The Maps or Plans describing the Situation of the said Market, and the Site on which the same is proposed to be erected, and also Books of Reference containing the Names of the Owners and Lessees or reputed Owners and Lessees and Occupiers of the Lands, Houses, and Buildings which may be required for the Purposes of this Act, and which have been deposited at the Office of the Clerk of the Peace for the City of London and at the Office of the Clerk of the Peace for the County of Middlesex, shall remain in the said Offices, to the end that all Persons may at all reasonable Times have Liberty to inspect and peruse the same, at their Will and Pleasure, paying the Sum of One Shilling for every such Inspection.

V. No House or Building, planted Walk or Yard belonging to a House or Land, shall be taken or made use of for the Purposes of this Act, except such as are mentioned in the Book of Reference herein-before mentioned to have been deposited in the Office of the Clerk of the Peace for the City of London and in the Office of the Clerk of the Peace for the County of Middlesex, without the Consent in Writing of the Owner thereof being first had and obtained for that Purpose.

VI. It shall be lawful for the Mayor, Aldermen, and Commons to purchase, take down, and use for the Purposes of this Act any of the Lands, Houses, or Buildings described in the said Plans deposited at the Office of the Clerk of the Peace for the City of London and at the Office of the Clerk of the Peace for the County of Middlesex, as intended to be taken, for the Purposes of this Act, although the same Lands, Houses, or Buildings, or the Names of the Owners or Occupiers thereof may happen to be erroneously stated or omitted in the said Book of Reference, in case it shall appear to any Two Aldermen of the City of London, or, as the Case may be, to any Two of the Justices acting in or for the County of Middlesex, and be certified under their Hands, that such Error or Omission proceeded from Mistake or erroneous Information : Provided always, that previously to submitting the Case to Two Aldermen or to Two Justices as aforesaid Ten clear Days Notice shall be given to the Parties whose Lands shall be affected by such erroneous Statement or Omission in the said Book of Reference.

VII. If the Mayor, Aldermen, and Commons shall not within the Space of Five Years, to be computed from the passing of this Act, purchase or take the Lands which they are empowered by this Act to take, use, and purchase as aforesaid, then and thenceforth the Powers hereby granted to them for such Purposes shall cease, determine, and be utterly void.

VIII. And whereas a Plan of Smithfield Market Place, showing the Alterations and Improvements authorized by this Act, has been deposited at the Office of Land Revenue Records and Inrolments, and has been signed by the Keeper of such Records and Inrolments : Be it enacted, That the Part of Smithfield Market Place which is coloured Red on the same Plan shall be for ever reserved and appropriated as an open public Place, subject to the Use of the same as a Market for the Sale of Hay and Straw in Carts or Waggons, and no Building or Erection shall at any Time be erected or made thereon (other than a Fountain and Dwarf Walls with Iron Rails, not exceeding in the whole Four Feet Six Inches in Height, at the Sides of the proposed Entrance to a Goods Station, as shown on the same Plan, which proposed Entrance shall not be used for Railway Passengers) ; and the Parts of the said Market Place which are respectively coloured Green and Blue on such Plan shall be appropriated as or as an Addition to and shall be thrown into the adjoining public Streets ; and the Land coloured Brown, Purple, and Yellow on the said Plan shall be appropriated and used for the Purposes mentioned in the Ninth and Tenth Sections of this Act, and for no other Use or Purpose, and a Copy of such Plan shall be deposited at the Office of the Clerk of the Peace for the City of London with the other Documents referred to in this Act : Provided always, that nothing contained in this Act or appearing on the said Plan shall, subject to the Provisions of this Act, affect or prejudice any Estate, Right, or Interest of the Queen's Majesty, or of the said Mayor, Commonalty, and Citizens, to the whole or any Part of the Land coloured respectively Purple, Yellow, and Blue on such Plan, it being alleged by the said Mayor, Commonalty, and Citizens that such Land does not form Part of the ancient Site of Smithfield.

IX. It shall be lawful for the Mayor, Aldermen, and Commons, and they are hereby authorized to appropriate for the Purposes of this Act that Part of the ancient Site of Smithfield Market which is situate on the North Side of Long Lane, or any Part of such Site, and to erect, build, construct, and maintain on the Site so appropriated, or on any Part thereof, and on the Land by this Act authorized to be taken, a Market House and Market Place, or Market Houses or Market Places, for the Exposure and Sale of Meat and Poultry and other Provisions, in the Situation delineated on the Maps and Plans so deposited as aforesaid, together with such Houses, Shops, Stalls, Standings, Sheds, Buildings, Works, and Conveniences for the Purposes of the said Markets, and for the Accommodation of Persons resorting thereto, as they the Mayor, Aldermen, and Commons may think necessary, all which said Market Houses and Market Places shall be deemed to be Public Markets.

X. It shall be lawful for the Mayor, Aldermen, and Commons and they are hereby authorized and empowered to appropriate the whole or any Part of the underground Surface beneath the intended Market or Market Places, and the Buildings belonging thereto, and beneath so much of the Roads or Streets surrounding the said Market and Market Places as are to be purchased or taken under the Powers of this Act, for the Purpose of a Railway Station or Railway Terminus, with Lifts and Hoists communicating with the said Market and Market Places, to be used by any Railway Company, or any Persons desirous of constructing a Railway or Railways to such Market or Market Places, and to enter into any Contract or Agreement with any Railway Company or Persons for the Excavation, Building, and Erection of such Railway Station or Terminus, and of the Approaches thereto, and for the Lease of the same, at such Rent and upon such Terms and Conditions as shall be mutually agreed upon : Provided always, that the

Station or Terminus shall not be used as a Passenger Station, except in connexion with the Market and for Market Purposes.

XI. Except for the Purposes of rating, as herein-after mentioned, the Sites of the several Lands, Houses, and Tenements in the Parish of Saint Sepulchre, Middlesex, which the Mayor and Commonalty and Citizens are authorized to purchase and take under the Powers of this Act, shall, as and when they are so severally purchased and taken, be deemed to be and be in the City of London, and form a Part of the Ward of Farringdon Without, but the said Lands, Houses, and Tenements, when so purchased and taken, or the Sites of the same, as the Case may be, shall nevertheless continue to be rated and assessed as if they remained in and continued to form a Part of the said Parish of Saint Sepulchre, Middlesex, and they shall continue to be rated and charged in and to Land Tax, Tithes, Poor and other Parochial Rates and Charges of that Parish, and the same shall be paid by the said Mayor and Commonalty and Citizens (who shall be deemed the Occupiers of the Premises) in and to the said Parish, upon the same assessable Value as those Lands, Houses, and Tenements are now assessed to any Land Tax, Tithes, Poor and other Parochial Rates and Charges; but the Sites of the said Lands, Houses, and Tenements, or any other Buildings that may at any Time be erected thereon, shall not be otherwise rated or assessed in respect of Land Tax, Tithes, Poor or other Parochial Rates and Charges to the said Parish of Saint Sepulchre, Middlesex, or any other Parish whatsoever.

XII. If at any Time or Times hereafter the said Market House or Market Place, or Market Houses or Market Places, or other Buildings, shall be found to be not sufficiently capacious or convenient, it shall be lawful for the Mayor, Aldermen, and Commons, at any Time or Times, and from Time to Time, to enlarge the same or any Part or Parts thereof, or to construct an additional Market House or Market Place, or additional Market Houses or Market Places, to make convenient Roads or Streets and Approaches to the said Markets, and for any other Purpose which may be necessary for the Formation and convenient Use of the said Market; and all and singular the Powers and Provisions of this Act (except the Power for the compulsory Purchase of Land) shall be applicable for the Purpose of such Enlargement or Additions, and for regulating and maintaining the same when enlarged, and for erecting, regulating, and maintaining any such additional Market House or Market Place, or Market Houses or Market Places: Provided always, that nothing in this Act contained shall authorize the Erection of any Slaughter-house or Gasworks.

XIII. It shall be lawful for the Mayor, Aldermen, and Commons, in addition to making and constructing the said Market, to effect the several Improvements following; (that is to say,)

Whereas the Mayor and Commonalty and Citizens of the City of London, herein-after called the Corporation, are proposing to establish at Smithfield a public Market for the Sale of Meat and other Articles: And whereas the Cost of such Market would be materially lessened, and its Utility greatly increased, if it were connected with the Metropolitan Railway, and the Site thereof were rendered also available for the Erection of Buildings and Works suitable for a Railway Depôt for the Collection, Delivery, and Storage of Goods which have been or are to be carried by Railway: And whereas a Bill has been introduced into Parliament to establish such Market, with Power to enter into Arrangements with Railway Companies and Persons desirous of obtaining Station or Warehouse Accommodation in the City of London: And whereas the Terminus of the Metropolitan Railway will be within a short Distance of the proposed Market House, but unconnected therewith by any Siding or Branch, and the existing Street Communications between Smithfield and the Site of that Terminus are narrow and inconvenient: And whereas the Formation of a new Street or Approach, with a Railway or Tramway under the Surface thereof or of the Lands adjoining thereto, which would connect the said Market House with the Metropolitan Railway, would be of public Advantage: And whereas the Corporation and the Metropolitan Railway Company are respectively interested in the Formation of the Communication by such new Street and Railway, and it is expedient that such Powers be given to the Corporation and to that Company as are herein-after contained; but the several Purposes aforesaid cannot be effected without the Authority of Parliament: May it therefore please Your Majesty that it may be enacted; and be it enacted by the Queen's most Excellent Majesty, by and with the Advice and Consent of the Lords Spiritual and Temporal, and Commons, in this present Parliament assembled, and by the Authority of the same, as follows; (that is to say.)

“The Caithness Roads Act, 1860.”

Recites 11 Geo. 4. & 1 Will. 4. c. cii. and 1 & 2 Vict. c. lxxix., and that the Trustees appointed thereunder have put the same into execution; but that the Roads and Bridges cannot be completed and kept in repair unless further Provision be made for these Purposes; recites 8 & 9 Vict. c. 41. (Public); that the Amount of the Conversion Money leviable in the said County under the last-recited Act is insufficient for the Purposes of the first and second recited Acts, and the Mode in which the Statute Labour or Service is commuted, levied, and applied in the said County, under the Provisions of the first-recited Act, is unequal and inconvenient; that a separate Assessment for the Purpose of making and keeping in repair Bridges within the said County is now levied under the first-recited Act on the Heritors of the said County, including the Heritors of the Burgh Lands therein, in extension of an Assessment of Ten Shillings Scots on each One hundred Pounds Scots of valued Rent authorized by an Act of the Parliament of Scotland passed in 1669, intituled “An Act for repairing Highways and Bridges;” that certain Roads and Bridges in the said County have been made and are maintained by the Commissioners for Highland Roads and Bridges, and certain Tolls are collected, and certain Sums are annually assessed and levied in the said County, towards the Expense of maintaining and keeping in repair such Roads and Bridges, under the Authority of the Public Acts 59 Geo. 3. c. 135., 4 Geo. 4. c. 56., 5 Geo. 4. c. 38. 3 & 4 Will. 4. c. 33., and 14 & 15 Vict. c. 66., or of some of the said Acts; that it is expedient that the Mode in which the Statute Labour or Service in the said County is commuted, levied, and applied should be altered, that the separate Assessment for Bridges in the said County should be discontinued, that further Provisions should be made for the Payment of the Sums annually payable as aforesaid to the said Commissioners for Highland Roads and Bridges, that further Provision should be made and additional Funds provided for extinguishing the existing Debts, and for com-

pleting, maintaining, managing, and keeping in repair the Roads and Bridges in the said County, that new or additional Assessments should be levied for the Purposes of this Act, that during the Continuance of this Act, and until the Tolls leviable under this Act can be abolished, a lower Rate of Assessment should be levied for the Purposes of this Act within the Burghs of Wick and Thurso than within the rest of the said County, and that the first and second recited Acts should be amended or repealed.

"The Galway Harbour Act, 1860."

Recites that by 16 & 17 Vict. c. ccvii. the Commissioners of Galway Harbour were incorporated for carrying into execution the several Powers of that Act, and among other things for making a Pier and Breakwater in the Bay of Galway; that by reason of their Inability to obtain the Money authorized to be raised by the said Act for the Purposes of such Pier and Breakwater, the Harbour Commissioners have been unable to construct the same; that a Pier, Breakwater, Graving Docks, and other Works in the Bay and Harbour of Galway are now much required for Packets and for other Vessels frequenting the said Harbour, and would be of great public Advantage; that the Construction of the said Works would contribute to the Improvement and Advantage of the County of the Town of Galway, and would tend to lessen the Amount of Poor Rate levied in such County by affording increased Employment, and would much enhance the Value of Property in the said County; and that it is therefore reasonable and expedient that the said County should contribute, if need be, and pay or guarantee the Payment of the Interest of the Monies which may be borrowed by the Harbour Commissioners for constructing such Works as may be necessary to afford additional Facilities for refitting, repairing, and building Ships; that the Grand Jury of the County of the Town of Galway did, at the Spring Assizes of 1859, resolve that a Guarantee not exceeding 4*d.* in the Pound on the rateable Property in that County should be given to the Harbour Commissioners to enable them to procure a Loan of Money for the Construction of the said Works in connexion with the said Pier and Breakwater; that the Harbour Commissioners have borrowed various Sums of Money from the Commissioners of Public Works in Ireland on the Security of the Tolls and other Property vested in them, of which Amount the Sum of 21,524*l.* 18*s.* 2*d.* is still due and owing in respect of Principal and Interest; that there is a Judgment Debt also charged upon the said Tolls, amounting to 3,500*l.*, besides Costs, also due and owing by the said Harbour Commissioners; that it is expedient that the Harbour Commissioners should be authorized to borrow Money to pay off the said Debts; that by 22 & 23 Vict. c. 28. (Public), the said Commissioners of Public Works are authorized to levy the Dues on Vessels at and under 50 Tons registered Tonnage entering the Docks of the said Harbour, and that it is expedient that the Harbour Commissioners should be authorized to levy the same when and so soon as the said Debt due to the Commissioners of Public Works is paid off; that it is expedient that the Harbour Commissioners should be enabled to grant Leases of Lands, Tenements, Buildings, and Hereditaments within the Limits of the said Harbour, and to confirm the Leases granted or agreed to be granted by the said Commissioners of Public Works, or by the Harbour Commissioners, with their Sanction; that it is expedient to

## "West Cork Railways Act, 1860."

Recites that by 16 & 17 Vict. c. ccii. and 17 & 18 Vict. c. xcvi. the Cork and Bandon Railway Company were authorized to make certain Branch Railways; that by the first-recited Act Provision was made for Contributions from certain other Baronies to make up Interest or Dividend at the Rate of Three per Cent. per Annum on the total Outlay (not exceeding 5,000*l.* per Mile), on the Railways by that Act authorized; that the said Railways have not been constructed, and the Powers thereby given for their Construction have expired; that the Construction of the Railway herein-after described would in a great Measure afford the same Accommodation as the Railways authorized by the recited Acts, and would be of great public and local Advantage; that certain Persons are willing at their own Expense to carry such Undertaking into execution, if authorized so to do, and are desirous of being incorporated into a Company for that Purpose; that the Construction of the proposed Railway will contribute to the Advantage and Improvement of the Baronies and Portions of Baronies upon and adjoining to the Line thereof, and will tend to lessen the Amount of Poor's Rate therein, by affording increased Employment; and that it is therefore expedient that those Baronies and Portions of Baronies should be empowered, to the Extent by this Act authorized, to pay or guarantee Payment of Interest on any Monies borrowed for the Construction of the proposed Railway; and that it is expedient that the Company so to be incorporated and the Cork and Bandon Railway Company should be empowered to enter into Agreements with respect to the Working and Use of the proposed Railway and Works.
