NOTE BY THE SECRETARIAT

Under Article 102 of the Charter of the United Nations every treaty and every international agreement entered into by any Member of the United Nations after the coming into force of the Charter shall, as soon as possible, be registered with the Secretariat and published by it. Furthermore, no party to a treaty or international agreement subject to registration which has not been registered may invoke that treaty or agreement before any organ of the United Nations. The General Assembly by resolution 97 (I) established regulations to give effect to Article 102 of the Charter (see text of the regulations, Vol. 76, p. XVIII).

The terms "treaty" and "international agreement" have not been defined either in the Charter or in the regulations, and the Secretariat follows the principle that it acts in accordance with the position of the Member State submitting an instrument for registration that so far as that party is concerned the instrument is a treaty or an international agreement within the meaning of Article 102. Registration of an instrument submitted by a Member State, therefore, does not imply a judgement by the Secretariat on the nature of the instrument, the status of a party, or any similar question. It is the understanding of the Secretariat that its action does not confer on the instrument the status of a treaty or an international agreement if it does not already have that status and does not confer on a party a status which it would not otherwise have.

* * *

Unless otherwise indicated, the translations of the original texts of treaties, etc., published in this *Series* have been made by the Secretariat of the United Nations.

NOTE DU SÉCRÉTARIAT

Aux termes de l'Article 102 de la Charte des Nations Unies, tout traité ou accord international conclu par un Membre des Nations Unies après l'entrée en vigueur de la Charte sera, le plus tôt possible, enregistré au Secrétariat et publié par lui. De plus, aucune partie à un traité ou accord international qui aurait dû être enregistré mais ne l'a pas été ne pourra invoquer ledit traité ou accord devant un organe des Nations Unies. Par sa résolution 97 (I), l'Assemblée générale a adopté un règlement destiné à mettre en application l'Article 102 de la Charte (voir texte du règlement, vol. 76, p. XIX).

Le terme « traité » et l'expression « accord international » n'ont été définis ni dans la Charte ni dans le règlement et le Secrétariat a pris comme principe de s'en tenir à la position adoptée à cet égard par l'État Membre qui a présenté l'instrument à l'enregistrement, à savoir que pour autant qu'il s'agit de cet État comme partie contractante l'instrument constitue un traité ou un accord international au sens de l'Article 102. Il s'ensuit que l'enregistrement d'un instrument présenté par un État Membre n'implique, de la part du Secrétariat, aucun jugement sur la nature de l'instrument, le statut d'une partie ou toute autre question similaire. Le Secrétariat considère donc que les actes qu'il pourrait être amené à accomplir ne confèrent pas à un instrument la qualité de « traité » ou d'« accord international » si cet instrument n'a pas déjà cette qualité, et qu'ils ne confèrent pas à une partie un statut que, par ailleurs, elle ne posséderait pas.

* * *

Sauf indication contraire, les traductions des textes originaux des traités, etc., publiés dans ce *Recueil* ont été établies par le Secrétariat de l'Organisation des Nations Unies.

SCHEDULE XIX - UNITED KINGDOM

L I S T E D E T O R Q U A Y

LISTE XIX - ROYAUME-UNI

SCHEDULE XIX - UNITED KINGDOM

This Schedule is authentic only in the English language

Section A. Metropolitan TerritoryPART IMost-Favoured-Nation Tariff

1. The following Schedule XIX shall replace, upon the 1st January, 1959, the text of the Schedule XIX of concessions negotiated at Torquay, and current up to that date,

2. Where any articles listed in this Part of this Schedule consist wholly or partly of silk or man-made fibres, any such articles may, unless expressly excepted in this Schedule, be charged with duties at the rates from time to time in force on such articles.

3. Where any article listed in this Part of this Schedule consists wholly or partly of parts or ingredients which on the 1st January, 1959, are chargeable with revenue duty, that article may, unless expressly excepted in this Schedule, be charged in respect of such parts or ingredients with revenue duty at the rates from time to time in force.

4. For the purposes of this Schedule,

- (a) "Revenue duty" means the duty on beer, chicory (including extracts), cocoa, coffee (including extracts), glucose, hops, hop oil, hop extracts, hydrocarbon oils, matches, mechanical lighters, molasses, playing cards, saccharin (including substances of a like nature or use), spirits (including perfumed spirits), sugar (sucrose), tea, tobacco and wine;
- (b) the qualification "R Grade" signifies that the product is "pure", "purissimum", "extra pure", "B.P.", "Ph.G.", "A.R.", "for analysis", "reagent", or of a special quality for meeting special tests for purity.

(B.P. = British Pharmacopoeia
Ph.G. = German Pharmacopoeia
A.R. = Analytical Reagent)

5. The effect of several Section or Chapter notes (e.g. to Section XVI) is that certain parts are to be classified in headings appropriate to the corresponding complete articles. To remove doubt, it is pointed out that for the purposes of this Schedule the United Kingdom concessions on articles set out as sub-headings do not extend to parts of those articles unless parts are expressly included.

SIXTH PROTOCOL OF
SUPPLEMENTARY CONCESSIONS

SCHEDULE XIX - UNITED KINGDOM

SIXIEME PROTOCOLE DE
CONCESSIONS ADDITIONNELLES

LISTE XIX - ROYAUME-UNI

SCHEDULE XIX - UNITED KINGDOM

This Schedule is authentic only in the English language

Section A. Metropolitan TerritoryPART IMost-Favoured-Nation Tariff

1. The following Schedule XIX shall replace, upon the 1st January, 1959, the text of the Schedule XIX of concessions negotiated at Geneva, 1956, and current up to that date.
2. Where any articles listed in this Part of this Schedule consist wholly or partly of silk or man-made fibres, any such articles may, unless expressly excepted in this Schedule, be charged with duties at the rates from time to time in force on such articles.
3. Where any article listed in this Part of this Schedule consists wholly or partly of parts or ingredients which on the 1st January, 1959, are chargeable with revenue duty, that article may, unless expressly excepted in this Schedule, be charged in respect of such parts or ingredients with revenue duty at the rates from time to time in force.
4. For the purposes of this Schedule,
 - (a) "Revenue duty" means the duty on beer, chicory (including extracts), cocoa, coffee (including extracts), glucose, hops, hop oil, hop extracts, hydrocarbon oils, matches, mechanical lighters, molasses, playing cards, saccharin (including substances of a like nature or use), spirits (including perfumed spirits), sugar (sucrose), tea, tobacco and wine;
 - (b) the qualification "R Grade" signifies that the product is "pure", "purissimum", "extra pure", "B.P.", "Ph.G.", "A.R.", "for analysis", "reagent", or of a special quality for meeting special tests for purity.

(B.P. = British Pharmacopoeia
Ph.G. = German Pharmacopoeia
A.R. = Analytical Reagent)
5. The effect of several Section or Chapter notes (e.g. to Section XVI) is that certain parts are to be classified in headings appropriate to the corresponding complete articles. To remove doubt, it is pointed out that for the purposes of this Schedule the United Kingdom concessions on articles set out as sub-headings do not extend to parts of those articles unless parts are expressly included.
