SHORTHORNS BLAST OUT A 13-1 VICTORY OVER THE LONGHORNS IN THE FCA ANNUAL GREEN GAME

Two teams (and 35 substitutes,) known as the "Shorthorns," led by Cap Arnold and Sam Sanders, and the "Longhorns," with Jim Isleib and Mahlon Selby doing the managing, amid the cheers of 500 spectators took the field in the FCA annual field day to participate in a grudge match. It wasn't very long before the Shorthorns gathered in a lot of hits good for several runs off the slants of Big Jim Isleib. Isleib gave up after toiling 3 innings and gave way to Ray McWhirt (a pitcher in the Government softball league.) Ray could do no better than Jim as he was shellacked for 7 runs and 12 hits. The play of Collins and Lindsey at shortstop and second base, respectively, was outstanding for the Shorthorns. Each made spectacular plays and played errorless ball. George Olson, former American Association player and dark-horse for the Longhorns, went down swinging at 3 of Cap Arnold's fast balls in his first appearance at the plate. The longest hit made in the contest was by "Wink" Johnson to left field which went for a home run. The greatest number of put-outs and assists were made by base umpire Bob Drescher. Tom Piper relieved Cap Arnold after the third inning and was charged with the only score that the Longhorns could get.

"Wait until next year," say Isleib and Selby.

Grover Cleveland was second-guessing every play over the public address system and he kept the spectators and players amused with his usual wisecracks.

LETTERS FROM OUR MEN AND WOMEN IN SERVICE

Sgt. Harwood Suggs, 312th Ftr. Wing (Sp)
APO 210, Box 4, c/o Postmaster, New York,
New York.

Somewhere in China
June 19, 1945

Dear friends,
The Chinese ground forces, new revitalized, and American-trained seem much improved over the battered and out-matched force which was driven back into China earlier in the war. Our ally has a very "dogged" personality and you seldom see even the most unfortunate disgusted to the point of quitting. This country and its people have many characteristics which to us seem crude, but you can't deny their tenacity and persistence. I've seen things accomplished by nothing but man power that are actually unbelievable. Irrigation systems that are infallible, beautiful pagodas and bridges made from bamboo, and their silver-

smithing and needle work are actually works of art. Our camp has been chosen for a big 4th of July celebration. We will have Bingo, penny pitch, "hamburg" stand, cake and ice cream. The ice cream will probably mean more than anything else. It will be the first for many in a year. Such things as ice cream, cakes, beer, etc. seem small and trivial, but believe me, it's the small things we guys over here miss. Thank you again for not forgetting us and keeping us posted on all the goings-on.

Phyllis M. Taylor, SK2C, Wave Bks. No. 81, Naval Air Station, Alameda, California.

I enjoyed my recent visit at FCA. It was grand to see my old friends again. I hope I soon shall be able to join them. Since I was unable to contact all of the FCA Club members, I wish to take this opportunity to thank you for the GRAPE-VINE which I enjoy very much.

FFC John K. Smith, 37531075, Co. C 147th Engineer (C) Bn., APO 228, c/o Postmaster, New York, New York.

Since I wrote you I have spent a couple of months in the hospital. Had my leg hurt by a tree top clipped off by artillery fire. I was hurt in Germany, flown by C-47 to Rheims, France, and then to Evroux for a rest. VE day was the day I got out of the hospital, which perhaps proves only that I was "goldbricking." Had to change trains in Paris, so the natural thing was to miss my train. Everybody went wild, bands playing, flags waving, lots of parades, mobs of people blowing horns and yelling. I have been told I will go back to the U. S. about December. This gives me a possibility of being there to greet Santa. I am taking photography here, but we don't have very much equipment so it isn't the best in the world. I like it, though, and I have learned some things. Be seeing you about Christmas -- I hope.

Denzel P. Folger Y2c, PreComm Training Center Staff, Bldg. 7, Treasure Island, San Francisco, California

Thank you for the good letters I've been receiving and for the editions of the GRAPEVINE which is certainly welcomed and appreciated. I advanced to Yeoman 2c last February. We have had a lot of movie entertainers and radio stars to entertain us here, and I have seen a lot of good football games, etc., but when I get a chance I'll still beat it back to Kansas City and be well pleased to quit traveling around on trains and training ships for the rest of my days. Good luck to all, and may we all be back together again before many more months pass by.

Willis S. Vail, FHM 3/c, Unit X, Bldg. #65, U.S.N.T.S. - No. 3, Norfolk 11, Va.

After nearly two years I finally get a chance to see if I'm a sailor. I'll go aboard the U.S.S. Henderson when commissioned. Will certainly be glad when this is all over and I can be back with you-all. Being so close to Washington, D.C. where first I was associated with FCA brings back some pleasant memories. I should appreciate a line from anyone of the old gang in duplicating. I also wish to extend thanks to the Farm Credit Club for the nice Christmas box.

After serving more than a year as editor of the servicemen's news, Catherine Champe asked to be relieved of this assignment, and Elizabeth Welch has kindly consented to assume this post. In addition to editing the letters from servicemen for inclusion in the Grapevine, Elizabeth will assemble all the letters received from FCA's service family in a scrap book which will be available in the Clubroom to anyone who may be interested in reading it.

Filly-dell-fia

Dear Ma:

I tell you, Ma, they is no lengths to which some girls won't go to get a feller in trouble, but that girl in Washington that rote you about my beeing their to see her is the wurst I ever seen, and she seemed like such a nice girl, too. I mean, she didn't slapp my fais or kick my shinns like most girls, and that's what fooled me, I gess. Because the minnit my back is turned, she rites you a letter.

Well, I was in Washington. After all, I spent one yere in Missouri, so I gess I got a perfeck rite to go to Washington just like enybuddy else from Missouri, and who ain't? And that bizness of worrying you about my cold. It ain't nuthin that can't be cured just as soon as they stop rashuning the meddisin.

And Ma, that girl in Washington tell you all that stuff about Filly-del-fia being the City of Brutherly Love, well, you

Home Service News

Summer vacations have not interfered with the war service rendered by our FCA girls who belong to the Red Cross Motor Corps. One evening recently Delta Vaughn, Alma Franklin, and Marie Wassenberg devoted 5 hours' work to the maintenance crew, checking equipment and the mechanical operations of cars operated by the Motor Corps. Twice a month a thorough check is made on the 35 to 40 cars used in the service as to lights, oil, water, and mechanical defects, thus saving the expense of possible breakdowns and holding accidents to a minimum.

The Farm Credit Club picnic again scored high on the Club's nit parade of activities. Although even those who worked to make it a success seemed to be enjoying themselves to the fullest, special mention should be given to Walter Hein and Landon Porter for assuming the responsibility of the Picnic Committee, to Bob Yorkdale, who was in charge of the athletic events, and to Grover Cleveland, the "Voice" of the picnic.

just taik that with a grane of salt. Brutherly love may be o.k. as a theory, but this town is full of sisters, too, and from what I been able to see, love hear ain't much diffrent from what it is in Washington or Kansas City or Spokane, only they is moar people hear, so they is moar of it.

Enyway, when I wuzn't sneazing I had a good time in Washington. I sean Giff Hoag, that uset to be in the offis next to me in Kansas City, and I sean Herb Mumford, that uset to be in Kansas City, too. Washington sure agrees with him. He's got a new baby, a goat, two ducks, some banty chickens and some real chickens since he's been in Washington. It just shows what you can do when you set yore mind to it...Yore loving son

It has come to our attention that as Special Assistant to the Director, Office of Marketing Service, WFA, J. E. Wells, Jr., has been awarded a Distinguished Service Citation by President Truman, endorsed with the congratulations of J. M. Johnson, Director of the Office of Defense Transportation. In this capacity, Mr. Wells was instrumental in finding adequate storage space for grain to accomodate the surplus all over the country.

GETTING TO WORK AT 8 A.M.

Several male graduates of the Job Methods Training courses are applying the principles of scientific management to getting to work at the ungodly hour of 8 a.m. without losing 15 minutes' precious sleep. Here are some

suggested do's and don't's based on their breaking down of the operation:

1. Don't throw your shoe at alarm clock when it goes off in the cold gray dawn and go back to sleep another 40 winks. Instead place alarm clock in an adjoining room so you will have to get up, cross bedroom and turn it off.
2. Take bath at night instead of morning. If you must take a shower in morning to wake you up, don't waste time singing; time studies show that it takes twice as long to bathe when you sing.
3. Lather and shave your face only once, and use a new blade occasionally.
4. Lay out your clothes the night before, so you won't waste time in the morning hunting for a tie to match your suit.
5. Simplify your breakfast by concentrating on a few standard items, such as fruit juice, toast, and coffee. If time presses, you can carry your toast with you and eat it on the way down town in the bus or car.
6. Run, don't walk from your house to the bus or street car. But better get a physical check-up first to make sure your heart can stand the strain.

P. S. What are the ladies doing about the change in hours?

WINTER BOWLING

Team lineups are now being submitted for the coming winter season of the FCA Women's Bowling League. Lists of teams or names of individual bowlers can be entered by calling Margaret Porter on Extension 20. Names of substitute bowlers are also desired.

A general bowling meeting will be held about the third week in August, and the new season will open at 6:30 p.m., Thursday, September 6, at the Plaza Bowl.

HUMDINGERS DO IT AGAIN

The leading Humdingers behind the pitching of Y. Meurers grabbed their second victory with a 8 to 7 triumph over the All Stars. It was the steady pitching of Y. Meurers and the timely twin killing by Franklin as well as the support of Muller, Schmidt, and Schwendeman, high scorers, that registered the triumph.

Vaughn came to the aid of her All Star team with two neat homers, and L. Meurers and Norton came through with the honor of being high scorers.

FUTURE BASEBALL STARS

Among the diamond talent chosen for the All-Star American Legion junior baseball team which played at Ruppert Stadium on July 10 was Walter Peterson, son of Mrs. Mabel Peterson of the Solicitor's Office, and George Bartlett, son of George Bartlett of Examination Division.

It was a thrilling game for the 54 youngsters chosen to receive a chance for selection as the outstanding player to represent this section in Esquire's second annual all-American boys' game to

POST. The story was published in the June 15 issue of the POST, but for those who might not have read it we print the letter that won Bill the title.

"Dear Post,

My dad is the best dad there is. He has three boys and he says he wants a ball team. He never fusses at us. We always know he means what he says. In summer he takes me on hikes and tells me about trees and birds. In fall we go the mountains and I shoot my be-be gun.

"At night we do the dishes together and talk about volcanos and whales and things. Then we sit in front of the fire and he reads us storys. I like Uncle Remus because my dad can talk like him. Dad always helps us take a bath and puts us to bed and we say our prayers for him.

"I go to church with him on Sunday. He loves to sing the church songs. When mom was sick this winter he cooked our supper. We have a new brother and when we couldn't get a nurse dad stayed home last week and took care of us.

"His hobby is making furniture and he made lots of ours. At night after we go to bed he writes things that are printed in books.

Billy Harris"

be played in New York on August 28. The boys played in uniform and the American Legion band was on hand to furnish music.

Both boys played on the winning team under Casey Stengel against the Dutch Zwilling team. Walter, 17, received honorable mention for his southpaw pitching, having taken over the mound in the second inning; while George, also 17, did an excellent job of rightfielding and base stealing. The boys are high school juniors, Walter at Lillis and George at Southwest.
