Dear Sir,

We have sent to-day 14
Bales Cotton which we think equally
good with the last for which we paid
10 1/4 & Cash - This seems a favorable
purchase - The market has a tendency
downwards - The writer of this send
you a letter from Boston in regard to the
Cotton Mill, and trusts Mr. Whitman will
advise you to Matula as he thinks it will
give you great satisfaction to hear his
opinions and suggestions upon which you
will probably be able to act with more
confidence - In the mean time we
shall be glad to do any thing at this
end to promote your views & wishes -

We have no doubt that the Mill can be
run without loss, and if in good condition
will profit, and therefore feel that

you will keep all moving as usual.
The shants have been sold as received
but the demand seems now to be light.

Yours truly
Henry Patterson & Co.

P.S. I shall be glad to have a
reply to mine of 25th
I. M. B.
