INSTRUCTIONS FOR USE OF FORM 2

(Local reproduction of this form is not authorized)

1. This form will be used to receipt for all Japanese supplies and facilities procured by procurement demand and will be the basis to support the suppliers', property owners', and contractors' claim for payment by the Japanese government. It will also serve to furnish information to higher headquarters of the value of supplies and facilities procured from Japanese civilian sources.
2. A receipt will be issued for every procurement demand prepared, unless such demand is voided.
3. The procurement receipt number assigned this receipt will be the same as was used on the demand for the supplies and facilities hereon with the following changes: Third group — A consecutive letter sequence for partial receipts starting with the letter A for the first delivery (partial receipt). Revaluations will be indicated by adding a letter sequence in inverse order starting with the letter Z for the first revaluation receipt. Illustration: KYTE-5 or KYTE-5-A or KYTE-5-Z or KYTE-5-AZ.
4. Item numbers will correspond to those used on the procurement demand. Items not delivered will be lined out.
5. The specific description of the supplies and facilities received will be as stated on the demand; verified, corrected, and amplified by inspection at time of delivery.
6. If a single account code is not applicable to all items on the receipt, enter after each item described, the proper account code given in Incl 5**.
7. Detach the lower half of all except the last page, if more than one page is required.
8. Relative value, calculated as given in Incls 6 to 10** will be entered on all copies *except those given to the Japanese.*
9. In reporting revaluations, the original or previously reported value, the correct or recalculated value, and the net change in value will be given, as explained in Incl 6**.
10. Under "Remarks", include the following, if appropriate:
 - a. Statement as to the materials, equipment, labor and supervision furnished by occupation forces in filling demand.
 - b. Reference to any attached statements, invoices, hand receipts, and inventories.
11. Alterations in the nomenclature and quantity of items will be initialed by both the receiving officer and the Japanese representative.
12. Both representatives will sign all copies of the receipt and inventory.
13. List of papers in connection with receipt, number of copies, and by whom prepared:
